CUSTOMERS AT AEROMARINE SUPPLY COMPANY,
BIRMINGHAM, DURING PERTINENT PERIOD, 3/29-30/68.

Although there were numerous "cash" sales to customers by this firm during the above pertinent period, there were also numerous tickets made out to the name of the individual customer even though cash was involved. All invoices were obtained and each customer was contacted for any information concerning the individual who had purchased the rifles during the two days involved. With the exception of those witnesses whose interviews are set forth under that portion of this report dealing with the purchase of the murder weapon, the other contacts proved negative and the names of those individuals are recorded in the Birmingham file.

Attorney WILLIAM ARTHUR JENKINS was interviewed at his office, Room 302, Frank Nelson Building, with reference to possible occupants of the address listed as 1907 South 11th Street, Birmingham. Attorney JENKINS has been an acquaintance of many years, is considered reliable and is a former Judge of the Jefferson County Court, Civil Division.

Judge JENKINS stated that his widowed mother, Mrs. WILLIAM ARTHUR (VIRGINIA B.) JENKINS, SR., has resided at the above address for over 30 years and has never had any roomers or boarders in her residence since the death of her husband some years ago. He stated that he personally resides with his family at 3128 Warrington Road, Mountain Brook, a suburb of Birmingham.

Judge JENKINS related that the name HARVEY LOWMEYER or any phonetic variation thereof means positively nothing to him and to his knowledge he has never had any dealings with such an individual either in connection with his legal practice, services on the Bench in the County Court or personally.

He advised that his mother was as of that date a patient at St. Vincent Hospital undergoing medical tests and in the presence of the Agent, he telephonically contacted her at the hospital and was informed that the name HARVEY LOWMEYER was unknown to her and that she had never heard of any individual by that name either at her residence or in the neighborhood. Arrangements were made for a personal interview with Mrs. JENKINS, SR., at that time.

On April 7, 1968, Judge JENKINS arranged for an interview with his mother at St. Vincent Hospital and on that date stated that he still was unable to recall anyone by the name LOWMEYER.

Mr. JACK POPINKO, clerk, Sunny-K Flying Service, Birmingham Airport, advised that the Sunny-K company is no longer engaged in the business of chartering private flights. POPINKO advised that the only two private charter services are Bill Woods Beachcraft and Lackey Aero Service, both located at the Birmingham Airport. POPINKO stated that an individual utilizing a charter flight can either rent and fly an airplane himself or also pay for the pilot. He said that under normal conditions it is not necessary to file a flight plan, giving proposed destinations, but that one may be filed if the pilot desires for safety reasons. He advised that the Birmingham Airport is a controlled airport and that, normally, all private flights must request both take off and landing permission from the tower by radio and that a record of these radio transmissions is maintained by the airport officials.

RICHARD EVANS, 1827 Short 12th Street, Bessemer, Alabama, advised as follows:

He is acquainted with W. J. LEHMEYER and last saw him on March 27, 1968, at Birmingham. About a week prior to March 27, 1968, he received a call from a union official asking him to make arrangements for LEHMEYER to talk with one LOUIS ELKOURIE in Birmingham on union business.

On the night of March 26, 1968, J. L. BAILEY, general chairman of the union, called EVANS from Louisville and told him that LEHMEYER would be in Birmingham the next day.

On March 27, 1968, EVANS met LEHMEYER at the Municipal Airport in Birmingham when LEHMEYER arrived at 10:46 a.m. on a flight from Atlanta. EVANS took LEHMEYER in his car to West End Baptist Hospital where they talked with Mrs. ELKOURIE. They went back to the airport to reschedule a flight. LEHMEYER checked in his luggage. They then went to Plantation Barbecue on First Avenue North, Birmingham, for lunch. Then they either went to a movie and to the airport, or vice versa, EVANS cannot recall which. He does not recall the movie or the theater in downtown Birmingham. They were "killing time" until they could talk with ELKOURIE at 5:00 p.m. EVANS thinks they left the movie about 4:45 p.m. and then went to ELKOURIE's home at 7444 48th Avenue, Birmingham, where they talked with him. EVANS then took LEHMEYER back to the airport shortly after 6:00 p.m. EVANS left before LEHMEYER's flight departed at 6:30 the same day. He was going to Chicago via Atlanta.

