MORRIS (MORRIS B.) McCARVER

Informant
 For the information of Bureau, it is being pointed out that on 3/25/69, MORRIS R. ~~McCARVER~~ (protect identity), who has furnished insufficient information to determine his reliability, contacted the Butte Division and indicated he had information concerning JAMES EARL RAY which he wanted to furnish the FBI. During interview he indicated he had been drinking considerably, but it was only after several drinks that he could build up enough courage to contact the FBI and discuss information concerning RAY. He stated he was furnishing the information for whatever use the FBI could get from it and emphasized the fact that if the information was attributed to him his life would not be "worth a plug nickel."

Morris Ralph ~~McCARVER~~ stated that in 1951 he spent six months in the Arkansas State Prison (ASP) for involuntary manslaughter. He indicated some knowledge of people in political power in the State of Arkansas over the past years. McCARVER stated his cousin, GERDON WHITNER (phonetic), a "political hack" in northwest Arkansas, who resides around Eureka Springs, Arkansas, offered McCARVER a considerable amount of money in 1953 to eliminate ORVAL FAUBUS, former Governor of Arkansas, but McCARVER turned the offer down.

In 12/67, McCARVER was back in Eureka Springs visiting. In about 2/68, McCARVER was on a drinking spree with GERDON WHITNER, during which WHITNER told McCARVER that he was aware of McCARVER's background and asked McCARVER what it would take to get McCARVER to eliminate MARTIN LUTHER KING. McCARVER advised WHITNER he would not get involved in this type of a deal. WHITNER stated it did not matter, as "King would die." McCARVER pointed out that WHITNER has a strong dislike for Negroes and talked in terms of doing the community a service by eliminating KING.

McCARVER stated that after this drinking spree he traveled to the State Hospital, Topeka, Kansas, where he admitted himself and was under the care of Dr. SHAKER for three months. McCARVER stated that about a week after he entered this hospital KING was killed.

McCARVER felt that GERDON WHITNER could shed light on the killing. McCARVER stated he would be available to answer additional questions if necessary, and again requested his name not be linked to the information.

It is noted that in Memphis airtel they instruct the Butte Division to furnish the information in a form suitable for dissemination; however, if the information is disseminated, WHITNER would not have any difficulty determining where the information came from. This would greatly jeopardize the life of MORRIS R. McCARVER.

It would appear that if the information must be disseminated to outside sources, such as the Memphis PD, it would be safer to disseminate the information verbally and not make mention of MORRIS R. McCARVER or the offer made to him by WHITNER.

UACB, Butte Division will not set information out in a form suitable for dissemination, as to do so might very possibly jeopardize the life of McCARVER.

NOTE:

Butte advised Memphis by letter (no copies to Bureau) that one Morris R. McCarver has told Agents of the Butte Office that just prior to King's murder (King murdered 4-4-68), he, McCarver, was approached by one Gerdon Whitner of Eureka Springs, Arkansas, who was asked what it would take to get McCarver to kill King. Memphis instructed Butte to furnish this information to the Bureau and Memphis in a form suitable for dissemination and instructed Little Rock to locate and interview Whitner.

McCarver also said that Whitner offered him a considerable sum of money in 1953 to eliminate Orval Faubus, former Governor of Arkansas, but McCarver turned down the offer. Little Rock is interviewing Whitner for full details regarding this information and upon receipt of same it will be evaluated to determine if appropriate authorities should be notified. It is further noted that McCarver admitted himself to a State Hospital for three months in 1968 (type of hospital unknown).

Butte, by their communication dated 4-16-69, advised that unless the Bureau advised to the contrary, they will not set the information out in a form suitable for dissemination, as to do so might very possibly jeopardize the life of McCarver.

Butte being instructed to submit the information in a form suitable for dissemination as the information contains an allegation of a possible conspiracy and will be disseminated to the Department.

Kansas City being instructed to determine hospital in which McCarver allegedly admitted himself and full details surrounding same.

