Results of examination:

Group "O" human blood was identified on Q76, Q77, Q78, Q79 and Q83.

Human blood too limited in amount for grouping purposes was found on Q82, Q84 and Q85.

Preliminary chemical tests for blood indicated the possible presence of blood on Q80 and Q81. However, there was an insufficient amount of material on these items to permit the necessary additional chemical tests to definitely establish the presence of blood.

was possibly connected with the slaying of KING. The source stated that STEVENS purchased two tickets to Memphis and left for there from the Detroit Metro Airport a day or so before KING's death. STEVENS told one of his associates that he had a big deal coming up just prior to his departure, however, he is alleged to have told other people he was going to Ohio and STEVENS has not been seen since the slaying.

MURRELL indicated the above information was furnished orally by Detroit ATT to Detroit FBI, however, no background data or photographs were apparently available at that time, 4/15/68.

MURRELL stated that STEVENS had been arrested by ATT on 5/22/67 in Michigan for violation of the National Firearms Act, and has been out on bond since that date.

MURRELL stated that STEVENS was arrested on that date with CHARLES DUBOIS, FBI #694 285 B, presently in prison, and CHARLES FREDERICK RICE, FBI #756 363 F, and that any additional data concerning these individuals, if believed involved, could be obtained from CHARLES J. QUANDER, Special Investigator, ATT, Detroit, Michigan.

Unless Bureau and Memphis already cognizant of data re STEVENS on basis of previous telephonic ATT contact with Detroit, FBI, Bureau may desire to have Identification Division compare fingerprints of STEVENS with latents available, and Memphis may desire to exhibit enclosed photographs of STEVENS to available witnesses regarding the possibility STEVENS may be GALT.

RE: MURKIN

ReButel to all offices 4/8/68.

Enclosed herewith to Memphis is a photograph and to the Bureau photograph and fingerprints of DAVID DEWITT GREER.

On 4/10/68 PAUL LEONARD, owner of the Sea Ranch Motel on S. Padre Island, Texas, advised that on the past Saturday night he went by the home of BILL HUCKABY, Missouri carpenter doing work for him, re additional work desired. A drinking party was in progress, and he was introduced to persons present including a man who had just driven in from Tennessee. He mentioned "it must be a mess back there", and the Tennessee man replied "it's only the beginning; if RAP BROWN or STOKELY CARMICHAEL show up there, they wont last 15 minutes", and further stated it was a woman rather than a man who killed KING. On Tuesday, 4/9/68, this same Tennessee man came to do the work requested by LEONARD. That evening LEONARD watched the Walter Cronkite TV newscast and saw the artist's sketch of the murder suspect who was believed driving a white car, and he had a feeling he had seen this individual. On Wednesday morning he suddenly realized the Tennessee man was a "dead ringer" for the artist's sketch. He recalled the man was referred to as DAVE.

DAVID DEWITT GREER, aka "Dave", located at the waterfront residence of HUCKABY in Port Isabel, Texas, advised as follows:

He has been residing for some time at Rt. 7, Sparta, Tenn., property owned by J. W. OERTLA who manages the Travelodge Motel at Roanoke, Va., as caretaker working on the side as carpenter, and he was there during March, 1968, and to 4/5/68. On the latter date he boarded the Greyhound bus at 12:30 PM at Crossville, Tenn., being taken to the bus by SONNIE BROWN LEWIS, JR., Rt. 4, Box 242A, Crossville, Tenn.; and he arrived at Memphis, Tenn., at 9:55 PM where his wife had come, by prearrangement, from Little Rock. They then drove to Port Isabel, Texas, leaving Memphis immediately. He has

This is often done through market research, which can be conducted in a variety of ways, including surveys, focus groups, and interviews. The goal is to understand what customers want and need, and to identify any gaps in the current market.
