to an existent PAUL EDWARD BRIDGMAN who resides at 80 Cassandra Street, Toronto, and who is a reputable citizen employed as a consultant for the Board of Education.

Interviews of both the real BRIDGMAN and his wife by Royal Canadian Mounted Police (RCMP) officers in Toronto failed to establish any method by which subject obtained the biographic information set forth in his letter to the Bureau of Vital Statistics but both BRIDGMAN and his wife recall having received several telephone calls in early April, which at the time appeared to them to be innocuous, wherein they believed the caller claimed to be a representative of the Canadian Immigration Department and inquired as to whether BRIDGMAN had applied for passport. Both state that they at no time furnished to the unknown caller any information concerning PAUL E. BRIDGMAN's background.

Attachment number one to this insert is a photographic copy of the letter directed by subject to the Bureau of Vital Statistics, Toronto, dated April 10, 1968, requesting the BRIDGMAN birth certificate.

On April 11, 1968, subject, as BRIDGMAN, visited the Arcade Photo Studio, Toronto, and obtained passport size photographs.

On April 16, 1968, subject, as RAMON GEORGE SNEYD, obtained a room at 962 Dundas Street West, Toronto, a second rate rooming house, operated by a Chinese woman named Mrs. Sun Fung LOO.

It appears that he obtained this room as a result of a sign, room for rent, in a front window and he paid one week's rent in advance (\$9.00) with the understanding that he would take occupancy on April 19, 1968.

On April 16, 1968, subject, as RAMON GEORGE SNEYD, visited the Kennedy Travel Bureau, 424 Bloor Street West, Toronto, where he arranged with Miss LILLIAN

SPENCER, Manager of that travel bureau office, for a round trip ticket via British Overseas Airline Company (BOAC) from Toronto to London. In connection with arranging this reservation, it was necessary for subject to furnish an Affidavit for a Canadian passport which he did in the name of RAMON GEORGE SNEYD, listing his date of birth as [REDACTED], and giving his address as 962 Dundas Street, Toronto. In answer to a requirement in connection with the passport application for the name of a sponsor, EARL indicated that he had only been in Toronto for three weeks and had no local sponsor. In answer to the question on the application as to who should be notified in the event of an emergency, EARL listed the name PAUL BRIDGMAN and the address of 102 Ossington Avenue, Toronto.

In answer to Miss SPENCER's request for three passport photographs, RAY furnished to her three copies of the photograph which he had previously obtained from the Arcade Photo Studios on April 11, 1968, under the name of PAUL BRIDGMAN. It is noted, however, that nowhere on the photograph does any name appear.

As a result of a request made by subject at that time, Miss LILLIAN SPENCER obtained through BOAC, reservations for him to travel to London departing from Toronto on May 6, 1968, via BOAC Flight 600 and returning to Toronto on May 21, 1968, via BOAC Flight 601.

Anticipating that it would take approximately ten days to receive the passport, Miss SPENCER suggested that subject return to pick up his ticket and his passport in about ten days.

On April 16, 1968, subject wrote a letter to the Bureau of Vital Statistics, Toronto, requesting birth certificate in the name of RAMON GEORGE SNEYD, listing his date of birth as [REDACTED] at Toronto, setting forth his father's name as GEORGE SNEYD and his mother's maiden name as GLADYS MAE KILNER and requesting that it be sent to 962 Dundas Street West, Toronto.

A photographic copy of this letter is attachment number 2 to this insert.

It is noted that according to Mrs. FELIKSA SZPAKOWSKA, landlady at 102 Ossington Avenue, Toronto, a letter arrived for subject as PAUL E. BRIDGMAN at the Ossington Avenue address from the Bureau of Vital Statistics, Toronto, several days before he left that address and although she pointed out to him on at least two occasions that the letter was on a table and for him, he never did take possession of it and, therefore, after he departed from the Ossington Avenue address, she returned it to the Bureau of Vital Statistics. On April 17, 1968, Miss LILLIAN SPENCER, Kennedy Travel Bureau, Toronto, addressed a letter to the Canadian Passport Department, Ottawa, forwarding subject's application under the name of RAMON GEORGE SNEYD and enclosing a \$5.00 money order, which is the standard fee for a passport.

