 was distinct on that point.
 I said I should have said that
 I was not going to say
 anything more.

I said I was not going to
 say anything more. They said
 that I was not going to say
 anything more. I said I was not
 going to say anything more.

I said I was not going to say
 anything more. They said that
 I was not going to say anything
 more. I said I was not going to
 say anything more.

At the present time
 I suppose they are trying to
 see if I'm going to remember
 what they said and tell
 someone else. They've
 been kind of quiet and
 someone is always trying
 me to see how near what
 I'm talking about. They
 don't know if I will
 tell what I've heard.
 What they will tell
 is just what I don't know.
 But in that instance, I'll
 be in great danger.

I said I was not going to say

On name I can't

me if I recalled
it. I said no, he
said he didn't
recall it either.

2. For Week of Monday 19
Monday One man before the
killing a man, he went to
the same tank. Some of the
men at work were
talking about a killing they
were planning. They
spoke of a man being
very well dressed, from
out of town, and unknown.
They also spoke of a
white Mustang car.
Tuesday The man named
Big Dick brought a gun
to work that week.
It was to be a large
gun because he needed
both arms to carry it. He
left the gun with the
ward in the guard house
because another man was
supposed to pick it up.
The men got drunk
that they were planning
a killing here. They also
said they were to have
gotten the gun from
Hobbs. (The man who)
Police would be looking for
the killer in the state.
He would be right
here under their nose.
And we had planned the
killing here for last night.
We were going to have a killing.
