Enclosed for the Bureau is one copy of the results of the interview of CORDRA YORK, SR., York Arms Company, Memphis, Tennessee, relative to the acquisition by his company of 7x35 Banner binoculars. Also enclosed is one Xerox copy of the last received invoice concerning 7x35 binoculars with snap-top cases such as was purchased by JAMES EARL RAY.

For the information of the Bureau, CORDRA YORK advised that on 6/10/68 he was summoned to the State Attorney General's Office, Memphis, Tennessee, where he executed an affidavit relative to the sale of the binoculars identified with this case. In addition, he was reinterviewed by a representative of the Memphis Police Department. Mr. YORK stated that he was told by both representatives of local law enforcement agencies that these interviews were for the purpose of extradition of JAMES EARL RAY to the United States.

Date 6/11/68

Mr. CORDRA YORK, SR., is the owner of York Arms Company, 162 South Main Street, Memphis, Tennessee.

Through a review of his records, he was able to locate invoice # D33065 dated October 31, 1967, wherein York Arms Company received from D. P. Bushnell and Company, Inc., Pasadena, California, a shipment of 7x35 Banner binoculars. Mr. YORK advised that he ordered on October 20, 1967, six pairs of these binoculars to be placed in snap-top cases. These were shipped on October 30, 1967, according to the invoice, and the billing date of the invoice was listed as October 31, 1967.

Mr. YORK further stated that he received other 7x35 Banner binoculars in January 1968 and in April 1968, but these particular types received at a later date were wide angle binoculars and came in a zipper type case and also retailed for a higher price. The 7x35 Banner binoculars in the snap-top case retailed for \$39.95.

He further stated that if the salesman, Mr. RALPH CARPENTER, had to go to the window showcase to remove this pair of binoculars, they were in all probability the last pair in stock. He further advised that they reorder periodically from D. P. Bushnell and Company, Inc., as their supply diminishes but there is no record kept by them, nor is any record received from Bushnell, identifying the binoculars by serial number.

Through a review of his records, he could locate no subsequent invoice to reflect a purchase of 7x35 Banner binoculars in snap-top cases since the invoice dated October 31, 1967, mentioned above.

Through a review of his stock on hand, he was able to locate, however, one pair of the 7x35 binoculars which would retail at \$39.95 and contained in a zipper type case. He has no knowledge of when this particular pair of binoculars was received and can only state it is the only pair in the store.

ENCLOSURE

2

Mr. CORDRA YORK, SR. advised that the binoculars he had on hand which retail for \$39.95 are identical with the binoculars which had been sold by his salesman, RALPH CARPENTER. YORK said the fact that these binoculars were in a zipper type case might be due to the fact that many of his customers prefer binoculars in a snap top case rather than a zipper case. He said the possibility existed that an exchange of binocular cases had been made in his store to satisfy a customer and it was for this reason the one set of binoculars he had on hand was in a zipper type case.

Doctor JERRY T. FRANCISCO, Medical Examiner, University of Tennessee, Memphis, Tennessee, advised that an autopsy was performed on Doctor MARTIN LUTHER KING, JR., on the night of April 4, 1968, however, the official autopsy report will not be available until April 16, 1968. Doctor FRANCISCO furnished the following information concerning his autopsy findings:

The missile entered the right jaw of Dr. KING, sixty-one inches superior to the right heel. This is a point fifty-nine inches superior to the right heel with the head positioned to correspond with the path of the missile. The missile severed the spinal cord and came to rest beneath the skin fifty-five and one-half inches superior to the left heel and three inches to the left of the mid-line of the back. The thickness from the point of entry, to the final resting point of the missile was eight and one-half inches.

Dr. FRANCISCO summarized the above statement by commenting that the bullet entered the right jaw of Dr. KING and traveled eight and one-half inches through the flesh coming to rest at a point just beneath the skin three inches to the left of Dr. KING's backbone. Dr. FRANCISCO stated that he signed the death certificate indicating the official cause of death to be gunshot wound to thoracic cord. The death certificate will be available from Department of Health on April 16, 1968.

Mrs. HENRIETTA HAGEMASTER, Desk Clerk, Rebel Motor Hotel, 3466 Lamar Avenue, advised that she was on duty on April 3, 1968, from 3:00 PM to 10:00 PM that day. She said she could not remember registering ERIC S. GALT in Room 34 on April 3, but upon reviewing GALT's registration card, said that she did register him in Room 34 at 7:15 PM on April 3. She added she is sure of the time because as she registers a guest in the hotel she looks back at the clock which is on the wall behind her and writes the time on his registration card. This is done routinely because it is a hotel policy to allow the guests 15 minutes from the time they register to decide if they still want the hotel room. If within this time they decide that do not want the hotel room their money is refunded. She stated she wrote the arrival time as 7:15 PM on GALT's registration card.

She said that she could not remember anything concerning GALT. She could not describe him or remember what kind of car he was driving.

Mrs. HAGEMASTER was shown an artist's conception drawing drawn in Birmingham, Alabama, and said that the individual in the drawing was not in any way familiar to her.

Miss ANNA CHRISTINE KELLY, Manager, Rebel Motor Hotel, 3466 Lamar Avenue, advised that her records reflect the following:

At 7:15 on April 3, 1968, ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, registered in room 34 and departed on April 4. He stated on his registration card that he was driving a Mustang bearing Alabama license 1388993.

Miss KELLY stated that the individual would have had to have left the hotel by checkout time, which was 1:00 PM, or his registration card would have reflected he was charged for two days lodging instead of one day.

She further advised that her records reflect the following:

On April 3, 1968, ANDY GAST, Route 6, Fremont, Ohio, registered in Room 35 and departed on April 4. WILLIAM HESTER, 109 Forest Avenue, Troy, Alabama, registered in Room 35 on April 4. Leonard E. Miss KELLY further advised that room numbers 33 and 35 are adjacent to Room 34, and that the only occupant of room 34 since ERIC S. GALT checked out was L. N. PAGE.

Miss KELLY stated that she could not remember ERIC S. GALT, and in fact the only occupants of the hotel which she ever became familiar with were the people who were steady customers of the hotel. She stated that SARA LOVINGS would have cleaned the room immediately after GALT checked out of the hotel.

Mr. CHAUNCEY ESKRIDGE, 123 West Madison Street, Chicago, Illinois, was interviewed at the Memphis Police Headquarters at 12:05 a.m., April 5, 1968. Mr. ESKRIDGE was advised of the interviewing Agent's identity and of the nature of the matter under investigation.

