Center to have his radio fixed. He told TIACHER that they would not repair the radio on his new car warranty and said that he was short on money and wanted to know how much the repairs would cost. TIACHER stated that the subject then drove the car around to the back of the repair shop in order that the radio could be removed from the automobile. TIACHER stated that in the meantime, he called the Packard Garage and was told that the subject had been there but did not have warranty papers and would not wait to see the service manager. The radio was then removed from the 1954 Packard and the subject left. TIACHER then checked the radio and found that a transformer was burned out; however, he did not repair it due to subject's statement regarding his shortage of money. The subject returned at approximately 3:20 or 3:50 p.m., and when told that the repairs would cost approximately \$13, he informed TIACHER to go ahead and make the repairs. The subject was told that it would take approximately thirty minutes and he again left the shop. TIACHER continued that the subject returned at approximately 4:00 p.m., paid his repair bill of \$12.09, and when TIACHER was replacing the radio in the subject's car, the subject removed the duffle bag and other belongings of BATTLE and put them in the Radio Center remarking that he would be back to pick them up later. TIACHER stated that at approximately 4:15 p.m., the subject left the Radio Center.

TIACHER continued that during his conversation with the subject, the subject remarked that he was from Chicago, and was again headed in that direction. When TIACHER told the subject that he, himself, had spent considerable time in Chicago, the subject refused to continue the conversation along these lines. The subject also remarked to TIACHER that he had only \$7 left after paying his repair bill of \$12.09.

ROBERT H. WAMPLER, Special Agent in Charge, NATB, Portland, Oregon, advised that instant car has been recovered abandoned by the Detroit, Michigan, PD and impounded by the same.

Inquiry of the Secretary of State's Office, Portland, Oregon, revealed that 1954 Oregon License 949-198 was issued to Mr. P. E. CAMERON, who is a pilot for the Northwest Airlines and operates out of Seattle, Washington.

The records of the Secretary of State's Office also indicated that this license was issued for a "drive-out" from Detroit, Michigan.

In view of the fact that instant car has been recovered in Detroit, Michigan, and since there is no further investigation to be conducted in the Portland Division, Detroit is being considered the office of origin, and no further action is being taken by the Portland Division.

Regarding subject's transfer from Fort MacArthur, California, to Fort Ord, California, by United States Army authorities and subsequent A.M. status, the following is being set out for reference to the Bureau and interested offices:

On March 16, 1954, following receipt of Chicago air-tel dated 3/12/54, subject was located and interviewed at the brig at Fort MacArthur, San Pedro, California, by SA RICH E. BERRY. Prior to and subsequent to this interview Captain G. I. POLK, Custodial Officer at Fort MacArthur, was contacted and advised of the process outstanding in this case. He was specifically requested not to release subject for any purpose until certified copies of this process could be forwarded from the Detroit Office.

Legal Officer J. T. BERRY was also contacted on this occasion and notified of the process then outstanding in the Detroit Office. He was requested to have subject released in this district for purposes of pleading under Rule 20, and was advised that certified copies of the complaint and warrant were being forwarded to the Los Angeles Office. It was explained to him that the handling of this case would be facilitated if the Bureau's request for release here was honored.

It. BERRY stated that Fort Ord had primary and sole jurisdiction over subject in accordance with United States Army regulations for purposes of court-martial, and that subject would normally be transferred there from this station within one week of being received here. He stated he would immediately communicate with the United States Army authorities at Fort Ord, California, and request that jurisdiction in this case be transferred to Fort MacArthur. In the meantime he stated that subject would be held in custody and that this notice did serve as a detainer. He stated that the United States Army regulations currently require that the United States Attorney notify the

legal officer of any part of the receipt of process from another jurisdiction before a release from military custody will be honored. This policy, according to Lt. BARKER, was adopted due to the failure to prosecute after a request for release based on out of state process which, he claims, has occurred on numerous occasions.

This entire transaction was also discussed in its entirety with Special Agent A. G. LAMANA of the 57th CIP, who was present during the interview of subject at the express request of Lt. BARKER, and it was mutually agreed that Lt. BARKER would advise Fort Ord of the circumstances of this case and would request release of jurisdiction for court-martial purposes in order that subject could be released for prosecution here. Subject, in the interim, was to be held at Fort MacArthur until these arrangements could be worked out between Fort MacArthur and Fort Ord.

It was anticipated, following interview of subject, that a possibility existed in the delay of process, inasmuch as subject stated that he had transported this car from Detroit to Tacoma, Washington, in accordance with instructions by agents of the owner but had, after a two day delay in delivery, decided to take the car for what he described as a "joy ride."

