SUBJECT: HOWARD PHILLIP ETHRIDGE  
ITSMV  
CO: BUTTE

*MURKIN*

RE Butte teletype to Seattle dated 8/14/68.

Enclosed for the Bureau and Butte are four copies and two copies respectively of LHM setting forth allegations regarding participation in murder of KENNEDY and MARTIN LUTHER KING.

Enclosed for the Butte Division are nine (9) copies each of insert reflecting investigation at Colfax, Washington, and nine (9) copies each of two (2) FD-302s reflecting interview with RACHEL WHITE and BONNIE WHITE.

For the information of the Bureau and the Butte Division, in the statements given by RACHEL WHITE and BONNIE WHITE they stated that on 8/13/68 as they were leaving Walla Walla, Washington, en route to Spokane, Washington, they picked up a hitchhiker who gave his name as PHILLIP ETHRIDGE, age 19, who stated he was on his way to Coeur d'Alene, Idaho. ETHRIDGE got into the back seat of the vehicle, a 1967 Chevrolet two-door hardtop, while both girls remained in the front seat. They proceeded toward Spokane, Washington, and near Colfax, Washington, ETHRIDGE advised the girls he had a gun pointed at BONNIE WHITE's head and would shoot unless they did as told. While continuing to drive toward Colfax, Washington, ETHRIDGE asked the girls if they had heard of the KENNEDY killing and the assassination of MARTIN LUTHER KING. The girls answered they had. ETHRIDGE told the girls that he had been in on those killings and thus was not afraid to use a gun.

The girls stated that ETHRIDGE also mentioned that he had killed two policemen and had wounded other men. The girls stated that they did not believe these statements by ETHRIDGE as he seemed to be simply attempting to frighten them and to build up his own ego.

ETHERIDGE ordered the girls to turn on the highway leading to Albion, Washington; and approximately three to four miles up the road, he ordered them to stop the vehicle and get out. After getting out of the vehicle, ETHERIDGE, who was still holding the gun, ordered the girls to undress and start walking down the road towards Albion. At no time did he attempt to molest either girl. The girls stated that they walked down the road until out of sight of the car lights and then hid in a side ditch. After approximately ten minutes ETHERIDGE drove past them in the vehicle and continued on the road toward Albion. The girls then proceeded to a nearby farm house where they received clothing and had the farm couple notify the Whitman County Sheriff's Office regarding the theft of their vehicle.

For the information of the Bureau, ETHERIDGE was arrested near Lewiston, Idaho, on August 14, 1968, following a high speed chase from Pullman, Washington. Whitman County Sheriff's Office has charged subject with assault and grand larceny. Investigation being conducted regarding ITSMV violation. Subject in custody Nez Pierce County Jail, Lewiston, Idaho.

RE: HOWARD PHILLIP ETHERIDGE  
INFORMATION CONCERNING

On August 15, 1968, Mrs. RACHEL WHITE, South 2503 Teko, Spokane, Washington, and Miss BONNIE LOUISE WHITE, South 1303 Crestline, Spokane, Washington, advised that on August 13, 1968, they were en route from Milton Freewater, Oregon, to Spokane, Washington. Upon leaving Walla Walla, Washington, they observed a young man hitchhiking near the outskirts of town. As it was approximately 11:30 PM, they decided to give the man a ride as they felt sorry for him being out so late hitchhiking. The man gave his name as PHILLIP ETHERIDGE and advised that he was going to Coeur d'Alene, Idaho, to work in a lime plant.

ETHERIDGE got into the back seat of the 1967 Chevrolet two-door hardtop, being driven by RACHEL WHITE. ETHERIDGE sat behind BONNIE WHITE, who was sitting in the passenger side of the front seat.

RACHEL WHITE and BONNIE WHITE advised that approximately three miles from Colfax, Washington, ETHERIDGE said something to the effect that he had a gun pointed at BONNIE WHITE's head and that he was naked and for neither girl to look back or he would shoot. He told RACHEL WHITE to keep driving the vehicle but he did not give any directions. RACHEL advised that as they entered Colfax, Washington, she turned toward Pullman, Washington, instead of turning toward Spokane. She stated that she knew the traffic would be heavier between Colfax and Pullman and there were more farm houses in the event ETHERIDGE left the girls in the country as he was indicating he planned to do. ETHERIDGE assured the girls that he did not intend to molest them but did intend to take their money and their vehicle. RACHEL WHITE and BONNIE WHITE stated that as they proceeded toward Pullman, Washington, ETHERIDGE told them that he had killed two policemen and had wounded other men. He then

asked them if they had heard of the KENNEDY assassination and the killing of MARTIN LUTHER KING. The women said that they had and ETHRIDGE told them that he had been in on these killings so he wasn't afraid to use a gun. Both women stated that he did not indicate which KENNEDY he meant but they assumed that he meant the killing of Senator ROBERT KENNEDY due to the fact ETHRIDGE had told them that he was only 19 years of age.

