HARTSELLE, ALABAMA

July 8, 1962

Mr. Arthur J. Hanes
Attorney at Law
617 Frank Nelson Building
Birmingham, Alabama 35203

Dear Art:

This letter is meant to be part of our Agreement, signed on this date, and is an extension and clarification of Article 5 of said Agreement.

It is known and understood by you, Ray, and me that all advances made by publishers to an Author on a book contract are merely loans, returnable in full if, for any reason whatever, the book is not completed and accepted; and these advances or loans become income to the Author only after completion of the book and after its acceptance by the publisher.

Therefore, any monies paid by me to you and Ray while I am researching and writing this book are, in effect, loans from me to the two of you. However, under the circumstances, I am willing to consider these monies or advances made by me to the two of you non-returnable, if you and Ray will agree that these payments or advances shall not exceed the following schedule of payments:

1. On the signing of the first, or book, contract, I will pay you the sum of \$10,000.00. It is assumed that this will be on or about July 15th, not later than July 20th.

2. On the first day after Ray has been lodged in a jail in the United States, I will pay \$5000. It is assumed that this will be about August 1st.

3. One month after Ray has been lodged in the United States, I will pay \$5000.

4. Similarly, a month later, another \$5000.

5. Similarly, a month later, another \$5000.

6. Similarly, a month later, another \$5000.

Mr. Arthur J. Hanes

Page 2

July 8, 1969

7. Similarly, a month later, another \$5000.

In short, on signing, on Ray's return, and during the first five months after his return, I am obligating myself to pay you and Ray, under terms of our Agreement, to pay you and Ray a total of \$35,000. All payments, as per our Agreement, will be made to you by my agent, Ned Brown, and these payments, in equal amounts, will be charged against whatever may become due to you and Ray under the Agreement.

Five months after Ray's return, assuming that I receive all the cooperation from you and Ray guaranteed by the Agreement, I expect to have completed the book, or to have obtained legal extensions from the publisher, you and Ray. Normally a publisher has 30 days in which to accept or reject the book. Once the book has been accepted, the entire publishing advance will be paid; and thereafter, all payments made to me, from any and all sources, will be income, not loans; and this income will be divided and paid promptly as provided under the Agreement.

Your signature, along with that of Ray affixed by you under your Power of Attorney, will attest Agreement.

AGREEMENT

AGREEMENT entered into this 6 day of July, 1968,
by and between William Bradford Huie (herein "Author"), James
Earl Ray (herein "Ray") and Arthur J. Hanes (herein "Hanes").

1. This Agreement is entered into with reference to
the following:

(a) Author is and has been for many years a writer
of international reputation and has had numerous books and
articles published and serialized throughout the world.

(b) Ray has been charged with the murder of Martin
Luther King, Jr.; and it is anticipated that a trial (herein
"the Trial") of Ray for such murder will be held in the State
of Tennessee in the near future.

(c) Hanes is an attorney at law licensed to prac-
tice as such in the State of Alabama; Ray and Hanes and each of
them represent that Ray has engaged Hanes to act as his attorney
in the Trial, that Hanes has accepted such engagement and that
he will so act.

(d) Author proposes to write literary material
dealing with the assassination of Martin Luther King, Jr., the
alleged participation of Ray therein, and the Trial, for the
purpose of establishing the truth with respect thereto.

(e) Ray and Hanes are desirous of assisting Author
in such writing by furnishing to him such material relative to
the subject matter of such writing which Author might not other-
wise be able to obtain.

2. Ray and Hanes and each of them agree that they will
use their best efforts to arrange as many personal interviews
between Author and Ray and on the earliest occasions which may
be permitted by the authority having jurisdiction over the
institution in which Ray is then confined; and that they and
each of them on such occasions and otherwise, through Hanes or
other persons, will impart to Author such information (herein
the "Private Material") with respect to the assassination of
Martin Luther King, Jr., the alleged participation of Ray
therein, and the life and activities of Ray, as they or either
of them may have or reasonably may be able to obtain; and that
Author shall have the right to use the Private Material or any
part thereof in his writing of said literary material.

