A Xerox copy of each motel registration has been made by the Jackson Division, and copies of these registrations are being maintained in the bulky exhibit file of Jackson File 157-9586.

It is noted on the registrations that there is registration from Saskatchewan, Canada, at the Round-Town Motel, and a registration from Winnipeg, Manitoba, Canada, at the Holiday Inn, during the pertinent period. It is being left to the discretion of Memphis, the Office of Origin, as to whether appropriate LHM should be submitted to the Bureau to have these individuals identified in Canada.

The names of those individuals appearing on the motel registrations who reside within the Jackson Division are being identified through indices check in the Jackson Office and appropriate credit and criminal being conducted within the cities in which they indicate they reside.

LEADS:

ALL RECEIVING OFFICES

All offices receiving copies of this communication will review the FD-302s which they have received for names of those individuals who reside within their respective divisions and will review the names through the appropriate office indices and will identify the individual through appropriate credit and criminal check, and if deemed advisable, will interview the individual if there is a possibility of any association with JAMES EARL RAY.
