CHARLES T. SMITH, Auditor, Birmingham Trust National Bank, Birmingham, advised that normal banking hours Monday through Thursday are from 9:00 A.M. until 2:00 P.M., and on Fridays normal banking hours are 9:00 A.M. to 2:00 P.M. and 3:00 P.M. to 6:00 P.M.

He advised that although the bank will normally close at 2:00 P.M., any customer desiring to go to their safe deposit box are permitted to go to their box until 4:00 P.M. He advised that although there is a guard on the door after 2:00 P.M., the guard does not require any identification from a customer, nor does he require a customer to sign any register if the customer desires to go to the safe deposit box. He, therefore, advised that the guard would have no records to determine if ERIC S. GALT had gone to his safe deposit box after normal banking hours on August 28, 1967.

FEDERAL BUREAU OF INVESTIGATION

Date April 16, 1968

DIANNE BATTLE, 2425 Shades Crest Road, Birmingham, Alabama, was interviewed in the office of CHARLES T. SMITH, Auditor, Birmingham Trust National Bank, Birmingham, Alabama. Miss BATTLE furnished the following information:

She advised she was a former employee of the Birmingham Trust National Bank (BTNB), having resigned from the bank on January 17, 1968. She advised that while employed at the bank she worked in the Safe Deposit Box Section and was so employed in this section during August and September, 1967. She advised that her immediate supervisor was Mrs. CATHERINE REEDY and that she and Mrs. REEDY were the only employees in this section during the time she was employed with BTNB.

Miss BATTLE then furnished the following information: concerning safe deposit box #5517, rented in the name of ERIC S. GALT, 2608 Highland Avenue South.

Miss BATTLE reviewed a contract executed by GALT dated August 28, 1967, the date GALT rented the box from BTNB, and advised that she did not open this account; that the only person who would have opened the account would have been Mrs. REEDY.

Miss BATTLE advised that when a customer enters a safe deposit box, the time the customer enters the box and the time the customer leaves the box will be stamped and the date the person entered will also appear on the Record of Access to the customer's safe deposit box. She further stated that the customer will place his signature on the Record of Access each time the customer enters the box. In addition, either she or Mrs. REEDY, depending on who assisted the customer in going to the box, will place their initials by the signature of the customer.

After examining the Record of Access to safe deposit box #5517, Miss BATTLE advised that the records show

GALT entered the box on four different occasions and that on three occasions she had assisted GALT in going to the box, since her initials appeared by his signature. She stated the records show that GALT had entered the box on the following dates and times as set forth below:

| <u>Date</u> | <u>Time</u> |
|-------------|--------------------------|
| 8/28/67 | 2:32 p.m. to 2:37 p.m. |
| 9/9/67 | 1:52 p.m. to 1:56 p.m. |
| 9/21/67 | 11:04 a.m. to 11:08 a.m. |
| 9/28/67 | 10:16 a.m. to 10:19 a.m. |

Miss BATTLE advised that on August 28, 1967, September 5 and 21, 1967, she assisted GALT in going to the box and that on August 28, 1967, Mrs. REEDY assisted GALT in going to the box.

Miss BATTLE advised that she does recall ERIC S. GALT and that to the best of her knowledge he was friendly on each occasion although he was quiet and said very little to her. She stated that one reason she recalls GALT is the fact that when most customers go to their safe deposit box they will take the box to one of the booths located in the Safe Deposit Section and will stay there for ten minutes or longer; however, on each occasion that GALT came to the box he stayed only a few minutes and did not go to any booth. She stated she also recalls that on each occasion he came in he would tell her that she could stay with him since he would only be there a few minutes. She stated, however, that she did not stay with GALT and would return to her desk. Miss BATTLE stated she never observed GALT putting anything in or taking anything out of the box and she never recalls seeing him carrying anything into the safe deposit box section other than one time she does recall he had a small paper bag in his hand.

