JOSEPH P. KALISTER, Alcohol Tax Unit SA, US Treasury Dept., Tyler, Texas, appeared at the Tyler RA on this date and advised that he and SA ROBERT BREESE of the Alcohol Tax Unit were in the SO at Centerville, Texas, Leon County, at about 2:00 PM on 4/17/68 and were told by sheriff Roy Wilson that he had a man in his jail who claimed he had shot Dr. Martin L. King. Kalister said the Sheriff had a newspaper in his hand which allegedly contained some handwriting by this man relating to his confession and also exhibited to him a diary. The Sheriff told him that this man had sold a new motor and boat to a filling station man across the street from the courthouse, for \$99.00. Also this man in jail had \$1,000 in Travelers checks on his person when arrested. KALISTER said the Sheriff apparently thought this jailed man was a "nut" and paid no further attention to the matter. Also present were the County Judge, the Game Warden, and RALPH ELLIOTT of the State Liquor Control Board. Kalister said he did not see the prisoner.

KALISTER'S office is at 110 East Houston Street, Tyler, phone LY 2-2372.

RECOMMENDATION: Suggest this matter be resolved by phoning to the Waco RA and checking with the SAS there. The above was telephonically furnished to SA WM B. HOLLOMAN this date.

SUBJECT: MURKIN

On the PM of 4-18-68 G.B. HARTMAN, Dispatcher, Texas DPS, Sherman advised he had just received word from THP MARVIN DOBECKA, stationed in McKinney, Texas that DOBECKA had just been notified by an unspecified person McKinney that this person had just seen a person who bore a similarity to that of photos of ERIC S. GALT, and "who acted suspicious," had just passed through McKinney, Texas, heading North on US 75. He was driving a white Cadillac, year not given, bearing "Calif. license plates WN-2343." HARTMAN stated this appears to be in error since Calif. license prefix is three letters, rather than two, and speculated it might be an Oklahoma license, in view of two letter prefix and car headed North on 75. He estimated at this time the car would probably be between Melissa and Anna, Texas, and stated he had no highway units at this time on or near 75 between McKinney and Sherman, Texas. Car had only the one male occupant.

The writer proceeded immediately to Highway 75 South of Sherman, and the Dorchester overpass and maintained a fisur of northbound cars on 75 for above described vehicle with negative results.

This information was subsequently on 4-18-68 furnished to night clerk, JERRY PRICE ~~was~~, Dallas FBI who subsequently stated he had contacted night clerk, WAYNE STURDIVANT, Oklahoma City, who in turn had been informed by OHP there was no such license issued in Oklahoma at set forth above and a check of various variations of this number failed to reflect any registered to a Cadillac at all.

SUGGESTED LEAD:

AT MCKINNEY, Texas. Will contact THP DOBECKA to verify accuracy of above license and other details and ascertain his source of information in this matter and then contact that source.

Nationwide Warrants Issued In King's Death Galt, 'Brother' Facing Charges

BIRMINGHAM, Ala. (UPI)—Nationwide murder and conspiracy warrants have been issued for Eric Starvo Galt, a mysterious riverboat cook, merchant seamen and bartender accused in the assassination of Dr. Martin Luther King Jr. The FBI charged Galt and his "alleged brother" in a warrant Wednesday with conspiring to injure King, shot to death by a white sniper in Memphis, Tenn., April 4. Memphis police later filed a murder charge against Galt.

The FBI also released a photograph of Galt, 36, described as a "loner" with a "rural quality" in his voice. There was immediate conflict or uncertainty among witnesses who said they had seen Galt. "No, that's not him," said Peter Cherpes, operator of a rooming house where Galt stayed from Aug. 26 to Oct. 7, 1967.

"I can't be sure," said Percy Strickland, a roomer at the house.

The woman who runs the Memphis flophouse from where the killer shot King as the Negro leader stood on his motel

balcony also was undecided about the picture. "I just don't know if it's him," said Mrs. Bessie Brewer.

But the FBI insisted the picture was of Galt. "It's him, all right," said Joseph H. Gamble, special agent in charge of the Birmingham FBI office. He said the photograph was taken this year, "in March, I think."

The FBI issued two pictures of Galt, also known as Harvey Lowmeyer and John Willard. Galt's eyes were closed in one photo. The other featured eyes sketched in by an FBI artist.

The FBI complaint, filed in Birmingham, charged that Galt and an individual "whom he alleged to be his brother entered into a conspiracy" to harm King, and Galt purchased a rifle in Birmingham about March 30.

Trace Weapon

A 30.06-caliber Remington pump rifle with a telescope sight was found near the Memphis flophouse and FBI agents traced the weapon to a Birmingham sporting goods store where the records showed it was sold to Galt.

