RE: MURKIN

ReButel 4/25/68 to El Paso, Houston, San Antonio, advising that each office should determine from telephone company long distance calls placed at each public telephone on Interstate 10 over which subject and CHARLES STEIN allegedly traveled 12/15-17/67.

Today Mr. JERRY SLAUGHTER, SAC Contact, Southwestern Bell Telephone Company, furnished the enclosed list of telephone calls made for the above period from coin telephones within the Houston Division, on Interstate 10 and Route 90 to Louisiana. These numbers were obtained through computer equipment programmed by the telephone company. It is noted that there are approximately 300 telephone calls.

New Orleans should have each call checked out.

LA 44-1574

This date, KEPP furnished the following information to SA HOWARD A. PAULSEY:

Individual attempted to exchange enclosed tickets for a trip to Honolulu, Hawaii and used enclosed Frontier Airlines Credit Card. KEPP took the tickets and the credit card and told the individual she would have to check the credit card. Individual had previously asked KEPP if he could use two Frontier Airlines tickets, enclosed, as credit toward ticket to Honolulu.

Individual identified himself as Mr. RAY. KEPP and two United Airlines employees who viewed Mr. RAY furnished the following description:

Race	White
Sex	Male
Height	6 feet
Weight	185 pounds
Age	35 - 40 years
Hair	Dark or golden blond
Eyes	Greenish-blue

Other investigation, Los Angeles International Airport, this date, negative to locate person using enclosed credit card. Photos JAMES EARL RAY exhibited to United Airlines employees and they advised photos somewhat similar to RAY but could make no positive identification.

Inquiry at El Paso, Texas reflects credit card is apparently fictitious.

Denver, Las Vegas and Albuquerque Divisions all attempting to identify holder of credit card and purchaser of Frontier Airlines tickets.