Mr. ESKRIDGE, who identified himself as General Counsel for the Southern Christian Leadership Conference, advised that he arrived in Memphis, Tennessee, at approximately 11:30 a.m. on April 4, 1968. He stated he had been with Dr. MARTIN LUTHER KING, JR. during a portion of the day on April 4, 1968, and at about 5:45 p.m. was standing in the parking area of the Lorraine Motel when Dr. KING walked out of his motel room onto the second floor balcony of the motel and leaned over and began to discuss his dinner engagement with other persons who were standing below the balcony.

Mr. ESKRIDGE stated he was standing with his back to Mulberry Street and was facing Dr. KING when he heard to his right rear a sound like a firecracker. He looked to his rear momentarily to see if someone were behind him and when he looked toward Dr. KING again he saw him lying on his back on the balcony. Mr. ESKRIDGE said he heard only one shot fired and he recalled that Dr. KING was standing in front of his motel room at the time he was struck. He stated he believed the shot came from the area of the houses overlooking Mulberry Street or from the high grass in the yards which were behind the houses overlooking Mulberry Street.

Mr. ESKRIDGE stated he had been standing in the parking area of the Lorraine Motel for approximately 5 to 10 minutes prior to the shot and he had not observed anyone in the area who he believes might have fired the shot. He said he did not know of anyone who wished to harm Dr. KING and he stated he had no other information which he felt might assist in identifying Dr. KING's killer.

MARRELL MC CULLOUGH, residing 270 Gaston, Apartment 6, Memphis, Tennessee, telephone 947-4265, who is employed as a warehouseman by the Summerall Electric Company, 345 S. Parkway, Memphis, telephone WH8-4455, advised as follows:

MC CULLOUGH is a native of the state of Mississippi and has lived in Memphis, Tennessee, since approximately February 1967. He had been present at the Lorraine Hotel and Motel, 406 S. Mulberry Street, Memphis, from approximately 5:55 p.m. until approximately 8:00 p.m. on Thursday, April 4, 1968, and was present when Dr. MARTIN LUTHER KING JR., President of the Southern Christian Leadership Conference (SCLC), was shot.

He explained his presence as follows:

MC CULLOUGH, who is a Negro, had been a sympathetic supporter of the Memphis sanitation workers who had been on strike in Memphis beginning February 12, 1968.

Beginning around the early part of March 1968, MC-CULLOUGH, in his spare time, has engaged in various strike support activities sponsored by a group of Memphis Negro ministers who have adopted the name Community on the Move for Equality (COME). He has worked with this group and other supporters in the Memphis community engaging in sympathy marches and other strike support activity which is primarily centered in the headquarters of the Minimum Salary Division of the AME Church, 276 Hernando, Memphis, and at the Clayborn Temple AME Church at 280 Hernando.

Around March 18, 1968, the SCLC sent various of its staff to Memphis to assist the COME group in strike support activity, and in fact, Dr. MARTIN LUTHER KING JR. made a public speech in behalf of the sanitation workers at Mason Temple on the night of March 18, 1968. Dr. KING returned to Memphis on the morning of March 28, 1968, to lead a mass downtown Memphis strike support march, and after a major disturbance occurred in the Beale Street area of Memphis resulting in considerable

property damage by some of the marchers, the SCLC staff left various of its members in Memphis to further organize the strike support activity. Shortly after March 28, 1968, Mr. MC CULLOUGH became acquainted with two members of Dr. KING's staff; namely, Rev. JAMES ORANGE, of Philadelphia, Pennsylvania, and Rev. JAMES BEVEL, of Birmingham, Alabama, and Chicago, Illinois, and he has worked with them on various projects since that time.

On the afternoon of April 4, 1968, MC CULLOUGH, who has a blue 1967 Volkswagen, 1600 series, fastback, drove to the Lorraine Motel accompanied in his car by Rev. JAMES ORANGE and Rev. JAMES BEVEL, and he fixed their arrival at the motel in the car at about 5:55 p.m. He parked his Volkswagen in the motel parking lot which would be on the east side of Mulberry and just south of the old hotel portion of the Lorraine Hotel and Motel. His car had been followed by a white Pontiac Tempest, exact model number not recalled, driven by CLARA ESTER, a student at LeMoyne College and who he understands resides at 396 LaCleda, Memphis, and another young lady, MARY HUNT, who lives on Baltimore Street in the Orange Mound area of Memphis and who he believes attends Memphis State University. These young ladies had also been working in some of the strike support activity sponsored by COME, and they had been with BEVEL, ORANGE and MC CULLOUGH at the Clayborn Temple prior to coming to the Lorraine Motel.

They parked their car behind the Volkswagen, and at that point, BEVEL, ORANGE and MC CULLOUGH and HUNT and ESTER got out of their cars and stood around the parking lot area. MC CULLOUGH recalled seeing numerous other people on the north end of the parking lot area which is directly in front of the new motel portion of the Lorraine and recalled seeing a Negro singing group managed by JAMES BEVEL known as the "Bread Basket Group." He did not know any of their specific identities.

MC CULLOUGH was first aware of the presence in the vicinity of Dr. MARTIN LUTHER KING JR. when he got out of his car and observed Dr. KING standing on the second floor balcony of the motel almost directly in front of Room 306, which had been Dr. KING's room during his recent visit to Memphis. Dr. KING was leaning over the rail which runs in front of an outside walkway running the length of the second floor motel portion, and MC CULLOUGH noticed no one else on the balcony with him at the time.

At this point, which would probably have been close to 6:00 p.m., either shortly before or shortly thereafter, Mr. MC CULLOUGH walked back toward the car driven by CLARA ESTER and Rev. BEVEL and Rev. ORANGE walked north on the parking lot toward the group of people who were standing there.

Suddenly, MC CULLOUGH heard an explosive sound and recalled that he was standing and facing north when he first heard it. He was standing south of the position occupied by Dr. KING and noted that the rail on which Dr. KING had been leaning runs north and south, and that KING would have been facing Mulberry Street, or to the west with his back facing the doorway of the motel and to the east. MC CULLOUGH was unable to adequately describe the sound other than it was rather loud and had a seeming echo to it. He has served in the U. S. Army and would offer an opinion based on his Army experience and limited knowledge of firearms that the noise which he heard was a gunshot sound.

Immediately thereafter, someone in the crowd, identity not recalled, by MC CULLOUGH stated in essence, "Dr. KING has been shot." MC CULLOUGH pointed out that he had been facing north when he first the sound, and upon hearing the person say something to the effect that Dr. KING had been shot, he looked easterly and upward toward the rail where Dr. KING had been standing and observed Dr. KING falling backward in a southeasterly direction. It appeared as though Dr. KING may have been grasping with one of his hands for his throat area, although MC CULLOUGH could not be positive as to the physical movement, if any, of Dr. KING's hands. Almost immediately, MC CULLOUGH turned his head in a westerly direction looking across Mulberry Street, which runs north and south, and saw no one either on the ground or in any of the buildings which face east toward the Lorraine Hotel and Motel. He saw no one in the area in the vicinity of the motel with a gun or a weapon of any sort.

