RELEASE PROGRESS REPORT

Name RAY, JAMES E. No. 12121 Age 25 Color Date 2-12-54

DISCHARGE DATE 3-12-54

CRIMINOLOGIST'S COPY

Inmate was admitted to the Joliet Diagnostic Depot on 6-13-52, under a sentence of 1 to 2 years for Robbery, and was transferred to Pontiac on 7-7-52. On 5-14-53, he was given the Max "X" effective 3-12-54.

Inmate makes no physical complaints. He has received no punishment reports.

Inmate received no visits, and corresponds with his mother and brother.

He is now assigned to the honor farm, where he has been almost continuously, except for a brief period in the inmates' kitchen. At present, he is considered a good worker in the officers' quarters, and has been considered a good cook in the past.

His future plans are indefinite, although he will go to Quincy, Illinois, first.

Inmate's delinquencies seem due to impulsive behavior, especially when drinking. There is a relationship to inmate's tendency to be easily discouraged, and this tendency still exists.

Inmate has always been considered to be without psychosis or mental defect and, while in the institution and during the present examination, has evidenced no behavior which might indicate the need for a special psychiatric examination at the present time, although one will be attempted, if possible.

The prognosis is doubtful.

PAROLE PROGRESS REPORT

Name RAY, James E. No. 12121 Age 25 Color White Date 4-2-53
Hearing Minimum Case Docket May, 1953

CRIMINOLOGIST'S COPY

This report is based upon the usual material gathered at the Diagnostic Depot, our attendance at Staff meetings, the receipt of Work Progress Reports, and one short and one long interview with the inmate.

The etiology of inmate's difficulties is not completely known. He seems to have been highly unsettled after leaving the Army, and we would judge that some traumatic experience occurred which he does not care to tell, or cannot verbalize. He seems to be rather solitary and unhappy, and there have been at least two instances of poorly thought out delinquent behavior connected with drinking.

When admitted, inmate expressed an interest in a farm assignment, and was placed in the inmates' kitchen temporarily, until an opening developed on the farm. He has been assigned to the farm continuously since August, 1952, as helper in the farm dormitory kitchen. The report of 10-21-52 characterized him as average in his attitude and in his ability to get along with officers and inmates. The report of 1-30-53 stated that he was good, as far as attitude toward his work was concerned, and ability to get along with officers and other inmates, but that he was only fair as far as proficiency, initiative, progress and ability to work in the free community were concerned.

He has had no punishment reports.

Little is known as to the associational pattern or friends.

He has had no visits, and corresponds with his mother and brother. If released he will have to be assisted by the Parole Officer.

It is difficult for us to make an adequate prediction in this case. In view of the two known instances of impulsive delinquent behavior connected with drinking, the lack of any indication of change or progress here, and the age at which this pattern was continuing, we would judge that he would eventually repeat this behavior, especially if discouraged.

Much would depend upon his obtaining some sort of placement with which he would be satisfied, and which would place him with people who were taking an interest in him.

The prognosis seems to be problematic to doubtful.

Date 5/2/68

Captain GEORGE GREEN, who is Watch Commander of the 8th District, Chicago Police Department, 63rd Street and St. Louis Avenue, and who resides at 2942 South Emerald, Chicago, Illinois, furnished the following information:

Captain GREEN shot JAMES EARL RAY in the vicinity of 9 West Delaware Street, Chicago, in May, 1952, while apprehending RAY during hot pursuit following the robbery of a cab driver. Captain GREEN and his partner, Detective JOHN MC DONOUGH, ordered RAY to halt several times. RAY temporarily eluded the police officers by diving through a window through the basement of a residence. When RAY was ascending the basement steps ignoring orders to surrender, he was shot in the right arm by Captain GREEN. The bullet passed through the right arm approximately mid-way between the elbow and wrist. The bullet then grazed left arm. Only one shot was fired in effecting RAY's apprehension.

Captain GREEN further stated that when RAY dove through the window into the basement, he landed in an area where bathtubs were stored and either injured his face around the head area from glass or upon landing in the basement. Captain GREEN opined RAY's wounds in the head area and in the left arm were probably superficial and would leave no scars.

Captain GREEN was unable to suggest the identity of any associates of RAY in the Chicago area.

**RE: NEIGHBORHOOD INVESTIGATION
61 EAST CEDAR STREET
2725 NORTH PINE GROVE**

The following investigation was conducted by
SA JOHN P. O'BRIEN on May 1, 1968,
in the vicinity of 61 East Cedar Street, Chicago, Illinois,
for information that JAMES EARL RAY was known at that location,
it being noted that RAY reportedly resided here during the
period between 9/13/51 and 5/28/52.

On 5/1/68, investigation at 59-65 East Cedar Street,
Chicago, Illinois, determined that this was a large apartment
house presently managed by Sudler and Company, Chicago,
Illinois. Mr. HERBERT SELL, Janitor, advised he has only been
janitor at this apartment since March, 1968. He stated he did
not know anyone presently residing here who was here during
1951-1952 but stated he learned that possibly during 1951-1952
period this apartment consisted of approximately four individually
owned homes rented as rooming houses. He suggested that possibly
Mrs. MARGARETTA REHRMAN, Manager, 33 East Cedar Street, Chicago,
Illinois, may have information on this matter as she has been
in the neighborhood for years and her husband was the former
janitor at 59-65 East Cedar Street, Chicago.

