in the Bible in which JESUS CHRIST, during his agony and death, called upon His heavenly father to:

Father, forgive them for they know not what they do.

Reverend KING then realized that if his Christian upbringing was what he feels it to be, he had to feel the same way about the shooting of his brother.

Reverend KING further commented that the murder of his brother has only served to make him see more clearly that violence is not the answer to the Negroes' problem.

Reverend KING stated that during the several contacts he had with his brother on April 4, 1968, his brother gave no indication that he had received any information indicating an attempt on his life would be made on that date. On the contrary, his brother seemed to Reverend KING to be overly jubilant in that he, the brother, felt that he was making progress in obtaining a desirable solution for the sanitation strikers in Memphis, Tennessee.

Reverend KING advised that after his arrival in Memphis, Tennessee, late on April 3, 1968, until after the shooting of his brother, he, Reverend KING, had left the Lorraine Motel on only one occasion, that being around noon, April 4, 1968, when he, in the company of Mrs. LUCRETIA WARD of Louisville, Kentucky, who was also staying on that date at the Lorraine Motel, went to a nearby dry cleaning establishment and drugstore to make some purchases. On this occasion, they were gone from the motel but for a short time and Reverend KING observed nothing unusual or indicative of any indication that harm might befall his brother on that date.

Reverend KING further commented that prior to his above visit to Memphis, Tennessee, he had last personally seen his brother in Washington, D.C., in February, 1968, exact date not recalled. However, he frequently telephonically was in contact with his brother and during none of these contacts did his brother indicate to him that any open threat upon his life had been made. However, Reverend KING

commented that he knew his brother lived with the thought in mind that efforts might be made to assassinate him and Reverend KING feels such an effort did occur in Birmingham, Alabama, several years ago, when first Reverend KING's home was dynamited and about 20 minutes later, the motel at which his late brother was then staying was also dynamited.

Enclosed for the Bureau and Atlanta each is one copy of an FD-302 and for Memphis nine copies, recording information furnished on 4/22/68 by Rev. A. D. WILLIAMS KING.

As a matter of information, it might be noted that during the interview Rev. A. D. WILLIAMS KING was very pleasant and indicated that he felt confident that the FBI would be successful in apprehending the murderer of his brother and only hoped that once in custody, sufficient protection will be afforded the individual to insure he lives to stand trial. It was explained to Rev. KING that the matter of the protection of a prisoner would be the responsibility of the prison officials in whose custody the prisoner might be. Rev. KING stated he understood this.

As noted in re airtel, as of 4/15/68, Rev. A. D. WILLIAMS KING reportedly was in Atlanta, Ga., and was scheduled to return to Louisville late 4/17/68. Telephonic efforts by SA WARREN L. WALSH on the morning of 4/18/68 to reach Rev. KING at his home in Louisville were negative. A message was left with his son for Rev. KING to telephonically contact SA WALSH on his return to Louisville.

Later on the morning of 4/18/68, SA WALSH telephonically contacted the Zion Baptist Church in Louisville where Rev. KING is pastor and was advised that Rev. KING had not yet returned to Louisville. At 5:15 p.m. on 4/18/68, SA WALSH telephonically reached Rev. KING's wife at his residence, and she advised that Rev. KING had not yet returned to Louisville, but was expected momentarily. SA WALSH explained to Mrs. KING that he desired to talk with Rev. A. D. WILLIAMS KING because of the report that Rev. KING had been in Memphis, Tenn., at the Lorraine Motel on the date that his brother had been shot. Accordingly, it was felt he might possibly have information of value in connection with instant investigation. Mrs. KING stated she would have her husband promptly contact SA WALSH upon his return to Louisville.

Not having heard from Rev. A. D. WILLIAMS KING as of 10 a.m. 4/22/68, SA WALSH telephonically contacted his home and reached him there. Rev. KING advised he had received the message for him to call SA WALSH, but he had been so busy he had not as yet had the opportunity to set up the appointment. He advised he would be available in the office of his church at noon, 4/22/68, for interview.