On April 19, 1968, subject, as RAMON GEORGE SNEYD, moved into the rooming house at 962 Dundas Street West, had no baggage according to Mrs. Sun Fung LOO, landlady at that address and she did not see him thereafter until April 26, 1968. According to Sun Fung LOO, subject did not appear to make friends with anyone in the rooming house and she had no knowledge as to any employment or other activities on his part.

On April 20, 1968, subject, as RAMON GEORGE SNEYD, listing his address as 962 Dundas, wrote a letter to the Kennedy Travel Bureau informing them that he had to go to Capreol for several weeks on business and would pick up his passport upon his return.

It appears he was referring to Capreol, a small town in northern Ontario. RCMP investigation indicates that subject was not known in that small town nor was there any evidence that he had actually gone there.

Photographic copy of the letter of April 20, 1968, is attached hereto as attachment number 3.

With regard to the RAMON GEORGE SNEYD identification used by RAY, commencing approximately April 16, 1968, it is noted that there is an existent RAMON GEORGE SNEYD, a police officer in the Metropolitan Toronto Police Department (MTPD), who has been so employed for over 12 years, who resides at 1731 Victoria Park Avenue, Toronto, and whose biographic background is identical with that furnished by subject when RAY wrote to the Bureau of Vital Statistics at Toronto, on April 16, 1968, requesting a birth certificate in that name. Interviews of the real RAMON GEORGE SNEYD by representatives of both the RCMP and MTPD have failed to establish any information as to how subject obtained the necessary background data to apply for the birth certificate in that name. The real SNEYD has advised that he did not know subject and when shown photographs of him, stated that insofar as he could recall, had never seen him.

Mrs. Sun Fung LOO, landlady at 962 Dundas West, advised during interview that the next contact she had with subject, subsequent to his moving into her rooming house on April 19, 1968, was on April 26, 1968, when he paid her another week's rent in advance and told her that since he had last seen her he had gone back to Montreal.

According to Mrs. Sun Fung LOO, she did not again have any contact with the subject until May 2, 1968, when he again paid her one week's room rent in advance.

On May 2, 1968, RAY, as SNEYD, visited the Kennedy Travel Bureau, Bloor Street, Toronto, and picked up his Canadian Passport and round trip ticket via BOAC to London. It is noted this ticket called for his departure from Toronto on BOAC Flight 600, May 6, 1968, with a schedule of return by BOAC Flight 601 on May 21, 1968.

According to Miss SPENCER, Manager of the Kennedy Travel Bureau, subject paid \$345.00 in Canadian funds for the round trip ticket and during interview,

Miss SPENCER was very emphatic that it was Canadian money that he used, pointing out that if it had been American money, she would have become involved in the exchange rate, etc., which she could not possibly have forgotten.

On May 6, 1968, subject, as RAMON GEORGE SNEYD, departed Toronto International Airport via BOAC Flight 600 at 7:00 P.M. for London, England. During interview by RCMP, Mrs. Sun Fung LOO, landlady at 962 Dundas West, advised that not until May 10, 1968, did she realize that subject, as SNEYD, had abandoned his room in her rooming house so that she does not actually know when he left, as she had not seen him subsequent to the occasion on May 2, 1968, when he paid one week's rent in advance.

It is noted that while both landladies and the Manager of the travel bureau in Toronto, as well as the employee at the Arcade Photo Studios, Toronto, all recognized the passport photograph of subject, none could make a positive or even strong identification of any other available photographs of RAY. It is also pointed out that according to RCMP investigation in Toronto, those individuals who had contact with the subject during his stay in Toronto, from April 8, 1968, to May 6, 1968, advised that he wore glasses at all times and none had seen him without them.

One of the suggestions as to how subject got the necessary background data concerning both BRIDGMAN and SNEYD to obtain birth certificates in both names is through a check at the morgue at the local Toronto newspaper or possibly a similar check of newspapers available in the public library. This suggestion was advanced since announcements of births appear in Toronto newspapers, listing in addition to the date of birth, the names of the parents. It is noted that both SNEYD and BRIDGMAN were born within approximately one month of one another, that is [redacted] and [redacted] respectively. [redacted]

The switch from the BRIDGMAN identity to the SNEYD identity in Toronto appears to have possibly been triggered by some suspicion of RAY's that the BRIDGMAN identity was heating up. However, investigation in Toronto, such as a review of MTPD records to ascertain whether BRIDGMAN might have been stopped on a routine or other type check in Toronto, during the time that subject was using that identity, has failed to develop any record of such a check.