On 5/1/68, Mrs. MARGARETTA REHRMAN, Manager, 33 East Cedar
Street, Chicago, Illinois, advised that 59-65 East Cedar Street,
Chicago, has been managed by Sudler and Company of Chicago since
about 1957. She stated that sometime prior to 1957 four brown
stone building occupied the present residence of 59-65 East
Cedar Street, and were reportedly owned by one Mr. WILLIS, who
is now deceased. She stated during 1961-1966 her husband,
JACK REHRMAN, was janitor at this location. She stated she did
not know of anyone who was at 59-65 East Cedar Street during
1951-1952 period and noted this location was formerly a rooming
house occupied mostly by transient individuals. She viewed a
photograph of RAY and stated she had no information concerning
RAY, and the photograph was not familiar to her.

On 5/1/68, JACK REHRMAN, Janitor for 33 East Cedar Street, Chicago, Illinois, was contacted at his place of employment and advised he was janitor of 59-65 East Cedar Street, Chicago, during 1961-1966. He advised that to the best of his knowledge the property at 61 East Cedar Street, Chicago, was one of four brown stone buildings that now make up 59-65 East Cedar Street, Chicago. He stated to the best of his knowledge these four brown stone buildings during 1951-1952 were rented out as rooming houses and were owned by one Mr. WILLIS now deceased. He stated he did not know if Mr. WILLIS actually lived in this vicinity and he did not know of anyone in the neighborhood who may recall RAY residing here. He noted that this neighborhood has completely changed and most of the homes have been converted to apartments. He stated a photograph of the subject was not familiar to him. He stated he heard from an unrecalled source that Mr. WILLIS, believed to be the former owner of this property at 59-65 East Cedar Street, Chicago, died approximately four years ago and he did not have any information regarding any relatives of Mr. WILLIS who may have resided here at the time RAY reportedly resided here.

The following investigation was conducted in the vicinity of 2725 North Pine Grove, Chicago, Illinois, it being noted that JAMES EARL RAY reportedly resided here during the period between 9/13/51 and 5/28/52:

On 5/1/68 investigation in the vicinity of 2725 North Pine Grove, determined that this was a non-existent address now occupied by the Andora Apartments, 2727 North Pine Grove, Chicago.

On 5/1/68, Mrs. LEE VOJNOVIC, Manager, Andora Apartments, 2727 North Pine Grove, Chicago, advised that this apartment is now approximately three years old, and that two or three large homes, formerly rented as rooming houses, were torn down to make room for this apartment. She advised the subject's photograph was not familiar to her and she had no information concerning the subject, noting that she has only been manager here since the apartment was built. She stated this entire neighborhood has undergone complete change since 1951-1952 and that large apartments now occupy space formerly occupied by family dwellings. She stated she did not know who formerly owned 2725 North Pine Grove in Chicago but suggested that possibly Mr. DONALD COOPER, Cooper Brothers and Associates, 2640 West Touhy Road, Chicago, current managers of the Andora Apartments, could give this information.

On 5/1/68, Mr. DONALD COOPER, Cooper Brothers and Associates, 2640 West Touhy Road, Chicago, advised that his concern purchased property formerly at 2725 North Pine Grove, Chicago, and adjoining property in September, 1963 to make room to build the Andora Apartments. He stated the former owner of the property was Supera Property Management, 1226 North State Street, Chicago, Illinois. Mr. COOPER advised he had no information regarding

RAY and that RAY's photograph was not familiar to him. He further advised he did not know of anyone residing in the vicinity of 2725 North Pine Grove in Chicago who resided in this area during 1951-1952.

On 5/1/68 unsuccessful efforts were made to contact LOUIS SUPERA, Owner, Supera Property Management, 1226 North State Street, Chicago, Illinois.

On 5/3/68, LOUIS SUPERA was contacted at his place of employment and advised he was the former owner of 2725 North Pine Grove in Chicago during 1951-1952 and recalls he rented this house out as a rooming house during this period. He stated individuals who resided at this location were mostly transients and did not reside here long. He was unable to recall the subject as residing at this location during the pertinent period. He stated he himself did not live at this location but merely rented it out and he had **no information** after viewing a photograph of the subject as to the subject's background or friends. He stated he did not know of anyone who would recall the subject as having resided at 2725 North Pine Grove during 1951-1952 and noted that all records, including rent receipts, have **been** destroyed by him since he sold the property several years ago.

Re: Previous Employment

On April 22, 1968, Mr. THOMAS CASTRONOVO, Personnel Manager, Sheller-Globe Corporation, 1074 South Kildare, Chicago, Illinois, advised that the Sheller-Globe Corporation is actually the old Dryden Rubber Company. Mr. CASTRONOVO advised that he would be unable to review his personnel records for a period of July to September of 1949, inasmuch as personnel records of the Sheller-Globe Corporation are destroyed after a period of approximately seven years. Mr. CASTRONOVO further advised that there would be no record whatsoever of subject's employment at his company.

