MURDER OF MARTIN LUTHER KING, JR.

EX-102

Investigation into the murder of Martin Luther King, Jr., is proceeding on a top priority basis and the complete facilities of the FBI are committed to the identification and apprehension of the person or persons responsible.

Additional evidence is being steadily developed and investigation has eliminated a number of suspects. In addition to exploiting all available direct evidence that could lead to the subject, we are also checking a large number of persons considered capable of this crime because of their past activities.

Every logical avenue of investigative approach is being vigorously pursued to resolve this matter as quickly as possible.

This is the case involving the murder of Martin Luther King, Jr.,
4/4/68.

Attached for approval is a memorandum to the White House summarizing developments since the last memorandum was prepared for the President on 4/6/68. Copies have been prepared for the Attorney General, the Deputy Attorney General, and the Civil Rights Division. The following details are not included in the attached memorandum.

Among the items recovered near the crime scene were an undershirt and a pair of shorts, each bearing the same printed laundry mark. It has been determined that the mark was made by a Thermo Seal marking machine manufactured by the Textile Machine Company. Headquarters of the manufacturer cannot identify the laundry involved but believes the marking code indicates a laundry in the Northeastern states. All laundries using these marking machines are being contacted.

It is noted that the rifle believed to be the murder weapon was sold by a Birmingham dealer on 3/30/68. It has been determined that the person who purchased this weapon handled other guns in the store and three of these weapons are presently being processed for fingerprints by the Identification Division.

REC-15 44-38861-224

ACTION:

1. Attached for approval is a memorandum ~~for the White House~~ with copies for the Attorney General, the Deputy Attorney General and the Civil Rights Division.

2. All-out investigation is continuing on an expedite basis.