- BURGESS was interviewed with regards to his letter of 3 FEB 69 to the Director, P.B.I. BURGESS could not supply any information regarding the Dr. KING murder. It is the opinion of this investigator that BURGESS is unstable mentally and that most of his letter was his imagination with a small part being information he obtained from local news media.
- BURGESS is 39 years old and resides by himself in a house which was left to him by his parents. The house is very run-down outside and the immediate area is very messy. The interior of the house is very filthy, having numerous piles of garbage and other debris scattered around. BURGESS could be classified as a hermit, although he leaves the house daily and hitch-hikes continually to London and St. Thomas, Ont.
- Prior to the interview with BURGESS, several enquiries were made to try and verify some of the points brought out in the letter. Enquiries conducted with regards to Verna PEARSON proved negative, as no such person had ever resided at 52 Hincks St., St. Thomas. As far back as could be checked, there was no record of Verna PEARSON.
- BURGESS has also written letters to the Ontario Provincial Police and the London City P.D., attempting to assist them in investigations. The London P.D. investigator has also interviewed BURGESS and reached the same opinion as I did.
- At present, BURGESS is in the process of writing another letter to the Director, P.B.I.
- I feel BURGESS would not harm anyone, although I believe he could cause embarrassment to dignitaries visiting in this area. A photograph of BURGESS will be obtained and forwarded under separate cover with all particulars concerning him so that a V.I.P. Surveillance card can be distributed. Report will be submitted under appropriate caption.

This is the case involving the murder of Martin Luther King, Jr. A new Memphis Criminal Court Judge, Arthur Faquin, took over the James Earl Ray matter following the sudden death of Judge W. Preston Battle.

My memorandum of 4-7-69 reported that Memphis Office has advised that Mr. Don Owens (a local attorney and advisor to Judge Battle prior to his death) had informed that Latent Fingerprint Examiner George J. Bonebrake who was scheduled to appear 4-11-69 in Criminal Court, Memphis, at possible contempt hearing, would not have to report on that date unless advised to the contrary; further that while this was not an official notification, he felt certain the Bonebrake matter would be considered closed.

On 4-21-69, Memphis Office advised that Judge Faquin is still studying this matter and had tentatively set a new hearing date for Bonebrake on 5-23-69. He is primarily concerned with matters relating to ~~the~~ Ray's appeal and it is believed that a final decision as to what he will do in the Bonebrake matter should be forthcoming before 5-23-69. Bonebrake is aware of new hearing date. Memphis will keep us advised.

JAMES EARL RAY

Raul Victor Esquivel, Sr., was interviewed at his residence, 4524 Persimmons Street, Metairie, Louisiana. Esquivel identified himself as a Trooper with the Louisiana State Police, and stated he had been so employed for the past ten and one-half years. He further advised that he had been assigned to Troop B of the State Police in Metairie, Louisiana, for the past several years.

Esquivel stated that he has resided at his present residence for the past several years, that he built the residence himself, that he has raised his family in that residence, and that at the present time, only he and his wife are residents of the home. He stated that his son, Raul Esquivel, Jr., is married, resides in New Orleans and that he is a grandparent as a result of his son's marriage, his grandson having been named Raul Esquivel, III. Esquivel furnished the following information:

Upon observation of a photograph of Charles J. Stein, Esquivel did not recognize Stein as a person he has ever seen, nor did he recall of having ever heard of the name Charles Stein. Upon observation of three photographs of James Earl Ray, including two front and one right profile, Esquivel recognized Ray for the reason that Ray's photographs were widely publicized following his identification as the individual who assassinated Martin Luther King. Esquivel has never been personally acquainted with Ray and to the best of his knowledge has never personally observed Ray, except by photographs through news media. Esquivel has never visited Canada, Mexico, Birmingham, Alabama, or Memphis, Tennessee. Esquivel has no personal knowledge of James Earl Ray.

According to "Look" magazine articles concerning activities of James Earl Ray, the following dates are noted wherein Ray and his friend "Raoul" are alleged to have been together.

44-38861-573
ENCLOSURE

July 18 - August 24, 1967	According to "Look" magazine articles, subject met "Raoul" in Canada on about eight occasions during this period.
August 21, 1967	Subject Ray and "Raoul" were in Windsor, Canada.
August 28 - 30, 1967	Ray met "Raoul" during this period in Birmingham, Alabama.
October 7 - 10, 1967	Ray arrived San Francisco Hotel, Acapulco, Mexico, on October 10, 1967. One or two days prior to that time, he met "Raoul" in Nuevo Laredo, Mexico.
December 17 - 19, 1969	Ray met "Raoul" at New Orleans, Louisiana, and received \$2500 from him.
April 4, 1968	"Raoul" allegedly was in Memphis, Tennessee, and fired the shot at 6:00 PM that killed Martin Luther King.

Prior investigation has disclosed that Trooper Esquivel had worked as follows during the month of August, 1967:.

August 1, 2, and 3:	On Duty; 7:00 AM to 3:00 PM
August 4:	Day Off
August 5:	On Duty; 7:00 AM to 3:00 PM
August 6 and 7:	Off duty due to a death in his family.
August 8 and 9:	On duty; 7:00 AM to 3:00 PM
August 10:	Off Duty.
August 11 through 23:	On duty; 7:00 AM to 3:00 PM.

