FEDERAL BUREAU OF INVESTIGATION

Date April 18, 1968

Mrs. ESTELLE PETERS, Manager, Piedmont Laundry, Pick-Up Station, 1168 Peachtree, Northeast, Atlanta, furnished the following information:

Upon viewing photographs of ERIC STARVO GALT, one photograph with the eyes open and the other furnished with eyes closed, stated that she could not positively identify him by these photographs. She noted that when GALT came into the laundry that his eyes ~~were~~ open and she did state that the photograph with the eyes open looked a good deal more like him than the artist's conception previously exhibited to her.

She further advised that she felt she could tell more concerning an identification of GALT by hearing him talk. She ~~pointed~~ out that the hair in the photograph looks very much like GALT's hair and that she would go so far as to state that she would say that the photograph of GALT is the man who came into her laundry April and April 5, 1968.

Mrs. PETERS advised that she would have to see him in person and hear him speak before she could honestly make a positive identification.
