The following investigation was conducted by  
SA THOMAS H. WEAVER:

AT JEFFERSON CITY, MISSOURI:

On April 29, 1968, a former inmate of the Missouri  
State Penitentiary advised as follows:

He knew JAMES EARL RAY at the Missouri State  
Penitentiary (MSP). From his conversations with RAY, he  
learned that RAY's maximum ambition in life was to make a  
"score" of about \$20 - \$30,000.00, after which he would go to Mexico  
to "hide out", living simply on the loot at the favorable  
Mexican exchange rate. RAY had spoken to him about his  
previous trips to Mexico, following "two or three" armed  
robberies, involving small scores, where he would "cool off"  
and live on beer, beans and milk. RAY spoke of Campeche  
Bay, near the Yucatan Peninsula, and he spoke of living with  
peasants on the outskirts of the town of Campeche, Mexico.  
RAY also spoke of a cheap "red light district" he favored  
located in the town of Torrson or Terrejon (phonetic), which  
the former MSP inmate thought was located in north central  
Mexico. Cost was a factor in anything RAY did, and he  
apparently lived frugally and budgeted his money carefully.

RAY did not like Negroes in general, but he  
expressed no particular feeling toward MARTIN LUTHER KING,  
although he has heard RAY refer to Dr. KING as "MARTIN  
LUTHER COON". RAY read enthusiastically, especially the  
weekly news magazines available at the MSP, and he would  
react in an outspoken manner opposing H. RAP BROWN and  
STOKELY CARMICHAEL when he read of their activities, as  
well as in opposition to publicity Dr. KING received in  
certain instances.

SEARCHED	INDEXED
SERIALIZED	FILED
MAY 1 1968	
FBI - JEFFERSON CITY	

The former MSP inmate never heard of any bounty mentioned with regard to Dr. KING at the MSP or elsewhere. He believes he has heard RAY speculate that there might be some money available through some splinter group for the murder of BROWN or CARMICHAEL, but he never heard him speak in this regard about Dr. KING. RAY did not mention specific groups or any knowledge of any real payoff information. He recalls RAY's telling him, during the time he celled with him, that while he was on the minor construction detail at the MSP, one of the guards referred to the Negro inmates working on the detail as "boy", and the Negroes went on a "sit-down" strike, and induced about two of the white inmates to join their strike, and when one of the Negroes referred to RAY as "gray", he got into a fight with that inmate, although the prison officials never learned of the fight, and the former MSP inmate's knowledge of the fight was as a result of RAY's telling him, and he does not know whether or not it is true.

RAY was a hypochondriac in that he took six or seven different kinds of pills daily, imagining that he had a "cranial depression" and a "rapid palpitation of the heart". He would use former inmate's watch with a second hand and time his pulse. He was able to obtain "pills" from going on sick call as well as through inmate sources in the MSP. The former inmate had some pills he had obtained for treatment of his arthritis, from which he obtained no relief, and RAY took these pills, thinking that he might some day have arthritis, and the pills might ward off future effects of that affliction. He believes RAY was selling amphetamine all the time he was in the MSP, but former inmate does not know his source.

RAY mentioned a traffic for the sale of small appliances in Mexico, due to the tariff Mexicans had to pay for such items they purchased legally, and he spoke of having smuggled such items into Mexico. He said he was acquainted with a man who operated a small scale smuggling business, who lived near the town of Campeche, Mexico. RAY mentioned this man so often that former inmate recalls his name: either MATEO LOPEZ GARCIA or MATEO GARCIA LOPEZ, who apparently had lived for some time in the United States, and who spoke English. He believes this is the man RAY referred

to as the owner of a small fishing boat, and he would smuggle things from Brownsville, Texas, into Mexico through Campeche Bay. He believes RAY made trips on this boat with the man, and apparently Mexican Nationals are not checked upon entering Mexico through Campeche Bay in fishing boats. He does not believe RAY could speak Spanish, other than for basic words for basic needs. He heard RAY mention a brother in St. Louis, Missouri, and he believes some of RAY's trips to Mexico were with either the brother or with someone he had participated in armed robberies with, name not given. RAY indicated he had invested a little money in TV sets and washing machines which were transported to Mexico by his friend with the fishing boat. RAY said he had been to Mexico City "a couple of times", and he apparently liked Mexico City, but said it was a "tourist trap", and he could not afford to stay there.

