1 - Mr. Long 1 - Mr. Sullivan

1 - Mr. Martindale

This case involves the murder of Martin Luther King, Jr.

The Memphis Police Department has received several anonymous letters from Hamilton, Ontario, Canada, alleging that Ray is at some ruins south of Mexico City. A similar letter has now been received alleging Ray is buried in the ruins and enclosing a rough map indicating the grave. This is being expeditiously checked out.

James L. Owens, who participated with Ray in the 1959 robbery for which Ray received a twenty-year sentence, frequently saw Ray in Missouri State Penitentiary. He has advised Ray sold drugs in the prison and also operated a "three for two" loan business. Owens expressed the opinion Ray would not have accumulated over \$1,000 from these sources by the time he escaped.

Kenneth Lee Wade, San Francisco, former inmate at Missouri State Penitentiary, has alleged that he, Ray and three others earned \$1,000 a month from the sale of drugs in the penitentiary. Wade is being interviewed in detail to determine if this is true and if so, how and where Ray maintained his share of the proceeds.

Jerry Raynes, subject's father, St. Louis, was recently visited by subject's brothers John, of St. Louis, and Jerry, of Chicago. Both brothers were drinking. Raynes now states that during this visit Jerry mentioned something about the subject's having been in Chicago in the summer of 1967. He says he cannot remember anything more specific about the conversation and that he may have misunderstood Jerry.

SEE NOTE ON REVERSE SIDE

This case involves the murder of Martin Luther King, Jr.

On 5/17/68 William Thomas, City Editor, and Jerry Cohen, reporter, Los Angeles "Times" furnished the following information.

On 5/13/68 or 5/14/68 the "Times" was telephonically contacted by a man who claimed to have information concerning the death of Martin Luther King, Jr. Thomas talked to this man on the telephone three or four times and on the evening of 5/16/68 Thomas and Cohen met this man at a bar. He identified himself only as Bob. From his conversation, Thomas and Cohen believe Bob has been in several penitentiaries.

Bob related a fantastic account of an alleged conspiracy in connection with King's death. The details, which will be discussed later in this memorandum, are at variance with the results of our investigation. Specific investigation to check out Bob's story has failed to verify any relevant allegation and it appears very doubtful he has any knowledge of the case; however, we are continuing investigation in this regard and are making every effort to identify and locate Bob for interview.

The "Times" gave Bob \$100 on the evening of 5/16/68. He said he needed this money to leave town. The "Times" does not know how to contact him and does not expect to hear from him again.

Thomas said the "Times" sole purpose was to get a story out of Bob's material but he did not wish to interfere with the Bureau's investigation and although reporters were standing by in Kansas City, Memphis, Birmingham, Huntsville, and Miami, no overt steps had been taken to verify Bob's story and nothing would be published before 5/21/68. Thomas said he was also contemplating making this information available to the Attorney General.

Memorandum to Mr. DeLoach
RE: MURKIN

Details of Bob's allegations are set forth below.

1. **BOB ALLEGES:** The day before the shooting, Ray was picked up in Athens, Alabama, and taken to Memphis.

FACTS: King was killed 4/4/68. Ray, as Eric S. Galt, registered at the Rebel Motel, Memphis, 4/3/68 and checked out 4/4/68. Motel records show he was driving his Mustang.

2. **BOB ALLEGES:** At the Memphis rooming house from which the shot was fired, another man registered as Samuel Lewis. Lewis was the backup man to kill King at the rally on the night of 4/4/68 if Ray was unable to perform the murder from the rooming house.

FACTS: The proprietor of the rooming house states Lewis is unknown to her either by name or as a guest registering on 4/4/68.

3. **BOB ALLEGES:** Lewis' rifle was left in the furnace of the rooming house and is believed to still be there.

FACTS: The rooming house has no furnace. No such rifle has been found.

4. **BOB ALLEGES:** After the shooting, Ray walked two or three blocks to the getaway car accompanied by a man and a woman. Ray's Mustang was not in Memphis 4/4/68.

FACTS: Investigation indicates Ray left Memphis alone in his Mustang which was parked near the rooming house.

5. **BOB ALLEGES:** The getaway car was a new Buick with Alabama license plates, equipped with a police radio, and owned and driven by Eddie Wilburn, Huntsville, Alabama, a member of the local Veterans of Foreign Wars.

FACTS: Veterans of Foreign Wars, Huntsville, does not have such a member but one Esmond Wilburn, also known as Eddie, sometimes visits the club. Wilburn owns a Cadillac and is employed by a health insurance company. He denies having been out of Alabama since December. He was in Huntsville 4/3-6/68 according to company production records and the personal recollection of his employer.

Memorandum to Mr. DeLoach
RE: MURKIN

6. **BOB ALLEGES:** Upon leaving Memphis, Ray, Wilburn, and two girls and a child from Huntsville, drove to Kansas City in six and one-half hours.

FACTS: Investigation indicates that when Ray left Memphis he drove alone to Atlanta in his Mustang.

7. **BOB ALLEGES:** In Kansas City Ray spent the night in a small one bedroom, gray-shingled house about three miles from the center of the city.

FACTS: Although the "Times" provided a rough map drawn by Thomas based upon information furnished by Bob, investigation has failed to locate the Kansas City house described by Bob.