JOE B. GILLILAND, 5013-B Georgia Road, Birmingham, telephone 592-0429, advised as follows:

He advised he has worked in the electrical shop at Hayes International Corporation for 15 years, and in September of 1967 was laid off. Beginning then, he went to work for Yellow Cab Company as a dayshift driver. He advised that he drives Taxi Cab #52 and begins work at 6:00 a.m.

At approximately 9:00 a.m. on March 28, 1968, he drove a fare from the Tutwiler Hotel to the airport. The taxi cab starter at the airport advised that they had too many taxis at the airport and he need not wait at that cab stand.

GILLILAND advised that he returned toward town along the airport highway, and at 15th Avenue in front of the Enco Station he picked up a fare that flagged him down. He stated this individual was standing on the grass in front of the service station between the two entrance ramps.

He described this individual as a white male, six feet to six feet, one inch, 180 pounds, 35 to 40 years old, wearing a blue suit with a black tie. This individual was carrying a small overnight, blue suitcase about 24 inches long. The man opened the back door and placed the suitcase on the back seat beside him. This individual stated "You go where I tell you. Go down 5th Avenue to 20th Street and turn left."

GILLILAND advised this individual made no further comments during the trip until they reached the vicinity of Five Points South, when the passenger stated "This is good enough. I'll get out right here."

GILLILAND advised that he let his passenger off on the northwest corner of 20th Street and 9th Avenue South, referred to as Five Points South. The total fare was \$2.16, and this individual gave him three one-dollar bills and told

him to "keep the change - buy a cup of coffee."

GILLILAND stated that on Thursday, March 28, 1968, he had 18 total fares, and this particular run was his fifth of the day; therefore, the time would be placed at approximately 9:00 a.m. He was unable to recall whether the suitcase this individual was carrying was leather, nylon, or of some other composition. He stated the last he saw of this individual was when he stepped from the cab up onto the curb on the northwest corner of 20th Street and 9th Avenue South.

When displayed the artist's conception of the individual using the name HARVEY LOWMEYER, GILLILAND advised the face was familiar and he was quite certain that it was the individual he took to Five Points South.

On March 29, 1968, he made two trips from the airport, the first being two boxes which were transported from the Railway Express to Office Park Circle, and the second a fare from the terminal to 4740 1st Avenue South. GILLILAND stated he could not recall this particular fare but was relying on his trip sheet.

GILLILAND advised he could not recall the fare from the Tutwiler Hotel to the airport on March 30, 1968, or the return trip from the airport to 4604 South Long. These last two trips were the last two of the day, so that the time would be placed around 4:00 p.m. He has no recollection of the number of passengers, their sex or race.

At 8:30 A.M., the records of the Jefferson County Department of Revenue were examined to determine the registered owner of an automobile bearing 1968 Alabama tag no. 1-38993. These records indicated that this tag was issued on October 2, 1967, to Mr. ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, for a 1966 Mustang, two-door, eight cylinder, Vehicle Identification No. 6T07C190647. This record also indicated that this car bore a previous 1967 Alabama tag no. 1A-88354. A check of the records concerning this number revealed that this number was issued for the same automobile to a Mr. WILLIAM D. PAISLEY, 701 48th Street South, Birmingham, Alabama, who bought this car from Maring Crawford Ford Company, Birmingham, on December 15, 1966. This car had originally been registered by Maring Crawford Ford Company, on March 11, 1966, as having been sold to MELVIN E. HARVEY, 3311 Highland Drive, Birmingham. The record shows the car was transferred from HARVEY's name to PAISLEY on December 15, 1966, and was then transferred from PAISLEY to ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, on August 30, 1967.

WILLIAM D. PAISLEY, 701 48th Street South,
Birmingham, furnished the following.

