

was told it would be an expensive trip he told the driver not to worry about the money and displayed a large roll of twenty dollar bills. He was assisted into the cab and left.

While waiting for the cab the man talked with SUMMERVILLE and at one point made the comment that it was too bad that MARTIN LUTHER KING had been killed.

When the first photographs of the subect appeared in the newspaper, SUMMERVILLE noted that the photo bore a strong resemblance to the man who had been in room 212. He was shown additional photographs of JAMES RAY ~~BARL~~ and he said he still believes the man in 212 might be RAY.

He described the man he saw as a W/M, about 39-41 years, 5'10", 170 lbs, medium build, believes hair may have been sandy colored, had funny look to his eyes.

On 4/24/68 Mrs. EVELYN YARBOROUGH, Secretary to the Manager, Sands Motel, produced the records of that motel which revealed that a person registered for room 212 on 4/5/68 at 11:15 pm using the name JIM SWAYZE, 1809 Rosewood, Abilene, Texas. There is a notation of the registration card that he was in a plymouth with license KPZ 642. There is no notation as to the time he checked out but it must have been before 7 am 4/6/68 because he was checked out by MARY ERMER, the night clerk who works from 11 pm to 7 am. He paid an \$8.00 room bill.

On 4/24/68 the Texas Highway Partol advised that current Texas license KPZ 642 was issued to E.A. ADAMS, 2417 Salerno, Dallas on a 1964 four door Ford.

Mr. E.A. ADAMS, 2417 Salerno, advised on 4/24/68 he is the owner of a 1964 Ford which bears license KPZ 642. He has never been to the Sands Motel and does not even know where it is. He said noone has used his car at any time. He stated there must have been an error in recording the license number since his car could not have been at the Sands Motel on the night of 4/5/68.

Abilene, at Abilene, contact JIM SWAYZE, 1809 Rosewood, determine if he was at Sands Motel on evening 4/5/68 and whether identical with JAMES EARL RAY.

UNITED STATES GOVERNMENT

# Memorandum

TO : SAC, Dallas (44-2649)

DATE: 4-24-68

FROM : SA Del D. Drake, Jr.

SUBJECT: MURKIN

The following investigation was conducted by SA Del D. Drake, Jr. and SA David R. Hill:

at Paris, Texas

On 4-22-68 Radio Dispatcher, Clifford Pope, Paris, Texas PD received a telephone call from a Dorothy Barr, Negro female, who advised that she understood that Eric Galt or a person who looked like him, was staying at the Gibraltar Hotel, Paris, Texas. She said that she did not see this individual herself but that the person who told her had seen and talked to him.

Immediate check at the Gibraltar Hotel with Charlie Booker, Negro desk clerk and head porter, who has been known to SA Drake for years, reflected that he had seen no one who resembled the suspect in this matter. Booker stated that the photograph of James Early Ray did not resemble anyone who had stayed at the hotel. It will also be noted that this old hotel is also now being used as a rest home for the elderly and Booker stated that during the past hour no one had made any call from the Hotel other than himself and some of the other employees. None of the guests had made any calls since all calls had to go through the switchboard which he also operates.

A check with other porters failed to reflect anyone who had seen anyone resembling the photograph of Ray.

Upon interview Dorothy Barr, 609 East Tudor St., advised that she had received her information from Edna Embry who is employed as a maid at the Gibraltar Hotel. Barr said that Embry had said that she had talked to this guest who resembled Ray or Galt and that she had seen the picture in the newspaper and that was what she thought. Barr said that she had seen the person who Embry described.

Edna Embry was interviewed at the Gibraltar Hotel and she said that the person she had reference to had stayed in Room #510 at the Hotel for a couple of days and that she thought she had seen him about Wednesday 4-17-68 for the first time. She said she talked to him on 4-18-68 while she was cleaning his room. She said that upon observing the WF of Ray that perhaps the individual she referred to was older than Ray but she thought it could be the same person.

Upon contact of Bill Whitner, Manager of the Gibraltar Hotel, and a complete review of the records it was ascertained that room #510 had been rented to George W. Eckel, 903 East Bufaula St., Norman, Oklahoma on 4-17-68 and that Eckel had stated he represented the Farm Labor Department, Equitable Life, Dallas, Texas.

