CLASSIFICATION REPORT June 30, 1952

Name: RAY, James E.

Age: 24

Admitted: 6-17-52

Crime: Robbery

Sentence: 1-2 yrs.

CRIMINOLOGIST'S COPY

ADMISSION:

Inmate was admitted June 13, 1952, under a 1-2 year sentence for robbery, after he had held up a cab driver and then taken the vehicle. He was apprehended by the police who shot him during the capture. He admits his guilt, stating that he did not ordinarily drink but became intoxicated and then had the idea of the holdup and did it. He said he had used a pipe in lieu of a gun, placing it at the back of the driver's body.

PREVIOUS RECORD:

His previous record consists of a two years probation, with three months in the County Jail in Los Angeles in December, 1949 for burglary. Inmate admits he was caught by the manager of a restaurant attempting to enter the premises from a back stairway.

SOCIAL HISTORY:

Inmate was born [redacted] in Alton, Illinois, the oldest of three children in a German-English family. He said the father worked regularly as a railroad fireman and was a good provider until his death from heart trouble in 1947. He attended grade school at Quincy, Illinois and later returned to an "academy for adults under the G.I. Bill", where he said he had fifteen months intensive schooling in high school subjects. He was in the Army between February 19, 1946 and December 23, 1946 when he was honorably discharged. He was placed in the stockade once for missing a guard detail. He came to Chicago in order to attend school for a short time and said he had one or two jobs, generally at factories, working as an assembler and machine operator and stockroom clerk in order to maintain himself while going to school. Apparently he was somewhat of a solitary person, but said he had occasional dates. He denies any persistent drinking, although admitting occasional alcoholic excess.

ANALYSIS:

Inmate is a 24-year-old, rather small sized, young appearing man, who gives the impression of being sincere in his remarks, yet is actually fairly adept at evasion. He seemingly is a person who has some drive, but has not been able to settle down to just what he wants. He accepts his predicament and should go along uneventfully here. He has no systematic delinquent traits and his future adjustment will depend in part on the character of his institutional maturation.

CLASSIFICATION:

Group III. Without psychosis or intellectual defect. Unstable personality. Questionably improvable offender. Problematic prognosis. Superior intelligence, Army Alpha III. Kohn negative.

RECOMMENDATION:

Penitentiary Division.

Inmate has no definite vocational objectives, but has a background of some semi-skilled factory experience. He also shows an interest in high school subjects and seems to be the type who might be interested in trying for a G.I.B. diploma.

PROFESSIONAL SUMMARY

Inmate RAY, James E. No. 19121 Age 27 Date 7-19-55

This Professional Summary is being prepared at the request of the United States Penitentiary at Leavenworth, Kansas, where this former inmate is serving a sentence of 3 years and 9 months for Forging Money Orders. This request was forwarded from the Joliet Diagnostic Depot. The material in this Summary is derived from the files of the Criminologist and should be regarded as confidential.

Inmate was received at the Joliet Diagnostic Depot 6-13-52, to serve a sentence of 1 to 2 years for Robbery. He had held up a taxicab driver in Chicago, taking his vehicle, and was apprehended shortly thereafter by the police, who shot him during the capture. He admitted his guilt, stating that he was heavily intoxicated and had used a pipe in place of a gun, placing it at the back of the driver's body. He had previously been on a 2-year probation in Los Angeles, California, for burglary, he being caught in the act of entering a restaurant from a back stairway.

He was born at Alton, Illinois, the oldest of three children, his father working regularly as a railroad brakeman until his death in 1917. He was raised primarily in Quincy, Illinois, where he graduated from eighth grade and later had some high school training under the G. I. Bill. He was in the Army between 2-18-46 and 12-23-48, when he was honorably discharged for lack of adaptability. He had been in Chicago for a short time prior to the offense, and had had several short term jobs as a factory hand or storeroom worker. He was unmarried, and seemed to be somewhat of a solitary person, with occasional alcoholic excesses.

On the Army Alpha examination, he scored 111, or superior. It was thought that he had no systematic delinquent traits, and segregation at Pontiac was recommended.

At Pontiac, he requested a farm assignment, and was so placed, after a short period in the inmates' kitchen. He worked as a cook in the farm dormitory, and a helper in the officers quarters, and was always considered an average worker. He had no punishment reports.

The latest medical report in our possession, dated 1-30-53, is essentially negative, and he was never referred to the Psychiatrist for any unusual or abnormal behavior. Our office had a couple of routine contacts with him, and it appeared that he had been behaving unstably ever since leaving the Army, and that he was subject to impulsive delinquent behavior in connection with drinking, which, in turn, was related to his tendency to become easily discouraged. Our last contact with him was on 2-19-54.

He was discharged by expiration of sentence on 3-12-54.