He saw no one running from the area in any direction.

A few seconds later, he recalled seeing a group of what he felt were Memphis Fire Department employees running from the rear entrance of the fire station which faces Main Street and whose rear entrance faces Mulberry Street and which is located just south of the motel, noting that these firemen seemed to be running toward the vicinity of the motel.

When MC CULLOUGH looked upward again at the point where Dr. KING had fallen, he was first conscious of seeing Rev. JESSE JACKSON, an SCLC staff member from Chicago, looking out a doorway of a motel room just south of the room previously occupied by Dr. KING. JACKSON would have been looking in a westerly or actually a northwestern direction, because he was looking toward KING's prone body.

Almost instinctively, MC CULLOUGH ran up the outdoor iron and cement stairway which leads to the balcony from the ground level and which is located about two or three motel doors south of where KING's body rested. He turned north on the balcony upon reaching the second floor level, running toward Dr. KING's body, and noticed that Dr. KING was lying prone in a crosswise position with his head pointing in a southeasterly direction and his feet pointing in a northwesterly direction, his feet being located adjacent to the protective railing.

Mr. MC CULLOUGH was the first person to reach the body of Dr. KING, and he knelt down to Dr. KING's prone body. Almost simultaneously, one of the Negroes at the motel, identity not recalled, handed MC CULLOUGH a towel which MC CULLOUGH used to apply pressure to the wounded area of Dr. KING's body, which he recalled was on the right side of his face in the immediate area of his cheekbone and running down into his upper neck area. The wound was recalled by him to be a large wound, not unlike a tear. The flesh on Dr. KING's face on the right side thereof appeared to be torn backward toward the rear of his head area, and the wound appeared to start around the middle of his cheekbone and continue downward into his upper neck area. He also recalled seeing splotches of blood, possibly pinhead in size, in the immediate vicinity of the large wounded area, and his first impression was that these may have been minute pellet wounds, although he now feels that they were probably mere blood splotches or spots.

MC CULLOUGH attempted to apply pressure to the wound in an effort to stop the bleeding, as the bleeding was quite profuse at this time, and as he knelt down and observed Dr. KING's body in its prone position with his back facing the concrete floor and the front side of his body facing upward, the wound would have had to have been caused by a bullet or projectile coming toward Dr. KING from a northwesterly direction since it entered the right side of his face and since KING

was last recalled being seen by him looking directly west as he stood against the hand rail. It was his definite impression at the time, and he still holds to this impression, that the shot would have come from one of the buildings to the northwest. There is a series of old buildings located just west of the motel whose fronts would face on S. Main Street, which is the next north-south street west of Mulberry.

From the second story position of Dr. KING when he was shot, coupled with the position of the wound beginning around his cheekbone area and dropping down toward his neck area, he believes the shot in all probability would have come from one of these buildings at an elevated level rather than from the ground area surrounding the buildings.

MC CULLOUGH also recalled that as he applied the pressure around Dr. KING's cheekbone and upper neck area with the towel, he was aware of an unusual odor which was similar to the odor which one smells when a firecracker is exploded.

Shortly thereafter, he was conscious of the fact that CLARA ESTER and MARY HUNT had come up onto the balcony and were standing near him. By this time, there was no doubt in MC CULLOUGH's mind that Dr. KING was dead. There was no movement in his body, and his eyes were immobile and he believes they were open, although he could not be certain of this. He estimated he applied the pressure for one to two minutes, and by this time, a number of Negroes had gathered around the body, and he recalled seeing Rev. RALPH B. ABERNATHY, Dr. KING's chief aide. ABERNATHY knelt down and began applying pressure with the towel which had originally been held by MC CULLOUGH.

At this point, Rev. ABERNATHY relieved MC CULLOUGH, as MC CULLOUGH noted that CLARA ESTER and MARY HUNT were crying and appeared to be shaken considerably at the sight of Dr. KING's body. He was afraid they would become hysterical and he thereafter walked with them away from the area. They walked down the outside motel stairs to the south of Dr. KING's body onto the parking lot area and stood around.

ME 44-1987

6

By this time, it would probably have been a few minutes after 6:00 p.m., and he observed a large number of members of the Memphis Police Department and possibly the Shelby County Sheriff's Office in the immediate area. One of the officers, identity not recalled, asked all of the people in the immediate area to remain and not leave.

He estimated that he stood around the parking lot area in the immediate hotel and motel area until close to 8:00 p.m. and when no one had asked him specifically not to leave he left and returned to the Clayborn Temple.

He had been to the motel on Wednesday, April 3, 1968, with some of the SCLC people and representatives of the COME group, and at no time while around the Lorraine Motel did he recall seeing any individuals he could consider to be suspicious or who may have given the impression they were observing the area other than the fact that he had from time to time seen law enforcement officers in the area. He was unable to pinpoint the exact times when he had seen this.

MC CULLOUGH concluded that he knew of no suspects and had not recalled having heard any of his associates mention any suspects or any suspicious persons who may have been frequenting the area of the motel during the day or two prior to Dr. KING's death.

Mr. SOLOMON JONES, JR., 374 Vance Avenue, Memphis, who is employed as a funeral director for R. S. Lewis and Sons at the same address was interviewed at the Lorraine Motel, 406 Mulberry, Memphis.

Mr. JONES advised that he had been serving as chauffeur for Dr. MARTIN LUTHER KING, JR., on Dr. KING's last trip to Memphis. He believed that he had started driving for Dr. KING on April 1, 1968. He stated that Reverend JAMES LAWSON of Memphis had requested him to drive Dr. KING while he was in Memphis.

On Wednesday night, April 3, 1968, Dr. KING spoke at the Mason Temple in Memphis and after the speech returned to the Lorraine Motel, 406 Mulberry, Memphis. Dr. KING told him to report back to the Lorraine Motel on Thursday morning, April 4, 1968, at 8:30 a.m., as Dr. KING was due to go to court in Memphis in regard to a restraining order.

Mr. JONES stated that on Thursday morning, April 4, 1968, he returned to the Lorraine Motel at about 8:30 a.m., which motel is located at 406 Mulberry. He stated this motel is located on the east side of Mulberry Street and is bordered on the north by Huling Avenue and on the south by East Butler.

He advised that he parked the car, which was used to drive Dr. KING and which car was a 1967 Cadillac and belonged to the R. S. Lewis and Sons Funeral Home, in the parking area of the Lorraine Motel. He parked this car in front of Room 207 which is on the ground level of the Lorraine Motel. The car was headed into the motel area which would have been in an easterly direction.

