Dear James Ray....

Enclosed you will find:

1. The original agreement signed by you, Mr. Hanes, and me.
2. The letter attached to that agreement by which I agreed to advance \$35,000 in anticipation of earnings from this project.
3. Receipts from your attorneys for the \$40,000 which I have advanced to date. (\$30,000 to Mr. Hanes and \$10,000 to Mr. Foreman.)

I am also having sent to you, from my attorneys, the Supplementary Agreement which was signed by Mr. Foreman, Mr. Hanes, you and me. I suggest that you sign another copy of this for Mr. Foreman, so that we can have two copies bearing all four original signatures.

This gives you copies of all agreements existing between you and me; and you will note that I have followed them to the letter. I will continue to do so.

To this date this project has earned \$30,000. Additional earnings will shortly be received from LOOK magazine, from foreign magazines, and from Dell Publishing Company, which will publish the book in May.

LOOK Magazine will publish my next article on April 15th. The book, titled HE SLEW THE DREAMER, will be published about May 15th.

I am currently negotiating with Carlo Ponti, the film producer, over picture rights. I'll keep you informed of developments.

As soon as you are moved to Nashville, I will attempt to see you...or rather we will attempt to get permission for you to see me. We need a picture of you to use on the front cover of the book.

Jerry keeps in touch with me; and if it is your desire you can count on me to keep in touch with you indefinitely. I'll help you in any way I can.

And of course I will keep both you and Mr. Foreman informed as to earnings.

Best wishes.

Dear James Earl:

You have heretofore assigned to me all of your royalties from magazine articles, book, motion picture or other revenue to be derived from the writings of Wm. Bradford Huie. These are my own property unconditionally.

However, you have heretofore authorized and requested me to negotiate a plea of guilty if the State of Tennessee through its District Attorney General and with the approval of the trial judge would waive the death penalty. You agreed to accept a sentence of 99 years.

It is contemplated that your case will be disposed of tomorrow, March 10, by the above plea and sentence. This will shorten the trial considerably. In consideration of the time it will save me, I am willing to make the following adjustment of my fee arrangement with you:

If the plea is entered and the sentence accepted and no embarrassing circumstances take place in the court room, I am willing to assign to any bank, trust company or individual selected by you all my receipts under the above assignment in excess of \$165,000.00. These funds over and above the first \$165,000.00 will be held by such bank, trust company or individual subject to your order.

I have either spent or obligated myself to spend in excess of \$14,000.00, and I think these expenses should be paid in addition to a \$150,000.00 fee. I am sure the expenses will exceed \$15,000.00 but I am willing to rest on that figure.

Yours truly,

Percy Foreman

Dear James Earl:

You have asked that I advance to Jerry Ray five (\$500.00) of the "\$5,000.00", referring to the first five thousand dollars paid by Wm. Bradford Huie. On January 29th, Mr. Huie advanced an additional \$5,000.00. At that time I had spent in excess of \$9,500.00 on your case. Since then, I have spent in excess of \$4,000.00 additional.

But I am willing to advance Jerry \$500.00 and add it to the \$165,000.00 mentioned in my other letter to you today. In other words, I would receive the first \$165,500.00. But I would not make any other advances - just this one \$500.00.

And this advance, also, is contingent upon the plea of guilty and sentence going through on March 10, 1969, without any unseemly conduct on your part in court.

Yours truly,

Percy Foreman

P.S. The rifle and the white mustang are tied up in the suit filed by Renfro Hays. Court costs and attorneys fees, will be necessary, perhaps, to get them released. I will credit the \$165,500.00 with whatever they bring over the cost of obtaining them, if any.

"Dear Director;

"Last spring I was staying at a boarding
house in Columbia. Mrs. Rawls on Church St.

"one Sunday about one week before Dr. King
was killed. I was sitting on the front porch talk-
ing to a retired Dentist. It was after dinner on
a Sunday.

"He told me that They were going to kill
Dr. King this next week. A few days later he
was killed!