RACHEL WHITE and BONNIE WHITE advised that they thought that ETHRIDGE was not telling the truth when he informed them that he had killed two policemen and had participated in the assassination of KENNEDY and KING. They stated that they got the feeling that he was attempting to frighten them and at the same time to build up his own ego. ETHRIDGE informed them that he did not kill women but instead planned to leave them in the country, and take their money and the 1967 Chevrolet.

ETHRIDGE made RACHEL WHITE turn off the highway on a road leading to Albion, Washington, and proceed down that road until out of sight of the highway. He then ordered both women out of the vehicle and ordered them to completely undress. RACHEL WHITE stated that as she was undressing she noticed that ETHRIDGE had a gun in his hand and did not have a shirt on, although he had a pair of dark trousers on. After having both women undress, ETHRIDGE ordered them to walk down the road to Albion. The women proceeded down the road until out of sight of the car headlights at which time they hid in a side ditch beside the road. A short time later ETHRIDGE drove past them in the vehicle proceeding toward Albion, Washington. The women then proceeded to a nearby farm house where they obtained clothing and notified the Whitman County Sheriff's Office.

ETHRIDGE was arrested on August 14, 1968, during the early morning hours near Lewiston, Idaho, following a high speed chase from Pullman, Washington.

## Guard Ordered For Witness

Memphis Police Providing  
Full-Time Protection For  
Charles Q. Stephens

By CHARLES EDMUNDSON

At the request of Atty. Gen. Phil M. Canale, Police Chief Henry Lux yesterday ordered a round-the-clock bodyguard for Charles Q. Stephens, expected to be a key witness in the trial of James Earl Ray, charged with fatally shooting Dr. Martin Luther King Jr.

"In spite of a critical shortage of personnel we are providing security to the best of our ability for Mr. Stephens," Chief Lux said.

"We point out, however, that we have no legal authority to influence the movements of Mr. Stephens to enhance his security. This was adjudged in Circuit Court yesterday (in a habeas corpus order issued by Judge William W. O'Hearn). Stephens was held in Shelby County Jail from July 22 until last Wednesday when Judge O'Hearn ordered him released.

"We further emphasize that maximum security for an individual who moves about at will is at best less than dependable."

Chief Lux said that at any time Mr. Stephens, who is known to have a drinking problem, decides to move outside the Memphis city limits, where the police have no jurisdiction, police security will cease.

"Our past experience taught us," Chief Lux said, "that security for Mr. Stephens was difficult and posed problems, as evidenced by our support of an attempt at court action to hold him in order to provide maximum security. This, in our opinion, was the only way we could provide maximum security."

"We also point out that the security we are providing necessitates diverting men from the investigation and suppression of crime, for which they are sorely needed in this area."

Mr. Stephens was a resident of the South Memphis rooming house from which the shot that killed Dr. King is said to have been fired April 4. Mr. Stephens told police he saw a man leaving a second floor communal bathroom seconds after the shot was fired.

ASSASSINATION OF MARTIN LUTHER KING, JR.

EX-100

Reference is made to your letter dated August 16, 1968, requesting that copies of all investigative reports and results of interviews prepared in this case be furnished you and referring to alleged delay on the part of this Bureau in furnishing the Department copies of reports dated May 15, 1968, and June 14, 1968, prepared by our Kansas City Office.

For your information, investigative reports prepared in this case fall into two categories: 1) those containing information of evidentiary value pertinent to the prosecution of the Federal violation involved; and 2) those containing the results of the extensive fugitive investigation conducted to locate and apprehend the subject, James Earl Ray.

All investigative reports pertinent to the prosecution of the Federal violation involved have been furnished to the Department promptly and on a timely basis.

The remaining reports prepared in this case pertain solely to the extensive fugitive investigation conducted to locate the subject. Such reports are not normally furnished to the Department since they contain only information relative to the fugitive aspect of the case and do not contain information of evidentiary value or of pertinence to the prosecution of the Federal violation involved.

The reports prepared by our Kansas City Office and referred to in your letter fall into this category. An additional twenty such reports have been prepared by our various field divisions, and in accordance with your specific request, copies of all these reports will be furnished under separate cover to the Attorney General, to you and to the Assistant Attorney General in charge of the Criminal Division.

For your information, Assistant Attorney General Fred M. Vinson, Jr., by letter dated July 12, 1968, which was received in this Bureau July 15, 1968, requested that the records of the Missouri State Penitentiary be reviewed pertaining to Ray and references to Ray's family background; education; physical, medical and psychiatric examinations and disciplinary proceedings be summarized. Such records had previously been reviewed in the initial phase of the fugitive aspect of this investigation, and the results of the review had been set forth in the pertinent reports prepared by our Kansas City Office and referred to in your letter. Since they contained the desired information requested by Assistant Attorney General Vinson, copies of these reports were furnished to Mr. Vinson on July 19, 1968, with a copy for you, even though they did not appear to contain information relevant to the prosecutive aspects of this case, but rather to the fugitive investigation.

We will continue to furnish to the Department, on a timely basis, copies of investigative reports and the results of interviews prepared in this case.

SUBJECT: MURKIN

This is the case involving the murder of Martin Luther King, Jr.

