Date 4/11/68

At approximately 8:15 p.m., Mr. PETER CHERPES was contacted at 2608 Highland Avenue, Birmingham. He advised that he is the manager and owner of a business operated at this address known as Economy Rooms, which business occupies the entire large white frame dwelling located at this address.

Mr. CHERPES was asked whether or not he had a tenant named ERIC S. GALT. Mr. CHERPES had immediately stated that a man named GALT had been a tenant at his rooming house for about three months, but has been gone for about five months. CHERPES immediately reviewed a quantity of 3x5 index cards, which he uses as registration cards for his guests, and was unable to locate one in the name ERIC L. GALT, but stated he recalled this individual as a man who occupied Room 14 in the rooming house. He stated this man came around the end of August, 1967, and rented a room, stating he had previously lived and worked in Pascagoula, Mississippi, where he had worked for a manufacturing company that made big boats. CHERPES stated that he believes it was the Ingalls Boat Company. He said that GALT stayed until approximately the end of October, 1967, and left, stating he had a job working on a boat in Mobile, Alabama. CHERPES described GALT as being about 5'10" tall, 170 pounds, and said he remembered him as being a very neat dresser. He advised that GALT stated he was on vacation and did not work anywhere while he stayed at the rooming house.

CHERPES was not able to state initially whether GALT had an automobile, but later said that he thought he did have an automobile and that it was white.

CHERPES advised that shortly after GALT had been living there he received a package in the mail which he (CHERPES) saw because the mailman left it with him. He stated he remembered asking GALT about this package and GALT stated that he was not satisfied with the merchandise and had returned it. ~~CHERPES also advised that he received~~

Department, Birmingham, Alabama, in order that he could obtain a current State of Alabama drivers license. He said that he is unable to state positively if he drove ERIC GALT to the drivers license examination station in his automobile or if he drove Mr. GALT's Ford Mustang. He said that he did remain with ERIC GALT while he took his drivers license test and examination, and thereafter he departed.

FEDERAL BUREAU OF INVESTIGATION

1Date April 8, 1968

DONALD F. WOOD, residence 405 Lance Lane, Birmingham, the son of the owner of Aeromarine Supply Company, Airport Highway, was asked if he could identify a customer who purchased a gun case for a Varmint model rifle on March 29, 1968. WOOD, after checking his invoices, noted that there was such a sale made on March 29, 1968, but the invoice was made out to "Cash." WOOD recalled, however, that this customer is a regular customer who is a white male, about 25 years old, five feet, ten inches, 170 pounds, long, black hair, whose first name is JOHN. WOOD further recalled that he had sold a Browning pistol to this man about two and one-half years ago. WOOD then checked his records and identified this man as JOHN WEBSTER DeSHAZO, 17 Montevallo Lane, Mountain Brook, Alabama, who purchased a Browning Standard Weight Pistol on December 11, 1965.

Later on April 7, 1968, DON WOOD made available the following weapons which had been identified by JOHN WEBSTER DeSHAZO as having been handled by the person who purchased a rifle and scope sight at the Aeromarine Supply Company on March 29, 1968:

One Browning Safari grade, caliber .243,
bolt-action rifle, Serial No. 3700Z5,
Stock No. 946A.

One Remington Model 700, heavy barrel,
Varmint .243 Winchester, Serial No. 266009,
Stock No. 753A.

One Remington Model 788, caliber .30-30, bolt-
action rifle, Serial No. 020726, Stock No. 756A.

Mr. WOOD was furnished a receipt for the above
weapons.

JOHN WEBSTER DE SHAZO, 17 Montevallo Lane, Mountain Brook, furnished the following:

DE SHAZO is a regular and frequent customer at Aero-marine Supply Company, Airport Highway, Birmingham. DE SHAZO is also a member of the National Rifle Association (NRA) and therefore has an extensive and avid interest in weapons.