On April 24, 1968, Mr. SOL BURROWS, Owner, Neo Products Company, 5400 South Kilbourn, Chicago, Illinois, advised that a review of the personnel files for a period of April through July, 1950, is not possible since personnel records for that period of time have long since been destroyed. Mr. BURROWS furnished the interviewing Agent with an "Employer's Quarterly Federal Tax Return" for the quarter ending June 30, 1950. A review of this return reflects that one JAMES RAY, Social Security Number [redacted] earned \$269.33 at the Neo Products Company during this period. Mr. BURROWS advised that a review of the "Employer's Quarterly Federal Tax Returns" for 1950 reflect that subject was employed from April to the latter part of June, 1950. Mr. BURROWS advised that there was no further information in his files concerning subject and he noted that while subject was employed by the Neo Products Company, it was during the period of time that the Neo Products Company occupied space at 2534 South Kedzie Avenue, Chicago, Illinois, and not at its present location.

On April 24, 1968, Mr. WILLIAM JACKSON, Borg-Ericson Corporation, 1133 North Kilbourn, advised that he is unable to locate the employment application for subject. Mr. JACKSON furnished the interviewing Agent with a payroll card for subject. An examination of subject's payroll card indicates he was hired on September 13, 1951, and terminated his employment on May 28, 1952. At the time of subject's

commencement of employment, he listed his address as 61 East Cedar Street, Chicago, Illinois, and Social Security Number [redacted]

It is noted that the address 61 East Cedar Street was subsequently crossed off and in its place was put the address of 2725 North Pine Grove, Chicago, Illinois. A further review of the payroll card indicated a separation notice dated May 28, 1952, indicating that subject's employment was terminated as he was "picked up on suspicion of armed robbery. Held to Grand Jury." Mr. JACKSON advised that there are no other records in his file concerning the subject.

An examination of the telephone directory of Illinois Bell Telephone Company, Chicago, Illinois, for 1968 and 1952 failed to reflect any corporation by the name of Arbey Corporation, Chicago, Illinois. On April 25, 1968, Mrs. ANN TUOHY, Corporation Section, Secretary of State's Office, 188 West Randolph Street, Chicago, Illinois, advised that a review of the certified list of foreign and domestic corporations for the State of Illinois for 1951, 1952, and 1968, failed to reflect any corporation by the name of Arbey Corporation.

On April 29, 1968, DAGNY STORVIK, Personnel Manager, Arvey Corporation, 3500 North Kimball Street, Chicago, Illinois, advised that personnel records are kept for approximately six years and at that time destroyed. Mrs. STORVIK advised that personnel records of the Arvey Corporation only go back to 1962. Mrs. STORVIK further advised that some personnel records of top executive employees are maintained to 1955. Mrs. STORVIK stated under no circumstances would she have records dating back to 1950 or 1951 for any employees whatsoever.

RF: JAMES DAVID DAILEY

On April 21, 1968, the St. Louis Division advised that DAILEY, FBI Number 4993150, is an alleged former friend and associate of the subject and also allegedly harbored the subject briefly following the Missouri Pen escape. DAILEY is an operator of a restaurant in Portageville, Missouri, and allegedly owns a farm near Portageville or Wardell, Missouri, in boot heel and to be type of individual who would harbor subject. DAILEY denied contact with subject on initial interview and is currently being re-interviewed in an effort to determine if he has a farm and its location.

DAILEY's sister, HAZEL TERRELL, Wardell, Missouri, advised on April 21, 1968, that among his sister is ADA GILES, 1812 North Washtenaw, Chicago.

On April 21, 1968, ADA HORN, formerly ADA GILES, 1517 West Erie, advised SA CHARLES E. BRUNNER and SA ROBERT A. GACCIONE that she and JAMES DAILEY grew up in the vicinity of Wardell, Missouri, and DAILEY very familiar with that area. Any ownership of farm or property in vicinity of Wardell by either DAILEY or the family is unknown to her. She said that JAMES operated the Half Way Cafe, 1514 South Jefferson, St. Louis, Missouri, until about six weeks ago when he moved to Portageville, Missouri, where he purchased a gas station and restaurant, the identity unknown to her. She furnished the following other relatives for DAILEY:

This individual was older than he was, somewhat on the heavy side and walked with a waddle with his feet pointing out. This individual had foot trouble and when he came to the honor farm, he remembered the front portion of both shoes had been cut out. He continued that this individual was quiet, slow talking, somewhat sluggish and kept to himself. On May 1, 1968, GUS W. MARZAHN, 1616 West Nelson, Chicago, advised SA ROY W. RHODES, JR., he is the owner and operator of the Midwestern Drapery Service, with offices at his home address. He further stated the photo of JAMES EARL RAY was familiar to him, as someone he has seen before, probably while he was at the Honor Farm at Pontiac, Illinois. He said, however, he recalls nothing about RAY, and doesn't recall having ever had any conversations with him while at Pontiac, sometime around 1952-54, and had no idea of anyone who might have been friendly with RAY. And, of course, he has no contact with RAY since his stay at Pontiac.

On April 29, 1968, CLARENCE P. NILLES, Assistant Superintendent, State of Illinois, Division of Supervision of Parolees, 160 North La Salle Street, Chicago, Illinois, advised SA LOUIS S. CRAIG that his files contained the following information regarding EDWARD PAUL RIVERA, #19294, who was incarcerated in Illinois State Penitentiary, Pontiac, Illinois, from September 18, 1952, until he was paroled in June, 1955. His last known address as of May, 1956, was 1621 West Division Street, and his last known employer as of the same date was Savoy Chemical and Drug Company, 16 South Peoria, Chicago, Illinois. He was sentenced to one to five years for burglary on July 25, 1952, and his maximum sentence expired June 17, 1956. His previous criminal record was indicated as follows:

- One term, County Jail, San Antonio, Texas;
- One term, County Jail, San Diego, California;
- One term, Student Training School, St. Charles, Illinois;
- One term probation, Chicago, Illinois.

