Enclosed herewith for the FBI Lab is an exhibit envelope containing two pieces of paper, each of which has three specimens from a Thermo Seal Marking machine from Sno-White Laundry, Albany, Georgia. Specimens were obtained for the marks "D2B-6" and "O2B-6". Sno-White has never used these particular marks and their marks begin with numbers. Zero is never used as a starting number, nor do they start a mark with a letter. They do use red tapes with black numbering.

The Lab is requested to compare these specimens against the marks on garments previously submitted by Memphis.

Mr. JAMES CORNHILSON, Owner, Cheke's Cleaning and Laundry Village, 539 Baxter Street, Athens, Georgia, advised on 4/10/68 that his laundry uses a Thermo Seal Marking Machine for laundry processed by his company. He stated that they do not use number or laundry markings that would have two letters in the marking, but use just one letter, e. g. B-111.

Mr. CORNHILSON furnished samples of their laundry marking tape which are enclosed for comparison by the Laboratory.

FROM : SA JACK B. SIMPSON

SUBJECT: MURKIN  
RM  
OO: Memphis

DATE: 4/11/68

It is noted that FLOYD B. AYERS has been suggested and eliminated as a suspect in this case.

AYERS, a known mental case, was observed on TV by De Kalb County Police while attending the funeral of MARTIN LUTHER KING, JR.,

On 4/10/68 AYERS was interviewed by Officer C. H. RAPE of De Kalb County Police.

AYERS bragged about being at the funeral and in the church in close proximity to notables including the Vice President and the KENNEDYS. He said Only one person had asked him who he was and he indicated security around the notables was poor.

AYERS told newsmen, who asked who he was, that he was working security for VIP's.

AYERS was impressed with his ability to get as close as he wished to persons at the funeral without having to answer to anyone.

The above is being made a matter of record as it is the opinion of Lt. J. D. HEWATT, De Kalb County Police, that AYERS' mentality would make him capable of anything since his political views are classified by police as "radical".

done under the fictitious name of the Portable Power Company, and a large quantity of the above-described blue business envelopes were sent out by the mailing house.

The enclosed envelope was returned in response to this marketing program, and is the only such envelope retained by O & R Engines, Inc. Mr. DE LUCA has kept it in his desk since its return and did not think it important until the assassination of KING occurred on 4/4/68.

In view of the fact DE LUCA advised that an undetermined number of individuals have handled the enclosures, and because Los Angeles is unaware of the details of the investigation surrounding captioned case, the above evidence is being furnished to the Memphis Division rather than being submitted to the FBI Laboratory and further leads are being left to the discretion of the office of origin.

Inasmuch as the postal guide shows there is both a Perry, Florida, and a Perry, Georgia, information copies of this communication are being furnished to those offices covering these locations.

FD-302 will be prepared on above-described investigation, and will be retained by the Los Angeles Division unless advised to the contrary by Memphis.