On August 29, 1967, a man later identified as ERIC GALT came to the PAISLEY residence in a taxi cab. This man apparently was the same man who had called earlier in the day and talked to PAISLEY's wife about an ad the PAISLEYS had placed in a local newspaper in an effort to sell their 1966 white Mustang. PAISLEY showed the automobile which has a red interior to GALT and offered to let him test-drive the car. GALT refused to drive the car, saying he did not have an Alabama drivers license, but he did have one in Louisiana. PAISLEY then drove GALT around the area, and during this drive picked up PAISLEY's son DAVID. When they returned to the PAISLEY residence, GALT said "I'll take it off your hands." GALT said he did not like the off-white color of the car, but apparently was otherwise satisfied. GALT then suggested that he give PAISLEY some earnest money, and asked if PAISLEY would drive GALT to the downtown area of Birmingham. It was then agreed that they would meet the next day at about 10:00 a.m. at the First National Bank to settle the deal. GALT told PAISLEY that he, GALT, had his bank account at the Birmingham Trust National Bank. GALT asked PAISLEY how he wanted payment for the car, and PAISLEY suggested a cashier's check. GALT said he did not know how to get a cashier's check, and PAISLEY said he would show him how the next day. PAISLEY, accompanied by his son DAVID, then took GALT to First Avenue and North 20th Street, where GALT got out of the car.

The next day PAISLEY received a telephone call from GALT, who said he would meet him at the First National Bank to settle the deal. At about 10:15 a.m., they met in front of the bank, and GALT took \$2,000 cash out of his shirt pocket and gave it to PAISLEY. PAISLEY suggested they go inside the bank and count the money, which they did. PAISLEY deposited the money in the bank, and GALT went with PAISLEY's son to a parking lot where he took possession of the car.

PAISLEY recalls GALT mentioned that he worked on a barge line between New Orleans and St. Louis, and that he would work 20 days and then be off 10 days. He recalled GALT saying that he was married, and that his wife was now living "over in Rocky Ridge," referring to an area south of Homewood, Alabama.

PAISLEY described GALT as a white male, age about 32, five feet, ten and one-half inches tall, 160 to 165 pounds, dark brown hair, neat-looking, neat dresser, quiet, accent was not from the Alabama area.

Mr. PAISLEY said he did not believe he could identify GALT if he ever saw him again.

PAISLEY produced a bill of sale for this transaction which shows the car was sold to ERIC GALT, 2608 Highland Avenue, Birmingham, Alabama, telephone 323-9487, for \$1,995 on August 30, 1967.

FEDERAL BUREAU OF INVESTIGATION

1

Date 4/12/68

WILLIAM DAVID PAISLEY, JR., 701 South 48th Street, Birmingham, on April 9, 1968, furnished the following:

Sometime in late August, 1967, PAISLEY's father had run an ad in the Sunday newspaper in an effort to sell their 1966 white two-door hardtop Mustang with red interior and whitewall tires. They advertised the car as being for sale for \$1,995. A couple of days later, a man later identified as ERIC GALT and PAISLEY's father picked up PAISLEY at the home of one of his friends. PAISLEY's father was driving the car and GALT was riding in the front seat. They drove around the area for awhile and then returned to the PAISLEY residence. GALT did not ask any questions, look at the motor or in the trunk of the car. He said, "I'll be glad to take this car off your hands." He then agreed to give PAISLEY's father a down payment if Mr. PAISLEY would take GALT back to downtown Birmingham. They then agreed to meet the next morning at the First National Bank to settle the deal, because PAISLEY's father has his office in that building and PAISLEY at the time was employed in the First National Bank.

Mr. PAISLEY suggested that GALT obtain a cashier's check. PAISLEY and his father then took GALT to First Avenue North and 20th Street, where he got out of the car. That evening, August 29, 1968, PAISLEY tried to call GALT at the telephone number GALT had left with PAISLEY's father. PAISLEY was unable to talk to GALT as he was not at the number called and PAISLEY learned this number was at a rooming house on Highland Avenue. The next day PAISLEY's father received a telephone call from GALT who said he was six blocks away from the First National Bank building and would meet the PAISLEYS in front of the First National Bank at about 10:15 A.M. They met in front of the bank at 10:15 A.M. and GALT produced \$2,000 in cash, mostly twenties, with some 100-dollar bills. They stepped inside the bank where the money was counted and GALT was given a bill of sale.

PAISLEY then took GALT to the parking lot where the car was parked and showed him how to drive the car. He then gave GALT the keys and GALT drove off.

DAVID PAISLEY recalled that he observed this same car for about six weeks after the sale, parked in front of the rooming house in the 2600 block of Highland Avenue, but that he had not seen this automobile since about the first of October, 1967. He also recalled that on one of these occasions he observed a front bumper tag with a drawing of a Confederate flag thereon.