Record indicated that he was born [redacted], at Chicago, Illinois, was a white male, and in 1952 was 5'6" tall and weighed 124 pounds. His FBI Number was listed as 257 710 A and his Chicago Police Department numbers were listed as D78382 and D91766. There was no indication that he had received any visitors while at the State Penitentiary at Pontiac and the only correspondents were listed as follows:

JOHN WARD, Friend, 731 West 69th Street,

Mrs. MARION L. DAVIS, Mother, 6701 South
Halsted, Chicago, Illinois.

The following investigation was conducted by
SA JOSEPH S. REICHART and SA ROBERT KLEINSCHMIDT on May 1,
1968:

Investigation at 6701 South Halsted, in an effort to locate RIVERA's mother, revealed that this site is presently occupied by a Standard Oil Service Station. Investigation to locate JOHN WARD, a friend of RIVERA, revealed that the only two tenants of that building, Mrs. MARIE COVINGTON and Mrs. RUBY MAE WILLIAMS, were not acquainted with him and they further advised that there have been no white individuals residing in the immediate neighborhood for over eight years. They advised that the building is presently managed by Boyd Realty Company, 917 West 69th Street. Investigation at Boyd Realty Company revealed that that company did not own the building in question in 1956.

On same date, JOHN J. CERMAK, Vice President, Savoy Drug and Chemical Company, 16 South Peoria, Chicago, Illinois, advised that employment records of terminated employees are destroyed four years after termination of employment. He advised that a search of records of present employees and employees who have terminated employment within the past four years failed to reveal an EDWARD PAUL RIVERA among those records. He contacted various supervisors but they were unable to recall from memory any information concerning EDWARD PAUL RIVERA.

On Same date, investigation at 1621 West Division, RIVERA's last known address, indicated that this was a YMCA and their records indicated that RIVERA resided at that address from approximately September, 1955, to June, 1956.

They were unable to furnish any information which would be of value in locating RIVERA.

On May 2, 1968, IC RALPH MC CLAIN searched records of the Chicago Credit Bureau but could locate no credit information concerning EDWARD PAUL RIVERA or his mother, MARION L. DAVIS.

A search of the records of the Bureau of Records and Communications, Chicago Police Department, on same date failed to reveal any arrest subsequent to the arrest in 1952, for which RIVERA was incarcerated in the Illinois State Penitentiary at Pontiac, Illinois.

On April 25, 1968, the Springfield Division advised that ROY WILLIS, Richfield, Minnesota, had stated that he recalled that in 1955, the subject was friendly with a police character by the name of BUDDY BATCHELDER or BATCHELOR who had numerous arrests both in Hannibal, Missouri, and Quincy, Illinois. Investigation at Springfield identified BATCHELDER as MILTON DEAN BATCHELDER, FBI Number 548312B, who is presently in the Illinois State Penitentiary, Joliet, Illinois.

On May 3, 1968, MILTON DEAN BATCHELDER, Inmate number 59756, Illinois State Penitentiary, Stateville Branch, Joliet, Illinois, advised SA GEORGE H. BENIGNI that he has seen repeated photographs of subject RAY since the MARTIN LUTHER KING murder and he is not sure whether or not he has ever had personal contact with him. He said that if he had contact with RAY, it would have been approximately fifteen years ago while he, BATCHELDER, operated a tavern in Quincy, Illinois. He said that he recalls having a patron in his tavern by the name of RAY or RYAN and believes that he was convicted of a criminal charge in Quincy, Illinois, with a RALPH DAVIS, JR., also known as MANNY DAVIS, who currently operates the Manny Davis Construction Company in Quincy.

BATCHELDER stated that he was unable to furnish any additional information on subject RAY due to the passage of time.

Re: Burglary of United States Post Office
Kellerville, Illinois
March 7, 1955

The following investigation was conducted by SA JOHN L. HOGAN at Chicago, Illinois, on April 30, 1968:

Mr. E. F. WANDEL, Section Chief, Postal Inspector's Office, made available their file number 35437-MD which reflects the following information:

The Kellerville, Illinois, Post Office, Fourth Class, was forcibly entered between 1:00 and 2:00 a.m. on March 7, 1955. The loss consisted of 66 blank postal money orders numbers 742239535 through 600, a postmarking stamp and a money order stamp.

On March 8, 1955, a money order in the amount of \$45 was passed at Alton, Illinois. The payee was listed as JAMES WALTON and the purchaser was W. C. HERRIN. On March 21, 1955, two money orders in the amount of \$75 were passed at Kansas City, Missouri. The payee was WILLARD J. MC BRIDE and the purchaser was VERNON MC BRIDE. Investigation developed that the person passing these postal money orders drove a 1949 Lincoln two-door sedan, bearing 1955 Florida license 1W25183. The Motor Vehicle Bureau determined that this plate and car were sold on March 12, 1955, at Miami, Florida, to WALTER P. or T. BERRY, Shamrock Tavern, c/o EARL MILLER, Quincy, Illinois.

