According to Mr. DURYEA, this document is an affidavit filed by the student when he returns his first lesson to the Locksmithing Institute. He has no way of determining when this document might have been received, however, he would assume that it was submitted with the first lesson or else there would be a notation made on the back that his institute had submitted a follow up letter to the student.

In addition to the above documents, he made available two addresses which are as follows:

Mr. ERIC S. GALT  
1535 North Serrano  
Los Angeles, California 90027

Mr. ERIC S. GALT  
2608 Highland Avenue  
Birmingham, Alabama 35205

Dr. DURYEA further informed that the order of addresses would have been as follows: the Montreal, Canada, address, the first address that his institute received. The Los Angeles, California, address, the second received. The Birmingham, Alabama, address, the third address and the address on the student ledger card in Atlanta, Georgia, the most recent address which was March 30, 1968.

A search was made of the subscriptions for the Locksmith Ledger which is housed in the same building as the Locksmithing Institute and no subscription could be located under the name ERIC S. GALT.

Mr. DURYEA advised that everything, including lessons, payments, letters or any correspondence of any nature, received by the Locksmithing Institute or Locksmith Ledger would be immediately maintained by him and given to the Federal Bureau of Investigation as soon as possible after it is received.

In the event the above information is to be made public, a subpoena duces tecum should be directed to Mr. GEORGE DURYEA, Director, Locksmithing Institute, 1500 Cardinal Drive, Little Falls, New Jersey, 07424.

- Q133 Order Blank of the Superior Bulk Film Co., Chicago, Ill. for order in the amount of \$337.24, to be shipped to Eric S. Galt, 2608 Highland Ave., Birmingham, Alabama

ALSO SUBMITTED: Six miscellaneous items of correspondence of the Superior Bulk Film Co.

Specimens received from Newark, 4/13/68

Q134 Enrollment Form of the Locksmithing Institute, Little Falls, N. J., dated 7/31/67, in the name "Eric S. Galt"

Q135 "Confidential Information" form of the Locksmithing Institute, bearing the signature "Eric S. Galt"

Result of examination:

The "Eric S. Galt" signatures on Q128, Q130, Q131, Q132 and Q135 were prepared by the writer of the signatures in this name appearing on items previously submitted in this case.

The typewritten impressions appearing on Q127, Q128, Q130, Q131, Q132 and Q135 were found to be the same style of type but the lack of identifying defects precluded a determination as to whether the same typewriter prepared all of these items; however, no significant differences were noted between the impressions appearing on these items. The style of type appearing on these specimens conforms to a standard for Royal pica style of type spaced ten letters to the inch. This style of type also appears on a typewriter sold under the Singer name.

It was determined that the hand printing appearing the Q133 order blank and the Q134 enrollment form was prepared by the same individual. No questioned hand printing appears on the other items received.

Indented impressions were noted on the reverse side of the Q128 letter. The names "Ray," "Galt" and "Rily" and numerals "ET3623" were some of the notations interpreted on this item.

Specimen received 4/15/68, from FBI, Chicago

K35 Nine sheets of paper bearing known handwriting and hand printing of GINGER NANCE

## Result of examination:

It was concluded that the hand printing appearing on the Q215 envelope was prepared by the individual responsible for the preparation of the hand printing on the Locksmithing Institute Enrollment Form and the Superior Bulk Film Company order blank which were previously submitted in this matter.

No significant indented impressions were noted on this envelope.

Except for the word "broult" it was concluded that the questioned writings on Q118 (torn "Kleenex box") were prepared by GINGER NANCE, K35. Similarities were also noted between the word "broult" and the known writings of NANCE but the lack of known writing precluded a definite opinion from being reached.

**Result of examination:**

It was concluded that the questioned hand printing appearing on Q248, Q249, Q250 and Q251 was prepared by the individual responsible for preparing other hand printing on specimens in this case attributed to Eric S. Galt.

The typewritten impressions appearing on Q252, Q253 and Q254 are similar in style to those appearing on other items received in this matter believed to have emanated from Eric S. Galt, but the lack of identifying defects precluded a definite determination as to whether the same typewriter was used to prepare all of these items; however, no significant differences were noted.

the amount of \$17.50, signed "Eric Galt"

## Result of examination:

Although the photocopy, Qc288, lacks the quality necessary for a satisfactory comparison, some differences were noted between the writing appearing on the face of this item when compared with the writings appearing on specimens submitted in this case.

Some features noted on Qc288 which might give an indication of its place of purchase are a stamp with the wording "Montreal 28 VII 67;" the number of the money order, "C-31,600,868;" the printed name "Hector Cormier" at the bottom of the money order and the initials "M." or "N." "D." on the bottom line to the right of the printed Cormier name.