A short time after he arrived Reverend ANDREW YOUNG, an associate of Dr. KING, contacted JONES and stated that Dr. KING was not going to go to court on the morning of April 4, 1968, and YOUNG was going to go to court. Reverend YOUNG informed JONES that he was to remain at the motel as Dr. KING was to later that day address the sanitation workers.

JONES advised that he remained at the Lorraine Motel and ate his lunch at the motel. At about 3:00 p.m., April 4, 1968, Reverend BILLY KIZER (phonetic), a minister in Memphis, informed JONES that Dr. KING and other members of his staff were going to have dinner at Reverend KIZER's home at about 5:00 p.m., April 4, 1968.

Mr. JONES stated that Dr. KING did not leave the motel area the entire day of April 4, 1968, and JONES stated that he stayed in this area the entire day.

He advised that Dr. KING and his group did not leave the motel at 5:00 p.m., as had been originally mentioned to him by Reverend KIZER. At approximately 6:00 p.m., April 4, 1968, JONES noticed Dr. KING come out of ~~his~~ room on the balcony level of the Lorraine Motel which room was north of Room 306 where Dr. KING was residing. Dr. KING proceeded to Room 306 and as he was about to enter the room Dr. KING told JONES to start the car as they were preparing to go to dinner. JONES stated he started the car and Dr. KING went into Room 306 where he was staying with Reverend ABERNATHY.

Dr. KING came out of Room 306 a short time later and was standing on the balcony area in front of Room 306. At this time Dr. KING was fully dressed. Dr. KING was looking from the balcony level down to JONES who was standing beside the car on the ground level. JONES advised the car was still parked in front of Room 207. Dr. KING was talking to JONES about the weather and JONES stated he told Dr. KING he should put on a topcoat as it was cool outside. He stated that he was looking up at Dr. KING during this conversation and Dr. KING was facing west and that he, JONES, was facing east. Dr. KING acknowledged JONES concerning obtaining his topcoat.

JONES stated while he was still looking at Dr. KING he heard a sound which he thought was a fire cracker. Dr. KING fell to the floor of the walkway in front of Room 306. At this point JONES could see blood coming from Dr. KING, and realized the sound was actually a shot rather than a fire cracker.

ME 44-1987

3

JONES stated that he started screaming and calling for help and repeatedly called several times "Dr. KING's been shot."

He advised that at the time of the shooting that JESSE JACKSON, a staff member of Dr. KING, was standing at Room 305. He also recalled that Dr. KING's lawyer by the name of ESKRIDGE of Chicago, Illinois, was standing near JONES on the ground level.

After seeing Dr. KING bleeding and realizing that he was shot, JONES stated that he and ESKRIDGE did not run to the side of Dr. KING as others were coming to Dr. KING's aid. However, he and ESKRIDGE turned west since that was the direction in which the shot had originated, and went toward Mulberry Street which street is located on the front portion of the motel. They ran about 50 feet and stopped opposite of the office of the motel. JONES stated he and the lawyer both then looked around and saw nothing. JONES stated he ran about another ten feet west and stopped at the edge of the sidewalk in front of the motel and stood beside a brick wall. He stated ESKRIDGE also ran up to same area opposite him. He advised when he reached this point he looked opposite the point where he was standing which was also the driveway area. He looked opposite the driveway area toward the west side of Mulberry Street. This area has a large retaining wall. Immediately above the retaining wall is a grassy area with some small shrubs and bushes. This area is behind some buildings facing South Main Street. He got a quick glimpse of a person with his back toward Mulberry Street.

He estimated the person he glimpsed would have been approximately 60 feet from where he was standing. He pointed out it was dusk dark and he merely got a quick glimpse of someone in that area. He stated that it was the back of this individual and he could not tell whether the person was Negro or white. This person was moving rather fast and he recalls that he believed he was wearing some sort of light colored jacket with some sort of a hood or parka. He stated this person appeared to him to be about 5'11" or a little taller. He did not see him carrying anything in his hand and did not notice anything concerning his dress below his waist.

ME 44-1987

4

He said he could not tell anything further about this individual and it could have been an officer, but he could not furnish any further details concerning this individual.

He related that he did not look to his left or south of Mulberry Street. After taking a quick glimpse he immediately ran back to the motel area where Dr. KING was located. He ran up the middle stairway of the motel which stairway was opposite Room 308. As he was running up the stairway he noticed a red ambulance had arrived and he believed this ambulance was a Memphis Fire Department ambulance.

At this point he stated he was in such a state of shock that someone put him in Room 308 and he had to lie down for a moment. While they were placing Dr. KING into the ambulance, LEE BERNARD, an aide of Dr. KING, came into Room 308 and told him to calm down and for him to drive the car and follow Dr. KING's ambulance. JONES stated he drove the car which had been used for Dr. KING and followed the ambulance to the hospital. In the car with him was Reverend ANDREW YOUNG and LEE BERNARD.

WALTER LANE BAILEY, owner, Lorraine Motel and Hotel, 406 Mulberry Street, Memphis, Tennessee, furnished the following information:

He has owned the Lorraine Motel and Hotel since 1945 and Dr. MARTIN LUTHER KING had stayed there on approximately twelve occasions since 1958. To the best of his knowledge, Dr. KING had never received any threats on his life while staying at the hotel. To his knowledge, no one had been acting in a suspicious manner, such as asking questions about Dr. KING's whereabouts, nor did he heard of anyone walking or driving up Mulberry looking as if he were "casing" or "sizing up" the location during any of Dr. KING's visits.

He stated he did not know Dr. KING very well but believed he was acting very strangely on April 4, 1968. He advised Dr. KING normally was very businesslike in manner and never "joked around" but on that date at the motel he was very jovial and was "teasing and cutting up". He believed this type of behavior was out of character with Dr. KING's past activities and thought it strange but could attach no meaning or significance to it.

Mr. BAILEY said he heard what he thought was a shot at approximately 6:00 p.m., on April 4, 1968, while he was in the northern lower section of his hotel. He could feel the entire hotel shake when the shot went off. He ran outside and looked up and saw Dr. KING lying on the balcony in front of his room, which was #306. He said confusion was all around the hotel and he could not recall any details after looking up at Dr. KING.

He said he had absolutely no information or thoughts on the assassination of Dr. KING but would notify the FBI should he acquire any information of value.

Date 4/10/68

Mr. CHARLIE QUITMAN STEPHENS, Room 6-B, second floor, 422½ S. Main Street, furnished the following information to Lieutenant J. D. HAMBY, Homicide Bureau, Memphis Police Department, and SA FRANKLIN L. JOHNSON:

Mr. STEPHENS, who stated he is 46 years of age, and his wife occupy 2 rooms in the north wing of a rooming house, the address of which is 422½ S. Main Street. This rooming house actually covers the second floor of 2 separate buildings, Mr. STEPHENS' room being located in the north building in the southeast corner of the north building.