PAISLEY recalled GALT saying that he worked on a barge on the Mississippi River "out of St. Louis" to New Orleans. He would work a month and then be off for two weeks, and that this was a lonely life. He also said he had saved all his money from his job and would pay cash for the car.

PAISLEY also recalled that GALT was emphatic about not test driving the automobile, and said that his Louisiana license had expired and he had not obtained an Alabama driver's license yet. He also recalled GALT making a statement that he did his banking at the Birmingham Trust National Bank, and "I have my money there."

PAISLEY described GALT as a white male, 5'8"-8 $\frac{1}{2}$ ", age 32, tall, 145 pounds, dark brown or black hair with a widow's peak and cut short. This person was not a smoker, was very clean-cut, very shy and quiet. He claimed he was divorced and that his wife was presently living on Rocky Ridge or Dolly Ridge Road "over the mountain," referring to an area south of Homewood, Alabama. PAISLEY recalled this person had an accent which was possibly Western, but was definitely not from the Alabama area. PAISLEY also recalled this person saying he was unemployed at that time.

PAISLEY said he could definitely identify this person if he ever saw him again.

3
BH 44-1740

On April 10, 1968, DAVID PAISLEY observed an artist's conception of a person who had purchased a rifle at Aeromarine Supply, Birmingham, on March 29, 1968. PAISLEY said this artist's conception did not resemble ERIC GALT.

PAISLEY said his father had told GALT during the transaction that GALT would have to get insurance for the Mustang as the PAISLEYS would cancel their car insurance by calling State Farm Insurance Company that day (August 30, 1968). PAISLEY recalled that GALT did not ask any questions or say anything further about car insurance.

During his contacts with GALT, PAISLEY said he never detected the odor of alcohol on GALT nor did he observe GALT smoke cigarettes. PAISLEY said the ad for the automobile had been run in the "Birmingham News" on Sunday, August 27, 1967, only.

PAISLEY recalled GALT, after inspecting PAISLEY's Mustang, saying that this was the cleanest one that GALT had seen. He also recalled GALT saying, "I've got my money in the Birmingham Trust," and did not refer to the bank as the "BTNB," which is commonly done by natives of Birmingham. In connection with GALT's divorced wife whom GALT claimed was living on Rocky Ridge Road or Dolly Ridge Road, "over the mountain," PAISLEY recalls GALT saying, "Yeah, that's the way it goes."

PAISLEY said the price of \$1,995 for the Mustang was \$300 too much, but this price was never questioned by GALT and this price did not seem to bother GALT in any way. GALT said he had been saving his money and because he worked on a barge he had no place to spend it.

PAISLEY said he could not recall how GALT was dressed on August 29, 1967, but did believe that on August 30, 1967, GALT was wearing a sport coat, a dress shirt, with no tie, open at the neck.

Prior to GALT's taking possession of the car on August 30, 1967, PAISLEY's father asked GALT how GALT was going to get his driver's license. GALT replied that he had a friend "over at the rooming house," who would take him to the place where he could obtain a driver's license and change the registration on the car.

DAVID PAISLEY recalled that during the month to six weeks after the sale he had observed this car parked on numerous occasions in front of the rooming house in the 2600 block of Highland Avenue. He had noted that this car seemed to be dirty from non-use, rather than from being driven, and that on the last occasion of observing this car which would have been about the first of October, 1967, the car still had the slick bald tires that had been on it when it was sold.

PAISLEY furnished the following detailed description of the automobile:

1966 white Mustang, two-door hardtop, eight cylinder, 289, four individual red plastic floor mats, push button radio, heater, remote control outside mirror, day-night inside mirror, very clean engine, mileage 20,000 miles, equipped with Autolite battery, four whitewall, bald tires. The spare was in good shape but had a wider whitewall than the tires on the wheels. The seats were medium red in color and the carpeting was maroon or dark red. The body condition of the car was excellent and the muffler was painted shiny silver.

PAISLEY said that he had forgotten to advise on April 9, 1968, that on April 5, 1968, sometime between 1:00 P.M. and 1:30 P.M., while driving east on Fifth Avenue North, in front of the U. S. Post Office, PAISLEY observed a 1966 clean, white Mustang hardtop, which he thought could possibly be the same car he had sold to GALT. He also, at the same time, observed the back of a man getting into this car whose build resembled that of GALT. PAISLEY said he could not be definite that this was the same car and that the individual was GALT, as he only had a fleeting glimpse.

