Gentlemen:

I believe it to be of interest to you to know of a plan afoot to take Ray from the authorities upon his arrival in the U.S. The people involved have expressed themselves as being undaunted if he is surrounded by 100 Federal Marshals or F.B.I. personnel. They anticipate a large protective force but will not be stopped and expect to lose several in the attempt but there will be martyrs. They have anticipated his surprise return and have placed watchers at every conceivable airport including his force landing areas.

Because of possible reprisals I must abstain from signing this note to you. I am deeply concerned and hope that no one is hurt.

Dear Rev.:

This may be the most important, as well as painful, letter you have ever received. It is based on your Easter Sunday service. It was the most deranged, damaging, most destructible and depraved sermon that a person could deliver. You were very successful in stirring up the people by appeals to emotion, prejudice and hatred in order to become a leader of evil and achieve selfish ends.

And now it is our task to UNLEARN you of your mental habits that are keeping you a psychological slave, unlearn the mental habit that makes you depend on other people to ration out little pieces of love, respect, enjoyment and success.

BEWARE OF HUMAN PARASITES! There are two types of people in the world: the Giver, and the Taker. For every Giver, there are a dozen Takers. They are constantly trying to latch on to you--- to make you carry them on their back-- to force you to give meaning, and value, and direction to their lives- The Negroes. The Takers have a hundred different disguises-- a hundred different "hidden strategics" to force you to become their constant servant. Your first task, therefore, if you want to achieve your own goals and not their, is to UNMASK them,-- to expose the hidden selfishness behind their so-called "noble motives"-- and to throw them off your back, and onto their own feet, for good.

THE INJUSTICE - COLLECTOR: controls you by continually giving you guilt. Manufactures incidents in which you are trapped into hurting your own White People's feeling. You did it last Sunday when you accused the White Man of being the only guilty one. This is where we challenged you. It was the most damnable and outrageous words that ever was uttered by a white person-- drunk or sober. You were counteroffensive to your own race. You are equally as evil as Dr. Martin Luther King was. He was an impostor, if ever there was one, going about inciting trouble where-ever he could, he was the cause of rioting, burning, looting and killing. Is this the goal that you are seeking? Do you wish to have your family beaten and raped? You are asking for and inciting these evils, the very same things that Dr. King did to incite trouble - the people's prayers were answered when God directed the bullet that put a stop to his wicked ways. It could be called suicide or suigenris. Are you asking for the same kind of ending? If you are, good luck and good riddance.

Sincerely,

Eric S. Galt

Dear Editor,

By the time that you get this letter I wont be in Los Angeles no longer. I am going to leave this city and go somewhere where no body is ever going to find me. There is no use for you to go to all the trouble of finding where I sent this or anything because since I killed the nigger leader and came out here I have not talked to any one and no body knows that I was ever here.

While I was in Los Angeles I went to see the movie In Cold Blood and I got all shook up and felt real bad because of the terrible crime that was done in Kanes a few years ago. I got real sick for myself too because I realized what I had done and that is why I am writting to you right now. I want you to put this in the papers or give it to the FBI because I want you to know how misserable I am . Did you know that the day after I killed King that I was so sick about what I had done that I actually threw up all over a hotel room? I am so sorry that I did it now and with my pictures all over the place I am sure that someday I still might get caught. I am afraid to look at anyone in the face anymore because I am afraid that they know who I am and they will tell the police. I will kill myself before I will get caught for I will never again spend many time in no damn prison. But the reason that I am writting you this letter now, is because that I have to let someone know how x I really feel about what I did.

