On 5/15/68, ROBERT WELCH, Director, John Birch Society, Belmont, Massachusetts, advised he could locate no record of membership for JAMES EARL RAY or any of his aliases.

WELCH advised that the Society has 450 bookstores in the United States and the suspect could have purchased material at any of said stores without his name being recorded. He stated that they receive thousands of inquiries for material by correspondents and by telephone, and that they do not index the inquirer's name.

WELCH offered his full cooperation in this matter if additional specific leads are referred to him.
