2025 RELEASE UNDER E.O. 14176

PREVIOUS NO.:

STATE OF ILLINOIS  
DEPARTMENT OF PUBLIC SAFETY  
DIVISION OF THE CRIMINOLOGIST  
Joliet Diagnostic Depot UNIT

CLASSIFICATION REPORT

NOTICE TO ATTORNEYS

In accordance with prevailing medical practice and professional procedures, it is against the policy of the department to furnish inmates with copies of progress reports or other diagnostic studies. Your cooperation is requested.

July 23, 1967

Name:	WILLETT, James	No.:	61027	Admitted:	7-12-67
Offense:	Burglary, Violation of Bail Bond	Birthdate:		Date of Sentence:	5-9-67
Sentence:	2-5 years (2cc)			Custody Date:	

OFFENSE:

This inmate was admitted from Kane County on May 12, 1967, to serve two concurrent sentences of from two to five years for Burglary and Violation of Bail Bond. According to the Official Statement, on September 25, 1966, the inmate entered a men's store in Elgin, Illinois, by breaking the glass out of the front door and subsequently he took several articles of clothing and approximately \$60 in cash. He was apprehended by the police approximately half an hour after the breakin was discovered and half a block from the scene of the crime.

Currently the inmate admits committing the above-mentioned crime and also points out that he had been drinking heavily prior to the offense. He says that he broke the window by throwing a brick through it and then he went through the window, grabbed some clothing and hid it behind the building. He claims that he had none of the stolen property in his possession when police stopped him. He also admits violating his bond and the fact that he was later picked up in Blytheville, Arkansas.

PREVIOUS RECORD:

- 1956 - State Penitentiary, Parchman, Mississippi - Burglary - two years.
- 1960 - State Penitentiary, Jefferson City, Missouri - Forgery - four years,  
Escaped - received additional two-year sentence - discharged March 13, 1965.

SOCIAL FACTORS:

This inmate was born [redacted] a Huntsville, Alabama, the fifth of six full siblings. The inmate's father who owned his own farm, reportedly died of cancer about 1938. At the present time the inmate's mother is living in Elgin, Illinois, and the rest of the family is scattered with some of the siblings living in Mississippi and Missouri while three of them reside in Illinois. Apparently both of the parents had prior marriages; there is at least one half-brother who is reported to be a policeman in Toledo, Ohio. The inmate denies that other members of his immediate family have been involved in criminality. Following his father's death, the inmate was raised alternately by his mother and by the older brother in Deering, Missouri. According to the inmate, he gets along well with all the other family members. The family economic status was considered to be below average. The inmate grew up mostly around Guntison, Mississippi, where he attended public school to about the sixth grade. About this time he was in a serious car accident and because his grades were poor and he was a disciplinary problem, he dropped out of school. He admits that he is unable to read very well at this time. The inmate did considerable farm work in the south before beginning his several periods of incarceration. He married in 1958 in Kennett, Missouri, only about a month and a half after his discharge from the Mississippi State Prison. One child has been born to this union, a son who is eight years old. The inmate says his wife was only fifteen years old when they married and he was twenty-three years of age. There has been considerable marital dissension due to difficulty with him getting along with her family. Also, the inmate describes some problems relating to his desire to be away from home a great deal and "chasing around." Although we do not have verification,