ROBERT BERMAN, proprietor, Famous Cleaners, 3454 N. W. 7th Avenue, Miami, Florida, advised that his laundry does laundry and dry cleaning for several small cleaning establishments in the Miami, Florida area. He advised that he uses code 20R-3 about once every three weeks for the Royal Palm Cleaners, 4016 Royal Palm Avenue, Miami Beach, Florida. BERMAN believes that a yellow tape probably would have been used at least two or three times since April, 1967,

BERMAN advised that he is checking his records in efforts to determine the exact dates since April, 1967, that code 20R-3 has appeared on yellow tapes for the Royal Palm Cleaners. Thus far, BERMAN has determined this code was used on yellow tape for the Royal Palm Cleaners on September 28, 1967, and October 24, 1967.

The following investigation was conducted at Albany, Georgia, by Special Agent ROBERT S. KENNEMUR:

On April 13, 1968, D. C. BRADLEY, Manager, Citizens Pawn Shop, 204 South Jackson Street, Albany, Georgia, telephone number 435-4641, advised that during World War II he had lived with a woman named AVIE CHRISTINE CORBELL GALT, who was the wife of FREELAND GALT. BRADLEY stated that he lived in various towns in the Southeast with Mrs. GALT until FREELAND GALT came out of the Army during 1945. He stated that Mr. and Mrs. GALT were both from a little town about 12 to 15 miles outside of Columbus, Mississippi. BRADLEY stated that he only saw FREELAND GALT one time and this was in Jacksonville, Florida, right after he came out of the Army. He stated that he would estimate FREELAND GALT to have been about 20 or 21 years of age in 1945, 6 feet tall, 170 to 175 pounds, dark complexion and blond hair. BRADLEY stated that after GALT came out of the Army, he stopped seeing Mrs. GALT, and the last time he had heard from them they were living in Memphis, Tennessee, in 1945.

BRADLEY further advised that Mrs. GALT's father was named DAN CORBELL and he worked at an ammunition dump in the little town 12 to 15 miles out of Columbus, Mississippi, where Mrs. GALT's home is located.

BRADLEY stated that he was furnishing this information for whatever value it might be in view of the publicity being given in the local press regarding the Federal Bureau of Investigation's search for a person by the name of GALT in connection with the assassination of MARTIN LUTHER KING.

April 20 th 68

Here might be a tip
I hope its right.

I was staying at the sisters of
the Home of the aged for 9 months
from July 12-67 to Jan 28-1968
there was a man there by the
name Harry Frazzle who
was enjoying him self over the
death of people. 4 men died while
I was there all about the same
way This Harry Frazzle talked to
him self. As he said to him self in
his room all to him self. That
dam Charleston I killed that son of a
bitch, and old man Down and
that dam Reibel which is me are
next. He fed people arsenic
He had threatened people right in
front of every body. But no body
seemed to catch on, like I did
after I heard my name Reibel called
I had made reservations to go see

(2)

My Son Mr John C Rebel
1729 Rosemont, Memphis Tenn
38111

on Jan 28th 1968.

Another man named Bill Grayton
not much better than faggles
said to me right after I had
called my son, and I had made
reservations on the Delta an bus
for a trip to Memphis at 12:25 PM
Jan 28-68. This Bill Grayton
who is still yet at the home
as far as I know, on 2345 W 86th
St Indianapolis Ind. He send to
me Friday nite Jan 25th you
not going to Memphis. The 28th I
said the Hell I ain't. You not
going, you'd be right here, I said I
bet you a thousand bucks I go
the 28 Monday noon. He said if
I had the money I'd take that bet
I said I havent got it either But its a

3

good bet, I can get the money
I said either put up or shut
up By then one of the Sisters
came along, and I told her I
said I don't know why But Bell
Grayham said I am not going to
Memphis Monday at 1230 P.M. And
I'd like to know why - He sat
there and still say said your not
going. You'd be right here, I'd
bet my hat on that, I said are
you nuts. or are you going nuts
here I called Mr. Reibel, and
I called the Delta air line, and
made reservations. all I got to do
is go there sign my name, pay
for my ticket and say Memphis
Tenn Here I come, again he
said your not going
you mark my words,
I say your going to

(4)

be right here. I said
Oh yea. what's the
big idea. Thinking I
won't or can't go
I said you or no one
else. But allmightly
God can keep me
here. So on sunday
morning I got up early
had to go to the
the toilet I was at
5 AM. So instead
of me going back to
bed I got up not dressed

(5)

And went down the Elevator
to the smoker to smoke
a cigarette and wait for
church time, and here
sat, Bill Grayham and

Harry Frazzle. So Harry
said you leaving in
the morning, are you I
said I sure am But

Bill over there says I
am not, And I could
understand why.