As a result of the alert on this automobile, WALTER T. RIFE and JAMES EARL RAY were arrested by the Missouri State Police at Hannibal, Missouri, on March 23, 1955. Thirty-four money orders were recovered in the 1949 Lincoln sedan. Both RIFE and RAY readily admitted cashing 32 postal money orders but denied involvement in the burglary of the United States Post Office. In a signed statement, RIFE stated that the name WILLARD J. MC BRIDE and VERNON MC BRIDE were the only names used with the exception of one money order which contained the name JAMES WALTON and W. C. HERRIN. He further stated that after passing a money order at Alton, Illinois, he and RAY drove to Miami, Florida, in his Nash automobile and under the alias WALTER T. BERRY, traded this automobile for a 1949 Lincoln.

RAY talked freely to the postal inspectors concerning his association with RIFE, their travels together and the passing of instant money orders. He refused to furnish a written statement. At this time, he had known RIFE for a period of approximately one week.

On April 1, 1955, both subjects entered guilty pleas in the United States District Court, Kansas City, Missouri, concerning the forging and cashing of stolen postal money orders and possession of stolen money orders. On July 1, 1955, RIFE was sentenced to three years in prison and RAY was sentenced to 3 3/4 years.

A review of this file reflects that the 32 money orders cashed by RIFE and RAY were cashed at St. Louis, Missouri; Alton, Illinois; Hot Springs, Arkansas; Memphis, Tennessee; Hot Springs, Louisiana; Kansas City, Missouri; St. Petersburg, Miami, Miami Beach, Daytona Beach, Jacksonville, Tallahassee, and Tampa, Florida.

Instant burglary was never solved and the Post Office Department closed their case in this matter. Their file does not contain any background information or descriptive data concerning either RIFE or RAY.

If the cause of death is for any other reason, the fingerprinting is done by the Missing Persons Bureau. All fingerprints are then sent to the Chicago Police Department, Identification Section.

Re: JAMES EARL RAY
South Elgin, Illinois

The following investigation was conducted by SAs LEROY D. FEDERLE and ROBERT C. ROBINSON in South Elgin, Illinois, on April 19, 1968, regarding one JAMES EARL RAY who registered with the Bureau of Motor Vehicles, Springfield, Illinois, on May 25, 1967, on a 1958 Pontiac four-door, VIN P858H7576. This registration reflects that RAY at that time resided at 615 North Water Street, South Elgin, Illinois.

Mr. and Mrs. RONALD SCHILLING were interviewed at their residence at 615 North Water Street, second floor apartment, South Elgin, Illinois, and SCHILLING stated he had lived at that address since February 1, 1968, and was employed by the Fox Valley Fence Company, Bluff City Boulevard, in Elgin, Illinois. The Illinois Driver's License reflected he was born [redacted] in Decatur, Illinois, was 5'9" tall, 150 pounds, with blue eyes and brown hair. SCHILLING was honorably discharged from the United States Army, Serial Number RA 17512179. He viewed a photograph of JAMES EARL RAY, also known as ERIC STARVO GALT, and advised he had never seen RAY and had never heard of anyone named RAY in the area. He stated he rented the apartment from Mrs. ALICE MEYER of 673 North Water Street, South Elgin, Illinois. SCHILLING's wife, MARY SCHILLING, also viewed the photograph and advised she did not recognize the individual.

Mrs. ALICE MEYER, 673 North Water Street, South Elgin, telephone number SH 2-5038 (unlisted), exhibited rent receipt reflecting JAMES RAY rented the upstairs apartment at 615 North Water Street, from May 1, 1967 through the end of September, 1967. She advised that the RAY who rented the apartment did not resemble the photograph of JAMES EARL RAY, also known as ERIC STARVO GALT, which was exhibited to her. She advised that her daughter, Mrs. LINDA BERGIN, generally collected the rent from RAY and she knows that during the time RAY resided in the apartment, he lived with his wife and one small child.

She was unable to furnish a physical description of RAY.

Mrs. LINDA BERGIN, daughter of Mrs. ALICE MEYER, 673 North Water Street, South Elgin, advised she collected the rent from JAMES RAY when RAY resided in the upstairs apartment at 615 North Water Street. She stated the photograph of JAMES EARL RAY, also known as ERIC STARVO GALT, was definitely not identical with the JAMES RAY who resided in the apartment. She described the RAY who resided in the apartment as a very very thin individual with a very thin face who must have been over 6 feet tall, had dark hair, a very slender build, and a heavy mustache. She said that he was about 28-30 years of age and supposedly worked at a landscaping or nursery somewhere in the area. She said RAY's wife was a very heavy woman and they had one child and another child was expected shortly before they moved in September, 1967.

Mr. and Mrs. RONALD RICHARDSON, 724 North Water Street, South Elgin, Illinois, telephone SH 1-0636, stated that the JAMES RAY who resided at 615 North Water Street, was definitely not identical with the photograph of the JAMES EARL RAY exhibited to them. RONALD RICHARDSON stated that he recalls that RAY had a 1958 Pontiac, white with blue on the sides, and at one time or other he worked at Illinois Iron and Bolt Company and on some construction jobs in the area. He said RAY was about 6'3" tall, and weighed 140 pounds, at the most and was very unkempt in his appearance and always appeared quite slovenly. He stated that he had little to do with RAY but that RAY would fool with motorcycles with GEORGE MC KUTCHEON who also lives on Water Street and who might know more concerning RAY. He said that the last he knew, RAY supposedly had moved back to California and he left the area near the end of the summer.