On March 29, 1968, DE SHAZO went to the Aeromarine Supply Company, arriving sometime around 3:00 P.M. He was there for about one to one and one-half hours. At the time he arrived, the son of the owner, DON WOODS, was out to lunch, and DE SHAZO wanted to conduct his business with WOODS. About twenty minutes after DE SHAZO arrived, a man in a dark shade of brown business suit which was wrinkled as if he had been working or traveling, came into the store. DE SHAZO said his first impression of this man was that he did not look like a hunter or an outdoorsman, and that he appeared to be out of place in the store. It was apparent to DE SHAZO in watching this man that he did not know anything about rifles. He looked at and handled several different weapons and finally decided to buy a Remington Model 700 .243 Winchester. He also ordered a Redfield Variable scope. The total cost of this purchase would have been about \$270. DE SHAZO recalled saying to this man, "You've really got quite a gun there - you'll have to learn how to use it." The man replied that he was going deer hunting with his brother, or brother-in-law, in Wisconsin, who had invited him to hunt. This man also said that he was now able to buy a rifle so he was going to get a good one. Sometime while DE SHAZO was observing this man, he noticed that he could detect the odor of alcohol on his breath. He said the man was not drunk, bleary-eyed, nor was his speech slurred, but he had definitely been drinking. DE SHAZO said when he left the store this purchaser was still in the store waiting for a salesman named BAKER to get the scope sight mounted on the rifle that this man had purchased.

DE SHAZO said he could recall only two laborers coming into the store while this man was there and that there were two persons behind the counter, BAKER and a man named STEPHENS.

DE SHAZO said the man gave DE SHAZO the impression that he was not from Alabama. This man was quiet, soft-spoken, and was not observed smoking at any time. DE SHAZO said several times that his attention was drawn to this man because of his lack of knowledge of weapons and, in DE SHAZO's opinion, this man had no business getting a rifle. He said he had thought at the time that this is the type of person who buys a rifle to kill his wife, and who gives the use of weapons a bad name.

DE SHAZO said he could positively identify the man who purchased the rifle and scope sight should he ever observe him again.

DE SHAZO furnished the following description of the man who purchased the Remington rifle and scope sight:

Race	White
Sex	Male
Age	30 - 32 years
Height	5'10"
Weight	170 - 175 lbs.
Hair	Brown, combed straight back, wavy
Manner	Quiet, soft-spoken, non-smoker
Clothing	Wearing wingtip shoes, a medium- priced, wrinkled, dark brown business suit, white shirt, and tie.

Date 4/8/68

On April 6, 1968, JOHN DENNIS HANNERS, 809 Meg Drive, furnished the following:

HANNERS went to the Aeromarine Supply Company on Airport Highway twice on March 29, 1968. The first time was about 10:00 A.M., and he was there for about an hour, during which time he made a purchase. He returned sometime between 2:00 and 2:30 P.M., and stayed until sometime after 4:00 P.M. About fifteen minutes after he arrived, a man wearing a business suit, dark brown in color, came in and looked at some rifles. From this man's actions it was obvious to HANNERS that this man knew little or nothing about rifles. He was waited on by an employee named BAKER. He finally purchased a Remington, model unknown, rifle and ordered a scope sight to be installed at that time. HANNERS left sometime after 4:00 P.M. and at that time this purchaser was still in the store. At the time HANNERS left, the purchaser was watching BAKER equip the rifle with the scope sight. HANNERS said he is quite positive he could identify this purchaser if he ever saw him again.

HANNERS recalled that this purchaser talked to a customer who was in the store at the same time on March 29, 1968, which customer was buying a gun case for a Varmint model rifle. This customer apparently was well known to BAKER and HANNERS recalls seeing this customer have some conversation with the purchaser of the rifle.

HANNERS advised he had no conversation with this purchaser nor did he hear him mention any name, locality, occupation, residence, and/or automobile. When HANNERS left the store he noticed there were several cars parked in the store parking lot, but could not recall any one specific car, except a small red midget-type compact. HANNERS further said he had never seen the purchaser of the rifle before nor has he seen him since this occasion.