3. The literary material which Author proposes to
write as aforesaid, including such of the Private Material as
Author in his sole discretion elects to use, is hereinafter
referred to as "said work". Author shall have, and if and to
the extent that they or either of them have any rights, titles,
or interests therein, Ray and Hanes, and each of them, give,
sell, assign and transfer to Author, forever, the following
absolute, exclusive and unqualified rights: the right to write
said work and to use the same, in whole or in part, in whatever
manner Author in his sole discretion may elect, including but
not limited to the right to make and/or cause to be made maga-
zine, book, dramatic, motion picture, television and/or other

adaptations of every kind, of said work or any part thereof, and for the purpose of making any of said adaptations Author or his designees may change, interpolate in, add to or subtract from or make foreign language versions of, said work, to such extent as Author in his sole discretion may elect; the sole and exclusive right to make motion pictures and television pictures of all kinds based in whole or in part on said work and/or containing characters of said work (including remakes of and/or sequels to any such pictures), with the right to sell, lease, license and generally deal in the same throughout the world, forever; the right to use the name, voice and/or likeness of Ray and Hanes, or either of them, in or as the title of said work; the right to obtain copyright in the name of Author or otherwise in all countries throughout the world, in and to said work and/or any of said adaptations; the sole and exclusive right to negotiate for, execute and deliver, in the name of Author alone or in the names of Author, Ray, and Hanes, or any of them (but without consulting with or obtaining the approval or consent of Ray or Hanes thereto), such licenses, grants, agreements, and contracts with respect to said work, any of said adaptations, and/or any of the rights hereinabove set forth, as Author in his sole discretion may elect; for this purpose (but without limiting the generality of the foregoing) Ray and Hanes and each of them hereby irrevocably appoint Author the true and lawful attorney of them and each of them to negotiate for, execute and deliver, in the names of Author, Ray and Hanes, or any of them, as Author may elect, any and all such licenses, grants, agreements and contracts.

4. Without in any manner limiting the generality of the foregoing, Ray and Hanes and each of them agree, upon demand, to execute and deliver to Author or his designees any and all such instruments, including but not limited to assignments, consents, approvals, and releases, which in the judgment of Author may be necessary or desirable to implement, effectuate or protect the rights of, or rights, titles and interests herein given or agreed to be given to, Author with respect to said work and/or any of said adaptations.

5. In full consideration for all rights, titles and interests given or agreed to be given by Ray and Hanes to Author hereunder and

for all agreements and acts of Ray and Hanes hereunder or pursuant hereto, Author agrees to pay to Ray and Hanes each, thirty per cent of the gross receipts from said work. All receipts shall be paid to and collected by the Author's agent, Ned Brown, Inc., 315 South Beverly Drive, Beverly Hills, Calif., and said Author's agent shall make payments to Ray and Hanes each, or their respective designees or assignees, within ten days after receipt. The Author's agent shall also, at quarterly intervals, furnish statements reflecting all transactions in reasonable detail. The Author's agent shall also, within ten days after their completion, furnish to Ray and Hanes copies of any and all contracts entered into by the Author.

6. Notwithstanding anything elsewhere herein contained, the parties expressly understand and agree as follows:

(a) Author has no obligation of any kind to Ray, Hanes or others to write or make or cause to be written or made said work or any of said adaptations, or to use any of the Private Material in said work or said adaptations. Author has not represented, warranted or agreed and does not represent, warrant or agree that if he does write or make or cause to be written or made said work or any of said adaptations he will in fact enter into any license, grant, agreement or contract relative thereto, or that in any event there will be any Author's net profits from said work in any particular amount or at all.

2-1-68
W.B.H.
(b) ~~In the event Author does not have an interview with Ray within 90 days after the date of this Agreement or the date when Ray first enters the United States hereafter, which ever is the later date, and or shall have the right and option, by written notice to Ray and Hanes, to terminate this Agreement and all of the respective rights and obligations of the parties hereunder. In the event any such notice is given, notice to Ray shall be deemed to have been sufficient if given, if mailed or delivered to the warden or other person in charge of the institution in which Ray may be confined at the time of the giving of such notice.~~

(c) Author shall receive credit for the writing for said work and/or said adaptations in such manner as Author may elect.

7. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective personal representatives, executors, administrators, heirs, legatees, or assigns. Neither party shall transfer or assign this Agreement, all or any part of the rights, titles and interests herein given or agreed to be given to Author hereunder, and/or all or any part of any rights herein referred to, to any persons, firms and/or corporations.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

AFFIDAVIT OF JERRY RAY

I, Jerry Ray, make oath in due form of law that in November, 1962, I talked to Mr. Percy Foreman. That in that conversation, I told Mr. Foreman that I had talked to the writer, Mr. Huie, and that he had said to me that if my brother, James Earl Ray, took the witness stand it would ruin his book. Mr. Foreman told me then that if my brother went to trial with Mr. Arthur Haynes as his lawyer, he would be electricuted as Mr. Haynes and Mr. Huie were old friends and that all these men were after was the money.

Later, Mr. Foreman came to St. Louis, Missouri, and tried to get me, and other members of the family, to get James Earl Ray to plead guilty. He told us that he knew that James Earl Ray did not kill Martin Luther King, Jr., but that due to the publicity and the fact that James Earl Ray had been previously convicted, he would be convicted. At that time, he said that my brother, James Earl Ray, was insisting on a trial and did not wish to plead guilty. He told us that if James Earl Ray would plead guilty, he (James Earl Ray) would receive about \$200,000.00 from the book Huie was writing, and that he (Foreman) would get my brother pardoned in about two years if he kept his mouth shut at the prison, as he knew who the next governor would be.

At the time I talked to the writer Mr. Huie, he told me that if James Earl Ray took the witness stand, it would destroy the book he was writing and that he could neither get the book published or if he did he could not get the same reviewed by the papers and other publications.

Mr. Foreman told me and other members of the family that the prosecution and/or the F.B.I was bribing witnesses, specifically a man by the name of Stevens who the prosecution was bribing by offering him a large sum of money as a reward.

I, of course, refused to do this.

This is the case involving the murder of Martin Luther King, Jr.

James Earl Ray, the subject who is serving a 99 year sentence in a Tennessee State Prison on his guilty plea to the murder of King, has filed a petition under the Tennessee "Post Conviction Relief Act". This is his last avenue of appeal in State Court as his appeal previously was denied by the Tennessee State Supreme Court.

The bases of his current appeal are the same, namely:

1. He charges conflict of interest by his previous attorneys Arthur Hanes and Percy Foreman and writer William Bradford Huie in connection with the financial returns from publications on Ray's story relative to the King shooting.

2. He was deprived of full and free access to his attorneys while incarcerated in Shelby County (Memphis), Tennessee, Jail.

3. The death of the trial judge, Preston Battle, soon after his trial and sentencing also deprived him of his right to new trial.

Attached to the petition is an affidavit by Jerry Ray, James Earl Ray's brother, which was taken under oath, in which Jerry Ray claims that Percy Foreman stated that the prosecution and/or the FBI was bribing witnesses, "specifically a man by the name of STEVENS who the prosecution was bribing by offering him a large sum of money as a reward."

This undoubtedly refers to Charles Quitman Stephens, who occupied the room adjacent to James Earl Ray at the house in Memphis from which the shot was fired.

April 28, 1970

I, ROBERT G. JENSEN, Special Agent in Charge of the Memphis Office of the Federal Bureau of Investigation, being duly sworn, do hereby make the following free and voluntary statement to CLIFTON O. HALTER, Assistant Special Agent in Charge of the Memphis Office of the Federal Bureau of Investigation, regarding allegations made by JERRY RAY in an affidavit filed April 13, 1970, in the Criminal Court of Shelby County, Tennessee, which affidavit is part of a Petition For Post Conviction Relief filed April 13, 1970, styled, "JAMES EARL RAY, Petitioner, vs. State of Tennessee and LEWIS TOLLETT, Warden of State Penitentiary at Petros, Tennessee, Defendants."

JERRY RAY has alleged in his affidavit that during the period that PERCY FOREMAN was the attorney representing the Petitioner JAMES EARL RAY that "the Prosecution and/or the F.B.I. was bribing witnesses, specifically a man by the name of STEVENS who the prosecution was bribing by offering him a large sum of money as a reward."

As the Special Agent in Charge of the Memphis Office during the period of the investigation of the murder

of Dr. MARTIN LUTHER KING, JR., and as the person directly responsible for the overall supervision of this investigation, I am fully qualified to and do state that at no time did the Federal Bureau of Investigation or any of its Special Agents or other employees offer a bribe or a reward to any witness in this investigation.