"If you think this meant any thing the doctor's
name was Bush! It sounded like he was in on the
knowing about it ot me. I thought I would pass
this information on along to the Bureau. No
one knows about this but me I hope. There were
one or two others on the porch at the time
we were but I don't know if they heard him tell
me this or not. (Weather they were listening to
our conversation or not.) I would like to remain
unknown to them (The Dr. Bush) if you decide it

Your Friend,

JAMES EARL RAY;
MARTIN LUTHER KING, JR. - VICTIM

On March 26, 1969, a representative of the FBI contacted Harry Pope at Columbia, Mississippi, concerning the above letter. Mr. Pope advised that he did not recall having written the above letter and denied ever having had a conversation with Doctor Bush concerning the death of Martin Luther King, Jr.

On March 26, 1969, Tom Rainey, Chief of Police, Columbia, Mississippi, advised a representative of the FBI that Harry Pope suffers from a mental disorder and frequently makes unfounded allegations and complaints concerning various citizens and their activities in Columbia, Mississippi.

Chief Rainey advised that Doctor Bush referred to in Mr. Pope's letter would be Doctor Russell Bush, 911 Main Street, Columbia, Mississippi. Chief Rainey advised that Doctor Bush is a retired dentist and is currently a lay preacher who is extremely active in religious affairs and is one of the most respected citizens in Columbia, Mississippi. Chief Rainey advised that in his opinion, Doctor Bush would be the least likely person in Columbia, Mississippi, to have made any remarks concerning the possible assassination of Martin Luther King, Jr.

RE: JAMES EARL RAY;
Dr. MARTIN LUTHER KING, JR. - VICTIM
CR - CONSPIRACY

An article appearing in the March 18, 1969, edition of the "New York Times," a daily newspaper published at New York, New York, contained an article datelined March 17, 1969, at Philadelphia, which states that Reverend James Bevel, identified in the article as Director of Non-Violent Education and Direct Action for the Southern Christian Leadership Conference, has indicated that "there definitely was a conspiracy" to kill Dr. King. This article quotes Rev. Bevel as saying that as a result of a mistake made by Memphis Postal Authorities, a letter addressed to a white woman was delivered to a Negro woman of the same name who lived in another part of Memphis. This letter, he stated, contained the "relevant and pertinent information that Dr. King was to be assassinated while in Memphis." Rev. Bevel further states that this letter was immediately turned over to the Memphis Police but that no special security measures were placed around the Lorraine Motel, at which place Dr. King was killed.

On March 21, 1969, Inspector N. E. Zachary, Memphis Police Department, Memphis, Tennessee, who was in charge of the Homicide Bureau at the time Dr. King was killed, advised that he has never heard of such a letter and that at no time during his investigation of the King murder was it ever called to his attention that such a letter had ever existed.

On March 21, 1969, Inspector Don Smith, Memphis Police Department, Memphis, Tennessee, who was in charge of security arrangements for Dr. King's visit to Memphis on April 3, 1968, advised that when he met Dr. King and

RE: JAMES EARL RAY;
Dr. MARTIN LUTHER KING, JR. - VICTIM

his associates at the Memphis Airport on April 3, 1968, he inquired of Dr. King as to his plans for his stay in Memphis in order that necessary security measures might be put into effect. Inspector Smith said he was told by Rev. James Lawson, Pastor of the Centenary Methodist Church, Memphis, and who was one of Dr. King's associates, that Dr. King's plans had not been fully made and that he was unable to furnish Inspector Smith any information. Inspector Smith said that when Dr. King left the Memphis Airport, he (Inspector Smith) had no idea of the destination and that he "tagged along" to find out where they were going. He said that as soon as Dr. King arrived at the Lorraine Motel, he called for additional officers and had them posted in the vicinity of the Lorraine Motel.

Inspector Smith stated that he has never heard of a letter such as the one described by Rev. Bevel, and he doubts that such a letter ever existed.