No logical explanation has been developed as to why subject, once he decided to abandon the BRIDGMAN identification, continued to reside at the 102 Ossington Avenue West address, particularly, since the landlady at that address had stated that on at least two occasions she called his attention to the fact that there was a letter there for him from the Bureau of Vital Statistics, Toronto, which presumably contained the birth certificate which he had requested.

It is alsoworthy to note that RAY appeared to have gone through the necessary procedure to obtain the RAMON GEORGE SNEYD birth certificate from the Bureau of Vital Statistics in Toronto, even though it was not necessary in connection with his passport request for his obtaining of passage by BOAC to London. This is evidenced by the fact that his letter applying to the Bureau of Vital Statistics for the SNEYD birth certificate was dated on exactly the same date on which he had arranged, through the Kennedy Travel Bureau, for his Canadian Passport.

My memorandum of 5-13-68 reflects that Frank, who is the author of the well-known book entitled "The Boston Strangler," contacted me on that date advising that his publisher, New American Library, Inc., was interested in him doing a book on the assassination of Martin Luther King. Frank stated that he would want to review Bureau files, interview Agents working on the case and "work very closely with the FBI at this time." My memo reflected that I informed him of the confidential nature of data in Bureau files and advised him that until the prosecution in instant case was completed, it was premature to even consider the authorship of a book with Bureau cooperation.

CURRENT DEVELOPMENT:

Frank telephoned me on the morning of 6-10-68 again reiterating his desire to do a book on the above captioned matter and wished to know if it would now be possible for him to interview Agents and look at files in connection with his planned book. I told him that what I had informed him previously still stood and that it was still premature to discuss such a book with Bureau cooperation and we could not even consider such a matter until prosecution was completed.

None. For information.

Legal Attache Minnich called from London at 4:40 p. m., 6/10/68. He had just received word that an official of the Home Office had met with members of the American press in London on a non-attributable basis. The purpose of the meeting was to clarify issues in connection with captioned case.

The British representative specified to the press that there will not be any deportation of Ray in lieu of extradition. He stated that extradition will now definitely take place rather than deportation proceedings. He told the press that subject Ray will be transferred from Brixton Prison to Wandsworth Prison inasmuch as Wandsworth offered better facilities for two men to keep a 24-hour watch on Ray.

The British representative told the American press that there was no chance of subject Ray being extradited for at least four weeks. He stated they should not gain the idea that legal proceedings will take anything other than the full course of British justice.

Minnich advised me that his own interpretation, based upon a knowledge of British justice, is that it will take approximately three and a half weeks to six weeks before Ray is extradited to the United States.

Minnich also mentioned that Vinson has made inquiries regarding flights back to the United States as of Tuesday, 6/11/68. Minnich stated that Vinson has accomplished his obvious purposes of getting publicity for himself and the Attorney General. He stated that the basis of Vinson's trip was only too obvious to both the British and the American press. Minnich also told me that Vinson has finally discovered he has no conception whatsoever regarding the British people and British law. He stated that Vinson had dropped into the Legat's Office on at least three or four occasions that date, 6/10/68, to ask for advice and counsel and for explanations so that he will understand matters.

Re: MURKIN

Minnich told me that there is approximately a ninety-nine and nine tenths per cent chance that Vinson will not be able to inspect the Wandsworth Prison facilities. He also stated that Vinson's departure might be delayed because Vinson expects extradition papers to arrive Tuesday, 6/11/68, but it is somewhat doubtful these papers will be in London by 6/11/68.

OPERATIONS MEMORANDUM

TO: Ambassador, BOGOTA (For: Mr. Zuhensky)
FROM: Ambassador, CALI
SUBJECT: Suspect in King Case
REF:

DEPARTMENT OF STATE
DATE:

1968 JUN 10

SY/PRD DIV. OF
PROTECTIVE SECURITY

For whatever it may be worth Peace Corps Volunteer Patrick Martens has reported to us that he may have been in contact with the killer of Dr. Martin Luther King.