8. **BOB ALLEGES:** Ray left Kansas City at dusk, 4/5/68, and was flown to Belle Glade, Florida, in a private airplane owned by William Pierce, a wealthy Ku Klux Klan member who owns a Belle Glade airport, a motel, cottages on a nearby lake, and once owned a contracting company in Cuba. Pierce often flies his own plane to New Orleans, is acquainted with New Orleans District Attorney Jim Garrison and is related to Eddie Wilburn.

FACTS: No person meeting Pierce's description could be found. One William L. Pierce, a Belle Glade welder, formerly owned a migrant boarding house and was briefly wealthy over twenty years ago when he sold a rope making machine in Cuba. One Leland Clifford Pearce owns cottages at a lake near Belle Glade and formerly sold cattle to Cuba. Neither Pierce nor Pearce flies nor owns a plane and both deny knowing Jim Garrison or being related to Eddie Wilburn.

9. **BOB ALLEGES:** On 4/11/68 Ray boarded a charter boat or yacht at Key West owned by Ben Thompson.

FACTS: No such boat has been located. Benjamin Larnard Thompson, Jr., Miami, states he operated fishing boats off the Florida Keys prior to August, 1966. He denied any knowledge of this matter.

Memorandum to Mr. DeLoach
RE: MURKIN

10. **BOB ALLEGES:** In the weeks before the killing, Ray stayed at Belle Glade.

FACTS: Investigation at Belle Glade has been negative. Ray is known to have been living in Los Angeles from November, 1967, until 3/17/68. He was in New Orleans on about 3/21/68, checked into an Atlanta rooming house, 3/24/68, was in Birmingham, 3/29-30/68, paid rent in Atlanta, 3/31/68, and was in Memphis, 4/3-4/68.

11. **BOB ALLEGES:** On the day of the killing Ray made telephone calls from Memphis to Belle Glade. The calls are believed to have been made from a bus station.

FACTS: This is being checked out.

12. **BOB ALLEGES:** The payoff was made through Wilburn in Reno, 4/3/68, by rigging a Keno payoff of \$25,000 at the CAL-NEVA Lodge. Charlie Cate, an employee of the lodge, was cognizant.

FACTS: The CAL-NEVA Lodge has been closed since Labor Day, 1967. One Charles Thomas Cate is a pit boss at the CAL-NEVA Club. He has been interviewed with negative results. The owner of the club states there was no Keno payoff on 4/3/68 of more than \$400 and there has not been a \$25,000 payoff for almost three years.

13. **BOB ALLEGES:** A man using Ray as a first name was in Room 700, Clark Hotel, Los Angeles, 4/17-18/68.

FACTS: This man has been identified as Raymond Andrew Young, Massena, New York, and has been eliminated.

14. **BOB ALLEGES:** Lamont White, Western Union employee in Los Angeles, sent money to Louisiana and purchased two pistols for Frank Brickley, Chattanooga, who was in prison with Ray.

FACTS: Leamont White, an effeminate Negro states: He has known Frank and Bob Brickley for five or six years. Both are heavy drinkers. White owned two pistols which disappeared in the summer of 1967 and he suspected Frank or Bob Brickley, or their

Memorandum to Mr. DeLoach
RE: MURKIN

cousin whose name he cannot recall, of stealing the guns from his home. About two months ago White got a collect call from Frank either from Nashville or Knoxville and sent him \$20 or \$30. He last saw Bob Brickley less than two months ago at which time Bob said Frank was in prison. White believes only the Brickleys or their cousin would know of the guns stolen from him and the money he sent Frank.

Frank Brickley is apparently identical with Frank William Brickley who has a lengthy criminal record but does not appear to have served time with Ray. We are seeking Brickley and his brother for interview.

15. **BOB ALLEGES:** Ray worked for a week as a bartender at Harold's Cafe, a "queer" bar in Los Angeles, where he is known by a man named Connie.

FACTS: The manager of Harold's is known as Connie. He and other personnel deny any knowledge of Ray.

16. **BOB ALLEGES:** Ray is or was married to Willi Shea, who once worked at the Top Rail Bar, Los Angeles.

FACTS: The Top Rail Bar does not normally employ women. Willi Shea is unknown there or at the home address furnished by Bob.

17. **BOB ALLEGES:** Ray used a telephone company credit card for various calls including those allegedly made from Memphis to Belle Glade. The credit card was issued to Riddell Catering, U. S. Rubber, Detroit, and was in the name of Riddell or a Robert Brinkley. Riddell lives in Harper Woods, Michigan.

FACTS: This is being checked out.

18. **BOB ALLEGES:** Samuel Lewis, the backup man at the Memphis rooming house, served time at Chillicothe and Terre Haute and was discharged in 1963 from prison in Milan, Michigan. Lewis spent the night of 4/4/68 in Memphis and took an early morning bus to Knoxville. On 4/7/68 left Knoxville by bus for Los Angeles via Memphis and El Paso. Bob furnished the "Times" a Greyhound bus ticket issued 4/7/68 at Knoxville for passage to Los Angeles via Memphis and El Paso.

Memorandum to Mr. DeLoach
RE: MURKIN

FACTS: The Los Angeles "Times" City Editor believes it is possible Bob is identical with Samuel Lewis. Investigation indicates Bob may be identical with Frank William Brickley. There is no evidence that there was such a backup man but Brickley and Lewis, if he exists, will be located and interviewed.

ACTION:

All aspects of this investigation are receiving vigorous attention.