On March 21, 1969, Mr. Louis Peele, Postal Inspector's Office, Memphis, Tennessee, advised that he has no information in his possession to indicate that such a letter as the one described by Rev. Bevel ever existed.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

1. On this date, Mrs. Mabel AGNEW, ARCADE PHOTO STUDIO, advised that her doctor informed her that she has a heart condition. Considering this problem and her fear of air travel, she did not think that she would be able to testify at the trial of James Earl RAY. She was interviewed this same date and the importance of her evidence was discussed. As a result of this interview, she agreed to go to Memphis with a friend, Mrs. RICHARDSON.

20 FEB 69

2. Raymond SNEYD contacted me on this date and disclosed that on 10 JAN 69 he received notification that a year's free subscription to the Magazine "Play Boy" had been given to him by a person by the name of Ahmed HAMEL. He did not consider this as being anything but a prank until he received two copies of this publication. The original notification is being retained here as an exhibit and photostat copies are attached. SNEYD advised that he has never applied or had previously received a copy of this Magazine and further the person by the name of Ahmed HAMEL is completely unknown to him. The cost of a year's subscription to this publication is \$13.00 and in view of this and the fact that he will be giving testimony in this case might be of some significance. The possibility exists that this is a movement to discredit the witness or reflect on his morals. Possibly the U.S. authorities might be able to obtain some further information in this regard.

3. On this date, Henry MOOS was acquitted of the charges emanating from the signing of the Passport Application for James Earl RAY. Mrs. Lillian SPENCER gave evidence at this trial indicating that she assisted RAY in completing the Application for Passport Forms and also identified a photograph of him. Mr. D. C. CARMICHAEL, Crown Prosecutor in this case suggested that being that SPENCER was a very poor witness, and that she had admitted to helping RAY, and further identified him by photo, the prosecuting authorities in Memphis would no doubt be interested in receiving a copy of the transcript of this trial.

4. Mr. T. MORAN, Court Reporter, Old City Hall, Toronto, advised that the cost of this service was approximately \$25.00 for SNEYD's testimony and \$100.00 for the complete trial.

5. In considering the time element involved in preparing this transcript and also the problems concerning Mrs. AGNEW, Mr. Robert A. DAVIS was contacted in Memphis and advised.

Further to memorandum of the A/Officer i/c C.I.B. dated in Montreal on the 19 FEB 69 and appended FBI correspondence, enquiries conducted with the MCP revealed that only two (2) unsolved armed robberies occurred during the periods running from July 17, 1967 to August 17, 1967, and from April 8, 1968 to the 6 May 1968. The establishments robbed are as indicated hereunder:

This robbery was committed by two armed individuals who spoke English with a French accent and the perpetrators were identifiable by Louis WEINER. WEINER was interviewed by Cst. At the time of exhibition to WEINER, photographs of RAY had been mixed together with photographs of other individuals. No identification made and WEINER was positive that the photographs of the men who had robbed the store were not among the ones he viewed.

address also met with negative results as BLOUIN has moved out approximately four (4) months ago leaving no forwarding address. At the present time, attempts are being made to locate BLOUIN. POUPART is no longer employed at the Laiterie Perrette and was contacted at his residence by telephone. When he was advised of the purpose of our wishing to meet him to identify photographs of the possible robber, he stated that he did not wish to get involved in any police investigation which might lead him to become a witness in any type of prosecution. Attempts will be made to interview POUPART personally, at his home, and the outcome will be reported on. It is however, to be noted, that the perpetrator of this theft in this case, spoke French and it is not believed at this point that James Earl RAY speaks French.

GENERAL INVESTIGATIVE DIVISION

This is the case involving the murder of Martin Luther King, Jr.

The attached sets forth statements made by one of the local officers regarding the conversation that took place between James Earl Ray and the officers who accompanied Ray during transfer from Memphis to Tennessee State Prison, Nashville. Ray stated that about 90% of the information appearing in "Look" magazine (written by William Bradford Huie) were lies. Ray compared the British jails with the Shelby County jails and stated a "Federal man" had the Shelby County jail windows boarded.

The reference to the "Federal man" apparently pertains to U. S. Bureau of Prison personnel who consulted with local authorities relative to Ray's incarceration at Memphis.

Relative to the JAMES EARL RAY case.