Sometime in the late afternoon of April 4, 1968, he and his wife were in their room. His wife, who has recently been in the hospital for an extended period of time, was in bed in their combination of living-bedroom. He was in the kitchen, which is east of the living-bedroom. He was repairing a radio on a table located at the north wall of the kitchen. Immediately north of him is a common bathroom which is located at the east end of an east-west hallway in the north building. While he was repairing the radio, he heard what he is certain was a shot, and he is certain that shot came from the bathroom from a point within just a few feet of where he was sitting. He has no way of knowing the time but can only estimate it was sometime between 5:00 and 6:00 PM.

Upon hearing this shot, he walked out of the kitchen through his living-bedroom and opened the door leading onto the hallway and observed a man running west down this hallway and this man was carrying a large bundle of some kind. He would estimate that this bundle or package was at least 3 or 4 feet long and 6 to 8 inches thick. Although he saw the man and the bundle only momentarily, he gained the impression that the bundle was wrapped in something, possibly a newspaper. This man continued running to the end of the hallway turning left (south) and apparently thereafter ran down the stairways onto the street, although he could not actually see the man going down the stairway.

On 4/5/68 at Memphis, Tennessee File # ME 44-1987
by SA FRANKLIN L. JOHNSON /bbs Date dictated 4/9/68

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

It immediately occurred to Mr. STEPHENS that this was the same man he had seen earlier in the afternoon, possibly around mid-afternoon, standing at the door to room 5-B which is located immediately west of Mr. STEPHENS's living-bedroom. He stated that around mid-afternoon he had seen a man with Mrs. BREWER standing in the hallway at the entrance to room 5-B looking into room 5-B. He saw the man's left side. The man had nothing in his hands at the time. He assumed this was some new guest looking at a room.

Mr. STEPHENS stated that he and his wife remained in their room the rest of the afternoon. He pointed out that he, Mr. STEPHENS, is a disabled veteran who has been treated for tuberculosis, and he spends most of his time in his rooms with his wife who is also ill and who at present is a bed patient.

Sometime after seeing this man with Mrs. BREWER, he heard someone in room 5-B and assumed the man he had seen had rented the room next door. He stated that he recalls on several different occasions hearing footsteps in this room and also leaving from this room past his (Mr. STEPHENS's) room and into the common bathroom at the east end of the hall. He was also very much aware that when the person went from room 5-B to the bathroom, that person remained in the bathroom for a considerable period of time. He pointed out that this is particularly noticeable since this is a common bathroom which must be used by a number of different tenants. He also specifically recalled that only on one occasion did he hear the commode being flushed and he was therefore curious as to why this person was spending so much time in the bathroom.

He stated that on the last occasion that someone went from number 5-B to the bathroom prior to the time he heard the shot, he would estimate that that person remained in the bathroom for at least 20 to 30 minutes. During this period he heard no noises coming from the bathroom. He also specifically recalls that during this same period, Mr. WILLIS ANCHUTZ (phonetic), who occupies room 4-B, immediately west of 5-B where the new tenant apparently was located,

ME 44-1987

3

had knocked on Mr. STEPHENS's door and somewhat angrily inquired as to who was staying in the bathroom so long.

It was at the end of this latter period of time that Mr. STEPHENS heard the above described shot which he was certain came from the bathroom. He stated that immediately after the shot was fired he heard some people located across the street, east of the building where he lives, screaming. Due to the excitement of the moment, the fact that people across the street in the vicinity of the Lorraine Motel were screaming, and the fact that his hearing is not the best, he did not hear any additional noises coming from the bathroom. He pointed out that he would expect to hear a "scuffle" coming from the bathroom if the man in the bathroom had fired the shot that killed MARTIN LUTHER KING, but he cannot recall hearing such a "scuffle." He stated that he simply has no way of knowing whether the man came out of the bathroom, went into room 5-B and then ran out of 5-B down the hall toward the front of the building, or whether the man in the bathroom ran directly from the bathroom down the hallway toward the front of the building. He stated he did hesitate a few moments after hearing the shot and hearing the screaming outside before he went to the door and looked down the hall to see the man running carrying something in his hand.

Mr. STEPHENS advised that the only people in the north building of this rooming house at the time of this incident were (1) Mr. STEPHENS, (2) Mr. STEPHENS's wife, who was in bed and who was never in a position to observe anything, (3) Mr. WILLIS ANCHUTZ (phonetic), above, in room 4-B, who came out of his room and was seen by Mr. STEPHENS at the same time Mr. STEPHENS saw the man running down the hall, (4) Mrs. JESSIE LEDBETTER, a deaf and dumb lady who resides in room 1-B toward the front (west) of the north wing or north building, and (5) the unknown man who had occupied room 5-B who was running down the hall as previously stated.

Mr. STEPHENS stated that Mr. ANCHUTZ made some remark to the unknown man who was running down the hallway and the unknown man apparently made some kind of reply.

ME 44-1987

4

Mr. STEPHENS advised that whereas he could hear footsteps in 5-B and could hear footsteps between 5-B and the bathroom, he had no time heard any conversation in 5-B, and he is certain that there was no conversation in 5-B from the time the new tenant checked in until the time he heard the shot. He stated he never heard any noise or footsteps which would indicate to him there was ever more than one person in room 5-B. He pointed out that whereas his hearing is not too good, it is very easy to hear noises in the adjoining rooms of this rooming house and he definitely can hear normal conversation coming from that room. Mr. STEPHENS stated that when he saw the new tenant with Mrs. BREWER standing in front of 5-B, he only saw the left side of the new tenant, and when he saw what he believes to be the same man running down the hallway carrying something, he only saw this person from the rear. He pointed out he never saw him directly in front, but based upon his observations he would describe this person as follows:

Date April 8, 1968

Mrs. BESSIE RUTH BREWER, Resident Manager, rooming house located at 422½ South Main Street, Memphis, Tennessee, was interviewed at Central Police Headquarters, Memphis, Tennessee, Police Department, at which time she furnished the following information:

Between 3:00 P.M. and 3:30 P.M. on April 4, 1968, a white male knocked on the door of the second floor of the rooming house and asked Mrs. BREWER if she had a room. She replied yes, and this individual then asked if he could see it. Mrs. BREWER showed him Room No. 8, which is located in the southwest part of the building, and the individual put his head into the doorway and after looking, stated that this would not be satisfactory as he did not need a stove and refrigerator but only wanted a sleeping room. Mrs. BREWER then showed this individual Room 5-B, and he put his head in the doorway of this room and said it would be fine. At this point the individual asked where the bathroom facilities were located, and she pointed to the bathroom located in the northeast portion of the hallway which is located in the same hallway as Room 5-B. She and this individual then returned to her office. The individual stated that his name was JOHN WILLARD and that he wanted a sleeping room for one week.