RAY's only reference to working had to do with past bartending jobs. He believes RAY said he had tended bar somewhere in Peoria, Illinois, and at some other town in southern Illinois, exact location not known. He never mentioned Oregon or Canada, that former inmate recalls.

RAY never mentioned to him his plans for escape or specific plans to hide out any particular place, but his conversation indicated he wanted to "make the one big score" and retire in Mexico. He mentioned that he and another man, name not mentioned, drove to Mexico, apparently Campeche, one time, in an old model Chevrolet, specific routes not mentioned. He does not know how RAY made his other trips to Mexico he claimed to have made. He said that he had lived in a rented three-room shack on the outskirts of Campeche, within walking distance of the town, and from his conversation, former inmate gathered that this was during the late 1950's. RAY said he had been in Arizona before, but he did not mention any of the Mexican-United States Border towns, other than Brownsville, Texas.

He recalls RAY mentioned having watched a "fire dance" done by small Negro boys at a hotel in Acapulco, Mexico. He indicated he had not stayed at the hotel where the performance was, since it was too expensive, but stayed at an unnamed cheaper hotel, and he indicated that live coals

EC 44-760

4

—  
were kicked over a cliff into the surf below the hotel, after which the boys would dive into the surf as it rushed through a small inlet.

He recalls RAY once had another inmate, KENNY HURTT, or HURTT, in about 1966, send out about \$15.00 for him once, purportedly for the purchase of stationery for legal papers. The prison authorities watch inmate expenditures closely and at the time, the inmates were allowed only about \$23.00 per month expenditures, but RAY had some income from his illegal activities in prison and needed to conceal the money in other than his own treasury account. HURTT got RAY's money and sent it out to a Mr. and Mrs. \_\_\_\_\_ (name unrecalled) Stationery Company in St. Louis, Missouri, but no stationery ever came to HURTT, who worried about it and thought it might have been stolen until he was told it would never come, by RAY, who had used HURTT for getting rid of the money without HURTT's knowledge of what he was doing.

Former MSP inmate does not know who RAY might contact, other than the supposed friend at Campeche he named, and he has no knowledge of his whereabouts and no knowledge of his plans to escape, or activities following escape. He does not approve of the murder with which RAY is charged, however, and desired to furnish the above information to help if he can.

*Summary*

Re Memphis telephone call 4/25/68 requesting summary of pertinent parts of investigation, Kansas City area.

Since determining that ERIC STARVO GALT identical with JAMES EARL RAY, most of the pertinent parts of investigation in the Kansas City Division consists of interviewing prison officials, fellow inmates, and reviewing records at Missouri State Penitentiary (MSP), Jefferson City, Mo.

MSP contains an average of 1,200 inmates. JAMES E. RAY was serving a 20-year sentence there for robbery, first, and operating motor vehicle without permission. He was received at MSP 3/17/60. He reportedly escaped 4/23/67. It is believed he hid in a box delivering bread from the main prison to the MSP Church Farm, a dairy farm located eight miles north of the main prison in an isolated area. There are approximately 250 to 300 prisoners at this farm. Subject's brother, JOHN RAY, St. Louis, Mo., visited him nine times during the period of his incarceration, the last time being 4/22/67. His only other visitor was another brother, JERRY W. RAY, Wheeling, Ill., who visited him five times during the same period.

Generally, the interviews with fellow inmates and prison officials revealed subject to be a "loner", and was called the "hide-out guy", because he would stay hidden within

the confines of MSP for a matter of days at a time.

