Memorandum

TO : SAC, CHICAGO (44-1114)

DATE: 4/10/68

FROM : SA RENE J. DUMAINE

SUBJECT: MURKIN
(OO: MEMPHIS)

SUMMARY INFO

The following information was obtained from the Memphis Division and is not to be discussed outside the Bureau. Any investigation conducted re suspect ERIC STARVO GALT should be discreet and on a confidential basis.

KING was shot at 6:00 p.m. on April 4, 1968, from the back window of a flop house overlooking KING's motel. The murderer evidently left the flop house through the front entrance and while going to his car saw an unidentified Sheriff's Deputy running down the street with his gun drawn. It is surmised that this is the reason that the murderer dropped the box containing the rifle which was wrapped in a bedspread and his suitcase by a small business establishment.

The owner of the establishment heard the thud of the box being dropped went out to the street, looked both ways, and saw no one. At this point, a white car pulled away from the curb and drove off at a fairly high rate of speed. One of the colored persons in the establishment stated that the car was a Mustang. In addition, sometime around 5:30 p.m., a man and wife parked their car on the same street directly behind a car identified as a white Mustang. This vehicle bore red and white license plates but the witness is not sure as to whether it was red numerals with white background or vice versa. It is noted that Alabama plates are red and white.

In the suitcase dropped with the box containing the rifle were a pair of brownish-checkered undershorts and a white jockey T-shirt bearing cloth laundry tags. The tags are made by a thermo seal marking machine manufactured by the Textile Marking Machine Company, Syracuse, New York.

These tags are one quarter inch wide and one and one sixteenth inch long, red in color and bear marking which appears to be "02B-6" or "D2B-6". Only a portion of the first character is present on each tag, and this character is cut on a slight bias. No other visible laundry marks were found on either garment. This office and other offices are in the process of attempting to trace instant tag.

Further investigation by Birmingham Division has developed that on March 29, 1968, a man using the name HARVEY LOWMEYER or LOWMYER purchased a Marlin rifle. He returned the next day, March 30, 1968, made some comment that he was not satisfied with the Marlin rifle, and traded it in for a .30-06 Remington rifle. The composite description at the end of this memo is based upon the salesman's impressions as well as other witnesses in Memphis. The Identification Division has indicated that there are identifiable latent prints on the rifle and on the Redfield scope plus a binocular case which might have been found in the motel room. This fact is not known but the case does tie in to the murderer. There is also palm prints for comparison purposes.

ERIC STARVO GALT is the prime suspect at the moment because he answers the general physical description of the murderer plus the following:

Memphis determined that GALT was registered in the Rebel Motel, Memphis, Tennessee, and checked out on April 4, 1968. He was driving a white Mustang with Alabama plates. Birmingham further developed that he lived in the rooming house in Birmingham, Alabama, from September 1 to December 1, 1967. The Mustang was bought from a private individual and was paid for with \$1900.00 cash. GALT did not test drive the vehicle saying that he had no driver's license but that he would obtain one. According to Memphis, GALT is a complete "mystery man" and they are attemptint to concentrate efforts to develop background information concerning him. Birmingham did develop that GALT resided at 2608 Highland Avenue South, Birmingham, and was the owner of a 1966 Mustang bearing 1967 Alabama license 1A88354. Further check shows 1968 Alabama registration as 1-38993.

CG 44-1114

GALT is described from driver's license info as a white male, DOB [REDACTED], height 5'11", weight 175 pounds, blue eyes, brown hair.

The composite description of the unknown subject in this case is white male, 26-40 (however believed to be closer to 30), height 5'8"-5'11", weight 150-170 pounds, dark brown hair (combed straight back without part), eyes light, probably blue or green, build medium, complexion smooth, gives the impression of being very clean cut and neat appearing. At time of murder, he was wearing a dark suit, white shirt and necktie. No cigarette butts were found in the rented room. Rifle was right-handed leading to the assumption that the subject is also right-handed.

In all teletypes relating to the laundry tag investigation and investigation surrounding GALT, the Bureau has stated that under no circumstances should anyone be told these investigations are in connection with MURKIN.

UNDER NO CIRCUMSTANCES SHOULD THIS INFORMATION BE DISSEMINATED OUTSIDE THE BUREAU. AGENTS SHOULD BE CAUTIONED TO USE EXTREME CAUTION WHEN CONDUCTING INVESTIGATION TO MAKE CERTAIN THAT INQUIRY CONCERNING SUSPECTS IS IN NO WAY CONNECTED WITH THIS INVESTIGATION. THESE MEMORANDA ARE BEING CHARGED TO EACH INDIVIDUAL AND MUST BE RETURNED TO THE ASAC WHEN THEY SERVE NO FURTHER PURPOSE.
