LEON OWEN POWELL, a white male, 3841 Austin Drive, Decatur, Georgia, telephone 289-1545 was advised of the identities of the interviewing agents and requested to furnish information that he possessed concerning the murder of MARTIN LUTHER KING, JR.

POWELL was advised of his rights by SA AUGUST W. BULFER as shown on a ~~handwritten warning~~ and waiver of rights form which POWELL executed after reading. POWELL declined to furnish a signed statement, however voluntarily furnished the following information.

During late October or early November, 1967, exact date unknown, during the late afternoon hours he and his brother CLAUDE POWELL, JR., who uses the alias SHOTGUN POWELL, a white male who is currently located at the Scottish Inn, room number unknown, at Midland, Texas, employment unknown, were having a drink in Pete's Bar at Moreland and Confederate Avenue in Atlanta, Georgia.

He and his brother were approached by a mutual friend, RAY GODFREY a white male, approximately 40 years old, 6'1" tall, 220 pounds, auburn hair, country and western singer, employed with the Atlanta Sanitation Department, who asked if he and his brother would be interested in making \$50,000.

During the conversation with GODFREY it was determined that GODFREY could and would put them in contact with an individual who would pay them to murder MARTIN LUTHER KING, JR. He and his brother expressed interest in the contract to murder KING at which time the conversation with GODFREY was terminated and GODFREY told them that they would be contacted concerning the murder contract of KING in the near future.

Interviewed on 1/4/76 at Decatur, Georgia File # Atlanta 44-2386
by SAs THOMAS J. WILSON and
AUGUST W. BULFER ^{TJW} _{AWB} Date dictated 1/7/76 283

AT 44-2386

2

Approximately one week after the meeting with GODFREY the POWELL brothers were again drinking in Pete's Bar, exact date unknown, at approximately 4 or 5 PM when they were approached by an individual named RALPH (Last Name Unknown), a white male, heavy set, 6'1" to 6'2", no accent, well groomed, late 40's, well spoken, who he described as a "Lawyer type". RALPH (LNU) who was in possession of a briefcase approached him and his brother, put his briefcase on the table, and said, "I guess you know why I'm here". He and his brother nodded their heads in assent at which time RALPH opened his briefcase displaying what he said was \$25,000 and he then said, "If you decide to take the job there's \$50,000 more when it's completed". SHOTGUN POWELL replied to RALPH that he and his brother needed time to think it over, at which time RALPH (LNU) stated, "If your mind is not made up now I can't do business with you". RALPH (LNU) then stood up and nothing else was said. RALPH (LNU) closed his briefcase and left.

POWELL stated that neither he nor his brother observed how RALPH (LNU) came or left the bar and they have not seen RALPH (LNU) since that date.

During the short conversation with RALPH he never actually said that the money being offered to them was to kill MARTIN LUTHER KING, JR.

He has not had any type of contact with RAY GODFREY in approximately seven years and does not know GODFREY's current location.

The only other individuals aware of he and his brother's meeting with RALPH (LNU) are his former wife, ANNIE LOIS COMPOS, a white female, 4120 Glenwood Road, Apartment A, Atlanta, and PETE DAVIS, a white male, owner of the bar where he and his brother talked with RALPH (LNU).

AT 44-2386

3

The bar where he and his brother met RALPH (LNU) burned down several years ago and he believes that PETE DAVIS is currently manager for Shrimp Boats restaurants with headquarters in Macon, Georgia. DAVIS also could possibly be contacted through HERBERT DAVIS who lives on Flat Shoals Road in Atlanta, Georgia and used to own the Atlanta Technical School.

His former wife has no first hand knowledge of the matter. She is aware of the facts as he described them to her.

PETE DAVIS actually observed RALPH (LNU) enter and exit his bar but DAVIS never entered the conversation between RALPH (LNU) and themselves.

Neither he nor his brother were involved in the killing of MARTIN LUTHER KING, JR., because the whole situation as he described above "scared us".

He is willing to take a polygraph in this matter.

He has waited nine years to contact the FBI regarding this matter because he recently observed a documentary on television which disturbed his conscience and he felt he had to furnish this information to the FBI.

POWELL stated the reason he believes he and his brother were contacted by GODFREY is because his brother, SHOTGUN POWELL served five years for armed robbery and during the period of time around 1967 his brother had a reputation for being an expert with a shotgun. POWELL stated his brother constantly carried a shotgun because "He has an inferior complex".

AT 44-2386

4

POWELL advised he does not know JAMES EARL RAY and has no other information concerning the murder of MARTIN LUTHER KING, JR.

He believes that his brother will cooperate in discussing this matter with the FBI and he does not know if GODFREY would be willing to discuss his knowledge of what transacted between them in 1967.