August 24:	Off Duty.
August 25 and 26:	On duty; 7:00 AM to 3:00 PM
August 27:	Off Duty
August 28, 29, and 30:	On duty; 7:00 AM to 3:00 PM.
August 31:	Off Duty.

Further investigation has disclosed that during August, 1967, Esquivel was assigned to duties in different areas of the Troop B responsibility since he was filling in for other troopers on their day's off. During August, 1967, Esquivel worked in the New Orleans area.

Esquivel stated that he has not engaged in any lengthy travel of recent years and noted that for the past three years, a great majority of his off-duty time has been devoted to the building in his garage at home of a small airplane. Esquivel advised that he is a licensed pilot.

Esquivel recalled that during the summer months of 1967, he was performing duties out of Troop B, but that he does not recall any specific activities on any specific dates. He stated that he would also be unable to recall any specific dates of his activities during the months of October and December, 1967, and April, 1968.

Esquivel pointed out that he regards himself as a professional law enforcement officer, that he takes pride in his occupation and that he has nothing whatsoever to hide. He stated that if he did possess any information concerning Ray or the assassination of King, he would not hesitate to furnish same to the FBI.

CAPTIONED AS ABOVE.

ON APRIL TWO FOUR, SIX NINE, AT ONE THREE EIGHT SEVEN-R
ADVISED HE UNDERSTOOD THAT JAMES BEVEL, DIRECTOR OF NON VIOLENT
EDUCATION, SCLC, WAS CURRENTLY IN PHILADELPHIA, PENNSYLVANIA.
INFORMANT STATED NO SUBSEQUENT INFORMATION HAD COME TO HIS ATTENTION
PERTAINING TO THE REPORTED RECENT HOSPITALIZATION OF BEVEL. HE
SAID HE ASSUMED BEVEL COULD PRESENTLY BE CONTACTED THROUGH SCLC,
PHILADELPHIA.

INFORMANT POINTED OUT THAT BEVERLY STERNER, WHITE FEMALE,
SCLC EMPLOYEE, SERVES AS AN AIDE TO BEVEL IN PHILADELPHIA. STERNER
HAS BEEN PROMISCUOUS WITH VARIOUS SCLC OFFICIALS AND EMPLOYEES IN-
CLUDING BEVEL. THE SCLC EXECUTIVE STAFF GENERALLY CONSIDERED STERNER
TO BE VERY PARTIAL TO BEVEL. IN INFORMANT'S OPINION, STERNER IS
MORE LIKELY TO KNOW OF BEVEL'S CURRENT WHEREABOUTS AT ANY TIME THAN
ANY ONE ELSE IN SCLC.

Result of examination:

It was concluded that Qc412 was prepared by
the writer of other similar registration cards, Q86
(New Rebel Motor Hotel) and Q141 (Provincial Motel),
which were previously submitted.

It was further determined that the "Eric S.
Galt" signature on Qc412 was prepared by the writer of
the signatures in this name appearing on Q261 and Q262.
(Bartender School items). The signatures on Q261 and
Q262 have been authenticated through investigation as
known signatures of JAMES EARL RAY, FBI#405942G.

Qc412 has been retained.

Transmitted herewith are two Xerox copies of a registration card located on April 11, 1969, at the Birmingham Travellodge Motel, 821 South 20th Street in the Five Points South area of Birmingham recording the registration of ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, on 3/29/68 who is undoubtedly identical with RAY. Registration card reflects he was assigned Room 307, one in party, and charged for one day, departing at an unspecified time on 3/30/68. He was in possession of a 1966 Mustang with Alabama license 138993 which has previously been identified as having been registered by RAY at Birmingham on 10/2/67 under the alias ERIC S. GALT with the same residence address indicated. Since guest registrations are maintained in a very haphazard manner at the Travellodge Motel, it was difficult to locate this card since an entire package of guest registrations with the numerical series 18500 could not be located in a storeroom box where other registration cards for the year 1968 were examined.

Mr. and Mrs. WALTER C. MADDOX, Managers of the Travellodge, preferred to retain possession of the registration card for GALT after suitable Xerox copies had been made in the Birmingham Office.

No local or long distance telephone calls were charged to the room and no information obtained which indicated any association on the part of GALT with any other guests.

Upon completion of the investigation of motels in the Florence, Alabama area, appropriate FD-302's will be furnished the Memphis Office. A copy of GALT's registration is being furnished the Memphis Office at this time and a similar copy furnished Jackson for possible assistance in conducting investigation of motels in the Corinth, Mississippi area.
