This note furnished information concerning Alabama license [REDACTED]

For the information of the Bureau, information from Miss NOLT was furnished to Mobile by telephone from Birmingham, 4/8/68, and investigation was conducted at Montgomery, 4/8-9/68.

The car in question had been sold recently by RAY H. CLINE of Montgomery to LOWELL RAY KINCAID, 1036 Zephyr Hills, Montgomery, Alabama, who, according to Mrs. CLINE, was from Cleveland, Ohio, and had left Montgomery, Alabama, on 4/6/68 for a visit to his home in Ohio.

Records of the Kershaw Manufacturing Co., of Montgomery, where KINCAID is employed, were checked and verified that he had worked from 7:30 A.M. to 4:00 P.M. on 3/29/68 and also on 4/3, 4 and 5/68.

Information concerning the elimination of KINCAID, the owner of this car, was furnished to Birmingham and Memphis by airtel, 4/10/68.

NOTE:

Miss Nolt, in her letter, furnished information regarding a suspicious car bearing Alabama license [REDACTED] which she had encountered on Interstate 71 near Ashland, Ohio, driving at a high rate of speed.

She stated she followed this car for about a half an hour and noted that the driver covered his face every time he passed a vehicle. She stated that on the rear car window appeared the following: "KKK 2---." She was unable to read the last three numbers of the four digit series. She speculated that the murderer of Doctor Martin Luther King, Jr., could have reached Ohio at the time she noted this suspicious car. Our Mobile Office has been requested to check this matter out by separate communication.

1. The above information was obtained from the files of the FBI and is being furnished to you for your information only. It is not to be used for any other purpose.

Director of FBI J Edgar Hoover

Dear Mr. Hoover:

MURKIN

On Sunday afternoon, April 7, a white male was driving north on Interstate 71 in Ohio near the Ashland, Ohio exit. His car had an Alabama license plate [REDACTED]. The car, a very old model, was palest blue, almost white, with a top almost entirely red rust in color from rust. He attracted my attention when he drove around me with his face covered by his right hand. Very foolishly I followed him for about half an hour at speeds from 70-90 miles per hour. Each time he went around another car he placed his right hand over the right portion of his face, concealing his profile. From his haste and attempt to conceal his identity I had the uncanny feeling that he was in interstate flight and trying to avoid being recognized. Near the bottom of the rear car window were black letters and numbers about 2½ to 3 inches high which said, KKK 2---. I was unable to catch the last three numbers of this four digit series.

Please check the driver of Alabama license [REDACTED]. He acted very strangely. Could he possibly be the murderer of Dr. Martin Luther King? Some 60+ hours after the crime in Memphis, he could, by swift driving be already in Ohio.

Sir, this is no crank letter. I am just trying to help out in this time of trouble.

Thank you very much.

Sincerely,

Miss Louise Nolt

Re: ERIC STARVO GALT - Locksmithing Institute Records.

It should be noted that on the reverse side of the form titled Confidential Information For Locksmithing Institute, there is a typed statement "I had training in the military in ordnance and since their is a similarity between the two I could combine them in one business." The word "between" is handwritten into the sentence.

The above is furnished should handwriting specimens be taken from the suspect and he again misspells the words similarity, ordnance, and there.