* * * * *

Q. Captain Dawson, on the morning of March 11, 1969, did you, with other officers of the Tennessee Highway Patrol, accompany James Earl Ray to the State Penitentiary at Nashville?

A. Yes sir, I did.

Q. Would you name the officers that accompanied you and relate any discussion as you can recall between Ray and any of the officers.

A. Yes sir. We assumed custody of Ray at approximately 5:20 A.M. in the Highway Patrol Station on Summer Avenue, Memphis. He was placed in the rear seat of the automobile. I sat on his left. Commissioner O'Rear was on his right. Inspector Mickey McGuire drove. Deputy Commissioner Bud Hopton sat in the front on the right. I recall some...for the first 15-20 minutes, there was very little conversation. As we continued on, Ray made some remarks concerning the landscape and scenery. I remember asking Ray that yesterday was his birthday and he looked like he had celebrated it with a bang. He said, hell, yesterday wasn't my birthday. I've lied to them so much they don't know when I was born, ..or words to that effect. I remember Inspector McGuire asking Ray then if the articles in Look Magazine pertaining to his case were in fact truth. Ray responded...hell no, about 90% of it is lies and Huie now knows about the time that I was in a mental institution and I understand that his next article is going to say that I'm crazy. I also remember McGuire asking Ray if he had been in Nashville before. Ray said that is where the Grand Ole Opry is, isn't it? I don't remember if he said he had or had not been in Nashville but he said he had not been to the Grand Ole Opry. I remember Ray asking me if I was with the prison. I told him no and asked why. He said I was wondering if legal services are available in the State Pen. Commissioner O'Rear told him he would have to take that up with the warden of the institution. I remember Ray saying they had not treated him badly in the Shelby County Jail other than the damn Federal man had had the windows boarded up and he could not see out or get any fresh air with the exception of what was blown in and it made him feel like he had a cold all the time. I remember asking Ray how the jail here compared to the confinement facilities in England. He said in England they had two types of jails, one before trial and one after trial and that the one before trial was not bad, but he understood the other one was rough as hell. I remember him saying that he was trying to get to Africa, but the riots were going on in France and he had gone to Portugal, but was unable to get a boat to Africa; but heard he could get one in Brussels so he returned to England intending to get to Brussels. He said he had run out of money, and that he had intended to go to Brussels and get a boat to Africa. I recall some conversation and I don't know who asked the question, concerning getting the passports in Canada and also the mention was

March 18, 1969

made that one of them, we understood, was in the name of a police officer and he laughed heartily, but he didn't elaborate. He made no reference to the crime itself. He did ask one time if he would be placed in a cell or be allowed to be outside some and he was told that he should take this up with the warden of the institution. He indicated that he sure hoped they would not lock him in a cell. I recall that he said he had sure messed up and if it was to do over, he would not have pleaded guilty to the offense. We arrived at the Penitentiary at 8:06 and Ray was released to the prison authorities.

Q. That's all, thank you.

GENERAL INVESTIGATIVE DIVISION

This is the case involving the murder of Martin Luther King, Jr.

The attached sets forth statements made by one of the local officers regarding the conversation that took place between James Earl Ray and the officer who accompanied Ray during transfer from Memphis to Tennessee State Prison, Nashville. Ray stated that about 90% of the information appearing in "Look" magazine (written by William Bradford Huie) were lies. Ray compared the British jails with the Shelby County jails and stated a "Federal man" had the Shelby County jail windows boarded.

The reference to the "Federal man" apparently pertains to U. S. Bureau of Prison personnel who consulted with local authorities relative to Ray's incarceration at Memphis.

Attached statement being furnished to the Department.

March 12, 1969

FREDERIC L. CARLIN

At approximately 11 a.m., March 11, 1969, an individual identifying himself as Frederic L. Carlin appeared at the San Antonio Office of the FBI advising he had a "conspiracy theory" concerning the assassination of Dr. Martin Luther King which he wished to discuss with the FBI.

