XIV-29 A week before Christman, 1967, saw Charles Stein, a very good trend, in N. O. Stein said was driven there by Galt who paid for most of trip and was bad driver. Stein talked of his "Cosmic Philosophy" (space ships, planet people, etc.) and was converting Galt.

When left, met Galt who said little. Had what looked like surveyor's transit in a leather case with a zipper in back of car. Above gave them a map of directions of how to get out of N.O. Says 1960 photo of Ray did not resemble Galt. Stein formerly married to "queen of vice" of French Quarter in 1962 and 1963.
