Agent in Charge
U.S. Secret Service

Buffalo, New York 14202

RE: ASSASSINATION OF MARTIN
LUTHER KING, JR.
RACIAL MATTERS

Dear Mr. Wooge:

On April 8, 1968, former Federal Bureau of Investigation Special Agent Birl Wilson, now at Liberty National Bank, Buffalo, New York, brought to the attention of this Office background data concerning one Dr. Alvin Eugene French, who is being sought by various banking institutions in Western New York for passing bad checks and use of credit cards on closed accounts.

Investigation by bank officials indicate that Dr. French was in Memphis, Tennessee on April 5, 1968 and indicated to a girl friend in Rochester, New York that he was going to Atlanta, Georgia, where he would confer with some Negro people, whom he said were successors to Dr. Martin Luther King, Jr.

Further investigation by bank officials has established that Dr. French is now in Atlanta, Georgia, and staying in Room 466, Airport Holiday Inn, and intends to remain there through April 10, 1968.

Dr. French reportedly served as a Missionary in Africa some years ago, where he contracted brain fever. He has served as a part-time Psychiatric Consultant at Gowanda State Hospital, Gowanda, New York, and has been a mental patient at that institution; and subsequently, at the Rochester State Hospital, Rochester, New York. He left the latter institution in September, 1967. He was at one

time self-employed as a physician in Collins, New York.

Dr. French was born in Indiana on August 12, 1927, is white, and is described as being 5'10" in height, and 170 to 180 pounds in weight.

His presence in Memphis, Tennessee on April 5, 1968 makes him a possible suspect in the assassination of Dr. King and his presence in Atlanta, Georgia, together with his past history of mental illness, is believed to be a matter of concern to Secret Service, in view of the possible presence of President Johnson at the funeral service of Dr. King in Atlanta, Georgia on April 9, 1968.

The foregoing information, together with all available background data concerning Dr. French has been furnished to Federal Bureau of Investigation Headquarters and to Federal Bureau of Investigation Offices in Memphis, Tennessee and Atlanta, Georgia.

This is being brought to your attention for appropriate action.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Engaged in general discussion of Dr. Martin Luther King assassination + possible effect on racial riots or recrimination by negro community in Buffalo. PRI stated the assassination is prime topic of conversation among both Negroes + Whites; that reaction of stable Negro population seems to be that the assassination was an unfortunate occurrence; that murder was committed by some demented white; + that it was not part of a white plot against the Negro Race as such.

Any talk heard re riots is more along lines of people wondering whether there will be trouble than any specific indications there will be.