It is presumed that the witness STEVENS mentioned in JERRY RAY's affidavit is CHARLES QUITMAN STEPHENS, who was a tenant in the rooming house at 422½ South Main Street, Memphis, Tennessee, on the date that Dr. MARTIN LUTHER KING, JR., was murdered. As stated above, no person representing the Federal Bureau of Investigation has ever offered any bribe or reward to obtain testimony from CHARLES QUITMAN STEPHENS.

Dear Sirs:

James Earl⁰ Ray

I am doing a term paper throughout the month of May, and I would like your help on my topic.

I am doing it, as published in the August 1968 issue of the Readers Digest, on "The Greatest Manhunt in Law Enforcement History", the entire international search for James Earl Ray.

However, I have not been able to find any paperbacks or any other books on this subject, since it is a rather recent one, and the magazine articles that I have found do not seem to cover my topic very well. Would it be possible for you to send me some periodicals and other such information on your historic manhunt?

Very sincerely,

This is the case involving the murder of Martin Luther King, Jr.

James Earl Ray, who is serving a 99-year sentence in a Tennessee State Prison on his guilty plea to the murder of King, on 4/13/70, filed a petition under the Tennessee "Post Conviction Relief Act" charging conflict of interest among his previous attorneys Arthur Hanes and Percy Foreman and writer William Bradford Huie; that he was deprived of full and free access to his attorney while in the Shelby County, Tennessee Jail and that the death of trial judge Preston Battle, deprived him of his right to a new trial.

On 5/7/70, an amended petition for Post Conviction Relief Act was filed in the Shelby County Criminal Court Clerk's office, Memphis, Tennessee, on behalf of Ray. Bernard Fensterwald, Jr., appears on this petition as one of Ray's attorneys. Fensterwald apparently replaced Attorney Robert W. Hill, Jr., of Chattanooga, Tennessee, and is reportedly the same Fensterwald who heads the private group called "National Committee to Investigate Assassinations" and who formerly worked for the Senate Judiciary Committee. He has clearly shown himself to be unscrupulous, untrustworthy and anti-FBI (77-44206-46).

In this amended petition it is alleged that the FBI conducted an illegal search and seizure of Ray's rental premises at 107 Fourteenth Street, Northeast, Atlanta, Georgia, and that the fruits of this search and seizure were introduced in evidence at Ray's trial. This undoubtedly refers to evidence voluntarily made available by Jimmie Delton Garner, manager of a rooming house at 107 Fourteenth Street, Northeast, Atlanta, which had been left there by a tenant known to him as Eric S. Galt who had vacated his room.

A F F I D A V I T

I, Frank V. Hitt, having been duly sworn, make the following statement to Jack Keith, Jr., who is qualified to administer oaths.

I am Special Agent in Charge of the Atlanta Division, Federal Bureau of Investigation (FBI), and occupied that position on April 15, 1968.

On April 15, 1968, in connection with the Civil Rights investigation following the murder of Martin Luther King, Jr., I instructed Special Agents of the FBI to interview James D. Garner, operator of a rooming house at 113 14th Street, N.E., Atlanta, Georgia.

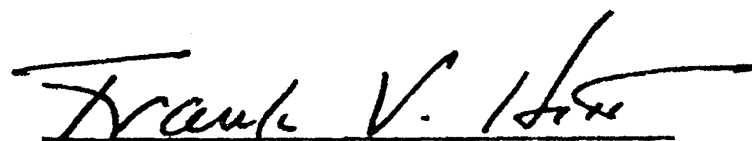

On April 15, 1968, Garner advised these Special Agents that Eric S. Galt rented Room Number 2, 113 14th Street, N.E., Atlanta, Georgia, from March 24, 1968, to April 7, 1968. Garner stated Galt was offered an adjoining storage room in which to place his surplus belongings. This storage room had two doors, one off of the hall and one off of Room Number 2. Garner continued to utilize this room for storage while Galt was using it. Garner last saw Galt on March 31, 1968. On

April 5, 1968, Garner entered Room Number 2 to change the bed linen and found an undated note from Galt, which he destroyed, stating Galt had gone to Birmingham. The note further stated Galt had left his television set and would try to return for it in about one week. Galt left his key to Room Number 2 with the note.