Mrs. WILLIAM D. PAISLEY, 701 48th Street South, Birmingham, furnished the following.

On August 29, 1967, Mrs. PAISLEY received a telephone call from a man later identified as ERIC GALT in answer to a newspaper ad the PAISLEYS had run in an effort to sell their 1966 white Mustang. GALT inquired if the car had been sold yet and was told that it had not. He then said he would like to look at it and asked how to get to the PAISLEY residence. He told Mrs. PAISLEY that he was "not familiar with the city." She thought at the time that the caller might be one of her teenage sons' companions who was playing a joke on her, so she asked the caller (GALT) "Do you work?" GALT said "I'm a barger. I'm here looking for a job with Social Security." He then explained to Mrs. PAISLEY that a barger was a person employed on a river barge, and he was working on such a barge between New Orleans and either Memphis and/or St. Louis.

Mrs. PAISLEY later saw GALT when he was dealing with her husband concerning the automobile. She described him as a white male, age about 32, five feet, ten inches tall, 160 pounds, dark brown hair, neat-looking, neat dresser, quiet, ~~might~~ possibly a Texas accent but definitely not northern, eastern or Virginian.

Mrs. PAISLEY said she did not believe she could identify this man if she saw him again.

MARVIN CONDRAY, Service Manager, O. Z. Hall Ford Company, Birmingham, Alabama, furnished the following:

The O. Z. Hall Ford Motor Company was formerly known as Maring Crawford Ford Company. The policy of the Maring Crawford Ford Company concerning demonstrators was to register the car in Jefferson County, Alabama, in the name of one of the company's salesmen. Mr. CONDRAY said that MELVIN E. HARVEY was formerly a salesman employed by Maring Crawford Ford Company, and HARVEY formerly resided at 3311 Highland Drive, Birmingham, Alabama.

CONDRAV's service records show that a 1966 Ford Mustang was designated on March 11, 1966, as a demonstrator, and was subsequently sold to WILLIAM D. PAISLEY. This car was brought in for repair work on March 9, 1967, at which time the brake light was repaired as was an oil leak and a rattle in the dash. At that time the automobile had 13,164 miles. On April 10, 1967, this automobile was brought in and received a complete brake overhaul. At that time the car had 14,776 miles. This car has Vehicle Identification No. 6T07C-190647.

MELVIN E. HARVEY, 1023 Lakeview Crescent, Birmingham, presently employed as a new car salesman, Adamson Ford Company, Birmingham, furnished the following information:

HARVEY was employed by Maring Crawford Ford Company until May, 1967. He recalled that in March, 1966, he obtained a new 1966 white Ford Mustang, eight cylinder hardtop from the company's new car lot and thereafter this automobile was used as a demonstrator until it was sold sometime in December, 1966. HARVEY at that time was residing at 3311 Highland Drive, and the car was registered in his name. He stated the automobile never left the State of Alabama during the time it was used as a demonstrator. HARVEY said the warranty plate for this automobile was issued in the name of MELVIN E. HARVEY, 3311 Highland Drive, and that the warranty was in effect until March, 1968. He said any claims made through the use of this warranty plate would be sent to the Warranty Department, Ford Motor Company, Detroit, by any authorized dealer where the work was performed. HARVEY said that any new owner of this automobile, while the warranty was in effect, should have had the warranty plate changed to the new owner's name, but that very often this is not done by the customers.

HARVEY said he had no knowledge whatsoever that this car ever went to California, and he knew no one by the name of ANITA CATZWINKEL and/or GINGER DAY.

On April 16, 1968, WILLIAM DAVID PAISLEY, JR., 701 South 48th Street, Birmingham, Alabama, furnished the following:

PAISLEY said he had recalled that at the time he sold his 1966 white Ford Mustang to ERIC GALT, on August 30, 1967, he told GALT that the car needed to have the oil changed as soon as possible and that the car needed a tune-up. PAISLEY recalled that the car at the time of sale to GALT had approximately 19,800 miles. He also recalled that the air filter was a factory replacement and that the oil filter was an A/C oil filter that had been purchased from the Texaco station in the Woodlawn area of Birmingham.

