RE: LAUNDRY MARK "20R-3"

Enclosed for the FBI Laboratory are four samples of Thermo Seal tapes, two on pale yellow and two on goldish-yellow, obtained from the Deluxe Laundry, 1745 East 14th Street, Oakland, California.

On April 24, 1968, ANSELM GOUIG, Owner, Deluxe Laundry, made available the above samples, two from Thermo Seal Machine Model H5K2, Serial Number 30942, and two from Model H5K2, Serial Number 30948. The samples from Serial Number 30942 are "20P-3" rather than "20R-3" inasmuch as the letters for that roll from R through Z will not print. GOUIG stated he does not know how long ago this happened.

Deluxe Laundry uses the code "20R-3" which is a system suggested by the Thermo Seal Company at the time of installation of the machines. The "20" indicates the lot number, "R" indicates the week of the year, and "-3" indicates the package number. Under the system there are two weeks each year when R is used. The last "R" week was the week of January 15 - 20, 1968, at which time a goldish-yellow Thermo Seal tape was used. GOUIG indicated this firm uses 14 different colors of Thermo Seal tape.

"20R-3" was used around January 17 - 18, 1968. It was processed through a load of sheets and pillow slips which were subcontracted from PETE TAYLOR, a driver for Sparklizing Cleaners

and Laundry, 3217 Danville Highway, Alamo, California, Ticket Number 45333. The customer for this load was "BOTTO" with address "Estabueno" and the ticket was not dated.

The laundry usually indicates on the ticket which articles of the load are colored and from the ticket it would indicate the sheets and pillow slips were white in color.

On April 25, 1968, LEE TAYLOR advised AL BOTTO, 40 Estabueno, Orinda, California, has been a customer of his for over ten years. He stated that BOTTO is one of his best customers and that his laundry and cleaning bill is usually somewhere between \$125 and \$200 a month. BOTTO owns Art's Buffet Bar and Restaurant, 4023 Broadway, Oakland, California, is now semi-retired, and spends most of his time on his yacht and BOTTO's oldest son, DICK, operates the bar and restaurant. BOTTO has a younger son who is attending college and works nights as a bartender at the restaurant. Both sons are married and do not live with their parents.

On April 25, 1968, AL BOTTO was contacted at the Bridge Marina Yacht Harbor, Antioch, California, and advised that to his knowledge he is not missing any bed linens from either his home or his boat. He also stated that he has not had any burglaries in either his home or his yacht wherein any bed linens were taken.

He viewed photographs of JAMES EARL RAY, aka, and stated he does not recall ever having seen him.

Indices of the San Francisco Office indicate BOTTO is identical with ALBENO LOUIS BOTTO, born 1914 in California and has CII Number 2481361. He was arrested by the Oakland Police Department, their Number 166334, on January 17, 1964, for enticing a minor female for prostitution.

SUBJECT ARMED AND DANGEROUS.

RE: LAUNDRY MARKS

Enclosed are three samples of laundry marks from the Economy Cleaners, San Carlos, California, utilizing the number "20R-3" from three different machines.

The FBI Laboratory is requested to conduct examination as requested by the Bureau and/or Memphis.

On April 24, 1968, ANTHONY LAZETERA, Plant Foreman, Economy Cleaners, 1915 West San Carlos Street, advised that this establishment, the largest of its kind between San Francisco and Los Angeles, uses three Thermo Seal laundry marking machines. These machines bear Serial Numbers 32258, 32279, and 32667.

Mr. LAZETERA had samples of the laundry mark "20R-3" prepared from each of the machines, mentioned above, and furnished these samples to the interviewing Agents, SAs WILLIAM N. KIDWELL, JR., and MALCOLM E. SAMPLE.

Mr. LAZETERA stated he is unable to state at this time how many times during the month the laundry mark code, mentioned above, is used by this company.

In view of the fact that this laundry mark code is used many times during the month, San Francisco will not conduct investigation to determine the identity of the owners of the

Result of examination:

It was concluded that the questioned hand printing appearing on items attributed to Eric S. Galt was prepared by JAMES EARL RAY, K171 and K211.

Because of the presence of characteristics which cannot be explained on the basis of the known handwriting of JAMES EARL RAY, it cannot be definitely determined whether the "Harvey Lowmyer" signature on Q72 was prepared by this individual; however, significant handwriting similarities were noted.

Specimen K211 has been photographed and is temporarily retained.

Inquiry at Robinson Laundry and Cleaners, 2547 Forest Drive, Columbia, S. C., disclosed that they sold their thermo seal marking machine to the Newberry Laundry mentioned above and that Robinson had never used markings such as located in instant case.

CO 44-299

On 4/15/68 Miss NELL TAYLOR, Center Supply Company, 915 Lady Street, Columbia, S. C., advised that this concern has not sold thermo seal marking machines for about three years. He said that this type machine with serial number 32571 was sold to Deluxe Cleaners and Laundry, West Columbia, S. C., new, several years ago. Regarding thermo seal machine with serial number 32568 she said that this machine was burned and completely destroyed in their warehouse on 3/7/63 and is no longer in use. She said these are the only two thermo seal machines ever delivered to this company as the others sold by them were delivered directly to the purchaser.

For information of Memphis Office, an insert will be submitted concerning these machines, none of which appear to be pertinent to this investigation.