Whitner said that Eckel had jumped his bill at the hotel on 4-19-68 and that it amounted to \$20.55 which included a telephone call on 4-18-68 to Area Code 405 Number 534-9146 which he believed was either Norman or Oklahoma City, Oklahoma. Whitner said that in no way did Eckel resemble Ray or Galt. He said that Eckel was about 6-0 tall, 165 lbs., with graying hair and was no less than 55 years of age and more probably 65 years of age. He stated that Eckel looked very much like Lloyd Davis a known Paris business man who is also known to SA Drake. ( If this is the case there is no resemblance to Ray).

Whitner also said that Eckel had left to cheap brief cases at the hotel and that one of these cases contained papers which turned out to be a large quantity of airline brochures for practically every airline in the country. However among these papers it was noted that Eckel possibly resided at one time at 121 1/2 west Main. Norman Oklahoma and that on 4-8-68 he had received a letter from the Municipal Court, Oklahoma City informing that a \$14.00 check he had given the court had been returned as insufficient. Notes in the brief case also reflected that Eckel may have stayed at the Holiday Inn, Paris, Texas as well as other Holiday Inns in various cities in Oklahoma and Texas. Whitner said that he did not think that Eckel had had any other baggage and if he did he did not see it around the hotel.

On 4-22-68 Jack Kothe, Manager, Holiday Inn, advised that Eckel had stayed at his motel on the nights of 17, 18, and 19 of April, or at least he had been registered for those nights and then he had jumped his bill. He stated that Eckel had written him a note from Hugo, Oklahoma which stated that Eckel had had to change his business plans and if Kothe would mail his bill to him in Norman, Oklahoma he would tender a check. Kothe said that Eckel did not even resemble Ray.

Both Kothe and Whitner were advised that the Detective Division of the Paris PD would be advised of the actions of Eckel and that officers would be checking with them.

On 4-23-68 O. A. Broussard, manager, City Airport, Paris, Texas advised that when he had seen SA Drake in front of the Police Department in Paris on 4-17-68 that he had called SA Drake's attention to a white man who was walking past the station accompanied by a crippled Negro. SA Drake recalled this individual and Broussard had mentioned that this individual had been the one that Broussard had said had just come into Cox Field on Frontier Airline and had attempted to rent a car from Broussard and Broussard had refused because he felt that this man was a "con-man". Broussard said that he had then given this individual a ride into Paris and had let him out of the car at the Holiday Inn. The identity of this man is that of Eckel and from observation this individual did not in any way resemble Ray.

For the information of all concerned Detective Charles Whitely has contacted both the Holiday Inn and the Gibraltar Hotel and is in the process of identifying Eckel. He is also contacting the Negro who was with this individual on 4-17-68 since this Negro's identity is known to Whitley.

Recommended Action: Route to SA Holliman after indexing Eckel. No further action deemed necessary since Eckel has been eliminated as being identical with Ray or Galt.

Dear Sir,-

I just can't  
quote the exact time but  
this year while I was at  
the National Maritime Union  
Hall. A young man came  
in the Hall at Seattle, Wash.  
carrying a small bag. And  
he asked about getting into  
Union & naturally was broke.  
I don't remember the date  
but I do remember I cashed  
a couple of checks Traveler  
Checks for \$20. in a bank  
there. And passed over \$30.00  
to him. Also gave him a  
an envelope with my  
address on it. We had  
dinner together. Sincerely,

2 / went down to Union  
Hall and paid in entry  
fee. Then he told me he  
had been sailing on Rivers  
and home was in St. Louis  
mo. Of course lots of sea-  
men help each other. So  
he had to go to Coast Guard  
to get his papers. or rather  
his Mariners Document  
validated for security.  
But he claimed his wife  
was suing him for divorce  
Of course he was broke.  
So he claimed he was a  
River man. said he was an  
oiler. So he got a ship job.  
Well, I didn't see him  
for a month or so. But  
when he saw me in the  
hall again. He forgot to pay.  
back the loan I had given  
him

3/ That he had to get a lawyer.

Now I read in Fort Worth newspaper. That this jail on the Dr. Martin Luther King Jr. murder is a suspect. And also that your suspect was a river man and a merchant seaman.

