Re: MURKIN
CR

FBI File No. 44-38861
Lab. No. D-561771 JK

Specimens received 4/29/68

Q293 Air Mail envelope postmarked "LOS ANGELES, CALIF. 4B
PM 26 FEB 1968" bearing typewritten address "TIFFANY
ENTERPRISES. 8512 WHITWORTH DR. LOS ANGELES, CALIFORNIA.
90033 " and typewritten return address "ERIC S. GALT
5533-HOLLYWOOD, BLVD. HOLLYWOOD: CALIF. 90028."

Q294 Accompanying sheet of paper bearing typewritten message
dated 2/26/68, signed "Eric S. Galt"

Result of examination:

The typewritten impressions appearing on Q293 and
Q294 are the same style as those appearing on items previously
submitted in this case attributed to Eric S. Galt. Because of
the lack of identifying defects, it could not be definitely
determined whether the same typewriter was used in preparing
Q293 and Q294 and the other items submitted, but no significant
differences were noted.

It was concluded that the "Eric S. Galt" signature
on Q294 was prepared by the writer of the signature in this
name appearing on numerous other specimens previously received.

Q293 and Q294 are temporarily retained. Photographs
were made.

SUBJECT: MURKIN

Re memoranda Mr. Rosen to Mr. DeLoach dated 4-5-68 and 4-15-68.

On 4-5-68, General Investigative Division, requested preparation of artist's conception drawing of unknown subject who shot Martin Luther King, Jr., on 4-4-68 in Memphis, Tennessee. Bureau approved this request and on evening of 4-5-68, George C. Mumford, Jr., and Horace J. Heafner, Exhibits Specialists, proceeded to Birmingham Office. On 4-6-68 they interviewed two witnesses, E. L. Mathew Baker and Donald F. Wood, Aero Marine Supply Company, Birmingham, who had sold rifle and scope found at crime scene.

Two drawings were made. The one prepared by Mumford was selected by witnesses as looking most like man who bought rifle. (Item 1)

Mumford and Heafner then proceeded to Memphis Office on evening of 4-6-68 at request of SAC Joseph H. Gamble, Birmingham.

Since witness Ralph Carpenter, York Arms Company, 162 S. Main Street, Memphis, Tennessee, who sold binoculars which were found at crime scene was not available for interview at that time, Mumford and Heafner each made a drawing using a photograph of a Memphis Agent previously selected by Carpenter as resembling man who purchased binoculars from him.

Memorandum to Mr. Callahan
Re: MURKIN

While waiting to interview Carpenter, Mumford and Heafner talked with several persons who live at rooming house where subject rented room at 422 1/2 S. Main Street, Memphis, Tennessee, with negative results. No one at rooming house could give sufficient information to permit preparation of a drawing.

Robert G. Jensen, SAC, Memphis, asked Heafner to return to Birmingham to interview new witnesses who had seen subject when buying rifle. Heafner went to Birmingham on 4-8-68 and prepared two drawings after talking to witnesses John Dennis Hanners, John DeShazo, Mrs. Francis Brown and John Michael Kopp. Majority of witnesses selected one drawing as best likeness. (Item 2) Heafner returned to Memphis on 4-10-68.

SA Howard Teten, Memphis, accompanied Mumford while obtaining street maps, building plans, etc., of pertinent areas in Memphis.

On 4-9-68 witness Carpenter was shown drawing prepared by Mumford based on photograph of Memphis Agent. After some changes were made, witness stated drawing was a good likeness. (Item 3)

Mrs. Brewer, manager, Mr. Stevens and Mr. Anschutz, tenants of rooming house, were shown this drawing. They were unable to say it resembled subject.

Arrangements were made to have U. S. Corps of Engineers make aerial photographs of crime scene area on 4-10-68. Negatives, contact prints and enlargements were made and delivered to Memphis Office on same day.

Polaroid photographs were taken of buildings at crime scene on 4-11-68. These photographs show entrances from 410 to 424 S. Main Street, Memphis. A composite photo-diagram was made from these photographs. (Item 4)

Memorandum to Mr. Callahan
Re: MURKIN

A second floor plan diagram of rooming house was prepared using aerial photographs and measurements taken at the scene. (Item 5)

A plan view diagram of crime scene showing location of rooming house and Lorraine Motel where King was shot was prepared using aerial photographs as guides. (Item 6)

Location points and labels were placed on a map of Memphis to show relationship of crime scene to York Arms Company, Rebel Motel and Oliver-Rexall Drug Store. (Item 7)

Copies of these items were made for use of Memphis Office.

Inspector Joseph A. Sullivan asked Mumford and Heafner to evaluate information to date regarding drawings made in Memphis and Birmingham.

Inasmuch as consolidation of the three versions of drawings into one seemed unlikely, due to conflicting statements made by witnesses, Inspector Sullivan instructed Mumford and Heafner on 4-12-68 to hold up until other information was developed.

On 4-14-68 a drawing was prepared by Heafner from information obtained from a female informant of the Memphis Police Department. This interview was conducted in the presence of Captain Jewell G. Ray, Memphis Police Department. Witness stated drawing was a very good likeness. (Item 8)

Mumford and Heafner departed Memphis for Atlanta on 4-15-68 at request of SAC Jensen. Photograph of suspect Eric Starvo Galt, received in Atlanta from Los Angeles on 4-16-68, showed him with eyes closed. (Item 9) Copies of this photograph were used by Mumford and Heafner in producing four different versions by retouching to show eyes opened.

The spacing on specimens represented by K202 through K205 differs from that on the laundry marks appearing on Q97 and Q99 indicating the questioned tapes may not have been prepared on any of the machines used to prepare K202 through K205. The limited nature of the questioned material involved precluded a definite determination from being reached.

K202 through K206 have been retained.
