For information those offices not receiving reairtel, it was pointed out therein that Subject JAMES EARL RAY, aka. was last known to be in the Atlanta, Georgia, area on 4/5/68. Intensive investigation by Atlanta to date has not established mode of transportation RAY may have used after 4/5/68. Receiving Offices were requested in reairtel to check cars recovered their division that were stolen from the State of Georgia subsequent to 4/4/68, and where the transporter of same was not identified or otherwise accounted for, investigation should be conducted to determine if RAY was person who may have stolen and transported same.

Investigation reflects Subject RAY can be placed in the Atlanta, Georgia, area 3/24/68.

In view of the above, all Continental Offices are requested to review car recoveries within their respective territories of cars stolen from the State of Georgia subsequent to 3/23/68, and where the transporter of same is not otherwise eliminated or accounted for, consider Subject RAY as suspect. Where there is any remote indication that Subject RAY may have been person transporting such a car, exhaustive and intensive investigation should thereafter be conducted.

RE CARS STOLEN FROM STATE OF GEORGIA

Re Atlanta airtel to the Bureau, 4/22/68.

In connection with the leads set forth in referenced airtel the following investigation was conducted by the San Antonio Division:

On 4/23/68 GEORGE HETZEL, NCIC Section, and DON OVERSTREET, Modus Operandi Section, Texas Department of Public Safety, Austin, Texas, advised that no central index is maintained by Department of Public Safety that will reflect stolen cars recovered in Texas that were reported stolen in the State of Georgia.

HETZEL stated that a normal check on a recovered automobile with an out-of-state license would be with the Motor Vehicle Division or State Police of the state of registration. That agency should have records of all stolen vehicles recovered that were registered by that agency.

SA 44-1242

On 4/23/68 BRYAN CLARK, National Auto Theft Bureau (NATB), Dallas, Texas, advised SA MANNING CLEMENS of the Dallas Office that a check of his records reflects that no cars have been recovered in Texas since 4-4-68 which were stolen at Georgia which were insured by the insurance companies supporting NATB.

The 26 files of the San Antonio Division in which San Antonio is origin and which have been opened since 4/4/68 were reviewed with negative results concerning cars recovered which were stolen in Georgia with the following exception:

In a case entitled "Pvt. E-2 JAMES ALLEN BOHNE; Pvt. E-2 WILLIAM HARRY BULLARD, III; Pvt. E-2 ROBERT BRUCE CLAUHSEN; SP/4 THOMAS EDWARD GIBBS; Pvt. E-2 DAVID EDWARD PRIME, ITSMV", San Antonio file 26-26817, Savannah file 26-24751, it was reported that subjects went AWOL from Fort Stewart, Georgia, 4/5/68, and used a 1964 black Ford pickup to travel to Texas where they were apprehended and released to military control. However, it is not believed necessary to conduct any further investigation in that particular case inasmuch as subjects reportedly went AWOL on 4/5/68 from Fort Stewart, Georgia, and therefore their true identifies known.

Atlanta and Savanna, if not already done, should consider checking with NCIC and Motor Vehicle Division or State Police in Georgia to obtain identities of cars stolen in Georgia and reportedly recovered elsewhere. Further, those offices who have not already done so should consider review of all 26 files opened in those offices since 4/4/68.

San Antonio is conducting no further investigation in this phase of this case, UAC.

Being forwarded under separate cover is a supply of newspaper mats and proofs for expeditious distribution to all cooperative daily and weekly newspapers in your territory. Additional publications such as shoppers' guides should not be overlooked in obtaining the greatest possible publicity regarding this fugitive.

In most cases, these mats and proofs may be distributed by mail but when circumstances warrant they may be personally delivered by Special Agents. A form letter over the signature of the Special Agent in Charge may be utilized in distributing this material by mail and this letter should point out that the FBI is requesting the aid of the Nation's press in bringing about the prompt apprehension of this badly sought fugitive.

Prompt distribution should be made and additional supplies, if needed, are available at the Bureau. The following number of mats and proofs are being forwarded to your office under separate cover: 400.

As an additional means of securing widespread publicity concerning Ray, offices covering the place of publication of magazines which have previously cooperated in publicizing FBI fugitives should request the assistance of such publications in carrying an article on captioned fugitive. The Bureau press release, copies of which are available in each office, along with a glossy photograph of this fugitive can be furnished.