WILLARD then asked her how much the room rent would be for one week, and Mrs. BREWER replied \$8.50. WILLARD then put his hand into his right trouser pocket and withdrew a twenty dollar bill and two quarters and handed the money to her. She gave him change in denominations of one ten dollar bill and two one dollar bills. When WILLARD arrived at the rooming house, Mrs. BREWER did not notice any luggage in his possession, nor during the brief conversation with WILLARD did he volunteer any information concerning his home residence, line of business, or mode of transportation. WILLARD was not required to sign any type of register, and the only written record maintained of the transaction was a receipt for the \$8.50, which was made out in the handwriting of Mrs. BREWER.

Mrs. BREWER was unable to state if WILLARD returned

to Room 5-B or if he left the building at any time after renting Room 5-B. Mrs. BREWER did not again observe WILLARD after he rented the room.

Mrs. BREWER's husband returned home from work at 5:25 P.M. on April 4, 1968, and at that time Mr. and Mrs. BREWER commenced their dinner. After dinner Mr. BREWER then turned on the television set and was watching the "Rawhide" television program, and Mrs. BREWER did the dinner dishes. Shortly after completing the dinner dishes, Mrs. BREWER also sat down to watch the "Rawhide" television program. Within a matter of a couple of minutes, Mrs. BREWER heard what she thought to be a gun shot coming from the back of her rooming house. Mrs. BREWER believed that this must have been around 6:00 P.M. on April 4, 1968. She advised her husband that she thought it was a gun shot. Her husband took time to put on his slippers and both of them then proceeded to the southeast exit of the building. Upon arriving at this point, Mr. BREWER attempted to go out the back door; however, a law enforcement officer was in the back of the building and instructed both Mr. and Mrs. BREWER to close the door and return to their apartment. Mrs. BREWER did not hear any noise such as someone running through her building after hearing the gun shot, and the only noise she could recall hearing was a lot of hollering and screaming near the back of her building toward the Lorraine Motel.

Mrs. BREWER examined cash that she had on hand and determined that she had three \$20.00 bills in her possession. She was unable to specifically pinpoint which \$20.00 bill was furnished to her by WILLARD for payment of his room rent. Mrs. BREWER made available the following described twenty dollar Federal Reserve Notes:

- (1) Series 1963-A, Serial No. F14002844A
- (2) Series 1963-A, Serial No. H16164663A
- (3) Series 1963, Serial No. F06445143A

Mrs. BREWER furnished the following description of WILLARD:

Race:	White
Sex:	Male
Age:	Approximately 35 years

ME 44-1987

3

Height:	5'11" to 6'
Weight:	180 pounds
Build:	Medium (carried weight well)
Appearance:	Real neat looking, clean shaven.

Mrs. BREWER stated that WILLARD appeared to have a smile or a sneer on his face during their entire conversation; did not appear as though he was the outdoors type; was wearing a dark sport jacket or short jacket, as he did not have to pull the jacket back when he reached his right hand into his pocket for his money; did not notice any rings or watches; paid no attention to his shoes, pants, shirt, or whether he had on a tie, but was quite positive that he did not have a hat; did not give the appearance of needing a haircut, nor was he wearing a mustache or any long sideburns; paid no particular attention to his teeth while he was talking and did not particularly notice about any part of his face, including nose, mouth, ears, chin, or eyebrows.

Mrs. BREWER claims that she did not particularly look at this individual as she did not like the smile or sneer that he had on his face.

Mrs. BREWER did recall that when she pointed out the bathroom facilities to WILLARD, she told him that everyone in the area of his room was usually quiet but that the guy next to him usually drinks a little bit. Mrs. BREWER claimed that WILLARD then stated, "I take a beer once in awhile myself." Mrs. BREWER claimed that she told him that was all right as long as he stayed in his room and kept quiet.

Mrs. BREWER was unable to state whether any of the other roomers at her rooming house had an opportunity to either observe or have any contact with WILLARD, nor was she able to furnish any additional information concerning WILLARD's activities during the brief period that he resided at her rooming house. She claims that she does not believe that she would recognize this individual again from a photograph or if she had an opportunity to see him in person, but qualified this by stating that she probably would be able to recognize him from the smile or sneer that he had on his face if she were able to observe that in the future.

ME 44-1987

4

She claimed that WILLARD did not volunteer any information concerning his personal background or volunteer any information concerning his reason for being in Memphis. She claimed that WILLARD's speech was "just like the rest of us around here," and that his vocabulary and accent were not out of place in her rooming house. Mrs. BREWER recalled that when WILLARD first looked in Room 8, he remarked that he only wanted a sleeping room as he would not be in the room in the daytime, just at night.

Mr. FRANK BREWER, Room 2, Second Floor, south wing of a rooming house, 422½ S. Main Street, Memphis, furnished the following information to Lt. J. D. HAMBY, Homicide Bureau, Memphis Police Department, and SA FRANKLIN L. JOHNSON:

He is employed as a steamfitter at the Valco Chemical Company located at Warford and Jackson in Memphis, and his wife Mrs. BESSIE BREWER operates a rooming house, the address of which is 422½ S. Main Street, but this rooming house actually occupies the second floor of 2 separate buildings. Toward the front of the 2 buildings on the second floor there is an enclosed walkway connecting the buildings. There are on the second floor ten rooms in the south building and six rooms in the north building. Mr. W. L. SHORT of the Gordon Transfer Company in Memphis, telephone 948-7611; leases this space and Mrs. BREWER handles the rental of the rooms for Mr. SHORT. He does not know the actual owner of the premises.

Around 6:00 PM on 4/4/68, Mr. and Mrs. BREWER were in their room eating and watching television. As he recalls he was watching Rawhide. At this time he heard a noise which sounded like a shot. He and his wife immediately came out of their room into the large hallway or lobby in the south building. At about the same time, Mr. BERTIE REEVES, who occupies room 3 in the south wing of rooming house, also came out into the large hallway. Mr. BREWER, Mrs. BREWER, and Mr. REEVES all walked toward the rear (east) of the lobby where there is an outside door and outside stairway leading into the yard below. Their attention had been attracted in this direction due to the screaming which they heard and which they learned was coming from the area of the Lorraine Hotel located across the street to the east of this rooming house. As Mr. BREWER ran out onto the back porch some police officers told him to get back inside and lock the door. He immediately turned around and went inside.