RICHARDSON said that he, RICHARDSON, was formerly employed as a police officer by the South Elgin Police Department and that RAY never got into any difficulty with the law in South Elgin while he was in the area.

Mr. and Mrs. GEORGE MC KUTCHEON, 767 North Water Street, South Elgin, Illinois, stated that they saw JAMES RAY who lived at 615 North Water Street numerous times while he was living in the area with his wife and one child. GEORGE MC KUTCHEON stated that the last he heard RAY was in Texas but that he had not seen nor heard from him since he left in September, 1967. He stated that the photograph of JAMES EARL RAY, also known as ERIC STARVO GALT, definitely was not identical with JAMES RAY who resided on North Water Street. He noted that the RAY on North Water Street was one of the thinnest people he had ever seen and was about 6'2" to 6'3" tall. He said that if he recalls correctly, RAY worked for one of the landscaping companies, possibly Mel's Landscaping in the Dundee or Elgin, Illinois.

Re: LOUIS LOMAX

On April 29, 1968, the Los Angeles Division advised that the California Bureau of Identification and Investigations furnished information that LOUIS LOMAX, FBI Number 329 480 A, was sentenced to the Illinois State Penitentiary (ISP), Joliet, Illinois, Joliet Number 29305, from February 10, 1950 to May 9, 1956. He served two sentences for larceny. It is noted that JAMES EARL RAY served at Joliet, Joliet ISP Number 32419, from June 13, 1952, to July 7, 1952, when transferred to ISP, Pontiac, Illinois.

On April 30, 1968, Mr. LOUIS O'SHEA, ISP, Joliet, Illinois, advised SA RENE J. DUMAINE that from a review of the records, there would be no possibility that the subject and LOUIS LOMAX met in the Joliet Penitentiary since RAY was in the Diagnostic Center during his 24-day stay there. LOMAX was in vocational school during 1952 until he was paroled on September 29, 1954. Further, LOMAX served all of his time at ISP, Joliet, and was never in ISP, Pontiac, Illinois.

According to O'SHEA, LOMAX, ISP Number 29305, was released from parole on May 9, 1956. He served time for two concurrent sentences of larceny. The ISP, Joliet, records described LOMAX as a Negro male, born [redacted] Georgia (city not given), 5'9", 170 lbs., slender build, kinky hair, dark maroon eyes, marital status married, wife's name DOLORES. LOMAX has Chicago Police Department Number D72630. The indictment numbers for LOMAX, as shown on the record card, are 492439, 492440 and 492441.

Re: Alleged Chauffeur for KING
(Identified as KELLY WILLIAMS)

On April 25, 1968, the Washington Field Office advised that ROBERT F. BENNETT, Public Relations, J. C. Penny, Inc., Washington, D.C., advised that he learned from his father Senator WALLACE BENNETT of Utah that on the day before the assassination of KING, a group of industrialists from the Chicago area who have business interests in Utah, gave a cocktail reception for Senator BENNETT. Afterwards, a group of six or seven had dinner at a restaurant with the Senator. One of these persons said a man who used to work for him was the personal chauffeur for MARTIN LUTHER KING and that this man contacted him for advice. The chauffeur stated KING required him to carry over \$200,000.00 in cash in a black bag at all times. The chauffeur was concerned about his job inasmuch as he recognized the possibility of being robbed or KING, himself, being killed for the money. The industrialist advised the chauffeur to quit but to furnish KING another reason for quitting.

ROBERT BENNETT said the host of the dinner, CHARLIE BARR of the Standard Oil Company of Indiana, telephone 312-431-6314, Chicago, Illinois, was present and could furnish the name of the person who attended the dinner and formerly employed KING's chauffeur. This individual also related the information about the black bag containing \$200,000.00. ROBERT BENNETT contacted his father, Senator BENNETT, for the name of the individual who related the above incident, but his father could not recall this person's name.

Re: Alleged Chauffeur of KING

CHARLES BARR, Executive, Standard Oil of Indiana, Room 359, 910 South Michigan, telephone 431-6314, advised April 26, 1968, he had no recollection of any conversation regarding KING's chauffeur at a dinner party in honor of Senator BENNETT on April 3, 1968, in Chicago, at which party Mr. BARR was the host. Mr. BARR advised the following persons attended this party at the La Tour Restaurant, 400 East Randolph:

Senator WALLACE BENNETT of Utah.

CHARLES HOOD, Executive, Standard Oil of Indiana, Room 359, 910 South Michigan, 431-6314.

ALLEN and Mrs. VIRGINIA MC DONALD, home telephone CL 3-7480. Mrs. MC DONALD is Assistant Chairman, Cook County Republican Party, 235 East Wacker Drive, Chicago.

Mrs. PATRICIA HUTAR, President, Public Affairs Service Associates, Inc., Pure Oil Building, 35 East Wacker, 782-4122.

Miss MARA LATSON, Assistant to Mrs. HUTAR.

BRIAN DUFF, 618 Maple, Wilmette, home phone AL 1-3815; business 1701 Central Street, Evanston, Illinois, telephone 864-3322, or 869-5421. (DUFF ran for Illinois State Auditor on Republican ticket - not nominated.)

The following who attended Mr. BARR's party were contacted on April 26, 1968:

BRIAN DUFF stated he had no recollection of any conversation concerning a chauffeur of KING. DUFF gave the following seating arrangements for the persons at this party and this listing goes from left to right:

Senator BENNETT, Mrs. VIRGINIA MC DONALD, Mr. ALLEN MC DONALD, BETH GUYER, BRIAN DUFF, MARA LATSON, CHARLES HOOD, FRANK WOOLLEY, CHARLES BARR and PATRICIA HUTAR.

