The president of the United States
Mr. L. B. Johnson
Washington, D.C.

THE WHITE HOUSE
APR 8 8 46 AM '68
RECEIVED

Mr. President

I have never written the president before, but I think its time for someone to now! I would like to call to your attention a very serious problem that is vexing our wonderful country, while we sit by idle and let it happen.

How can you speak of america being a "strong nation" and let a "dangerous" and "savage" man like "Martin Lucifer King" go around destroying cities and property, causing death and bloodshed every where he appears????????????????

Of course his tongue speaks great swelling words of vanity while his heart is full of lies. Yet you can't come up with a law that can stop such a "violent" creature? What is wrong with this great so called "strong" nation of ours. Could it be now that "black" holds -

What has this man done to cast such a "spell" and covering over the eyes of the officials who govern our country? When all his followers including "Adam Satan Powell" has boasted openly of "Black power" and their intentions to overcome the Government from within. This is the way the Communists will win. Can't the Leader of our country see through this?

Consider, Mr President, the Damage done in Memphis alone, not to mention Detroit and other like places this "evil" man has visited. What has one visit from him (King) cost the City of Memphis? The State of Tennessee as well as the Federal Government? Of which we the innocent public will have to pay for.

Why shouldn't he and his followers pay for all this damage. Since it is evident he caused it all?

Is it not evident to our leaders yet
that this man is evidently "stirring"
the black race up in his so called
"non violent" march speeches?

Who was the Dummy who gave
him the nobel peace prize?
For what peace?? When and where
did he bring "peace"?

Death and destruction follows every
where he marches, yet he never stops
around long enough to get in on
the bloodshed.

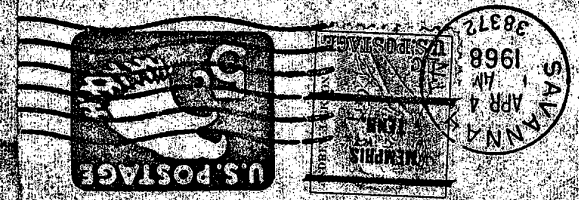

Someone will kill this man soon
when everyone gets enough and I
say the sooner the better!

You can't even win the "war" at home
much less abroad. Please Mr President
do something about this "peace breaker"
I beg of you before its too late to
save our country. Innocent people
are suffering because of this "wolf
in sheep's clothing"; God Bless you.

To the President of
the United States
Mr. & Mrs. Johnson
Washington D.C.