HANNERS furnished the following description of the purchaser of the rifle:

Race	White
Sex	Male
Age	About 38 years
Height	5'10"
Weight	180 lbs., with slight "pot"
Hair	Dark brown and wavy on top, thick on the sides
Eyes	Open as if looking intently at something
Clothing	Dark brown business suit, white shirt and tie
Speech	Possibly Southern
Manner	Acted shy, quiet spoken, not forward in manner or speech, not observed smoking.

On April 7, 1968, JOHN DENNIS HANNERS said he did not recall hearing the purchaser of the rifle speak enough to definitely identify his voice or his accent, if any. He only recalls the purchaser specifically saying to BAKER, in connection with the purchase of the rifle, "I'll take this one."

In going over his actions in the store on a minute-to-minute basis, HANNERS said he believes he arrived between 2:00 and 2:30 P.M., that the purchaser of the rifle arrived fifteen minutes later, that the son of the owner of the store, DON WOODS, came into the store about thirty minutes after the purchaser of the rifle had arrived, and that HANNERS left the store about one and one-half hours after he had first arrived, which would have been sometime between 3:30 and 4:00 P.M., at which time the purchaser of the rifle was still in the store.

HANNERS recalled that the young man who was buying the gun case for the Varmint model rifle was a white male, about 25 years, 5'10", 170 lbs., black, thick, long hair combed straight back. This individual was still in the store with the purchaser when HANNERS left.

HANNERS said that the purchaser drew HANNERS' attention because of his obvious lack of knowledge concerning rifles.

3

BH 44-1740

HANNERS also recalled that there was another salesman behind the counter other than BAKER who was gray-haired. HANNERS further recalled seeing that there was more than one rifle on the counter during the time the purchaser of the rifle was discussing the purchase with BAKER.

STEPHENS said he could not recall anything concerning the sale of a gun case for a Varmint-type rifle nor the sale of a Remington rifle and scope sight on March 29, 1968.

U. L. BAKER, 1408 Clermont Drive, advised he is an employee of the Aeromarine Supply Company, Airport Highway, Birmingham. In connection with the sale of a gun case for a Varmint model rifle, BAKER said he recalled making such a sale, but could not recall the date nor the name of the customer. He said he could not state that this gun case was sold on the same date that he had sold a rifle and scope sight, which was March 29, 1968. He said the man who bought the gun case was a frequent customer, and described him as a white male, 27 - 28 years old, 5'9", 180 lbs., heavyset, with blond, thinning hair. BAKER identified the other salesman, who would have been behind the counter on March 29, 1968, as the manager of the store, J. HOYT STEPHENS.

In connection with the accent or speech of the person who purchased the rifle and scope sight, BAKER said he believed it was from "this" (Alabama) general area. BAKER said that the man who purchased the rifle had left the store on March 29, 1968, and came back later in the afternoon and picked up the rifle. He was asked if it was possible that the man stayed in the store during this time, and BAKER said he was not sure.

Mr. HERBERT KELLY was interviewed at 2608 Highland Avenue and furnished the following information.

Mr. KELLY advised that he has been employed as a cook for Mr. PETER CHERPES for the past several years and was so employed since CHERPES occupied the present house, 2608 Highland Avenue.

After being advised of the nature of the interview, he stated that he remembers ERIC GALT only vaguely. He remembers that he occupied Room 14 for about two months shortly after they first moved into that house. He said that he serves breakfast to the boarders between 6 and 7:30 every morning and that this individual in Room 14 came out of his room at approximately 7:15 or 7:20 after everyone else had finished breakfast and gone to work, had his breakfast and then went back to bed. KELLY advised that he recalls "fussing" at this man several times for waiting so late to have his breakfast.

KELLY stated that he recalled something peculiar about this man in that he paid for room and board each week he was there, except the last week, he only paid for a room and did not take any meals. He said that he recalls this individual stating that the reason he did not have meals was that he did not have any money.

