Dear Jimmy;

Just a short note to let you know everything is okay, and that i got back okay.

I just got through typing Huey a two page letter, I explained to him everything you asked me to. Expecially about you not wanting anymore deals through the Power of Attorney.

I also asked him to write to you direct, I also explained to him about the Money sisiution.

I tried to call him from Memphis, but couldnt get through because he has a un listed number.

I talked to Percy Quinn over the phone before i leftb Memphis, i really had a hard time locating him as he dont have a office plus he dont have a phone in his home, anyway i finally located him through a friend. He said he would be glad to come down and see you plus he will bring along the Attorney from Memphis that helped him in the case that you and i were talking about, the only thing is you have to send him expense money. here is where to write him in case you want to.

Percy Quinn

P. O. Box 63 Laurel, Miss.

I also called the wallace headquarters up, They asked Me to call them back Friday morning and they throught they could then give me the name of a type of Attorney that we are seeking. So ill call down there tomorrow and find out. Ill call down there day after tomorrow rather as i was thinking today is thursday.

Ill call Foreman up before then, Ill write you friday and let you know what each of them had to say.

When you send that Money, Dont send any for me, as i dont need any, so what ever you send ill mail to Stoner Ill close for now but will write Friday and let you know what i find out.

As Ever

Brother

*Cory Roy*

*PS ill also try to find out about how to get the power of attorney.*