Now I am a disabled merchant mariner and have filed for a U. M. V. pension. And living in a hotel here at Seagraves, Texas. I didn't get this seaman's name. But you could find out his name etc. from U. S. Coast Guard at Seattle. I won't say he's the answer but age etc would be about right. As I had a peculiar

4 / experience when I was  
at Savannah, Georgia.  
I was sent to S.S. Pan Florida  
on 3-18-1947. where the  
Electrician jumped ship. I  
was sent to the Pan Florida  
while I was taken out of  
U.S. Public Health Hospital  
ship was going to Tampico,  
Mexico and return to  
Savannah, Georgia. But  
when we came back the  
electrician that jumped ship  
came back. I gave him his  
job back. But I also noticed  
one of your flyers in  
Savannah Post Office and  
I let the Postmaster there  
gave him the "flyer" and  
he said he'd give information  
then to an F. B. I. Agent  
That was where a man  
was wanted for murder

5/ from Houston, Texas. and  
the ship was going back  
to Houston, Texas. So I  
figured in this case that  
possibly you're wanted  
man was an S. I. U. seaman  
as they have ships tied  
up at Savannah, Georgia.  
Maybe the seaman that  
borrowed \$30.00 from me  
to get in N. M. U. is the  
fellow you want.  
You know seamen get  
around. And I hope if my  
information is right that  
you get the murder.

With best of wishes,  
Richard J. Shotwell

5/ He was white, slim  
and wore a cap. and  
carried a short white river  
bag. I also gave him a  
five dollar bill for a room.  
And as I remember he got  
a ship on the open board.  
He was lucky but on his  
return I really thought  
he'd pay back his loan.  
But as he didn't why I  
felt he was <sup>not</sup> an honest  
river man.

Re Albany airtels 4/10/68 and 4/11/68, setting forth concerns who purchased Thermo-Seal marking machines, and Bureau teletype to Memphis, 4/12/68.

The FBI Laboratory advised that pillowcase and bed sheet were found in trunk of 1966 white Mustang registered to ERIC STARVO GALT, which was located at Atlanta 4/11/68. These items contain Thermo-Seal laundry tapes of approximately same size as tapes on items previously recovered, but are yellow in color and contain code, "20R-3." In opinion of Textile Marking Machine Company, Syracuse, New York, the tapes were produced by a different machine than previous tapes since the first three characters are 15 point type and the last two characters are 18 point type,

The Textile Marking Machine Company suggests the twenty in above code would be the lot number, the R may mean that this was a return of a batch of laundry, and the three is the bundle number.

Re: Laundry Mark Checks

Re Memphis airtel to all Continental Offices dated 4/19/68.

Enclosed for the Bureau are three pieces of cloth containing sample tapes from three Thermo-Seal machines.

On 4/24/68, WARREN TYSON, Manager, White Star Laundry and Dry Cleaners, 4535 Cole, Dallas, Texas, furnished the enclosed sample laundry marks from the three Thermo-Seal marking machines operated by his concern. He advised the "20" is a lot number, the "R" is the week, and the "3" is the customer invoice. He uses eight colors of Thermo-Seal tape each week and a light yellow color is therefore used 1/8 (approximately) of each week.

The enclosed samples are gold colored tape as opposed to the light yellow color he uses. Gold is used exclusively for one day specials. He stated he would put tape markers on sheets and pillow cases only when they are brought in for one day special service. He does not use any marker on normal flat work such as sheets and pillow cases, handling that by the bundle.

TYSON advised he makes records of the identity of customers only if they have a charge account. Almost all, if not all, of his one day service is done on a cash basis.

TYSON informed that he had two one-week periods within the last year during which the "R" symbol was in use. During each of these two weeks, the light yellow tape was used for one series of numerical lots. He advised a search of his records failed to disclose any record of identity for a customer #3, Lot 20, yellow tape series and from this, he assumes the customer must have been a cash customer. The first week was in June, 1967 and the second week was from February 26 to March 2, 1968.

TYSON advised machines 2 and 3 are used constantly and the ink ribbons on them must be changed at least once every ten days. Machine #3 temporarily has the "R" symbol broken off. Machine #1 is used only for overflow work and would be used only a fraction of each week.

Request of the Bureau

The FBI Laboratory is requested to compare the enclosed samples with those found on the sheet and pillow case taken from the Mustang recovered at Atlanta, Georgia for possible identification.

Re Oklahoma City teletype 4/23/68, re individual using name RICHARD BURNES.

Investigation conducted by Dallas on 4/23-24/68, by SA MALON L. JENNINGS identified RONNIE E. ISENBERG, Grandview, Texas, employed as traveling salesman for Style-Rite Manufacturing Company, Cleburne, Texas, as using the name and registering on 4/9/68, as RICHARD BURNES at Quo Vadis Motor Hotel, Ponca City, Oklahoma. ISENBERG formerly owned 1967 Thunderbird, 1968 Texas License FCL 712, and now owns 1967 Thunderbird, 1968 Texas License FDH 453, observed at instant motel, Ponca City.