FRANK WOOLLEY stated he attended the dinner party April 3, 1968, for Senator BENNETT, sat with HOOD on his left and BARR on his right; however, he recalled no conversation concerning Doctor KING's chauffeur.

Mrs. VIRGINIA MC DONALD advised no person ever worked for her or her husband who subsequently worked for KING and she recalled no conversation at the dinner party for Senator BENNETT concerning KING's chauffeur.

Mrs. PATRICIA HUTAR stated she heard no conversation concerning KING's chauffeur at the dinner party for Senator BENNETT; however, at the reception preceding this dinner party she recalls hearing such a conversation as related by HAROLD RAINVILLE, Administrative Assistant to Senator EVERETT DIRKSEN. It was her recollection that this story was related by RAINVILLE concerning KING's driver and money maintained by the driver in a bag.

HAROLD E. RAINVILLE, Administrative Assistant to Senator EVERETT DIRKSEN, 219 South Dearborn, Chicago, Illinois, advised as follows:

RALPH KUNSTADTER, Pediatrician, home 900 North Michigan, office 664 North Michigan, office telephone DE 7-4545, Chicago, Illinois, sometime in the past had advised that he at one time employed a man as a chauffeur who subsequently worked for KING as a chauffeur. This man had been required to carry large sums of money in a bag for KING and this man was scared that someone would rob him of this money. This man had been advised by Doctor KUNSTADTER to contact RAINVILLE but this man failed to so contact RAINVILLE.

Doctor RALPH KUNSTADTER, 664 North Michigan, Chicago, Illinois, advised that for several years his family had employed an elderly colored male, KELLY WILLIAMS, as a chauffeur. Approximately 18 months ago this man had been released from his service by KUNSTADTER because of his physical condition which Doctor KUNSTADTER recalled as being syphilis of the brain. Doctor KUNSTADTER stated this person was probably deceased by now as he was over 65 and on Social Security.

Doctor KUNSTADTER stated he later heard this man went to work for KING but he had no recollection of hearing anything to the effect that this man was required to carry over \$200,000 in cash in a black bag at all times for KING.

KUNSTADTER stated that approximately one year or so ago this man had contacted his family and allegedly had some knowledge of threats which had been made against Senator DIRKSEN. Doctor KUNSTADTER accordingly attempted to have WILLIAMS contact Senator DIRKSEN's office concerning this matter.

It is to be noted that in September, 1966, the Chicago Office conducted extensive investigation concerning a similar story concerning a person who allegedly worked for Doctor KING as a chauffeur and who formerly worked for Doctor RALPH KUNSTADTER. This investigation developed the identity of this individual as KELLY WILLIAMS, full details of which were furnished to the Bureau. No further investigation was conducted at that time due to the readily apparent mental problems of WILLIAMS, coupled with the serious doubts which were cast on his veracity.

OTHER INVESTIGATION

Re: WILLIAM FERBER or
WILLIAM FARBERS (Look Alike)

On April 18, 1968, at 3:15 PM, CLARENCE PETERSON, Assistant Vice President, Amalgamated Bank, 111 South Dearborn Street, Chicago, telephonically advised that an unknown white male, strongly resembling the likeness of ERIC GALT, appearing in the April 18 issue of the "Chicago Tribune" appeared at this bank shortly before 12:30 PM and requested to purchase a \$10,000 certificate of deposit (savings) for cash. Mr. PETERSON inquired as to whether the unknown male had an account with Amalgamated and was informed that he did not. Mr. PETERSON then proceeded to make inquiry concerning this unknown male's background whereupon he became reluctant to furnish background information and inquired why it was necessary for him to identify himself. Mr. PETERSON informed the unknown male that it was the bank's policy to have some identifying information and background concerning its new customers whereupon the unknown male produced a driver's license issued by the State of Wisconsin containing the name WILLIAM FERBER or WILLIAM FARBERS. The unknown male explained that he presently resided in another state and that this license was the license issued to him when he resided in Wisconsin.

Mr. PETERSON advised he turned the driver's license over on its reverse side to observe the signature which he found was obscured from view by a card containing the words, "National Association of Ballroom Dancers." Mr. PETERSON advised that before he could examine the driver's license any further, the unknown male grabbed it out of his hands stating he could not see why he had to furnish any information about himself. Mr. PETERSON then stated that before he could obtain a certificate of deposit, he would be required to fill out the necessary savings account forms and furnish specimens of his signature which he, PETERSON furnished to the unknown male. The unknown male informed PETERSON that he would fill out the signature cards at the counter and left PETERSON's desk and proceeded to a counter in the lobby of the bank. PETERSON stated that he left his desk temporarily for only a few seconds to report this incident to his superiors and turned around to see if the

unknown male had finished executing the cards and returned to his desk whereupon he found that the unknown male had disappeared from the bank. Mr. PETERSON said that he immediately examined all the waste receptacles in the vicinity of the lobby counter where the unknown male was last observed and failed to find the blank savings account signature cards indicating that these blank cards were apparently not left in the bank by the unknown male.