Miss BATTLE stated that on each occasion GALT came to the bank he was dressed in casual clothes and she did not notice anything unusual about him. She added that on each occasion he came to the bank he was alone and she

BH 44-1740

reiterated that he was a very quiet individual and said very little to her, and he never attempted to strike up any conversation with her. Miss BATTLE advised that on December 13, 1967, GALT sent a letter to the bank enclosing the keys to the safe deposit box, wherein he advised the bank that he was now living out of Birmingham and was surrendering his safe deposit box. She advised she made a notation to this effect on the Record of Access to GALT's safe deposit box and that she also put on there that he lives in Baton Rouge. Miss BATTLE advised she does not recall anything specific in the letter indicating that GALT was residing at Baton Rouge, and that she believes she obtained this information from the postmark on the envelope in which the letter was received. She advised that this envelope has been destroyed; however, to the best of her knowledge a copy of the letter would be maintained in GALT's file maintained in the Safe Deposit Box Section.

Miss BATTLE described GALT as follows:

O. H. ABRAMS, Manager, Standard Service Station, 2188 Highland Avenue, South, Birmingham, stated that his station purchases S&H green stamps about every two weeks in lots of 100,000. The purchase usually consists of 20 books of stamps with 5,000 stamps per book.

ABRAMS checked his records and ascertained that stamps bearing the number 14LK at the top of the stamp and the number 627 at the bottom of the stamp, on the face, were purchased on September 8, 1967, from S&H salesman, M. E. DAWKINS. At that time stamps bearing the numbers 621-640 were purchased. The next purchase of stamps was on September 22, 1967. ABRAMS stated the number 627 on the stamp would indicate that it was given to a customer sometime during the period September 8-22, 1967.

ABRAMS stated he did not recall any customer who drove a white 1966 Mustang with a red interior. He furnished the names of all employees who were working at his station during the period August 28 to October 7, 1967.

Re telephone call from SA J.T. ARNETT dated 4/18/68, referring to Memphis and Atlanta teletypes regarding individual named GALT (phonetic) associated with car thieves in Anniston area.

~~CHARLES NEWMAN GAULT~~ was previous subject in BH 26-22408 and placed on five years probation at Birmingham for ITSMV violations. Close associates of GAULT have rebuilt stolen vehicles with salvage serial plates at Birmingham and sold same to JIMMY NELSON Used Cars in Anniston during 1965 and 1966. Associates were subjects in that case and in BH 26-22563, which cases were closed following convictions of GAULT and THOMAS FRANKLIN BRADY in Birmingham and state convictions of subjects who sold cars to NELSON.

Although GAULT and his associates were in a position to know LEO CRUMLEY and associates of CRUMLEY who frequent HAYNES Garage at Anniston there was no indication these two groups of car thieves have ever worked together. GAULT knows G.J. HAYNES and others at Anniston through salvage purchases and BRADY had disposed of salvage and parts of salvage vehicles at South Noble Salvage Yard in Anniston during previous years but is no longer handling salvage at Anniston area salvage yards.

Birmingham files 26-22408 and 26-22563 contain background data on GAULT and his associates and he does not resemble photo of prime suspect ERIC STARVO GALT although he has somewhat similar physical description. CHARLES NEWMAN GAULT is a white male dob [redacted], Lamar County, Alabama, 5'11", 195, blue eyes, brown hair. Following his conviction GAULT was opened as a PCI and subsequently furnished considerable info regarding stolen car operations in the Birmingham area.

Writer is not acquainted with anyone named "STEVIE" or similar name involved in stolen car activities in the Anniston area, or connected with subjects in BH 26-24440, a pending ITSMV case concerning LEO CRUMLEY and associates who frequent HAYNES garage in Anniston.

She was shown an artist conception of the suspect who purchased a rifle at Aeromarine Supply Company, Birmingham, and she stated this person looked a great deal like a former customer by the name of T. Mr. CARL GRIMES, Manager, Tarrant City Branch, First National Bank of Birmingham, Tarrant City, Alabama, advised that signature card shows that one ROBERT BORSARI, giving address 1606 Jackson Blvd., Tarrant, Alabama, business address "Redkin Laboratories, Inc.," and stating his business to be "teacher of new theory," telephone number 841-2411, stating he had no former banking connection, opened an account on February 16, 1968, which was handled by Mr. ROBERT M. GANDY. Account was opened with deposit of \$150.00 check on Redken Laboratories, Inc.