A white Mustang car—resembling one seen speeding from the murder scene—was found abandoned in Atlanta the day after the slaying. It was registered to Galt at a Birmingham rooming house, where residents had not seen him in three months. The FBI said Galt purchased the 1966 car from a private citizen in Birmingham last August and put 19,000 miles on it—driving to such places as Los Angeles, New Orleans and Mexico.

According to the FBI, Galt claimed to be a riverboat cook and merchant seaman and was an avid dancer with a preference for country and western music. He also likes beer and vodka, the FBI said, and "probably does not have a high degree of education."

Photos, Description Of Hunted Man

Man FBI Hunting In King Death Probe

The photographs at right have been released by the FBI, which says they are of Eric Starvo Galt, charged with conspiracy and murder in the assassination of Dr. Martin Luther King Jr.

The photos are identical except for the eyes drawn by an FBI artist.

The FBI described the fugitive as a white man, 5-8 to 5-11, weighing 160 to 175 pounds, with brown hair in a brush cut, blue eyes, straight nose.

He is regarded as a loner with a "rural" speech and little schooling, fond of vodka, beer, dancing and hillbilly music.

The FBI statement also said "The fugitive is said to have a nervous habit of occasionally pulling at an ear lobe with his left hand. His left ear protrudes further from his head than his right ear."

WANTED—This is picture of Eric Starvo Galt the FBI has charged with the conspiracy and slaying of Rev. Martin Luther King Jr. Original photo has his eyes closed and they were drawn in by artist. (AP)

MEMPHIS, Tenn. (AP) — The mysterious Eric Starvo Galt has been charged with conspiracy and murder in the assassination of Dr. Martin Luther King Jr.

The FBI said in a fugitive warrant issued Wednesday night in Birmingham, Ala., that Galt, 36, conspired with a man "whom he alleged to be his brother" to violate King's civil rights.

The state charge of first-degree murder was filed against Galt in Memphis where King, 39, Nobel Prize winning civil rights leader, was shot to death on a motel balcony April 4 by a sniper who fled from a nearby rooming house.

FACES CHAIR

First-degree murder in Tennessee carries the death penalty although the electric chair has not been used in the state since 1960.

The maximum penalty under the federal charge of conspiracy to violate a person's civil rights is a \$5,000 fine and 10-year prison sentence.

There was no further mention in the FBI statement about the alleged brother and no charge was filed against him.

FBI Director J. Edgar Hoover announced in Washington that the conspiracy to "injure, oppress, threaten or intimidate" King began "on or about March 30" in Birmingham.

The FBI statement said a .30.06 rifle equipped with a telescopic sight found near the rooming house shortly after King was slain, was purchased March 30 in Birmingham.

NO DIRECT LINK

The statement did not connect Galt directly with the rifle.

The FBI released a photograph of Galt and solicited public aid in finding him. Whether this appeal meant the trail had become cold was unclear, but U.S. Atty. Gen. Ramsey Clark told a reporter in Washington

that he felt this was not the situation.

The FBI started hunting Galt a week ago. Agents even contacted persons named Galt in several states in an attempt to find him.

The picture—which had to have the eyes "opened" by an artist—brought uncertain responses from witnesses who were acquainted with Galt or saw the fleeing sniper.

NOT YOUR MAN

"Unless he was wearing a wig or had had a face lift or something, it's not the man I saw," said Charles Q. Stevens, who lives at the Main Street rooming house from which the fatal shot apparently was fired.

"The hair is too full and the face is too young," he said. But Stevens said he only got a side view of the fleeing figure.

A source in Birmingham said the photograph was taken within the past three months, although the FBI did not specify when it was made. The photo has sharp contrast, making hair and features very dark.

The FBI, relying on witnesses apparently, said the fugitive had been described as a white man, 5-8 to 5-11, weighing 160 to 175 pounds, with brown hair in a brush cut, blue eyes, straight nose.

Persons who have met Galt, the FBI reported, described him as a loner with a "rural" speech and little schooling, fond of vodka, beer and hillbilly music.

The FBI statement also said, "The fugitive is said to have a nervous habit of occasionally pulling at an ear lobe with his left hand. His left ear protrudes further from his head than his right ear."

"Galt should be considered armed and dangerous," the FBI release warned.

Galt has used the names of John Willard and Harvey Lowmeyer, the FBI said.

About midnight, following April 1, 1968, she alone in her 1964 Buick Electra, stopped at an eating establishment, name unknown but like a Toddle House, on Highway 90 as she was driving east, one or two blocks on her right passed a university in Tallahassee, Florida. While having coffee there a male individual came in and inquired if she was driving the Texas car. He said a few other things to her including something to the effect that people he came there with had left him there stranded. Later as she was leaving she saw him standing in the parking lot and then made some comment about staying next door. She did not observe what was next door but remembered it was a large building, possible a hotel, apartment or rooming house. She furnished the following description of the individual:

Sex	Male
Age	About 40
Height	5'10"
Hair	Brown, apparently full head of hair, although could have had receding forehead.

