We have received from the General Investigative Division copies of a typewritten letter and envelope addressed to the Social Security Administration, P.O. Box 5, Baltimore, Maryland. The letter is dated 2/29/68 and bears the handwritten signature Eric Galt and requests certain information concerning social security.

The typewritten impressions on the envelope and letter were found to be the same style of type as that appearing on other items received in this matter attributed to Eric S. Galt, but because of the presence of some variations and indistinctness in the photocopy, the Galt signature appearing on the letter cannot be identified as having been prepared by the writer of other signatures in the Galt name appearing on specimens previously received.

Recommendation: None. For information.
