RE: MURKIN

Enclosed for the Bureau is a business card of PETER N. GORMAN, a builder, who resides at 9023 Lark Ellen Circle, Los Angeles, California.

GORMAN provided this card to SA G. J. MOOREHEAD on 4/25/68 and explained that on Friday, 4/19/68, he had hired a day laborer from the street in Los Angeles what he described as the slave market. He said that this is where transient non-union workers gather for day jobs.

The man he hired demolished a shed that GORMAN had on one of his job sites and assisted GORMAN in placing several glass doors in his garage. GORMAN asked the man if he could work again on 4/20/68 and this was agreed. The man wrote his name, telephone number and address on the reverse of the enclosed business card. It is shown as follows:

WILLIAM JUNEAU
688-2389
Cecil Hotel
640 S. Main St.

4 - Bureau (Encl. 1) (AM-REGISTERED)

1 - Los Angeles

GJM:gcw

(5)

Q295

LA 44-1574

When GORMAN went to pick this individual up on the morning of 5/20/68, the man did not appear. GORMAN checked at the hotel and determined that they had no tenant named JUNEAU and that the telephone was a disconnected number. GORMAN did not have a good recollection of the man, however, he said he was similar to a newspaper picture of JAMES EARL RAY. This person said he had been in New Orleans, however, GORMAN also had been in New Orleans and from their conversation he said it was obvious to him that the man was not familiar with that city.

GORMAN provided the following description: White, male, 5'10", 165 pounds, slight to medium build, 40 years, right-handed, brown hair.

GORMAN pointed out that he realized that many of the persons who "shape up" in the slave market are "on the lamb" and that even if this man is not RAY, he might still have reason to conceal his identity.

The Bureau is requested to examine the enclosed card for any handwriting comparisons that can be made. GORMAN stated that he has fingered the card repeatedly and would have obliterated any fingerprints. The Bureau may dispose of this card as they see fit.

The glass doors mentioned herein were inspected for latents and none were located.

THERE ARE FOUR HUNDRED SEVENTYNINE THOUSAND FOUR HUNDRED
