

NK 44-854

By communicated dated April 23, 1968, the FBI Laboratory advised as follows:

Two latent fingerprints of value developed on envelope, Q253, and two latent fingerprints developed on envelope, Q254. One of the latent fingerprints on Q253 and one of the latent fingerprints on Q254 have been identified as fingerprints submitted for elimination purposes of GEORGE FLOYD DURYEA. The two remaining latent fingerprints are not identical with the fingerprints submitted for elimination purposes or of the fingerprints of JAMES EARL RAY, FBI #405942G.

The latent fingerprint previously reported on the white envelope bearing hand printed address in part "Locksmithing Institute," Q215, has been identified as a fingerprint of LYNN CASHNELLI MENZIES, who is an employee of the Locksmithing Institute.