The caller stated that this man was from California and lived in a rooming house there in Lubbock. The reason she knows this is that she works for Traffic Management, Reese AFB and this man did some moving for a colonel stationed there. This man was later arrested in Wichita Falls for impersonation of the colonel.

The reason she believes TIBBITS may be the assassin is that he had RAY in his name and that he was from California.

FROM : CLERK JAMES R. WILKINS

SUBJECT: MURKIN

At Approximately 12:45 AM this date, this office was contacted by GEORGE WESTFALL, Mesa Grande Estates, Parker County, phone CIRCLE-5-1248 concerning possible info in the MURKIN case. The caller stated that a few days ago he was out walking his dogs in his pasture, located off Interstate Highway 20, when he heard gunfire. WESTFALL stated that at the time he thought nothing of the shots. However, he did notice an abandoned car near where he heard the shots come from. The car is an old Chevrolet with Mississippi license plates. When asked the license number, WESTFALL said that he would have to go and get the numbers. The caller was not instructed by this writer to take such action.

At approximately 1:30 AM, WESTFALL recontacted this office and related this info. The license plates on the car have been altered with green and white paint. The plates were originally L-1-4873 and had been altered to read L-2-4878. The plates were issued in Lauderdale County. WESTFALL further stated that the car was full of clothes and trash and that there was an obnoxious odor coming from the trunk. Upon investigation WESTFALL found an envelope with a hand-drawn map on the back showing a street dividing a large building from a smaller one with a line drawn from the smaller building to the larger one. The front of the envelope contained the address GORDON LYMAN, Veteran's Administration Hospital, Temple, Texas. The envelope also had an Army discharge number C-505 86 10 and other scribbling concerning a Jiffy Dodge Truck Rental.

WESTFALL mentioned that he knew SA KUYKENDALL and an agent TOM PICKENS and also that he had helped an agent once on the west coast. The caller advised that he had alerted no other agency.

Weatherford SO advised only of abandoned car, info furnished Deputy Sheriff CHESTER COSBY at 3:00 AM for whatever action they thought necessary.

Galt Charged in King Assassination

MEMPHIS, Tenn. (AP) — Eric Starvo Galt was charged with first degree murder late Wednesday in the assassination of Dr. Martin Luther King Jr. here April 4.

The state warrant was issued five hours after the FBI in Washington announced that Galt had been charged in a federal warrant with conspiracy in King's death.

Dist. Atty. Phil Canale filed the murder charge. It was signed by General Sessions Court Judge Wayne Lindsey.

The state warrant charged that Galt "did unlawfully, feloniously, willfully, deliberately, premeditatedly and of his malice aforethought kill and murder Martin Luther King Jr."

The FBI had named Galt in a lookout bulletin for Galt last week in Florida but withdrew the bulletin four hours later, saying it had been released in error.

The charging of Galt was first announced Wednesday by the FBI in Washington.

In the first official mention of

a conspiracy in connection with the April 4 assassination of Dr. King in Memphis, the FBI said the alleged plot involved also a man Galt described as his brother.

Issued Photograph

And the FBI issued a photograph which it identified as being one of Galt, and John Willard.

The FBI said a warrant was issued in Birmingham, Ala., Wednesday on the basis of an FBI complaint which charged

that Galt "and an individual

whom he alleged to be his brother, entered into a conspiracy" which began around March 29 at Birmingham and ended about April 5 to "injure, oppress, threaten, or intimidate Martin Luther King Jr."

In Memphis, Police Director Frank C. Holloman said no state warrant had been drawn against Galt, but added: "Of course, it will be as soon as it is practicable."

Dist. Atty. Phil Canale said his office would "use all the le-

gal means at our disposal to return to Memphis for trial the killer of Dr. King as soon as he is apprehended."

An FBI statement said Galt has given his date of birth as July 20, 1931, has brown hair, wears his hair in a brush cut, reportedly has blue eyes, a straight narrow nose, is between 5-feet-8 and 5-feet-11 and weighs between 160 and 175 pounds.

The FBI said "the fugitive is said to have a nervous habit of

occasionally pulling at an earlobe with his left hand. His left ear protrudes farther from his head than his right ear."

The FBI statement said that Galt, on or about March 30, bought a rifle at Birmingham. The bureau did not say specifically that this was the rifle that killed King.

But the statement said, "a 30.06 rifle equipped with a telescopic site was found near a rooming house on South Main Street in Memphis immediately

after the fatal shooting of Dr. King occurred." The rooming house overlooks the Lorraine Hotel and Motel where King was staying.

FBI agents have determined that the rifle was purchased from a Birmingham gun dealer March 30. The sight also was said to have been bought from the same dealer, whom the FBI did not identify.

The FBI said Galt owns a 1966 white Mustang with Alabama