On April 17, 1968, WILLIAM DAVID PAISLEY, JR. advised he recalled he purchased this car on or about December 15, 1966. The car at the time had about 9,000 to 9,500 miles and had been used as a demonstrator by the Maring Crawford Ford Company. PAISLEY said the car was never driven by him out of Alabama.

PAISLEY recalled at the time he sold the car to ERIC GALT he also furnished GALT a warranty plate which bore the name of the Maring Crawford salesman, MELVIN E. HARVEY. The car had been registered in HARVEY's name while it was being used as a demonstrator. PAISLEY recalled that the warranty on this automobile was still in effect until March, 1968. He said he had not changed the name on the warranty plate to his own (PAISLEY) as he should have, but had kept the original plate which bore the name, MELVIN E. HARVEY.

PAISLEY said he never drove the automobile to California, and he knew no one by the name of ANITA CATZWINKEL and/or GINGER DAY.

At approximately 8:15 p.m., Mr. PETER CHERPES was contacted at 2608 Highland Avenue, Birmingham. He advised that he is the manager and owner of a business operated at this address known as Economy Rooms, which business occupies the entire large white frame dwelling located at this address.

Mr. CHERPES was asked whether or not he had a tenant named ERIC S. GALT. Mr. CHERPES had immediately stated that a man named GALT had been a tenant at his rooming house for about three months, but has been gone for about five months. CHERPES immediately reviewed a quantity of 3x5 index cards, which he uses as registration cards for his guests, and was unable to locate one in the name ERIC L. GALT, but stated he recalled this individual as a man who occupied Room 14 in the rooming house. He stated this man came around the end of August, 1967, and rented a room, stating he had previously lived and worked in Pascagoula, Mississippi, where he had worked for a manufacturing company that made big boats. CHERPES stated that he believes it was the Ingalls Boat Company. He said that GALT stayed until approximately the end of October, 1967, and left, stating he had a job working on a boat in Mobile, Alabama. CHERPES described GALT as being about 5'10" tall, 170 pounds, and said he remembered him as being a very neat dresser. He advised that GALT stated he was on vacation and did not work anywhere while he stayed at the rooming house.

CHERPES was not able to state initially whether GALT had an automobile, but later said that he thought he did have an automobile and that it was white.

CHERPES advised that shortly after GALT had been living there he received a package in the mail which he (CHERPES) saw because the mailman left it with him. He stated he remembered asking GALT about this package and GALT stated that he was not satisfied with the merchandise and had returned it. CHERPES also advised that he received

Mr. HERBERT KELLY was interviewed at 2608 Highland Avenue and furnished the following information.

Mr. KELLY advised that he has been employed as a cook for Mr. PETER CHERPES for the past several years and was so employed since CHERPES occupied the present house, 2608 Highland Avenue.

After being advised of the nature of the interview, he stated that he remembers ERIC GALT only vaguely. He remembers that he occupied Room 14 for about two months shortly after they first moved into that house. He said that he serves breakfast to the boarders between 6 and 7:30 every morning and that this individual in Room 14 came out of his room at approximately 7:15 or 7:20 after everyone else had finished breakfast and gone to work, had his breakfast and then went back to bed. KELLY advised that he recalls "fussing" at this man several times for waiting so late to have his breakfast.

KELLY stated that he recalled something peculiar about this man in that he paid for room and board each week he was there, except the last week, he only paid for a room and did not take any meals. He said that he recalls this individual stating that the reason he did not have meals was that he did not have any money.

KELLY viewed a composite drawing and stated that it resembled GALT, except that he believed GALT to be thinner in the face than this drawing indicated.

KELLY is described as a Negro male, approximately 50 years old.

Department, Birmingham, Alabama, in order that he could obtain a current State of Alabama drivers license. He said that he is unable to state positively if he drove ERIC GALT to the drivers license examination station in his automobile or if he drove Mr. GALT's Ford Mustang. He said that he did remain with ERIC GALT while he took his drivers license test and examination, and thereafter he departed.