So Harry asked were
you ever out to
the air Port. I said
no I wasnt. in fact

(b)

I never rode on a plane in my life, This is the first time I ever will set foot in a plane or air line station, Are you sure you know what air port to go to. I said Delta. And American both at one spot who told you theres two. I said the girl at the air port asked me on what line I wanted to go on the American or Delta

(7)

I said Delta, Why? The
Delta, you know they
are the ones that have all
the accidents. The American
never fall but the
Delta does. I bet you'll
never get there and if
you do, you'll never get
back. I said I bet I
do. As my Son Jazir Reibel
Takes the Delta all
the time when he
his wife and family
fly some where. He
he said you might
get down there O.K. But
I bet you won't come

(8)

Come back I said why
won't I come back, nor
you prying into my affairs
first. But Graham then
now you.
What's the meaning of
all this. Any way?

You wait and see. You'll
not get back, you'll
get down there OK
but you won't get
back. Now when I got
ready to leave at the Home
all of a sudden a fever struck
my stomach, nearly doubled me
up. I stuck it out, till I got over
to the air port where I could
get a big glass of 100 proof whiskey
It hit my stomach. It seems
to cool it off. I turn and get
another drink it like water

(9)

It never faced me a bet But
it killed the fair as it
takes one prisoner to kill
another. After I got to Memphis
I began feeling sick my
bowls wouldn't move so
I took 3 laxative tablets where
I was only to take one and
some hot water of a morning
to make my bowels move
all at once they broke loose
green as any grass and loose
where ever they hit me on
my hind cheeks and legs I
broke out in sores. My

Reaction was so sore I
couldn't hardly stand
I wrote to my Doctor at
Aurora Ind and I told
him what I thought I
had. So on my way back
I didn't go to the Home

(10)

But took the Bus from Indianapolis Ind at 10 oclock
at route to Batesville Ind
then on wed I went to my
Doctor took 3 shots. and
3 diffrent kind of pills He
shook his head. He knew
what was wrong. So he
said take these pills one
a day for 30 days then
come back April 5, soon
I am the picture of health
again All but I had a
terriabh fall Easter Sunday
nite was out, talking to
the Police, on my way
home I hit a Cement
slab that was pushed
up by a root of a maple
tree I fell and

(11)

nearly kill my self. I am
now under Doctors care
at Aurora Ind. for how
long I never know. But
I am going to file suit
against the city for

Damages. People before
already fell over some
just like that and still
they are not fixed. They
will fix them after I
get through with them

Getting back to Harry Eragle
I wrote to the FBI at Indianapolis
I told them about what I heard him
say to him self. he killed Charleston
and Mr. Darrin and Reichel are
next, and told them How Bill
Grayham insisted that I would
leave on the 28th, and How Harry

(12)

kept telling me if I left the 29th
of Jan. I'd not get back the 28th
How I felt when I left. How
Charleston died. How Harry enjoyed
him self after the men would
die, get half drunk then sing
and laugh like a nut, and say
why isn't every body happy,
let every body be happy. when
we all felt bad about 2 men
dying in one week friends
of ours in the home. Harry
would say cheer up you guys
you all set around like a
bunch of dopes, cheer up,
whats one or two mens life
mean, to you nothg, cheer
up you dumb fools, let every
body be happy. I wrote this
to the General Hospital where
many a man was taken to alive
but brought back dead.

