Memorandum to Mr. DeLoach

RE: UNSUB; REV. MARTIN LUTHER KING, JR. - VICTIM

ASAC Halter advised that the York Arms Company is approximately three blocks from the rooming house from which the fatal shot was fired.

ASAC Halter was specifically asked whether he felt that the salesman at the York Arms Company is knowledgeable enough to be of assistance in the preparation of an artist's conception, and he stated that he felt he was.

ACTION:

It is recommended that a qualified representative from the Exhibits Section be sent to Memphis in order to prepare an artist's conception of the suspect who purchased the binoculars at the York Arms Company. It is recommended that while there this representative also prepare a detailed diagram of the crime scene.

ASAC Clifton Halter of the Memphis Office telephonically advised that a check with the York Arms Company, 162 South Main Street, Memphis, Tennessee, developed that a salesman sold a set of binoculars similar to those recovered after the shooting to an unidentified white man at approximately 4:00 p. m. yesterday afternoon, 4/4/68.

The salesman recalled that the individual in question inquired about a set of binoculars and when he was referred to sets costing \$200 and \$90, he said that the price was too high. At that point the clerk recalled that he had an inexpensive set of binoculars in the window, which he took out of the window in order to make the sale. According to the salesman, the price of the binoculars sold to this individual was \$39.95 plus \$1.60 tax, which is identical with the amount shown on the sales receipt recovered with the binoculars.

The purchaser of the binoculars paid for them with two \$20 bills, one \$1 bill and some change. (It is noted that the rifle which was found with binoculars was paid for in \$20 bills and that the rent for room 5B in the rooming house from which the shot was fired was also paid for with a \$20 bill.)

EX-116 REC 18

The salesman described the purchaser of the binoculars as being a white man, approximately 26 - 32 years of age, 5 feet eleven inches, 160 - 175 pounds, medium build, black or dark brown hair, combed straight back. He stated this individual had no regional accent and was neatly dressed in a white shirt with tie, dark suit coat with matching trousers.

SUBJECT: MURDER OF MARTIN LUTHER KING, JR.
CIVIL RIGHTS

Mr. Albert Hefner called the Bureau at 12:45 a.m. today and advised that he is from Greenwood, Mississippi, and was acquainted with Byron De La Beckwith who has been tried on two occasions for the murder of Medgar Evers. Hefner stated he believes the reason Beckwith was not convicted of the murder of Medgar Evers is that he had an iron-clad alibi and that Beckwith's son actually committed the murder. *MISS*

Hefner suggested that the FBI look into the whereabouts of Beckwith's son at the time of the shooting of Martin Luther King, Jr.

ACTION:

That this memorandum be routed to the General Investigative Division for consideration in the investigation of the murder of Martin Luther King, Jr.

CIVIL RIGHTS
(OO:ME)

Mrs. MARJORIE ULEN, 1515 Ogden Street, N.W., telephone 291-6320, advised SA JEROME E. VEIGLE on 4/6/68 that she worked in Congressman GEORGE RYDER's office during 1965 - 1966, when the Congressman was defeated. Congressman RYDER represented the Ninth Congressional District of Tennessee.

Mrs. ULEN advised that during the period she worked in the Congressman's office she recalls that on a regular basis they received "hate cards" from one J. C. WILLARD, 3454 Chelsea Street, Memphis, Tennessee. Mrs. ULEN noted that she read that one WILLARD was named in a local newspaper as being a suspect in the assassination of KING.

She stated that Congressman RYDER's office records are now housed at the Memphis State University Library at Memphis.