Continuous contact with the office of the United States Attorney at Los Angeles, as well as with Lt. BARKER, was unproductive of any notice of the receipt of process from Detroit or the release of jurisdiction by the United States Army authorities at Fort Ord. In an examination of the files of the United States Attorney's office at Los Angeles it was found that the certified copies of process had been received but had been misfiled, and these copies were located on 4/14/54.

Lt. BARKER was immediately contacted and advised that he had not heard from Fort Ord and that subject was still in custody at Fort MacArthur. However, on 4/15/54, he telephonically advised that subject had been routinely shipped out to Fort Ord by mistake on 4/2/54, while Captain BARKMAN was absent from the station, and he stated he had not been advised of this. Lt. BARKER stated that inasmuch as subject was presently at Fort Ord, it would be impossible to return him to this district and he suggested that the legal officer at Fort Ord be contacted and appropriate arrangements be made for subject's release for prosecution there. Both Lt. BARKER and Captain BARKMAN expressed regret over this incident and described it as a bad error. They were both apologetic, and cooperation here with both of these officers has been very good in the past.

San Francisco Office was immediately notified by re air-tel and by air-tel dated 4/22/54, and replied subject was transferred there 4/2/54, and was reported AWOL on the same date.

In view of the present circumstances, the Detroit Office should

LA 44-13743

immediately contact subject's mother, and both Chicago and Detroit Offices should contact subject's former associates in car drive away companies in an effort to apprehend subject.

San Francisco Office will determine if subject discussed his escape plans with other prisoners who were transferred from Fort MacArthur to Fort Ord on 1/2/54.

WILBUR BOND, porter at the above bar.

JOHN LEWANDOWSKI, owner of the East End Cleaners and the South Chicago Rescue Mission, 3267 East 92nd Street.

STANLEY COBERT, clerk, Seafarer's Union, 3261 East 92nd Street, first floor, advised that the subject received mail through the Union in the latter part of February, 1954, and that he has not seen him since. COBERT noted that the subject had taken a job on a tug boat as a "pusher", between Chicago and Albany for one trip. He also advised that because the subject had taken this one trip he had to enroll in the Union. A review of COBERT'S records reflects that the subject was not active on the Union rolls. COBERT said that he would immediately notify the Chicago office if the subject should contact instant Union again.

Re: LAWRENCE D. STOUT

WILLIAM STEVENSON, business agent, Seafarer's Union, advised upon being displayed a photograph and given his name that the subject used this address, 3261 East 92nd Street, as a mailing address in February, 1954. It was STEVENSON'S opinion that while the subject was in Chicago he was residing at the YMCA Hotel, at 8th and Wabash.

The records of the Chicago Police Department and Credit Bureau were negative regarding the subject.

MAT RYAN, house detective, YMCA Hotel, 8th and Wabash, Chicago, advised that he checked the records of the hotel for information on the subject, but none was forthcoming. RYAN was unable to identify the subject's photograph.

In reference to Los Angeles letter, a request was made for Chicago to contact former associates of the subject in car drive-away companies.

A review of the Chicago file fails to show that he had associates in this locale.

Inasmuch as there is no further investigation pending in the Chicago Division, this case is being RUC'd.

MARTIN LUTHER KING, JR.

Officer Theron Toole, Human Relations Unit, Chicago Police Department, advised on November 13, 1967, that Dr. Martin Luther King, Jr., President, Southern Christian Leadership Conference (SCLC), had arrived in Chicago at approximately 1:00 p.m. on November 11, 1967. King had arrived in Chicago on Northwest Airlines from Atlanta, Georgia, SCLC headquarters. King was in Chicago as featured speaker at the University of Chicago, Center for Continuing Education, where an anti Viet Nam conference, The National Labor Leadership Association for Peace, was being held over the period November 10 through 12, 1967.

Toole advised that King had departed Chicago either late during the evening of November 11, 1967, or early November 12, 1967, reportedly for New York City, New York. While King had been in Chicago, there had been no incidents or disturbances connected with his business here.

Attached to this memorandum are articles from Chicago's daily news media; these articles containing excerpts from King's remarks in his appearance on November 11, 1967, at the Center for Continuing Education.

On November 13, 1967, Edward Mc Clellen, Executive Secretary, Chicago Branch, National Association for the Advancement of Colored People (NAACP), advised as follows:

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside of your agency.
