In view of JAMES EARL RAY's inquiry as early as December, 1967, regarding entry into Rhodesia and on the basis of limited information available to WFO, it appears his escape from the USA was well planned. The following observation is submitted for consideration:

Should it be impossible to determine if subject as RAMON GEORGE SNEYD has left any foreign city to which he is traced, it is suggested that foreign authorities canvas hotels or drinking establishments. It is believed subject's attendance at a bar tenders school in Los Angeles and his interest in lock picking fits into plans for his new identity. This then would indicate that RAY plans to work as a bartender in a hotel, possibly catering to tourists, and during off-duty hours apply any training he received on lock picking to burglarize hotel rooms.

This investigation may be shortened by circularizing all American hotels abroad.

The statements of the family members were then compared with each other and with the statements of the other witnesses. The statements of the family members were then compared with the statements of the other witnesses. The statements of the family members were then compared with the statements of the other witnesses.

On 11/11/68, the FBI received a letter from the Los Angeles Office, dated 11/11/68, regarding the above captioned matter. The letter advised that the Los Angeles Office had received information from a confidential source that the source had been contacted by an individual who offered the source \$10,000 to travel to Mexico and meet with a certain individual. The source refused the offer and the individual threatened to expose the source's activities to the FBI. The Los Angeles Office is currently conducting an investigation into this matter and has requested the FBI to assist in the investigation.

Re Birmingham teletype to Director, FBI, 4/23/68.

The following investigation was conducted by SAs RICHARD J. DARRAGH, JR. and DENNIS L. PLOEGER at Indianapolis, Indiana:

On 6/5/68 GARVER WHEELER, Editor, "Journeyman Barber" Magazine, published by The Journeyman Barbers Hairdresser, Cosmetologists and Proprietors International Union of America, AFL - CIO, 1141 North Delaware, Indianapolis, Indiana, advised that the article pertaining to the subject which he originally agreed to publish in the July, 1968 edition of his Union's magazine, was shown to Mr. JOSEPH N. DE PAOLA, the President of this Union on 6/5/68. When Mr. DE PAOLA viewed the article and photograph, he immediately and without hesitation told Mr. WHEELER that the article would not be published. This decision is final. When Mr. WHEELER asked DE PAOLA what reason he wanted given to the FBI, Mr. DE PAOLA told him to "them" that the edition is filled up. Mr. WHEELER advised that he was furnishing this on a strictly confidential basis. He advised that in conversation with DE PAOLA, DE PAOLA advised that the matter was too highly controversial in view of the Negro-White member makeup of the union and he did not want anything this highly controversial in the magazine.

Mr. WHEELER further advised that DE PAOLA "plays politics" and he, WHEELER, feels that this is possibly part of the reasoning behind DE PAOLA's decision. Mr. WHEELER would not further explain this thinking.

Mr. WHEELER advised that he would continue to cooperate in the future concerning the publication of items pertaining to Bureau fugitives, as he has in the past, but that he is unable to publish the article in instant matter.

Mr. WHEELER apologized for his not being able to publish instant article after having agreed to do so, but stated that he did not feel that DE PAOLA would overrule him. He professed his continued cooperation in the future.