KELLY viewed a composite drawing and stated that it resembled GALT, except that he believed GALT to be thinner in the face than this drawing indicated.

KELLY is described as a Negro male, approximately 50 years old.

DATE: 4/12/68

The following investigation was conducted in an attempt to locate Yellow Cab driver, RAY JAMES, who on 8/26/67, drove cab #42 and picked up a passenger at 2909 Highland Avenue and drove him to 2600 Highland Avenue, Birmingham:

On 4/11/68, Mr. HOLLIS STRICKLIN, General Manager, Yellow Cab Company, 1008 19th Street, North, Birmingham, made available the application for employment of LEONARD RAY JAMES. The undated application (from the fall of 1967) lists JAMES as 26 years old, 6', 185 pounds, DOB [REDACTED] JAMES lists his address as 3132 Park Avenue, Southwest, telephone 788-3198. JAMES lists his driver's license as 2058788 and Social Security Number as [REDACTED]

References listed on the application include BERNICE BENSON, CECIL BORROUGHS, 2231 Margaret Avenue, telephone 786-6547, and JAMES NESBITT, 7431 52nd Court, North, telephone 833-2552. Prior employments of Hayes International, Wadsworth Construction Company, and City Cab are listed on the application.

On 4/11/68, Mr. JOE WALLACE, General Manager, City Checker Cab Company, 2928 7th Avenue, North, Birmingham, advised that JAMES worked for City Cab starting 11/13/67, and worked for only several days. At that time, JAMES listed his home address as 3132 Park Avenue, Southwest.

On 4/11/68, Mrs. LULA JAMES, 3132A Park Avenue, Southwest, grandmother of LEONARD RAY JAMES, advised as follows:

She last saw JAMES approximately three weeks ago and does not know where he is living at the present time. She stated that JAMES was raised by her and he had not lived on Park Avenue in about two years. She stated that JAMES' mother, EDITH, her daughter-in-law, was still living in Birmingham; however, she has not seen her in many years.

She stated that RAY's sister, WANDA KAY JAMES NESBITT, (Mrs. FRANK) resides at 3630 25th Street, North, Birmingham. She further advised that her daughter, BERNICE BENSON, resides at 3713 Burch Avenue, Southwest, Birmingham.

On 4/11/68, WANDA KAY NESBITT, 3630 25th Street, North, advised that her brother, RAY, called her last Sunday and that it was the first time she had had contact with him in over one year. Mrs. NESBITT stated that RAY did not indicate where he was living at the present time but from the conversation she believed that he was not living in Birmingham. She could provide no relevant information regarding the current whereabouts of her brother, RAY JAMES.

Mrs. JEAN BISHOP, Jefferson County Revenue Office, Birmingham, made available the automobile tag registrations for Jefferson County. The records reflect that LEONARD JAMES, Route 4, Box 1045, has the following license tags registered in his name: 1B-26327 and 1B-26328. LEONARD N. JAMES, 4256 4th Avenue, South, has license 1A-51664 registered in his name. The records reflect that BERNICE BENSON resides at 3713 Burch Avenue, Southwest, and license 1-4767 is registered in her name. No license tags had been issued for EDITH JAMES or CECIL BORROUGHS.

On 4/11/68, Polks 1968 City Directory was reviewed and reflected that BERNICE W. BENSON (Mrs. SILAS), resides at 225 12th Avenue, West, Birmingham. No entries could be found in the names of LEONARD RAY JAMES, CECIL BORROUGHS or EDITH JAMES.

BH 44-1740

On 4/11/68, Mrs. JESSIE WILLIAMS, Merchants Credit Association, Birmingham, advised IC WILLIAM H. CUSHEN as follows:

Records of her agency reflect that LEONARD RAY JAMES, aka Ray James, born [redacted] and is the son of the late LEONARD C. JAMES and Mrs. EDITH JAMES. The file reflects his grandmother, Mrs. LULA JAMES, resided at 454 5th Place, West, Birmingham, in 1960. In December, 1967, JAMES was unemployed and his last known employment was listed as Mims Sinclair Station and City Cab Company. JAMES' last known address was 3132 Park Avenue, Southwest. In November, 1967, the file reveals that JAMES passed numerous worthless checks and numerous suits and claims have resulted. The file reflects that JAMES is married to BARBARA. A newspaper clipping of November, 1967, reveals that JAMES took out a marriage license with CAROL M. LEWIS. As of December, 1967, they had not been married.

