MURKIN

Re suspects W. Davis, B. Chidlow, Vincent Walker, and Lawrence Rand.

Reference is also made to your teletype 4-5-68 setting forth information furnished by J. W. Farris, driver, Yellow Cab Company, Memphis, Tennessee, who reportedly had taken Vincent Walker and Lawrence Rand to the Municipal Airport after they had checked out of the William Len Hotel, Memphis. Bureau files indicate investigation conducted by Kansas City, San Francisco, and Houston regarding the identities of the above named individuals was negative. No information is located in Bureau files regarding what action your office has taken.

If not already handled, you should exhibit photographs of Ray to J. W. Farris and personnel at the William Len Hotel. You should attempt to obtain registration cards and/or any other identifying data which would disclose handwriting and/or possible latent fingerprints of Vincent Walker and Lawrence Rand. Determine whether or not Walker and Rand made or received any telephone calls while registered at the hotel and if so attempt to determine whom they may have contacted or by whom they were contacted. Recontact personnel at Delta Airlines, Memphis, and personnel at the Municipal Airport in an effort to further identify W. Davis and B. Chidlow and conduct necessary investigation to determine whether or not Davis or Chidlow are identical with Walker and Rand.

This is the case involving the murder of Martin Luther King, Jr.

At 9:30 p. m., 6/1/68, Moss Innes, Legal Attache, Ottawa, Canada, telephonically advised that the Roayl Canadian Mounted Police (RCMP) are conducting a survey of Canadian passports in an attempt to locate James Earl Ray. RCMP investigators have located Canadian passport number DJ909324 for one Ramon George Sneyd issued 4/24/68, at Ottawa. This passport contains a photograph of Sneyd which RCMP advises is very definitely similar to Ray and there is good probability it is a photograph of Ray.

Sneyd's application for passport was filed on his behalf by the Kennedy Travel Bureau, 962 Dundad Street West, Toronto, and was handled by Miss L. Spencer who RCMP is attempting to locate for interview. Sneyd filed an affidavit in lieu of listing a guarantor that he had only been in Toronto three weeks and did not know a guarantor. Passport data listed Sneyd as white male, born [redacted] at Toronto, five feet ten inches in height, 168 pounds in weight, black hair, blue eyes, residence 968 Dundad Street, Toronto (RCMP established this to be a Chinese rooming house where Sneyd arrived 4/19/68, and roomed for three weeks). He also listed as a friend Paul Bridgman, 102 (or 108) Ossington Street, Toronto (RCMP has been unable to locate Bridgman to date).

REC 88

The purpose for the Canadian passport was for Sneyd to fly to London, England, 5/6/68, via British Overseas Airlines Company (BOAC) and return to Canada 5/21/68. RCMP as yet has no information as to what BOAC flight Sneyd may have taken to London and there is no indication he has returned to Canada.

Memorandum to Mr. DeLoach
RE: MURKIN

RCMP has instructed their personnel to go all out to further identify and locate Sneyd. The handwriting on the application is being examined by the RCMP and will be forwarded to FBI Laboratory by the Legal Attache, Ottawa, along with a photograph of Sneyd.

Based on name checks and data furnished, there is no identifiable record of Sneyd in Bureau Indices, Bureau Fugitive Indices, National Crime Information Center or Identification Division files.

The Identification Division has a record on one Paul Osborn Bridgeman, FBI number 352 520 C, who was last fingerprinted by Department of Correction, Jefferson City, Missouri, on 4-23-65, on a robbery charge. Bridgeman received a five-year sentence which was commuted on 1-16-68.

ACTION: The Legal Attache, London, has been instructed to have investigation conducted through his sources to attempt to identify and locate Sneyd in London and to determine through BOAC if Sneyd did arrive in London and his movements subsequent to arrival.

We are affording this case top priority attention.

Reference is made to memorandum A. Rosen to Mr. DeLoach dated 5/22/68.

[Handwritten initials]

This case involves the murder of Martin Luther King, Jr.

Liaison was requested to contact the Chief Postal Inspector without identifying the case involved and obtain his clearance to publish ~~some~~ an advertisement designed to solicit a reply from a particular fugitive.

On 5/27/68 this matter was discussed with Mr. Henry B. Montague, Chief Postal Inspector, U.S. Post Office, Washington, D.C., who advised as follows:

Montague stated that the subject of hypnosis is most controversial, particularly among the medical profession, and his Department has several pending false representation cases where claims regarding hypnosis were too grandiose in offering positive results. *[Handwritten 'W']*

Montague, after reviewing the sample advertisement as set forth in referenced memorandum, stated that as presently written, it would probably bring strong complaints from the medical profession as well as Better Business Bureaus. He suggested that the word "positive" be eliminated and the sentence "Results guaranteed or your money back" be replaced by "Money back if not completely satisfied." He stated these minor changes would make the advertisement inoffensive since no positive claims would be made and the Post Office would then be in a position to so advise anyone who lodged a complaint. Montague stated the advertisement, with the above-mentioned changes, would not violate postal laws and could be used by the Bureau in an effort to obtain the desired results.

Memorandum to Mr. D. J. Brennan, Jr.
RE: MURKIN

Montague stated that when final arrangements were made to run the advertisement, he should be advised of the address where inquiries would be received. He explained that if any inquiries or complaints were made in the field to Postal Inspectors, they would submit this information to the Inspector in Charge of the District where the addressee is located. Montague could then insure that all inquiries concerning this particular advertisement would not receive any investigative attention by his Department.

2 Re SA airtel to the Director, dated 5/21/68.

RE TELEPHONE CALLS BY SUBJECT RAY EN ROUTE FROM
 LOS ANGELES TO NEW ORLEANS.

Page 2 of referenced airtel sets out leads for the El Paso Office at El Paso, Guadalupe Peak, and Alpine, all Texas, regarding telephone calls received by individuals in those communities.

The telephone calls to El Paso and Alpine were checked out and it was determined that the persons receiving these telephone calls were not acquainted with JAMES EARL RAY and had never been in contact with him, according to their own statements.

It was determined that the telephone number at Guadalupe Peak, namely 915-828-1819, was a non-existent or incorrect number. *W*

On 5/31/68, an FTS telephone call was made to the San Antonio Office, at which time SAC J. MYERS COLE was requested to have the telephone company records rechecked in an effort to ascertain the correct telephone number at Guadalupe Peak, Texas.