With reference to the dissemination to the Department of investigative reports in this case, such reports fall into two categories: a) reports containing information of evidentiary value pertinent to the prosecution of the Federal violation involved; and b) reports containing the results of the extensive fugitive investigation conducted to locate and apprehend the subject, James Earl Ray.

All reports pertinent to the prosecution of the Federal violation involved, and in which the Department has a legitimate interest, have been disseminated promptly to the Department and there has been absolutely no delay in doing so.

The remaining reports contain the results of our extensive fugitive investigation to locate and apprehend Ray. Copies of these reports were not disseminated to the Department since they relate solely to the fugitive aspects of the case, and contain no evidentiary material or information of value to the Department in the discharge of its prosecutive function relative to the Federal charge involved.

There are twenty such reports involving approximately 2,000 pages. They contain background data and results of extensive interviews and/or other investigation conducted to locate Ray. Although they do not relate to the prosecution aspect of the case, they will none the less be furnished to the Department in accordance with Mr. Pollak's specific request.

In this connection, by letter dated July 12, 1968, received at the Bureau July 15, 1968, Assistant Attorney General Fred M. Vinson, Jr. of the Criminal Division requested we review the records of the Missouri State Penitentiary pertaining to Ray, and summarize references to Ray's family background; education; physical, medical and psychiatric examinations and disciplinary proceedings. Memo Rosen to DeLoach  
RE: MURKIN

dentially came to our attention before Vinson's memorandum was written that British prison authorities had asked Vinson for information of this type in connection with their responsibility to maintain Ray's custody and the extradition proceedings.)

We had, of course, reviewed such records in the initial phase of the fugitive aspect of the investigation, and the results had been set forth in the fugitive reports dated May 15, 1968, and June 14, 1968, submitted by our Kansas City Office. Copies of these reports, which contained in full the information requested by Vinson in his letter, were furnished to him on July 19, 1968. Since the Attorney General had requested that information relating to the case be furnished to both Vinson and Assistant Attorney General Stephen J. Pollak of the Civil Rights Division, copies of the pertinent reports were also furnished to Pollak.

It should be noted Vinson did not furnish Pollak a copy of his (Vinson's) July 12, 1968, letter to the Bureau and consequently Pollak is apparently completely unaware the pertinent Kansas City reports were furnished to him and Vinson in answer to Vinson's specific request. This is another typical example in the Department of the left hand not knowing what the right hand is doing and explains why Pollak has gone off half cocked in erroneously accusing us of delay in disseminating the reports in question.

As a further example of this lack of coordination between Pollak and Vinson as relates to this case, it is noted that after Ray was turned over to state authorities in Tennessee we inquired of Vinson by letter whether the Federal process against Ray should be dismissed since the extradition order did not cite the Federal Civil Rights charges and it was our understanding that Ray could not, therefore, be prosecuted on Federal charges. A copy of our letter was furnished to Pollak.

Vinson in reply advised us that he felt the Federal process should be dismissed; however, Pollak, apparently unaware of Vinson's position, subsequently advised us that he felt the process should not be dismissed pending disposition of the state murder charges against Ray. It was necessary for us by memorandum to point out the discrepancy in the two views and request clarification in the matter.

RE: HOWARD PHILLIP ETHRIDGE  
INFORMATION CONCERNING

On August 16, 1968, Howard Phillip Ethridge, inmate, Whitman County Jail, Colfax, Washington, stated that on August 13, 1968, he was hitchhiking from Walla Walla, Washington, to Coeur d'Alene, Idaho. Ethridge stated that he was picked up by two girls outside Walla Walla, Washington. He stated that near Colfax, Washington, he produced a gun and threatened the two girls. Ethridge stated that he told the girls that he had killed two policemen and wounded other men and that he had also participated in the assassination of Kennedy and the killing of Martin Luther King. Ethridge stated that he made this comment only as a means of scaring the two girls. He stated that he has never harmed anyone and is definitely not capable of killing anyone. He stated that he has no knowledge of the assassination of Kennedy and Martin Luther King other than what he has seen in newspapers. Ethridge stated that he thought that by making such a statement it would frighten the girls into cooperating with his demands and that he made the statement for no other purpose.

Shelton told informant that he was approached by Arthur Hanes, attorney for Ray, who allegedly told Shelton that Ray had no money. The informant stated that Shelton told him he was coming to Memphis in the near future to look at a jury list that would be given to him by Hanes. Informant further stated that Shelton asked him to look over the list with him when he comes to Memphis.

## SYNOPSIS:

*King* This case involves the murder of Martin Luther King, Jr. Donald James Nissen furnished us information on June 2, 1967, based upon rumor he heard, of a \$100,000 bounty placed on King's head. Investigation failed to verify this. After the slaying of King, leads were set out to interview Nissen to determine if he had learned of any more information concerning such an offer. It was determined Nissen was declared a Federal Fugitive parole violator on April 2, 1968. He turned himself in to Agents in St. Louis on 8/5/68, and furnished no additional information regarding the \$100,000 bounty. Nissen advised a probation officer he violated parole because of information he possessed concerning King bounty. Special Investigative Division submitting letterhead memorandum to U. S. Parole Board containing interview of Nissen. *Long* *BS*