(13)

all died about the same way.
No one knew that we had a
manic there But me, after
I got to knowing what I heard
I seen his picture in the post
office, long before I went to the
home at 320 East Vermont St
Indianapolis Ind, Then we
moved out north to the new
home on 86th St, 2343-N. 86th
Street Indianapolis
Ind

While I was at Memphis I turned in
to the FBI at Indianapolis
Ind. when I got ready to leave
Memphis, One man wrote to
me, and said Harry left or
one knows where, or when he
left, or where hes at, Now he
broke jail as far as I knew down
south, and he had been there
5 years, when he broke out as
I had seen and heard

(14)

And when he heard I ~~was~~ was
going to Memphis Tenn. there
in Jan. He said your gang
down in near my stomping
ground. I worked down there
for 5 years. I did painting.
started to work for a shoe
maker, then people told me
to try and get a job in a
laundry. I worked only a
few hours and I had enough
of that, and I pulled up and
quit and I left, to come up
here, to get a job but I was
told no body wants a man
over 50 any more, so I don't
know if the F B I got him
or if he left on his own
and headed down that way
if I'd know, he was down
in there again. I'd say Hes
the one that shot Martin Luther

(15)

King, when he made the
remark about me coming down
but would never return
a thought struck me at the
air port when the jet we
were to come to Indianapolis
is at 5:03 that eve. It
sorta konked out coming
in to Memphis. And they
tried to fix it, But they
couldn't. So they delayed
the flight till 8 AM the
next morning, we came on
on another plane a small
one. I wonder if Harry
Frazzle took off to the
south where the plane
started from and missed it
~~that~~ thinking I'd be
on it from Memphis to
Indianapolis
figuring I'd be killed now

(16)

while at the home The Sisters had
Colored help cook a lady.

a young colored helper in the
Kitchen. Colored help to clean
the building, hallways bed
rooms one colored lady
took care of the elderly ladies

one day Harry got to spouting off
his face about them black
sons a bitches, in his book they

are just dam niggers, I spoke
up and said Harry, Those

people are not niggers they
are noted as colored people
Colored people Hell, they are noly
but a bunch of damn dirty

niggers. one day we had
Doctor Martin Luther King
on TV. He comes along and
shuts it off. I said turn that
back on, the hell I will not to
listen to that damn Black nigger

(17)

they ought to do him like
they did to the man that
freed them, and the man
that brought up this
civil rights, Kennedy
old, Abe, John F. and
Martin are all alike
now since this has
all happened as it did
I gathered up my thoughts
and put them together
and am telling you what I
think & believe. He may
not shot Martin him self
But I bet he was
the cause of it.

Harry Frazzle
made his home at the little
sisters of the poor, came there
with out a dime no clothes

(18)

mean as hell to the
older fellows and crippled
who out on the street
had leave in the morning
before day lite come
back after dark.

I bet my foot hes down
there and hes the man
you looking for, that
Shot, Doctor Martin Luther
King, when he turned
the TV off I turned it back
on again and I told him
you skunk you dont own
the TV, you shut it off
again I cold cock you
load. Martin Luther King
is a smart man, to dam
smart for guys like you
to listen to, I told him, I am
for Martin Luther King 100 percent

(19)

those people cant help they
are colored. Red is has
fault is it that the
colored People are here
no one but fellows like
you who brought them
in this country, made them
breed with the white ones
then sell them for slaves
he said. That all they are good
for is to fuck. I did once
and I not do it any more
with a white woman
but that all them black
smabitches are good for.
Drown the colored people he
fat them on the shold. call
the women sweet names
such as sweet heart and
so forth. But Ied kill them or

(20)

sight. write to the Sisters
they may have his picture
the FBI may want it
too, the sister that Harry
liked, her name is
Sister John, over seer over
the men at the Home of
the aged 2345 West 8th St
Indianapolis Ind 46260.
she may know where
he went, no one else
there seems to know
I feel like his right down at
Memphis Tenn. He a tall
slender man his lower jaw
stands out under his upper
teeth, sorta bad and crossed laughs
like a old hen cacklin. claims
he is about 63 years old, very
seldom wears a hat. Hates the
Colored people like a snake Hates
Catholic people, well that's all for now