Mr. GRIMES stated that a teller who was engaged in preparing statements and canceled checks for mailing to customers, being aware of the murder of MARTIN LUTHER KING at Memphis, Tennessee, and recent publicity concerning person who may have been responsible, thought there was something peculiar about the pattern of the account of BORSARI, the canceled checks, and the places where they were cashed. She called it to the attention of Mr. GRIMES and they felt it warranted notifying the FBI to check out this man.

Mr. GRIMES stated that the account was opened after a telephone introduction by JOHN GALLAWAY, whose address is 1606 Jackson Blvd., Tarrant City, Alabama. He described GALLAWAY as an eccentric with a mental problem and Mr. GRIMES has been told he has been in a mental institution. GALLAWAY has a budget checking account at First National Bank, Tarrant City. BORSARI's account is mailed to the address of GALLAWAY. BORSARI is described as a salesman for Redken Laboratories, 14721 Calipa Street, Van Nuys, California. Mr. GRIMES stated he had sent deposit slips to the company and knows that it does exist because the company mails checks for BORSARI to the bank for deposit.

Mr. GRIMES stated he shook hands with BORSARI when he arrived to open the account at the bank and probably had a 30 second contact with him but he described him as follows:

| | |
|----------|---|
| Age | 26-27 |
| Height | 5'8" or 5'9" |
| Weight | 160-165 lbs. |
| Hair | Long brown chestnut colored or lighter |
| Clothing | Wearing a sweater, had neat appearance. |

He described GALLAWAY as being a person difficult to get along with, is arrogant and runs Jackson's Shoe Shop on the main street in Tarrant City and lives in the rear of the business. He is described as an agitating person who has had trouble with neighboring people around his business, maybe concerning the parking of automobiles in the wrong places and similar things.

He described GALLAWAY as follows:

| | |
|------------|------------------------------------|
| Age | 35-38 |
| Height | 6'1" |
| Weight | Unknown, but is on the chubby side |
| Hair | Black |
| Complexion | Olive. |

JOHN GALLAWAY asked Mr. GRIMES to finance a car for BORSARI a few weeks ago and Mr. GRIMES said he would not as BORSARI had no credit in the Birmingham area. GALLAWAY had said he would endorse the note with BORSARI and this would have been all right with Mr. GRIMES but two or three days later GALLAWAY called Mr. GRIMES and was bragging that it was financed elsewhere and said the car had been bought.

Mr. GRIMES, in viewing the canceled checks to be mailed to BORSARI, noticed that there was one

payable to the Sheraton in Atlanta on March 15, 1968; one to the Super Store, Walnut Ridge, Arkansas, on April 2, 1968; one to the Newport Motel, Newport, Arkansas, on April 3, 1968; one to Walridge Motel, Walnut Ridge, Arkansas, on April 4, 1968; and one to Holiday Inn, Little Rock, Arkansas, on April 5, 1968. He noted the dates were near or including the murder date and that from a review of a map, the Arkansas addresses were not far from Memphis.

He furnished copies of canceled checks for this account, as well as copies of the statement sheet for the account for a period dating April 9, 1968, and one copy of the signature card.

The checks were itemized as follows:

Check number 114 for \$25.00 dated March 7, 1968, payable to Quality Courts Motel, at Jacksonville, Florida, showing additional name of Heart of Jacksonville Motel. It appears that Phillips Credit Card number [REDACTED] was used as identification as noted on the back.

Check number 115 dated March 8, 1968, payable to Eastern Airlines for \$25.00, place not legible. It was charged to the account on March 13, 1968.

The following investigation was conducted by SA
COLEMAN D. GEARY, III, on April 13, 1968:

RICHARD BOWEN SMITH, also known as "Rick", home address Route One, Chelsea Road, Columbiana, Alabama, advised he is a Freshman at Auburn University and while in school resides at Apartment B-42, 101 Ann Street, Auburn, Alabama. He advised he is the son of BASIL R. SMITH.