Mr. CHERPES also recalls that ERIC GALT received a package from Chicago, Illinois, while at his boarding house during the month of September 1967. He said that this package was a box approximately ten inches in height, by 18 inches by 24 inches, weighing approximately 20 pounds. Mr. CHERPES said that ERIC GALT was not happy with the merchandise he received, and that he was returning the box to the sender. He added that the contents of this box is unknown to him.

Mr. CHERPES stated after ERIC GALT departed from the boarding house, a letter was received addressed to ERIC GALT, which he believed was from the same sender as the box. He described this letter as a business-type letter, and he believed it contained a check. CHERPES said that he held the letter for several days, and since ERIC GALT had moved and furnished no forwarding address he returned this letter to the Post Office.

A review of additional guest receipts disclosed a receipt dated October 17, 1967, which shows that Mr. FOREST McCABE paid room rent on Room #14 from October 17, 1967, through October 24, 1967. In this regard, it is noted that ERIC GALT resided in Room #14 during his entire stay at the boarding house.

An additional receipt was located dated October 24, 1967, which shows that rent was paid on Room #14 from October 24, 1967, through October 31, 1967, by Mr. FOREST McCABE.

FEDERAL BUREAU OF INVESTIGATION

Date April 14, 1968

Mr. PETER CHERPES, Economy Rooming House, 2608 Highland Avenue, Birmingham, advised that ERIC GALT first came to his rooming house during the last week in August, 1967. He said that ERIC GALT resided in Room 14 during his stay at the rooming house and he was unable to state positively the mode of transportation used by GALT when he first arrived. Mr. CHERPES pointed out that he runs a continuous ad in the Birmingham, Alabama newspapers and more than likely GALT obtained the address of his rooming house from a newspaper. He said that he was unable to recall if GALT telephoned him prior to coming to the rooming house, pointing out that he gets numerous inquiries each day concerning rooms and rates.

Mr. CHERPES said that when ERIC GALT arrived, he had two or three pieces of luggage, was cleanly dressed and said that he previously lived and worked in Pascagoula, Mississippi. He recalled that GALT said he worked for a manufacturing company that made boats and he believed it was the Ingalls Boat Company, Pascagoula, Mississippi. He said that GALT told him he was on vacation and further that he was unemployed during the entire time he stayed at the rooming house.

Mr. CHERPES said that a few days after ERIC GALT arrived, he came to him and asked him if he would go with him to obtain a State of Alabama driver's license inasmuch as he had no driver's license. He said that since GALT was a new tenant, which he desired to keep, he agreed to accompany GALT, which he did, to the driver's license examination station, Birmingham, and waited for GALT while he took his driver's examination and road test. He recalled that GALT had a white recent model Mustang which he drove to and from the driver's license examination station. Mr. CHERPES was unable to recall seeing this white Mustang prior to the day that he accompanied ERIC GALT for his license examination.

Mr. CHERPES said that he recalls that GALT remained to himself most of the time and further recalled that he was always late for breakfast and ate around 10:00 a.m. GALT,

thereafter, would return to his room and rest and he observed him on occasions leaving during the day. He said that to the best of his recollection GALT would always be on time for the evening dinner, which was served between 5:30 and 6:00 p.m. each day.

Mr. CHERPES said that approximately two weeks later a parcel post package was delivered to the rooming house for ERIC GALT from Chicago, Illinois, and that he is unable to recall the sender. He remembered this package being delivered inasmuch as GALT was not at the rooming house when the package arrived and that he kept the package in his room until GALT returned. He said that GALT did not open the package in his presence and that he took it to his room and, therefore, he is unable to state what merchandise was in the box. He described the box as approximately ten inches in height by 18 inches by 24 inches and weighing approximately 25 pounds. He said that a day or so later, GALT said to him that he was not happy with the merchandise he had received and was returning it to the sender. He said that GALT did not ask him for any wrapping paper, nor did he see him leave the rooming house with the box.

Mr. CHERPES said that during the latter part of March, 1968, he received a business-type letter addressed to ERIC GALT at his address. He said that this letter contained what he believed to be a check for Mr. GALT and that it was also from the same company in Chicago, Illinois which had mailed the above described box to GALT. He said that he held this letter for one or two days and, thereafter, marked it "Not here" and returned it to the U. S. Post Office. Mr. CHERPES described the envelope in which the letter or check came as a business-type envelope, thin, blue in color, window-type.