As he walked out onto the porch, however, he had seen the body of a Negro man lying on the second floor ledge or porch of the Lorraine Motel.

Mr. BREWER did not see anyone running around this time and neither saw nor heard anything at the time which caused him to suspect anyone in connection with the shooting.

Soon thereafter Mr. WILLIS ANCHULTZ (phonetic) who occupies 4-B in this rooming house his room being located on the north wing of the rooming house, told Mr. BREWER that he (ANCHULTZ) had seen the "new tenant" running down the stairs carrying a bundle and it looked like he had a gun.

As to the new tenant referred to by Mr. ANCHULTZ, Mr. BREWER advised that Mrs. BREWER had told him that a new tenant had checked in that afternoon paying her \$8.50 for a week's rent in advance for room 5-B in the north wing of the rooming house. He stated that he had never seen this new tenant.

Mr. BREWER, who had observed Lt. HAMBY and SA JOHNSON, attempting to interview Mr. FRANK MILLARD MARLEY in room 7, advised that he knew personally that Mr. MARLEY was drunk and passed out in room as of the time of the above mentioned incident and he knows that Mr. MARLEY was not in a position to observe anything in connection with this incident. He stated that MARLEY is very elderly and is a chronic alcoholic.

FEDERAL BUREAU OF INVESTIGATION

Date April 9, 1968

Mr. WILLIAM CHARLES ANSCHUTZ, aged 57, who resides at Room 4, 422½ South Main Street and is employed by Duval Transfer Company, furnished the following information:

On the afternoon of April 4, 1968, before dark, he was in his room at the above address and heard a loud noise which sounded like a shot, but came from the bathroom. He said he cannot fix the time, but he thought it might have been between 5:30 and 6:00 p.m.

Upon hearing this noise, he immediately got up and opening his door, looked out into the hallway. He saw one man then coming out of Room 5. The man had a package, approximately three to four feet long in his hands. The package was wrapped in what could have been an old piece of blanket or something like that. He said he thinks the man was carrying this package in his right hand, but he does not know.

He said that this was the first and only time that he ever saw that man. He did not see the man's face, but he did observe that the man had on good clothes. The man was moving fast and was going out toward the Main Street stairs. He observed him for only a second or two and he said he does not believe he will recognize the man's face, because he has the impression that the man was holding his arm up too high to his face. He furnished the following descriptive information, stating repeatedly that these are only estimates or guesses:

Race	White
Sex	Male
Age	20 to 35
Height	Approximately 6'
Build	Medium
Remarks	Moved very fast

CHARLES STEPHENS, Apartment 6B, 422½ South Main Street, Memphis, advised that on the afternoon of April 4, 1968, he was with his wife at the above address. He stated that at about 3:30 p.m., on the above date, he began working on a table model radio of his which was in need of repair. He said he took a radio to the kitchen and placed it on the table which was against the wall that was adjacent to the bathroom which was used by all tenants on his floor. As he was working on his radio he could hear the man in the next apartment to him, Apartment 5B, leave his room several times and go into the bathroom. Mr. STEPHENS stated that he knew it was the man who had just checked in to Apartment 5B that afternoon because he could hear the door of Apartment 5B open and then footsteps would go down the hall to the bathroom, the bathroom door would open and then close.

Mr. STEPHENS said that during these various trips that the individual in Apartment 5B made to the bathroom he failed to flush the toilet or to run any water with the exception of the last time he was in the bathroom. At this time he flushed the toilet. He stated that this individual seemed to be spending an undue length of time in this bathroom. At about 6:00 p.m., on April 4, 1968, Mr. STEPHENS heard a loud noise which he described as sounding like a gunshot come from the bathroom. Upon hearing this noise, Mr. STEPHENS ran from the kitchen where he was repairing his radio to his door that led to the hallway. He stated this is only a distance of about 10 to 12 feet. Upon opening the door he saw a man leave the bathroom carrying a package of about three feet long and wrapped in what appeared to be newspaper. He saw the man run down the hall and then turn left as if he were trying to leave the apartment building. As this was happening WILLIE ANSCHUTZ, who lived in Apartment 4B, came out of his apartment and went to the bathroom. ANSCHUTZ then told STEPHENS to look out of his window. STEPHENS said that he then looked out of his kitchen window which faced the Lorraine Hotel and saw a lot of policemen scurrying about and people running screaming in the vicinity of the hotel.

Mr. STEPHENS stated that the man who was in Apartment 5B had checked in about 3:00 or 3:30 p.m., on April 4, 1968. He stated he was sure of this because he had heard the landlady showing him the apartment at that time. He stated he glanced out of his door and got a fairly good look at the man who he described as being a white male; 5' 10-11"; weighing 165 pounds; slender build; ruddy complexion; sandy hair; had a long, sharp pointed nose; wearing what appeared to be a dark blue or black suit, white shirt and dark tie.

Mr. STEPHENS stated that the man who he saw running out of the bathroom closely resembled the man who had checked into Apartment 5B. He said he could only see the man who ran from the bathroom from behind, but his general build, hair coloring and clothes were the same as the individual in Apartment 5B.

Mr. STEPHENS described the individual who he saw running out of the bathroom as follows:

Race	White
Sex	Male
Height	5'10-11"
Weight	165
Build	Slender
Complexion	Ruddy
Hair	Sandy, slightly on dark side
Characteristics	Sharp, long nose
Clothing	Wearing dark suit.

Mr. STEPHENS added that he had never met the man who checked into Apartment 5B, talked to him, or knew his name.

Mr. GUY WARREN CANIPE, JR., 1078 Brower Road, Memphis, Tennessee, telephone number 324-0344, owner of Canipe Amusement Company, 424 South Main Street, Memphis, Tennessee, telephone number 525-0439, furnished the following information to Lt. J. D. HAMBY, Homicide Bureau, Memphis Police Department, and Special Agent FRANKLIN L. JOHNSON:

He has been in business in the South Main Street area for the past twenty years. His store had been closed and unattended most of the day, April 4, 1968, he having been with Mr. EDWIN BODENHEIMER, 180 Clark Place, Memphis, one of his competitors and a close friend, during the day. He had left his store around 9:00 or 9:30 A.M. and did not return until after 5:00 P.M.

Soon after he returned, two Negro males came into his store and started looking at phonograph records on some shelves on the south side of the store near the front door. He had been playing records on a "jukebox" located toward the front of the store. He did not hear a shot or noise which he thought might be a shot anytime around 6:00 P.M. One of the Negro men was overheard by him subsequently to say that he, the customer, did hear a shot.