He recalled that on March 29, 1968, he took his 40 horsepower Johnson motor and boat to the AEROMARINE Boat Shop, located at 5701 Birmingham Airport Highway, for repairs. He was accompanied by a girl friend, BARBARA MAE LEE, of Route One, Box 13, Helena, Alabama. They arrived at the Aeromarine Shop around 4:30 p.m. BARBARA remained in his 1967 Marina blue Chevrolet truck, which he parked outside the Aeromarine main building while he went inside to make arrangements to have his motor and boat repaired. He said he went in the front door and recalls that there were several people in the store; however, he does not recall anyone in particular other than an older man who was purchasing a lightweight fishing rod, as he had to wait until the salesman waited on this customer before he could talk to him.

He recalled seeing three white males wearing white shirts and slacks in the store looking at pistols on the counter; however, he does not recall seeing anyone in a dark business suit in the store while he was there. He did not see any rifles on display, nor did he observe anyone looking at any rifles with a scope sight while he was in the store. In fact, he was unaware that AEROMARINE sold rifles as he did not see any on display. He said he did not pay any particular attention to any of the people in the store and most of them were average looking to the best of his recollection, and none of them resembled the FBI artist's sketch of the unknown subject in this case.

Concerning the men looking at the pistols, he stated that one of them was a white male, approximately twenty-eight years of age, 6'2" tall, 175 to 180 pounds, very dark hair which was rather thick and combed to the side. He stated the man definitely did not have a crew-cut.

that he had a medium build and was wearing a white shirt, tie and dark trousers. He was clean-shaven and he believes he may have been wearing green-colored prescription type sunglasses. He said he was very neat and clean-cut in appearance.

He stated one of the other men looking at pistols was a white male, age approximately 25, 5'11" to 6' tall, 160 pounds, slender to medium build, brown bushy hair combed to the side, receding a little on the sides. He said this man was wearing a white shirt, tie, and possibly dark green trousers.

He stated it is possible that the second man described above was a salesman, although he is not certain which of the three men he observed looking at the pistols was a salesman.

The third man he observed looking at pistols appeared to be about thirty years of age, 5'11" tall, 160 pounds, tanned complexion, color of hair unknown; wearing a white shirt, no tie, and color of trousers not recalled. He stated none of these three individuals resembled the FBI artist's sketch, although the first man described by him above had a similarly shaped head but, as pointed out above by him, his hair was thick, long and combed to the side rather than a crew-cut.

After the older man purchased the lightweight spinning rod, he asked the salesman if they serviced Johnson motors and he said they did, at which point he went into the service department on the right side of the main building. He remained there for approximately twenty to thirty minutes talking with the mechanic about his motor and boat, while his girl friend, BARBARA, remained outside in the truck. He stated he did not observe a white Ford Mustang, or any other particular automobile, while he was around the AEROMARINE building. He stated he was probably at AEROMARINE from 30 to 40 minutes sometime between 4:30 and 5:10 p.m. He advised he had paid for the repairs to his Johnson motor and boat by check in the amount of \$87.40.

BH 44-1740
ME 44-1987

BARBARA MAE LEE, Route 1, Box 13, Helena, Alabama, advised she is the girl friend of RICHARD BOWEN SMITH, and recalls that on March 29, 1968, she accompanied RICHARD in his 1967 Chevrolet truck to the AEROMARINE SUPPLY COMPANY, located in Birmingham, to have some work done on his boat and motor. She stated they arrived at AEROMARINE SUPPLY COMPANY sometime around 4:30 p.m. and she remained in the truck while RICHARD went inside to make arrangements to have his boat and motor repaired. She stated the truck was parked facing the Birmingham Airport and not the Aeromarine building; therefore, she does not recall seeing anyone either entering or leaving the Aeromarine building at any time while she was sitting in the truck from approximately 4:30 to 5:10 p.m. on March 29, 1968. She does not recall seeing a white Mustang parked in the vicinity of the AEROMARINE building, and the only vehicle she specifically recalls seeing at that time was a Yellow Cab, which was parked across the street from the AEROMARINE building. She did not see anyone get into or out of the Yellow Cab while she was sitting in front of the AEROMARINE building; however, she recalls that the cab left sometime before she and RICHARD left the area.