RICHARD A. BURNES, 106 Johns Terrace, formerly residing at 3000--8th Avenue, Fort Worth, stated he lost driver's license, has not been to Oklahoma for several months, and does not fit description of JAMES EARL RAY. BURNES stated an individual has been using his name at a Fort Worth motel, where there was a skip on the bill, and the motel was trying to collect from BURNES.

GEORGE ELLIOTT, Manager, Roadway Inn, Fort Worth, advised an individual registered as RICHARD A. BURNES, 3000--8th Avenue, Fort Worth, Texas, on 4/6/68, and departed on 4/8/68. His employment was listed with firm of Elco Corporation, 1321 Circle Drive, Dallas, Texas, car license FCL 712. Bellboy states two individuals

occupied room, there were visitors, and none fit description of JAMES EARL RAY. Bellboy heard name of RONNIE while delivering food to room; also obtained car license of 1967 Thunderbird, which was FDH 453. ELLIOTT advised he canvassed other motels and found that at the Holiday Inn, midtown, the same individual with the same car registered as JAMES A. GOODMAN and registered at the Green Oaks Inn as JACK KENT. Registration cards at the Roadway Inn and Green Oaks Inn were hand printed. At all three motels bills were left unpaid. Two or more individuals occupied rooms at all three motels.

ISENBERG admitted registering in Roadway Inn Motel as BURNES and Green Oaks Inn Motel as JACK KENT. A friend, KARL NORBERG aka Karl Perry, 8524 Gibbs Drive, Fort Worth, registered at the Holiday Inn and accompanied ISENBERG. NORBERG admitted participating with ISENBERG in renting motel rooms for weekend and then skipping out on bill. NORBERG knows ISENBERG registered as BURNES at Roadway Inn.

ISENBERG has had financial problems according to his employer and recently has passed several hot checks.

ISENBERG stated that he registered as ROBERT BURNES at Ponca City Motel because he tried to cash a check at a local bank and was turned down. He did not have enough money to pay his motel bill and intended to skip the bill, and for that reason registered in the name of BURNES instead of using his true name.

No further investigation being conducted re BURNES matter.

JAMES EARL RAY

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., is one of the FBI's "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his prompt location. Ray has been the subject of a massive search since the gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel.

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom FBI wanted notices have been posted determined that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray, who escaped on April 23, 1967, from the Missouri State Penitentiary, is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery.

Possessing an arrest record dating back to 1949, Ray has been convicted of burglary, armed robbery and forging United States Postal Money Orders.

A 40-year-old white male, reportedly born in Illinois on March 10, 1928, Ray is approximately 5'10" tall, weighs from 163 to 174 pounds, has blue eyes and short brown hair. He has a nervous habit of tugging at an ear lobe and his left ear protrudes noticeably.

Described as a "loner and "drifter," with a "rural" quality in his speech, Ray has worked as a baker, laborer and color matcher. He has taken dancing lessons and completed a course at a school of bartending.

Consider Ray armed and extremely dangerous. Report any information concerning him to the nearest FBI office.

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., has been added to the FBI's list of "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his earliest possible location.

Ray has been the subject of a massive and intensive search since the brutal gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel. One rifle bullet, believed fired from the window of a nearby rooming house, felled the victim.

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom wanted notices have been posted in the FBI's Identification Division, succeeded in determining that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery, based on a Federal warrant issued on July 20, 1967, at Jefferson City, Missouri. He had been confined at the Missouri State Penitentiary, Jefferson City, Missouri, in March, 1960, with a 20-year sentence following conviction for armed robbery and operating a motor vehicle without permission of the owner. In September, 1966, while serving the sentence, he was confined for a time in the maximum security ward at the State Hospital, Fulton, Missouri. He was reported missing from the Missouri State Penitentiary since April 23, 1967.

Ray, who has an arrest record dating back to 1949 and has been convicted of burglary, armed robbery and forging United States Postal Money Orders, has also been confined in the Los Angeles County Jail, the Joliet and Pontiac, Illinois, State Prisons and the United States Penitentiary, Leavenworth, Kansas.

He served in the Army between February, 1946, and December, 1948, received a three-month sentence at hard labor for being drunk and breaking arrest and was given a General Discharge due to ineptness and lack of adaptability for military service.
