RONALD W. NEWMAN, 8300 15th Avenue, Adelphi, Md., home telephone 434 6078, telephonically advised that he was at the Tyson Restaurant and saw an individual who closely resembled the suspect in this case. He said the individual was buying a take-out order and when the suspect left he did so in a late model Buick Riviera, dark green body with ivory top. The suspect was wearing a light shirt and dark slacks and had medium length hair. The vehicle had no license plate on the front and caller was unable to see the rear of it, nor did he see which direction on Route 7 the suspect went.

This confirms telephonic advice to SA ARNOLD G. SCHULMAN of the Alexandria RA. Richmond attempt to identify.

Re Los Angeles airtel to Baltimore, dated 6/21/68.

On 6/26/68 Mrs. STANLEY WHITNEY OLSON was contacted at her residence in Pocomoke City, Maryland, and advised that her daughter, KATHERINE PATRICIA OLSON WILLIAR, came home to Pocomoke from Los Angeles area about six or seven weeks ago. She appeared to be on drugs. Mrs. OLSON questioned her about her possible associations with the STEIN's or JAMES EARL RAY and she denied all knowledge of both.

WILLIAR, who usually goes by the name PAT OLSON or PAT WILLIAR, worked for a short time as cocktail waitress at French Quarter, Ocean City, Maryland, and then moved to Baltimore, Maryland, where she resided on Park Avenue for a short period and is currently residing on Lake Drive with an unknown woman. She is not known to be employed.

Her father, STANLEY OLSON, will probably know her whereabouts and can be reached at Baltimore telephone number 636-3758, his place of employment.

FEDERAL BUREAU OF INVESTIGATION

Date 8/2/68

KATHERINE WILLIAR, nee OLSON, telephonically contacted the Federal Bureau of Investigation (FBI) Office on August 1, 1968 and was subsequently interviewed in the vicinity of Mount Royal and North Avenues.

WILLIAR advised that her mind was hazy as to dates. She said she is in the process of growing up and finding herself and has been very interested in Astrology, Scientology and the metaphysical theories of the Rosicrucians in this regard.

WILLIAR said she lived at the St. Francis Apartment Hotel, Los Angeles in November and December, 1967 and left there just before Christmas, moving to an apartment on Carlton Way, Los Angeles. While at the St. Francis she met a girl named MARIE who worked as a barmaid in the Ballroom Room of the St. Francis. MARIE was a friend and possibly a relative of CHARLES STEIN and his sister, RITA STEIN. WILLIAR was under the impression that MARIE and RITA were from New Orleans. She met RITA at MARIE's apartment and met CHARLES STEIN at his residence 5666 Franklin Street, Los Angeles where RITA STEIN also lived with her four children.

At the suggestion of MARIE, WILLIAR stated that she started babysitting with RITA STEIN's children. There were two boys and two girls. She occasionally stayed overnight when she was babysitting at late hours and recalled one occasion when she was there for possibly two to three days with the children. WILLIAR commented that RITA STEIN had a boyfriend and that was the reason she was using WILLIAR as a babysitter. She said her association with the STEINs extended from shortly after Christmas, 1967 until she believes, sometime in March, 1968. She recalled having made a couple of phone calls from California to her mother in Maryland, one of them being from the STEIN's residence and commented that she still owed RITA STEIN for this bill. She advised that she left California suddenly after breaking up with her boyfriend and hitchhiked rides with truck drivers all across the country.

WILLIAR stated that she had no knowledge of any trips

made by either CHARLES or RITA STEIN or any knowledge that RITA STEIN's two girls had been away from their mother at any time. She said that although she is 28 years of age she had never been in the Sultan Room at the St. Francis because she has lost her identification and could not prove her age. She stated that she never knew anyone named ERIC GALT or JAMES EARL RAY. The only time she recalls the name ERIC GALT having been mentioned by the STEINs was on one occasion when CHARLES STEIN showed her some newspaper article concerning GALT in which CHARLES STEIN's name was mentioned and that CHARLES seemed pleased because he had been ~~able~~ to put in a plug for his new song. She advised that CHARLES STEIN was a song writer and a promoter for musical entertainers and that he also did some house painting on the side to supplement his income. WILLIAR was shown several photographs of JAMES EARL RAY and she stated that she did not recognize the photographs as being anyone she had ever met or had ever known.

During the interview, KATHERINE WILLIAR constantly wandered from one subject to another, was obviously uncertain of dates or happenings, and is a very neurotic person. This is being called to the attention of Memphis, in view of WILLIAR's remark that she left California in March, but recalls a conversation re a newspaper clipping concerning GALT, that could only have occurred after the death of KING in April.