Carlin proceeded to explain his "theory" which among other things encompassed the Russian Revolution of 1917 and the Senate debate on the appointment of Abe Fortas as Chief Justice of the United States Supreme Court in 1968. Carlin contended the conspirators in the assassination of Dr. Martin Luther King, Jr. were Senator Phillip A. Hart (D-Mich.) for "being suspect" in the Detroit race riots; Senator Steven M. Young (D-Ohio) for "being suspect" in the Cleveland race riots; Senator Eugene Mc Carthy for being so liberal on different issues and for stating he planned to visit Red China if he were elected President; former Attorney General Ramsey Clark for supporting anti-gun law legislation; and FBI Special Agent George Bonebreak (phonetic), if not the whole FBI in general.

Carlin elaborated the conspirators in this case were the product of Communist infiltration into every phase of the United States Government, civil rights groups, and church groups in the United States, and each of the conspirators had contributed large sums of money to finance James Earl Ray and to keep Ray quiet, thereby protecting themselves.

Carlin stated if an investigation was launched to examine Congressional voting records, this would bear out his theory.

Carlin's main point in this theory centered around criticism of the FBI and Agent Bonebreak, stating the FBI acted too swiftly in issuing "two wanted flyers" on Ray. The

FREDERIC L. CARLIN

first flyer was on an Eric Starvo Galt while the second one was on James Earl Ray. Carlin contended the FBI could not possibly have known Eric Starvo Galt was an alias Ray might have used prior to actually identifying Ray by what was reported to be an exhaustive fingerprint examination. He, therefore, stated the FBI should be held accountable for possibly causing arrest and/or death of an innocent person.

Carlin, who throughout the foregoing conversation spoke in an extremely arrogant and belligerent manner, stated he had been discharged from the United States Navy in 1961. He exhibited a Navy identification card, No. 322795, showing him to be a "non petty officer".

Carlin stated he was a former letter carrier for the United States Post Office, San Antonio, having been employed by that office until mid-1968, at which time he "resigned" or was "removed" due to medical problem involving his blood sugar count and the fact he had overextended his sick leave privileges. He stated he was presently self-employed as a farmer owning a small farm near Stockdale, Texas.

Carlin gave no exact address, stating he does not like to use a street address and that he received his mail through General Delivery or occasionally a box he might rent at the Post Office in San Antonio.

Carlin returned to an earlier statement of his concerning anti-gun law legislation and stated this was even more evidence to prove a Communist infiltration of the United States Government as he felt Americans should be allowed to own firearms as he felt they would be needed one day in the battle against Communism. He stated he personally owned firearms and described them as a .38 Special revolver and a "nice" 30.06 deer rifle.

Carlin indicated he had written the following individuals concerning his "conspiracy theory" and hoped they would see an investigation was launched to bear this theory out:

FREDERIC L. CARLIN

Governor Ronald Reagan of California (whom Carlin stated he backed in a bid for the Presidency of the United States);

Governor John McKeithan of Louisiana;
Prime Minister Pierre Elliott Trudeau of Canada;
Former President Lyndon B. Johnson while in office;
President Richard M. Nixon;
New Orleans, Louisiana, District Attorney James Garrison; and
U. S. Senators Strom Thurman, Robert P. Griffin, James O. Eastland, Sam Ervin, Jr., Ted Kennedy, and John Tower.

From observation during the above conversation Frederic L. Carlin is described as a white male; in his early 30's; approximately 5'9"; 155-160 pounds; dark hair and eyes; wears glasses; and has pock marked complexion.

At approximately 2 p.m., March 11, 1969, Deputy United States Marshal Mario Granados, San Antonio, Texas, telephonically contacted the San Antonio Office of the FBI advising he had received the following information from his brother Rudy Granados.

At approximately 12:45 p.m., March 11, Rudy Granados was in Cap'n Jim's restaurant located at the intersection of Loop 13 and Roosevelt, San Antonio, and overheard an unknown man state he had "a .357 magnum" in his car and was "leaving to take care of Garrison". Granados observed this unknown individual, described as a white male, 5'8", approximately thirty years of age, leave the restaurant and drive off in a light blue Chevrolet Nova automobile bearing 1968 Texas license plates GNS 308.

