CONTINENTAL TRAILWAYS BUS SYSTEM  
1900 4th Avenue North  
Birmingham, Alabama

The following investigation was conducted by SA PATRICK J. MOYNIHAN on April 7 and 8, 1968. SA JOHN H. KRESEK assisted in investigation on April 8, 1968.

MARSHALL LONG identified himself as the Dispatcher for this system in Birmingham, regularly present at the terminal between 10:00 a.m. and 8:00 p.m. His phone is 251-5615. He resides at 2320 Hawksbury Lane (Bluff Park), Birmingham, Alabama (822-4285).

Mr. LONG observed the first artist's conception and the second artist's conception on April 7 and April 8, 1968, respectively, and advised that he did not recognize this individual and had seen no one like him at any time in the recent past in the bus terminal or using the facilities.

LONG identified the three regular bus drivers and the relief driver who on a regular basis over the past three or four months have handled the three round trips a day between Birmingham, Alabama, and Memphis, Tennessee. These Birmingham drivers take the Memphis bus from Birmingham to Iuka, Mississippi, where they turn the bus over to a driver operating out of Memphis. On the same day, they pick up the bus coming back from Memphis at Iuka, Mississippi, and drive it back to Birmingham, Alabama. The trip from Birmingham to Memphis is 260 miles and is considered a six-hour trip.

On April 7, 1968, the following drivers were interviewed and the artist's conception was exhibited, but they were unable to identify any passenger in the recent past as similar to or identical with the artist's conception.

BH 44-1740

MANLEY C. PRICE (Driver)  
Home Address: 209 North Main Street  
Iuka, Mississippi  
(601-423-6956)

PRICE maintains a room at the Molton Hotel (Room 286) in Birmingham. He regularly takes the 5:15 a.m. bus out of Birmingham and arrives back in Birmingham at 2:20 p.m.

C. E. HARRISON (Driver)  
He resides at 2316 23rd Street West, Birmingham (ST8-0624). HARRISON regularly drives the bus departing Birmingham at 9:40 a.m. for Memphis and arrives back in Birmingham at 7:05 p.m.

On April 8, 1968, the following drivers were contacted and the artist's conception was exhibited, with negative results.

B. E. HAITHCOCK (Driver)  
6101 Court O, Ensley,  
Birmingham, Alabama  
(786-6057)

He regularly takes the 6:00 p.m. bus out of Birmingham for Memphis and arrives back in Birmingham at 1:00 a.m.

L. W. GOODEN (Relief Driver)  
He resides at 620 Tuscaloosa Avenue, SW, Birmingham, Alabama (788-6273). He relieves on the 5:15 a.m. bus, Monday and Tuesday; the 9:40 a.m. bus, Wednesday and Thursday; and the 6:00 p.m. bus on Friday and Saturday.

On April 7, 1968, W. F. DUNSON identified himself as the Station Manager, and he resides at 367 Sunbrook Avenue, Roebuck, Birmingham (836-2825). DUNSON manages the terminal and is in charge of ticket sales and baggage. The artist's

BH 44-1740

conceptions in this matter were exhibited to him on April 7 and April 8, 1968, with negative results.

A list of system employees in Birmingham was obtained from MARSHALL LONG and W. F. DUNSON, and the following individuals were interviewed as set out. The first and second artist's conceptions were exhibited, but no one of these employees recognized the individual depicted, and no one had any recollection of such an individual traveling the system in the recent past. The following were interviewed on the dates set out.

**CONTINENTAL TRAILWAYS BUS SYSTEM**  
1900 4th Avenue North  
Birmingham, Alabama

The following investigation was conducted by SA PATRICK J. MOYNIHAN on April 7 and 8, 1968. SA JOHN H. KRESEK assisted in investigation on April 8, 1968.

MARSHALL LONG identified himself as the Dispatcher for this system in Birmingham, regularly present at the terminal between 10:00 a.m. and 8:00 p.m. His phone is 251-5615. He resides at 2320 Hawksbury Lane (Bluff Park), Birmingham, Alabama (822-4285).

Mr. LONG observed the first artist's conception and the second artist's conception on April 7 and April 8, 1968, respectively, and advised that he did not recognize this individual and had seen no one like him at any time in the recent past in the bus terminal or using the facilities.

LONG identified the three regular bus drivers and the relief driver who on a regular basis over the past three or four months have handled the three round trips a day between Birmingham, Alabama, and Memphis, Tennessee. These Birmingham drivers take the Memphis bus from Birmingham to Iuka, Mississippi, where they turn the bus over to a driver operating out of Memphis. On the same day, they pick up the bus coming back from Memphis at Iuka, Mississippi, and drive it back to Birmingham, Alabama. The trip from Birmingham to Memphis is 260 miles and is considered a six-hour trip.