By communicated dated April 23, 1968, the FBI Laboratory advised as follows:

Two latent fingerprints of value developed on envelope, Q253, and two latent fingerprints developed on envelope, Q254. One of the latent fingerprints on Q253 and one of the latent fingerprints on Q254 have been identified as fingerprints submitted for elimination purposes of GEORGE FLOYD DURYEA. The two remaining latent fingerprints are not identical with the fingerprints submitted for elimination purposes or of the fingerprints of JAMES EARL RAY, FBI #405942G.

The latent fingerprint previously reported on the white envelope bearing hand printed address in part "Locksmithing Institute," Q215, has been identified as a fingerprint of LYNN CASHNELLI MENZIES, who is an employee of the Locksmithing Institute.

Local Thomasville, Georgia tourist court operator HARRY G. WICK initially contacted Thomasville Resident Agency 4/15/68, and advised a suspicious white male checked into his tourist court, the Woodland Motor Court, Thomasville, on 4/5/68 about 1:00 A.M. and departed following morning. White male driving 1966 white Ford Mustang bearing 1967 or 1968 Texas license F2A-848. White male described as about 32 years of age; 5'8", 160 pounds; muscular build and broad shoulders; sandy-colored hair. Subject's personal belongings only consisted of shaving kit and he left the following morning wearing the same clothes worn at time of entry. During registration this individual was very nervous and in attempting to reach assigned cabin, drove over sidewalk of motor court. Registrant did not appear to have been drinking, however.

The following investigation was conducted by  
SA RICHARD D. RACKCLEFF:

AT ATLANTA, GEORGIA

On April 17, 1968, BILL FARTHING, Reservations Manager, United Airlines, Atlanta, advised there are thirty-two (32) United Airline flights departing the Atlanta International Airport daily. He stated none of these flights are west bound and all are destined for northern or southern cities. He added United Airlines does fly as far west as Memphis, but no flight leaving the Atlanta Airport is destined for Memphis. He explained there are two reservation lists kept by his company, one being at the airport and the other being at the downtown ticket office. He stated there would be approximately 1,000 to 1,500 reservation cards per day for customers using United Airline flights. Mr. FARTHING explained he would begin a name check for any reservation card made under the name ERIC STARVO GALT or JAMES EARL RAY or any of his other known aliases but added this check would take several days.

On April 30, 1968, Mr. FARTHING was recontacted and advised that no reservation had been located under the name of JAMES EARL RAY or ERIC STARVO GALT or any of his other known aliases for any United Airline flights leaving the Atlanta International Airport between the dates April 5, 1968 through April 12, 1968.

Re memo of SA CARL E. CLAIBORNE, dated 4/18/68 re individual believed to be GALT at Mammy's Shanty.

On 4/19/68, Mrs. KAYE KRAMER, Secretary and Banquet Manager, Mammy's Shanty, Atlanta, advised that waitress number 27 is PATSY PIKE, 3248 Bob-O-Link Drive, Decatur, Georgia. She advised that PIKE was not working 4/19/68. Mrs. KRAMER made available the luncheon check described by PIKE in her call to the Atlanta Office. She advised that the check need not be returned.

On 4/23/68, LAVERNE S. "PATSY" PIKE, above address, was unable to identify the individual she believed was GALT from photographs available.

She identified a copy of the check furnished by Mrs. KRAMER as the one she referred to in her call to the Atlanta Office.

She said the man at first wanted steak but could not afford it and she explained to him what London broil was and he ordered that.

The above-mentioned check was forwarded to the FBI Identification Division on 4/19/68 for latent fingerprint examination and by airtel dated 4/24/68 reported that no latent fingerprints of value were developed.

In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

Re Atlanta letter to Bureau, 5/8/68.

Enclosed for the Bureau are .380 bullet fired from a .380 Remington UMC Automatic, SN FA18949, and a .380 cartridge case fired from the same weapon.

The Bureau is requested to compare bullet with bullet forwarded by Atlanta in relat, which had been taken from the body of ROBERT JOSEPH DUNAWAY, FBI No. 841 3100.

The .380 Remington weapon was obtained by an official of the Atlanta Police Department (APD), from SAM DOMMARITO, Kingston, Tennessee. DOMMARITO claimed this weapon was registered in Michigan. DOMMARITO, when interviewed by Police officials of the APD, admitted ROBERT JOSEPH DUNAWAY had stayed at his home from approximately April 6, until approximately April 28, 1968. DOMMARITO claimed he had met DUNAWAY approximately one year before when DUNAWAY came to Kingston, Tennessee, and picked up SAM AGOSTA. AGOSTA at that time was evading service of a subpoena to testify before a State Grand Jury in Detroit concerning LCN activities.

The Bureau is also requested to compare bullet and cartridges with any bullets and cartridges in unsolved LCN murders on file.