First of all I want to tell you that the only reason I did it was for money. If you really want to know I was hired to do it for \$5,000 dollars which seemed like a hell of a lot of money. I always hated Martin King like a lot of people do but it was because he was a rebel rouser and because he tried to make a bunch of inferior people (the negroes) as good as every other american white person and even college professors have said that that is not true. Anyways I only did it for the money. I hate alot of people in the world like Cathy Norton who said I was clumsey in the newspapers, and some of the other son of a bitches who now want to put there two damn cents in every magazine saying what a rotten guy I am. But when they say it I promise myself that I will kill them to for saying those things about me. Why they didn't even know me, how can they say those things about me? The same goes for Harold Swensen. He never took the time of day to give a damn about me. But now they all think they are big shots in the papers and magazines. They all make me sick. They are all a bunch ofphonies and if I ever get caught I can tell a few stories about some of those guys at the Missouri Penitentary that would really shake some peple up, just like I could tell you some things about the whites and niggers in those civil rights marches that you wouldn't believe. The whole thing is phoney. But I'm still sorry for what I have done for I once said to myself when I planned the job in Alton for which I got about two thousand dollars that I would never ever kill anybody. And now I killed a guy, and even though I hatted him with all my heart and for what he stood for I' would never do it again for even a million dollars. I am really sorry forwhat I have done. Somehow I hope it will be straightened around and I can pay some body back for what I did.

I just got all the rest of my \$7,000 dollars today and am leaving the place where I am at. But I am 100% positive that nobody could ever find me or recognize me in a million years. So if I have to leave something to my country and If you and everybody else in the world want to know my only thoughts about this whole thing all I can say is I am now sorry. I am really sorry that I did it at all. I could never kill again.

I am mailing the Police drawing of suspected killer of Dr.K.
which appeared on page 2 in yesterday's Daily News, as a white
man, who actually is a negro, but brown one, made white with cream
etc. - however, I made it with a crayon darker so they may find
him in Atlanta in the King's family.

You must understand that I cannot reveal my real name and
address, although I actually do live in Harlem. Please do not
hesitate to use my information, because it is God's truth.

I am mailing 7 of these letters to various places - why 7?
Because yesterday was Good Thursday, the last Supper of Jesus
Christ, as a reminder of HIS seven words on the Cross:

"Into Your Hands I commend my soul!"

May your Easter be blessed!

Sincerely,

Coon Amen, 23 years old.

An exact copy of my letter
to 7 various officers as of yesterday,
Good Thursday, 11-th of April, 1968.

Coon Amen,
Harlem, New York.

Good Friday, 12-th of
April, 1968.

TO WHOM IT MAY CONCERN:

Please pass on to all the authorities wherever possible - to
discontinue the search of a white man, as the killer of Martin
Lucifer King, because the smart killer is right now in his own
family. He is one of his own Civil Rights Urinators and a negro,
not a white. I was among them myself in 1965, there were many
young nuts, such as was I, and also many whites. However, God
opened my eyes in Alabama when I witnessed the behavior of our
marchers under King's leadership. He was a devil's minister, tak-
ing all the money he could from the jews, and doing his work un-
der their leadership and demand. Those were communist jews.

While marching in Alabama in 1965 - it was in spring - we were
instructed by King's advisers-red-rat-jews to do the following:

A group of our negroes forced their way into a nice restaurant;
on a given signal, all the negroes grabbed the sugar bawls off
the tables, stood up and urinated into them, amid laughter, re-
placed the bals on the tables - MLK laughed approvingly.

This is the reason why I, and many others, turned against him,
and it was God's will that he was shot by one of his own discip-
les, a negro, not a white. Please stop all your sham broadcastings

and grateful homage for that killed Martin Lucifer King - he was
against our best President LBJ - for the nut hippie Bobby Kennedy,
who hates the President because he was not appointed as Vice Pres.
when his brother JFK was murdered the same way as was MLK. Senate
should prohibit all marches at least for the duration of this war,
and specially in our Capital. Now the white people are to be more
against us for the crazy revolts, murders and damages. Amen!

Our hope is still in LBJ - God let him be again our President.
The second best is HHH, but Hippie Bobby and his conspirators are
politically just as good as dead. God save USA with LBJ all the way.

C. Amen.