On April 7, 1968, the following drivers were interviewed and the artist's conception was exhibited, but they were unable to identify any passenger in the recent past as similar to or identical with the artist's conception.

BH 44-1740

MANLEY C. PRICE (Driver)  
Home Address: 209 North Main Street  
Iuka, Mississippi  
(601-423-6956)

PRICE maintains a room at the Molton Hotel (Room 286) in Birmingham. He regularly takes the 5:15 a.m. bus out of Birmingham and arrives back in Birmingham at 2:20 p.m.

C. E. HARRISON (Driver)  
He resides at 2316 23rd Street West, Birmingham (ST8-0624). HARRISON regularly drives the bus departing Birmingham at 9:40 a.m. for Memphis and arrives back in Birmingham at 7:05 p.m.

On April 8, 1968, the following drivers were contacted and the artist's conception was exhibited, with negative results.

B. E. HAITHCOCK (Driver)  
6101 Court O, Ensley,  
Birmingham, Alabama  
(786-6057)

He regularly takes the 6:00 p.m. bus out of Birmingham for Memphis and arrives back in Birmingham at 1:00 a.m.

L. W. GOODEN (Relief Driver)  
He resides at 620 Tuscaloosa Avenue, SW, Birmingham, Alabama (788-6273). He relieves on the 5:15 a.m. bus, Monday and Tuesday; the 9:40 a.m. bus, Wednesday and Thursday; and the 6:00 p.m. bus on Friday and Saturday.

On April 7, 1968, W. F. DUNSON identified himself as the Station Manager, and he resides at 367 Sunbrook Avenue, Roebuck, Birmingham (836-2825). DUNSON manages the terminal and is in charge of ticket sales and baggage. The artist's

BH 44-1740

conceptions in this matter were exhibited to him on April 7 and April 8, 1968, with negative results.

A list of system employees in Birmingham was obtained from MARSHALL LONG and W. F. DUNSON, and the following individuals were interviewed as set out. The first and second artist's conceptions were exhibited, but no one of these employees recognized the individual depicted, and no one had any recollection of such an individual traveling the system in the recent past. The following were interviewed on the dates set out.

The following investigation was conducted by  
SA CHARLES DONALD BYRON, on 4/9/68:

The following employees of the Highland Towers Apartments, 2251 Highland Avenue, observed the FBI artist's sketch of the Unsub in this case, and stated he was not known to them:

Mr. WILBUR DIXON, Janitor.

Mr. JOHN HIGHTOWER, Janitor.

Mrs. H. R. GWYN, Manager.

Mr. BILL E. BIVENS, Rental Agent.

Mrs. GWYN made available the registration cards for the occupants of all 117 apartments in the building which were reviewed and no occupant was observed who might logically be identical to the Unsub in this case.

Mr. BIVENS stated that his agency handles the rental of approximately 3,000 pieces of rental property in Birmingham, and he caused his office to check the master list of all tenants for the names LEHMEYER and LOWMEYER with negative results.

Mrs. IDELL GREEN, Claridge Apartments, 1100 South 27th Street, observed the FBI sketch of the Unsub in this case and stated that he definitely was not one of the occupants of the 100 apartments in her building.

Miss MARY CHILDERS, Claridge Apartments, Desk Clerk, also observed the above sketch with negative results.

It is noted that the bottle of beer was facing away from the camera so that the label could not be observed. She stated that she cleans up in SALEH's room and has observed that he uses Rise shaving cream and she has never observed him with any shampoo.

Mrs. WOOTEN stated that SALEH speaks with a distinct accent and that this accent and his very dark complexion makes one notice immediately that he is a foreigner to this country. She stated that she has noted SALEH has dark eyes and very black hair.

BH 44-1740

It was noted that the color photograph of SALEH greatly resembled the FBI sketch, with the exception that SALEH appeared to have a very dark complexion.

At 9:50 a.m., 4/16/68, Supervisor BILL MARTINDALE at the Bureau telephonically advised as follows:

We are not showing GALT's photograph. However, the Birmingham Office is to show it to one person only, the person who sold the gun to suspect. Of course, if there is another person at the gun store who participated in the sale of the gun to suspect, GALT's photograph must also be shown to him.

GALT's photograph is to be cut down to the same size of the photographs in the group of six photographs which are to be exhibited to the person or persons at the gun shop. Make sure that Galt's name is cut off the photograph and no photographs are to be identified with Galt's name on the back thereof.

This should be handled immediately and the Bureau advised of the results of the showing of the photograph as soon as possible. It is highly probable that Federal process will be issued today.

The Bureau is most concerned that no publicity be given to the fact that we have GALT's photograph, and this fact is not to be disclosed.