Mr. CHERPES said that to the best of his memory he believed that ERIC GALT left his residence on Thursday or Friday evening. He said that a few days prior to GALT's departure he had a conversation with ERIC GALT, at which time he said to CHERPES that he had a possible job on a boat at Pascagoula, Mississippi. He said that GALT said he had made a telephone call concerning this possible employment and the following day GALT advised CHERPES that he had confirmed this employment and that he would be leaving and was going to Mobile, Alabama. He said GALT told him he had

BH 44-1740

no current address which he could leave in order that his mail could be forwarded, but that he would send him a forwarding address, which he failed to do.

Mr. CHERPES pointed out that at no time previous or since has he observed ERIC GALT and, further, he is unable to remember any other correspondence he may have received while at the rooming house.

Mr. CHERPES pointed out that GALT remained to himself most of the time and did not mix with other tenants. He was always neatly dressed in sport-type, as well as business-type, clothes. He said that GALT was approximately 30 to 35 years in age, approximately five feet ten inches in height, weighed from 170 to 175 pounds, had medium brown hair which he combed straight back with no part, fair complexion, and thin build.

Mr. CHERPES said that he was unable to remember if he had ever seen GALT with any other person leaving the rooming house and was unable to say who his acquaintances, associates or any other individuals GALT may have known in Birmingham, Alabama might be. He said that GALT would on occasions watch television in the TV room and that possibly some of the other guests who were there during the same time as GALT may have talked with GALT or be in a position to furnish additional information concerning his activities. Mr. CHERPES said that he knows ERIC GALT and could identify him should he see him again or if he should return to the rooming house.

Mr. D. T. GREEN, 2608 Highland Avenue, was interviewed at Rust Engineering Company in Birmingham, where he is employed. GREEN advised that his home is in Decatur, Alabama, and that he is only at the boarding house from Monday evening through Friday afternoon after work. He stated that he cannot remember anyone by the name of ERIC S. GALT or anyone fitting GALT's description living at the rooming house in Room 14 or any other room. GREEN advised that he has little association with any of the other tenants at this rooming house since he has a television in his own room, where he spends most of his time when not at work.

At this point in the interview, Mr. GREEN said that he has a severe drinking problem and this also accounts for the amount of time he spends alone in his room. Mr. GREEN advised, after viewing a composite drawing, that this does not resemble anyone he recalls living at the rooming house since he has been there.

Mr. PERCY STRICKLAND, 2608 Highland Avenue, was interviewed at this residence and requested whether or not he remembered an individual by the name of ERIC GALT, who occupied Room 14 from the end of August, 1967, through the middle of October, 1967.

STRICKLAND stated at first that he did not remember anyone by that name, but after conferring briefly with Mr. PETER CHERPES, the landlboard, he said that he did remember a young fellow staying in that room for about two months. He advised, however, that he did not know him and does not know anything about his activities while he stayed at this rooming house.

After viewing a composite drawing, STRICKLAND stated that this drawing resembles this individual who stayed in Room 14, although he cannot be certain as he does not remember him that well.

STRICKLAND stated that he cannot remember whether this individual owned an automobile and, if so, what kind or what color it might have been.

Mr. HILL HARDY was interviewed at the Nifty Paper Company in Birmingham and advised that he is originally from Pensacola, Florida, and has been working for Nifty and living at PETE CHERPES' boarding house for the past four years. He stated that this boarding house was located on 19th Street until July, 1967, when that building was sold, forcing CHERPES to move his boarding house operation to 2608 Highland Avenue.

HARDY advised that he occupies Room 21 and has occupied this room since July, 1967.

When questioned concerning an individual using the name ERIC S. GALT, who occupied Room 14 from August 26, 1967, until October 7, 1967, HARDY advised that the only man he remembers living in that room was an old man. He said he cannot remember anyone by the name of ERIC GALT as living at the rooming house. He also stated, after being advised of GALT's description, that he could not remember anyone with that description living there. He said that he does not recall a white Mustang automobile belonging to anyone living at the rooming house or sitting in the island of the front street in front of this house.

HARDY stated he was sorry he could not be of more help, but that he is a quiet individual himself and stays in his room most of the time and has little or no association with the other tenants at this house.

After viewing an artist's conception shown to him, HARDY advised that it does not resemble anyone he remembers ever living at this boarding house.