Check of these license plates through Bexar County automobile registration records reflected they had been issued for a 1963 Chevrolet, Vehicle Identification No. 30411K127278, registered to F. L. Carlin, 511 Monticello, San Antonio, Texas.

A check of the current San Antonio city directory

FREDERIC L. CARLIN

reflected 511 Monticello is the address for one Clifford T. Carlin, a printer for the San Antonio Express Publishing Company. This directory further carried the listing for one Frederic L. Carlin, who was a carrier for the United States Post Office, San Antonio, and has a Post Office Box of 10039.

Driver records, Texas Department of Public Safety, Austin, Texas, reflected the following descriptive data for the above individuals:

Clifford Theodore Carlin:

White male; born October 28, 1908; 5'9"; 180 pounds; brown eyes; black hair; Texas operator's license 0031853; address 511 Monticello, San Antonio, Texas.

Frederic Leroy Carlin:

White male; born February 9, 1939; 5'10"; 168 pounds; brown hair; brown eyes; Texas operator's license 1135972; address 511 Monticello, San Antonio, Texas.

The files of the San Antonio Division of the FBI fail to reflect any information identifiable with Frederic L., Frederic Leroy, or Clifford Theodore Carlin.

JAMES EARL RAY

Charles Joseph Stein was interviewed in Los Angeles on February 13, 1969 and furnished the following information:

During April, 1968, he was contacted by a reporter from the "Los Angeles Times", a daily metropolitan Los Angeles newspaper. This reporter was named Larsen. During the conversation with Larsen, they discussed a memorandum slip, the type used in hotels to give messages regarding incoming telephone calls during ones absence, which Stein had received from James Earl Ray. This slip had the address of Stein's sister, Marie Lee, where Stein stayed while in New Orleans, Louisiana during December, 1967 when he and Ray travelled from Los Angeles to New Orleans and return. This slip also bore a phone number which Stein cannot recall. Stein said that he did not now have the slip of paper in his possession since he has moved several times during the interim.

Stein felt that the phone number might be of great financial value since he felt the phone number might be the location where James Earl Ray could be located. According to Stein, Larsen offered him \$15 or \$20 for the slip which he felt was not enough money.

Following the conversation with Larsen, Stein said he spent his last dollar to call the phone number on the slip, which was a New Orleans phone number. He said that the person answering the phone identified the number as being that of the Greyhound Bus Station in New Orleans. Stein continued that Ray was eager to leave New Orleans for the return trip to Los Angeles but that he wanted to stay a day or two longer. Stein suggested to Ray that they check weather conditions prior to departing New Orleans for Los Angeles since on the trip to New Orleans, they had encountered a snow storm. Stein continued that Ray called the fire station, who suggested he call the Greyhound Bus Depot for weather

JAMES EARL RAY

information. According to Stein, Ray did call the Greyhound Bus Station and made a notation on the memorandum slip.

Stein stated during interview that he is eager to go to Memphis, Tennessee, to be a witness in the Ray trial. He said he intends to take with him a camera or a photographer to record his actions as a witness and that he intends to write a book about his experiences in this case. Stein said that he will embellish on his story to make the book a good seller and to profit financially from it.

Stein was asked if he had ever heard Ray mention anyone named Raul, to which he answered negatively. He said he knows of no connection between the assassinations of President John F. Kennedy, Senator Robert F. Kennedy and Martin Luther King, Jr.

Stein continued that James Garrison, New Orleans District Attorney, had contacted his sister, Marie Lee in New Orleans asking to have Stein contact him. Stein said he made two attempts to call Garrison collect but the calls were not completed.

Stein advised that he had called the District Attorney's Office in Memphis to obtain permission to telegraph Ray in prison for information concerning the December, 1967 trip to New Orleans. Stein said that the District Attorney "took the fifth amendment" and while permission was not granted, Stein did telegraph Ray in prison. As of the date of interview, Stein stated he had not received any information from Ray.

During the interview with Stein, on several occasions, he digressed into the realm of metaphysical thought concerning the continuous creations of many new Christs. Stein stated that he had no permanent address in Los Angeles, but that he is living on a day-to-day basis with friends.