Sometime around 6:00 P.M. (although he has no way of fixing the time), he heard a "thud" in the vicinity of the front door of his store. He looked up to observe a bundle lying in front of the door to his store. He pointed out that the front door of his store is offset or located in a recess off the sidewalk. Almost simultaneously as he looked up after hearing this "thud," he saw a white man walking south on the sidewalk in front of his store.

After hesitating momentarily, Mr. CANIPE walked out onto the sidewalk, looking in both directions to see what happened to the man who obviously had dropped this bundle. As he did this, a white small car, possibly a compact, pulled away from the curb on the east side of Main Street at a point just south of his store. There was only one man in the car, namely the driver.

Canipe

When Mr. CANIPE looked north on Main Street he saw a Deputy Sheriff walking rapidly on the sidewalk on the east side of Main, approaching Mr. CANIPE, this Deputy having his revolver drawn. Mr. CANIPE, concluding that something unusual had just occurred, immediately stepped back into his store. This Deputy proceeded south on the sidewalk past his store, not stopping. A short time later after other officers had arrived, he saw this same Deputy and talked to him. He does not know his name.

After additional officers arrived, their attention was called to the bundle lying to the front of CANIPE's store.

As to the contents of the bundle or package which he observed, he pointed out that it appeared to be a rather large pasteboard box about the size he would expect a shotgun or rifle to be shipped in. The top of this box was ajar and he observed a portion of a gun barrel. There was some type cloth over the top of this bundle, which cloth was green in color and which impressed him as possibly being a curtain of some kind. In observing this bundle he noticed that the pasteboard box had the word "Browning" on it. He also saw some type of suitcase or brief case underneath the cloth.

As to the parking situation in front of his store, Mr. CANIPE furnished the following information:

In front of his store on the east side of Main there are three parking spaces between a fire plug and a driveway south of his store. He usually is able to park in one of these spaces. However, when he arrived at his store after 5:00 P.M., April 4, 1968, all three of these spaces were filled and he had to park his 1962 red station wagon at a point south of the above mentioned driveway. He does not recall noticing the make and model of the three cars parked in these spaces, but he is certain that there was a white smaller car, possibly a Valiant or Comet, parked in the parking space nearest his door (which will be referred to as parking space number one). He does not recall the cars parked in spaces two and three wouth of this white car.

He is certain in his own mind that the white small car he saw pull away from the curb as he looked out of his door, as outlined above, was parked in either number two parking space or number three parking space, but he does not know which of these spaces this car was parked in. He cannot

further describe the car that pulled away, but he heard one of the Negro male customers tell the Police that this car that pulled away was a Mustang. He definitely knows the car was white and was sure that the car was a smaller car, possibly a compact car, rather than a full-size average American car such as a standard model Ford or Chevrolet. He stated that it would be his judgment that the car was at least a 1965 or later model. He did not observe the license plates at all.

Based upon the period of time which elapsed from the time he heard the "thud" near his front door until the time he walked out of his front door and saw the white small car pulling away, coupled with the fact that he did not see a man proceeding south on the sidewalk as he looked south, Mr. CANIPE feels that the man who had dropped or thrown the bundle in front of his store was the man driving the white small car away from the curb, as outlined above. He only knows that this man in the small white car drove north on Main past his front door. He does not know whether the car turned off Main Street at the next block or whether it continued to proceed north on Main Street. He does not think that the car was traveling unusually fast and he did not hear the tires "screech" as the car left.

As to a description of the man who dropped the bundle and walked south on Main past his store, Mr. CANIPE stated that he only had the opportunity to view this man momentarily, seeing the back of this man. He stated he saw the man's back and the man's left side only. He stated he did not see the man's face unless possibly he got a fleeting glance at the left side of the man's face. Mr. CANIPE furnished the following description of this man:

Race:	White
Sex:	Male
Age:	25 - 30, possibly older
Height:	5'10" - 6'
	(at first placed height at 6 feet but on reflection stated man might be shorter and in no event could he be certain as to approximate height)

ME 44-1987

4

Weight:	175 - 200 pounds (at first estimated weight at 170 - 185, stating if man is as tall as 6 feet then he might weigh as much as 200, as he gained impression man was "chunky")
Build:	"Chunky"
Hair:	Dark, cut normally (definitely bareheaded)
Dress:	Gained impression man wearing dark colored suit
Over-all Impression:	Very clean, neat in appearance, clean cut.

Mr. CANIPE advised that no one was in his store at the time of the above related incident other than the two Negro males, one of whom has been purchasing records from him in the past, the other not being recalled as a former customer. He stated that he cannot recall any other persons in the immediate vicinity at the time, and the next person he saw after seeing the unknown man who dropped or threw down the bundle was the above mentioned Deputy Sheriff who was walking rapidly on the east side of Main Street toward CANIPE's store, having his gun drawn, when Mr. CANIPE looked out the door as outlined above. He described this Deputy as a white male, age twenty to thirty, bareheaded, 5'10", 165 pounds, wearing a Sheriff's Office uniform and definitely having the Shelby County Sheriff's Office insignia on his arm.

Mr. JULIUS L. GRAHAM, Apartment 5, 804 North Fifth Street, Memphis, Tennessee, telephone number 527-3817, employed as general assistant at the Church of God in Christ Publishing House, 930 Mason Street, Memphis, Tennessee, telephone number 526-1169, furnished the following information to Lt. J. D. HAMBY, Homicide Bureau, Memphis Police Department, and Special Agent FRANKLIN L. JOHNSON:

He accompanied Mr. BERNELL FINLEY from their place of employment to Canipe Amusement Company, 424 South Main Street, Memphis, where they arrived about 5:30 P.M. on April 4, 1968. He recalls that as they approached the store, proceeding north on Main Street, there were no parking spaces on the east side of Main in the block in front of this store. He also recalls that as they were looking for a parking space there definitely were two white cars in the parking spaces in front of and to the south of Canipe Amusement Company. The second of these two white cars, or the one slightly south of the CANIPE store was definitely a white Mustang. He believes the other white car, the one in front of CANIPE's store, was probably a white Rambler. He cannot remember a third car being parked behind the Mustang. The Mustang he saw as they approached the store looking for a parking place was the ordinary variety of Mustang rather than the late model "Fastback" variety. He did not notice the license plates on this Mustang.

Mr. GRAHAM eventually parked Mr. GRAHAM's car on Huling Street, east of Main Street. Mr. GRAHAM and Mr. FINLEY thereafter walked to CANIPE's store and started looking at phonograph records in shelves on the south wall of this store near the front of the store. Mr. GRAHAM did not hear a shot or any other unusual noise while looking at records until he heard the noise caused by a man dropping a package on the sidewalk immediately in front of the front door of CANIPE's store. He stated, however, that he saw the man who dropped this package before he heard the noise. He happened to be looking toward the front door, his attention