Subject reportedly used amphetamines and barbituates while in prison. He reportedly injected them in his veins by use of a syringe and needle. Fellow prisoners stated he had a difficult time doing this because of small veins.

RAY preferred to cell alone at the prison, was very quiet, and made few friends. The majority of those that knew him felt he was incapable of murdering Dr. KING. Reports conflict as to any homosexual activity on the part of subject. It was stated he did read "girlie" books and even engaged in selling and renting books at the MSP. He reportedly was "very tight" with his money, and used it mainly to support his drug habit.

During his period of incarceration he received numerous money orders, averaging approximately \$25.00 a piece. Most of these were sent by the two brothers, mentioned above.

Reports conflict on his anti-Negro sentiments, however, prior to his serving time in the MSP, he was incarcerated at U. S. Penitentiary, Leavenworth, Ks. (USPL) from 1955 until 1958. On release report from USPL, dated April, 1958, it stated "On 9/12/57 RAY was approved for our honor farm, but was never actually transferred to such assignment due to the fact he did not feel he could live in honor farm communities because they are integrated. Due to this fact, he was never placed under such status. He was assigned to bakery where he remained until released."

In MSP, RAY always worked in the kitchen or bakery.

One fellow inmate, MSP, stated that RAY had talked of previously working in the lumber industry in Oregon, and especially enjoyed the Rogue River area. Another fellow inmate stated RAY liked to tinker with mechanical things, and liked to repair radios.

Information was received that subject had made previous attempts to escape from MSP, but each time was unsuccessful. On one occasion, the ladder placed against the prison wall broke as he attempted to climb it, and on a second occasion, the rope he was using failed to support him and he fell, injuring his arm.

KC 44-760

Because of his attempts to escape, he was given a psychiatric evaluation at the MSP, and this report, dated 10/24/66 reveals that he has no physical disease or defect which requires treatment at this time. His memory is unimpaired for both recent and remote events; his speech is coherent, and there are no hallucinations or delusions. He appears somewhat tense and anxious at times, showed some mild depression, but not of psychotic proportions. He has good verbal assessment of reality, but in the past he has used poor judgment. Psychological tests indicate he has an IQ of 106, which places him within the average range of intellectual functioning. Tests also showed some degree of depression but no evidence of a psychosis. He was diagnosed as having a sociopathic personality, anti-social type, with anxiety and depressive features, but has no mental disease or defect within the meaning of Section 552.010, Missouri State Code.

GEORGE BEN EDMONDSON, former Top Ten, also former escapee from the MSP, who was located in Canada and is currently incarcerated at MSP, advised that RAY associated with all the St. Louis inmates at the MSP; appeared normal in all associations, but would be "trying to make a buck where he could." EDMONDSON stated all the inmates, MSP, are familiar with procedure to get Canadian passports which are easy to come by, since all that is required to secure same in Montreal is birth certificate, baptismal certificate, plus statement by a "guarantor" and \$5.00. EDMONDSON said most baptismal records have a source in the Ste. Justine Parrish and contact is made to obtain same through "floaters" in the Rue Notre Dame area and there is a pipeline in Montreal.

Another fellow inmate stated he did not believe RAY would go to Mexico or leave the U. S. during his escape. This inmate also stated that RAY was very nervous from use of drugs, which caused him to have a bad stomach and this resulted in RAY's having to quit smoking.

Handwriting samples of subject were obtained from the MSP and forwarded to the FBI Laboratory, which resolved that the "GALT" writings considered together and the specimen from MSP, their FN171, can be identified as having been prepared by the same individual.

They further stated because of limited material and lack of comparable letters and letter combinations, it could

KC 44-760

not be determined whether the "HARVEY LOWMYER" signature on the K-72 gun invoice was prepared by JAMES E. FAY. Additional handwriting samples are being obtained from the MSP and will be forwarded to the FBI Laboratory.