On 4/11/68, Mrs. MARTHA C. JACKSON, Probate Court, Record Room, Jefferson County, Birmingham, made available book #292 containing the marriage license record #354. This record indicates that LEONARD RAY JAMES, 2500 Caldwell Avenue, Jefferson County, white male, DOB [redacted] age 26, POB Jefferson County, Alabama, occupation welder, father LEONARD CARL JAMES, mother EDITH McDANIEL, applied for a marriage license with CAROL N. LEWIS, 800 South 20th Street, Birmingham, Jefferson County, Alabama, white female, DOB [redacted] age 23, POB Camp Lejeune, North Carolina. Miss LEWIS is divorced and lists her occupation as student. The records list her father as JAMES LESTER LEWIS and mother XYSTA RUTH FLOWERS. Date of this application is 11/22/67.

On 4/11/68, Mrs. C. J. LOGAN, 2500 Caldwell Avenue, Apartment 6, advised that LEONARD RAY JAMES moved into Apartment 9 in or around Christmas, 1967, indicating that he was soon to be married. Sometime during the early part of January, JAMES moved out indicating the marriage had fallen through. It was her understanding that JAMES was a welder in the Irondale area. She advised Mr. HARRY TERRELL, Homewood, Alabama, owner of the building, may be able to provide more information regarding JAMES.

BH 44-1740

On 4/11/68, HARRY TERRELL, Terrell Realty Company, 18th Street and Oxmoor Road, Homewood, Alabama, advised that on 11/20/67, RAY JAMES paid \$85 for December rent for Apartment 9 at 2500 Caldwell Avenue. JAMES also paid a \$5 key deposit. In the middle part of January, JAMES skipped out without paying rent. TERRELL advised he had determined that JAMES worked for the Alabama Power Company but had since left them. He determined that the lights for the above apartment were in the name of JEAN MILLER, a girl friend of JAMES. He stated contact with the Steel Workers Union, Birmingham, indicated that BILLY JAMES, Route 1, Box 12, Morris, Alabama, was an apprentice iron worker and fitted the approximate description of RAY JAMES.

On 4/11/68, CAROL N. LEWIS, 800 South 20th Street, Birmingham, advised that RAY JAMES was no longer living in Birmingham but he could be contacted at the Hotel Marriott, Atlanta, Georgia, telephone 688-6500.

On 4/11/68, LEONARD RAY JAMES telephonically called the Birmingham Division and advised that he could be contacted at his residence, 4241 Hendrix Drive, Forest Park, Georgia, Apartment G7, or at his work, Marriott Motor Motel, Courtland and Cane, telephone 688-6500.

On 4/11/68, a teletype was directed to Memphis and Atlanta and the Bureau requesting Atlanta to locate and interview JAMES regarding the fare he transported from 2909 Highland Avenue to the 2600 block of Highland Avenue, Birmingham, on 8/26/67. On 4/12/68, an airtel to Atlanta forwarded a copy of JAMES' taxi-cab trip sheet for investigative assistance.

Facts of complaint

Mrs. Leslie advised she was employed by The Guest House Motor Inn, Sh, around Aug. or Sept. of 1967. She thinks Galt + 2 other men registered either in Aug. or Sept. 1967. She remembers name of Galt as she asked someone how to pronounce the name when it was given to her at switchboard. She thinks they gave address as New Orleans or Memphis. She asked that her name not be used if records are checked at Guest House Motor Inn. She is no longer employed by Guest House. She stated if someone was going to come to her home to call first as she might be away for little while at a time.
