MURKIN

Enclosed are the following documents which were made available to SAs NORMAN W. PHILCOX and WILBUR L. MARTINDALE in Lisbon, Portugal, on 6/8/68 by [REDACTED]

(1) Carbon copy of memorandum from [REDACTED] 5/17/68 showing a new passport had been issued to RAMON GEORGE SNEYD on 5/16/68.

(2) Application for [REDACTED] passport executed by RAMON GEORGE SNEYD showing Passport No. [REDACTED] was cancelled and Passport No. [REDACTED] was issued 5/16/68.

(3) Undated affidavit by RAMON GEORGE SNEYD to the effect that he had no guarantor available in Lisbon because he was only there on vacation.

The handwriting on the passport application and the affidavit should be compared with RAY's known handwriting, and upon completion the enclosures should be returned to Legat, Paris, for forwarding to the [REDACTED]

Also enclosed are the following documents furnished to SAs PHILCOX and MARTINDALE on 6/8/68 by Senor [REDACTED]

(1) Entry card executed by RAMON GEORGE SNEYA when he entered Portugal at Lisbon 5/8/68.

(2) Exit card executed by RAMON GEORGE SNEYD when he departed from Lisbon enroute to London 5/17/68.

(3) Registration card for RAYMON GEORGE SNEYA at Hotel Portugal, Lisbon, dated 5/8/68.

The above items should be compared with the known handwriting of RAY, after which they should be forwarded to Legat, Paris, for return to Senor PASSO.

[REDACTED] was interviewed by the above agents, and explained that SNEYD appeared at the [REDACTED] on 5/15/68 to complain that there was an error in his passport that had been issued at [REDACTED] on 4/24/68, and that his name was shown to be SNEYA. Arrangements were made to issue a replacement passport, which was given to the subject the following day and his old passport was cancelled and returned to him. In his conversation with SNEYD [REDACTED] said that he made no mention of his activities in Lisbon or of his prior travel or future plans. He was assisted in filling out the forms by [REDACTED]

[REDACTED] was vacationing at a distant point in Portugal and was telephonically interviewed by SA MARTINDALE. She stated that when she assisted SNEYD in executing his passport application he said he was staying in Lisbon only one or two days and debated whether to bother to change his passport because he "did not want to spend all of his time waiting around the Embassy." A new passport was issued the day after he first came in. It is noted that the passport photograph does not identify the photographer. Mrs. [REDACTED] stated she may have referred RAY to Photo Lusitana to have the photos taken but she could not definitely recall whether or not she had done so. RAY displayed a Canadian birth certificate in the name of RAMON GEORGE SNEYD. He needed a great deal of help in filling out the application, leading [REDACTED] to believe he did not have a good education. She cancelled the passport issued at Ottawa by stamping it "Cancelled" on each page and clipping one inch from each of the inside pages.

[REDACTED]
at the Lisbon Airport, advised the agents that he had checked RAMON GEORGE SNEYD out of Lisbon enroute to London on 5/17/68. He selected the photograph which RAY had used on the Ottawa passport as closely resembling SNEYD.

[REDACTED] advised that he had caused intensive but discreet inquiries to be made at the Hotel Portugal and had determined that SNEYD had checked out of the hotel shortly before his flight was to depart for London on 5/17/68. He lived quietly and inconspicuously in the hotel, had no known associates, had no known contacts with women, and gave every appearance of being an ordinary tourist.

[REDACTED] advised that airline records covering RAY's return to London from Lisbon are in an office which will not be open until 6/11/68, at which time he will review the records to determine the manner in which the ticket was purchased will interview the airline employee who handled the transaction, and will also interview the flight crew for any pertinent information.

[REDACTED] agreed to locate and interview the photographer in Lisbon used by RAY for any information of value, and also agreed to check all banks for records of any accounts or safe deposit boxes obtained by the subject. After RAY's apprehension [REDACTED] was asked, and agreed, to have more intensive and open investigation conducted at the Hotel Portugal and surrounding areas, as well as at bars and among prostitutes, to develop RAY's activities while in Lisbon.

The General Investigative Division advised this morning of a request from the Department for a portrait parle (photograph) comparison between certain pictures of the subject James Earl Ray. Specifically, the comparison requested was between a photograph of "Eric S. Galt" purportedly taken in early 1968 in connection with his attendance at a bartender school in California and prison photographs of James Earl Ray taken in 1960 and 1966. The requested comparisons have been made and we have determined definitely that the Eric S. Galt photograph is actually a photograph of the same person depicted in the James Earl Ray prison photographs. Results of this comparison have been telephonically furnished General Investigative Division.

Assistant Director Rosen advises he has furnished the results of the examination to Mr. Pollak in the Department and Mr. Pollak has requested the Laboratory's assistance in preparing an affidavit. A Mr. Maurice A. Roberts subsequently contacted me and requested assistance in the technical wording incident to the preparation of the affidavit. We are complying with this Department request and will execute the affidavit after it has been prepared and the wording has been determined to be technically accurate.

A comparison of the photographs of James Earl Ray with the photographs of Ramon George Sneyd (Qc366) discloses similarities in many significant general features including contours and shapes of ears, chin, nose and lips, the face lines, and the hairlines. Based on these similarities it has been concluded that in all probability these photographs depict the same individual. However, in the absence of specific characteristics such as identifying scars, marks, etc., a definite determination could not be made as the result of this comparison.

Specimens Qc364 through Qc367 have been retained.

The records of the Locksmithing Institute, Little Falls, N.J., were reviewed on 5/23-24/68. Approximately 2000 documents were examined. This consisted of enrollment and confidential information forms received from applicants since 4/5/68.

All documents from students listing addresses outside the continental U.S. were obtained. Documents bearing possible similarities with known handwriting and typewriting of subject were also obtained.

Request comparison of handwriting on registration cards in the name "Vincent Walker" (Q349) and "Lawrence Reed" (Q350) with signatures on fingerprint cards of LAWRENCE EARL WILLIAMS, FBI # [REDACTED], VINCENT JOSEPH WALKER, FBI [REDACTED], VINCENT JOHN WALKER, JR., FBI # [REDACTED] and HERBERT J. WALKER, FBI [REDACTED]

Result of examination:

Because the "Vincent Walker" name on Q349 is hand printed, the handwritten signatures of the individuals mentioned above cannot be satisfactorily compared with the "Walker" name on Q349.

Partly because of the distorted nature of the questioned signature on Q350 and partly because the known signatures in the name "Walker" are not comparable with the handwriting on Q350, it could not be determined whether this questioned item was prepared by any of the individuals whose names are set forth above.