PETERSON said during his lunch hour from 12:30 PM to about 1:30 PM, he was reading the "Chicago Tribune" and observed the photograph of subject GALT appearing therein and immediately felt that it was a strong likeness of the individual who had just attempted to obtain a certificate of deposit at Amalgamated.

PETERSON described this unknown male as follows:

Name	WILLIAM FERBER or WILLIAM FARBERS
Sex	Male
Race	White
Age	About 35-40
Height	5'8" or 5'9
Weight	160-170
Complexion	Ruddy
Characteristics	Square jaw, clean shaven
Eyes	Dark
Hair	Brown
Wearing apparel	White shirt, three quarter length tan light weight coat.

Review of Chicago classified and telephone directories failed to locate any listing identifiable with National Association of Ballroom Dancers, however, a copy of the March, 1968, issue of "Ballroom Dance Magazine", published monthly by Dance Magazines, Inc., 268 West 47th Street, New York, New York, discloses numerous advertisements for ballroom dancing throughout the United States, only one of which is possibly identical with National Association of Ballroom Dancers which is "Ballroom Dancers Association, Inc., " 756 7th Avenue, New York, New York.

On April 25, 1968, the New York Division advised that the National Association of Ballroom Dancers is unknown to the officials of Dance Magazine, Inc., and Ballroom Dancers Association. RE: LOOK-ALIKE DRIVING BLUE CHEVELLE
BEARING ALABAMA LICENSE 42-7866

On April 18, 1968, Sergeant SAUTZUS, 9th District, Chicago Police Department, telephonically advised the Chicago Office of the FBI that Mr. SOL LEVIN, 7337 South Shore Drive, Chicago, reported seeing an individual resembling the assassin of Doctor MARTIN LUTHER KING driving a late model Chevelle bearing Alabama license 42-7866 in the vicinity of 31st Street and South Halsted Street, Chicago, Illinois. Upon interview by SA JOSEPH S. REICHART, Mr. LEVIN stated that a photograph of JAMES EARL RAY somewhat resembled the individual he had seen in the Chevelle; however, Mr. LEVIN was not able to describe that individual in any detail. He did say, however, that the individual was accompanied by a blonde woman.

On April 24, 1968, the Birmingham Division advised that 1968 Alabama license 42-7866 was issued to EDGAR F. BORDEN, Moulton, Alabama. Mrs. WALCIE JOHNSON, BORDEN's mother, advised that her son was last known to be residing at 2344 Sacramento, Chicago, but is in the process of moving to an unknown address at San Angelo, Texas.

On same date, the Dallas Division advised that EDGAR FLOYD BORDEN, San Angelo, Texas, was interviewed on same date and he advised that although instant vehicle is still registered in his name, he sold the vehicle to RUSSELL RALPH, 2344 South Sacramento, Chicago, Illinois. Interview with BORDEN determined him not to be identical with JAMES EARL RAY.

On April 25, 1968, an individual identifying himself as RUSSELL MILLER, 1811 South Ashland, Chicago, Illinois, telephonically contacted the Chicago Office of the FBI and said that he had heard from his friend, EDGAR FLOYD BORDEN, that the FBI was looking for the car that he was driving. He advised that he could be contacted at

the above address on the following date.

On April 26, 1968, investigation to locate RUSSELL MILLER at the above address proved negative; however, individuals residing at that address stated that the photograph of JAMES EARL RAY did not resemble anyone residing at that address.

On April 29, 1968, RUSSELL RALPH, also known as RUSSELL MILLER, was interviewed at his residence, 2344 South Sacramento, first floor, Chicago, Illinois. He advised that he no longer had the car in question but that he was driving it on April 18, 1968, in the vicinity of 31st Street and South Halsted Street in the company of a blonde woman. Further inquiry revealed that RALPH, born [redacted] at Ypsilanti, Michigan, is 6'1" tall, and weighs 210 pounds. A comparison of the scars and marks and fingerprints of JAMES EARL RAY with those of RUSSELL RALPH determined that RALPH was not identical to RAY.

Re: JOSEPH CLAYTON MONTAGNE

On April 19, 1968, the Springfield Division advised that information had been received from the Jackson Division that the Pascagoula, Mississippi, Police Department stopped an individual driving a white Corvair bearing 1968 Illinois license DG 3109. He identified himself as above. He was accompanied by another white male whose identity was not determined and MONTAGNE indicated he was a musician and the other person indicated he was a seaman, with both heading for New Orleans.

The officer who stopped the above individuals said that MONTAGNE resembled the photograph of the subject.

Indianapolis Division developed from auto registration records that the above license plate registers to RAYMOND HILLBURN, 6039 North Ridge, Chicago, for a 1956 Dodge. No other registration or drivers license information regarding MONTAGNE.

On April 20, 1968, MARIA HILLBURN, former wife of RAYMOND HILLBURN, 4700 Magnolia Street, Chicago, advised SA JAMES W. SWINFORD that HILLBURN purchased a white Corvair convertible, model unknown, approximately two weeks ago and departed the Chicago area for Alabama on April 5, 1968. She further advised that she had been contacted telephonically by her husband on April 19, 1968, at which time he advised her that he is now residing with LUCILLE HASSEY, 130 Patton Street, Montgomery, Alabama, telephone 265-4836. Mrs. HILLBURN advised that her husband in no way resembles the photograph of the subject, nor is she acquainted with any associate of his who could be identical with the subject. She said that the name of JOSEPH CLAYTON MONTAGNE is completely unknown to her.
