Recalls that man named Galt rented room 14 around end of August 1967 and stayed until approx. October 1967. Recalled Galt had white car. Galt said he was on vacation, had worked for boat manufacturer in Pascagoula, Miss., maybe Ingalls Boat Co. Galt made phone call to Mobile to confirm job.

Recalls Galt received package and that Galt said he returned merchandise. Remembers that a letter came to Galt 3 or 4 weeks ago, which Cherpes returned to postman.

Galt probably saw continuous ad for rooming house. Galt arrived with 2 or 3 pieces of luggage. Recalls Galt's statements about employment; recalls package and letter; recalls driving Galt to get license. Recalls Galt had white mustang which Cherpes drove to and from license Bureau. Galt ate late breakfast, on time for dinner. Galt said he was leaving to go to work in Mobile, Ala. on Thursday or Friday. Knows of no associates

Vaguely recalls Galt as occupant of room 14 for about 2 months. Fussed at Galt because Galt usually came to breakfast around 7:15 or 7:20 after everyone else was finished. Recalls Galt paid for room and meals each week except last during which he didn't buy meals, saying he had no money.

Camposite drawing resembled Galt, but Galt was thinner in face.