A man who identified himself as Chuck Kintner resided with Martens for 2 1/2 days from May 21 to 23 in the latter's home in Mandana, Cauca. Mandana is on the Pan American Highway in southwestern Colombia midway between Cali and Popayan.

Martens became suspicious of Kintner for a number of reasons. One of the first questions he was asked on meeting Kintner on May 21 concerned the finding of the killer of Dr. King. He showed Kintner a New York Times article on the killing and Kintner took an unusually long time to read it. In the 2 1/2 days they were together Kintner showed an inordinate interest in discussing the King murder, man's instinct to kill and the ease of killing. Although Martens has befriended many other American tourists passing through Mandana by permitting them to stay in his home this was the first time he had "felt a strange fear as if I were in the company of a killer or at least a potentially dangerous person." Another oddity was Kintner's tendency to wipe everything he touched.

Kintner is described as being about 69 or 70 inches tall and weighing about 150 pounds. He has light brown hair of medium length, plain features, light complexion, full eyebrows and a bushy mustache. Although he said he was 24 years old he could be at least five years older. After adding a mustache to a picture of the alleged assassin Martens stated that the results closely resembled Kintner.

Kintner informed Martens that he had entered Colombia at Cartagena from Vera Cruz, Mexico, on a freighter on May 1. He had visited several cities in Colombia and implied that he was enroute to Ecuador. (DAS in Cartagena has no record of a Chuck or Charles Kintner.)

Kintner claimed that he was from California (although he has a slight southern accent), had served in the Marine Corps until January, 1966 and had spent six months in Vietnam. He also informed Martens that he had attended the University of California in Berkely and had received an M.B.A. from the University of Arizona after leaving the Marine Corps. He further stated that he had been employed by the Ford Motor Company at an undesignated place prior to leaving the United States in April. (Martens associated this with the Ford Mustang apparently used by the King murderer).

It appears that Kintner left the United States shortly after the assassination, wandered down to Mexico and then to Colombia. He gave no reason for his meandering but did not appear to be lacking in funds.

When last seen by Martens he was bumming a ride to Pasto and was dressed in Marine boots and fatigues. He carried a large maroon canvas suitcase. Since he claimed that he had associated with Peace Corps personnel in Ibagu and near Medellin, he may look for other volunteers in Ecuador.

The above description of Kintner may not be too exact since Martens was unable to describe him without my continued prodding.

In view of my skepticism the foregoing has not been reported to the Department.

ReWFOtel 5/9/68.

On 6/10/68, Mr. JOHN ACORD, Chairman, American-Southern Africa Council, 800 4th Street, S.W., Washington, D.C., advised SA ROGER D. ASHLAND that he had read in "The Sunday Star", dated 6/9/68, an article on page 3 captioned "Scotland Yard Seizes RAY in Dr. KING Killing", that there was some indication RAY may have tried to get from Portugal to Rhodesia.

ACORD said he did not want the information furnished by him on 5/9/68, concerning a letter dated 12/28/67, from ERIC S. GALT to the American-Southern Africa Council released to the Press.

On 6/11/68, ACORD advised SA ASHLAND that he was disturbed in that he felt the FBI may have violated the confidential nature of the information concerning above letter. ACORD said he had learned an unknown reporter for "Life" magazine is preparing an article which will include information about this letter and the reporter had visited the Rhodesian Information Office, Washington, D.C., seeking information.

ACORD was asked concerning his source that the FBI had released the information and he indicated he did not know and had not heard the FBI had released the information. ACORD said he was aware that persons outside the FBI were made aware of the existence of the letter such as the offices of at least one United States Senator; MICHAEL JAFFE, an attorney and friend

of ACORD who accompanied ACORD to WFO on 5/9/68; persons at the Rhodesian Information Office; and personnel of his own organization, none of which were informed by the FBI. He said he was hasty in calling the FBI in this regard and he now believes the information obtained from outside the FBI.

ACORD was assured the FBI had not furnished the information to the press or magazines. He said that in the event he learns of anyone attributing this information to the FBI he will advise WFO.

ACORD has requested the letter to be returned to him when it has served it usefulness to the Bureau as he feels it maybe valuable in the future. He was advised the letter would be returned when it is no longer needed.

The above is furnished for the information of the Bureau, it being noted that the Bureau has previously been advised concerning ACORD's request to have the letter returned to him.