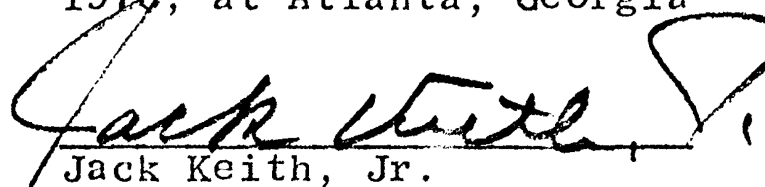

Garner advised that Galt's rent expired April 7, 1968, and Galt had not returned to claim any of his belongings that he left behind. Garner stated after April 7, 1968, the exact date unknown, he had his employees clean Room Number 2 in order to reread it.

All items left by Galt were placed in the storage room according to Garner.

With Garner's consent and in Garner's presence, Agents searched the storage room, which was under Garner's care, custody and control as landlord. Several items which were located during this search were voluntarily turned over to Agents, by Garner, for transportation to and examination by the FBI Laboratory in Washington, D.C.

This is the case involving the murder of Martin Luther King, Jr.

This is to recommend letter dated June 2, 1970, from Mr. Paul Danylyshyn of Ontario, Canada, not be acknowledged.

385 CUMBERLAND ST THUNDER BAY
The Bureau received a letter dated 6/2/70, from an individual identifying himself as Paul Danylyshyn of Ontario, Canada. Enclosed with this letter is a copy of two long distance telephone bills and a copy of a letter dated June 17, 1969, from the District Attorney General, Shelby County, Memphis, Tennessee, to Mr. Wallace V. Dubinsky, Attorney at Law, Port Arthur, Ontario, who apparently in June of 1969, represented Danylyshyn. *CANADA*

Danylyshyn claims to have been helpful in the identification and apprehension of the "wanted killer(s)" of the late Martin Luther King, Jr., through the medium of "extra-sensory perception" (ESP). He voices his disapproval of our Memphis office and states he spoke with "Agent Sullivan" and SAC Robert Jensen regarding the killing of King and furnished the enclosed telephone bills as proof of his contact with our Memphis office. Danylyshyn generally complains he has received no monetary reward for the information furnished by him and that our Memphis office has taken all the credit for the solution of this case. *REC-23 4/1/71 58861-5881*

15 JUN 11 1970

Records of the Memphis office disclose Danylyshyn made several calls to that office and offered various type suggestions based on his extra-sensory perception, none of which was considered worthy of any investigation. He was mainly concerned with the reward that had been offered and was told by SAC Jensen that the FBI had nothing to do with the reward offered. He appeared somewhat upset over the possibility that people might consider him a "kook" or a "nut" because of his stories of ESP powers and other psychic knowledge. In one of his telephone calls he said that perhaps he would get in touch with one of the national magazines or possibly the

Southern Christian Leadership Conference and furnish the information he has based on his ESP and psychic powers. He was, of course, told that the FBI was in no position to give any advice or to place any restriction on what he did, and he concluded this telephone call by stating he would not help the police in any way, shape, or fashion.

SAC, Memphis has advised that the District Attorney General's Office, County of Shelby, Memphis, Tennessee has received correspondence from Danylyshyn's lawyer relative to the reward money, and that office has advised the attorney that there is no mention in his files of any information given by Mr. Danylyshyn to any law enforcement or investigative body that led to the arrest and conviction of the murderer of King.

The records of the Bureau contain no record identifiable with Paul Danylyshyn.

ACTION:

It is recommended that Danylyshyn's letter not be acknowledged as any acknowledgement could invite further irrelevant correspondence from Danylyshyn and would possibly be used by him in an effort to try and embarrass the Bureau.

Federal Bureau of Investigation,

Dear Mr. Hoover:

It is with disappointment that I write you this letter.

My disappointment is against your great law enforcement agency, that you capably head, the "Federal Bureau of Investigation."

Rather, my disappointment is against one of your offices of the "Federal Bureau of Investigation," namely, of Memphis, Tennessee.

In my talented ways, I wanted to be helpful in apprehending the wanted killer(s) of the late Doctor Rev. Martin Luther King, Jr.

Monetary gains were in mind as well.

Please note enclosures. Helpful I have been, in my ways, through the medium of "Extra-Sensory Perception."

Your office at Memphis has not given me any mention for my help:

Information spoken over the first two telephone calls; first conversation with agent Sullivan; second conversation with agent-in-charge Robert Jensen. Topic of conversations: Name of killer(s) -- Ray, also Leonard (accomplice equally responsible). This Leonard is a redhead (Do you want his description?).

"If looking for Ray, in Canada, try first to look for him in the city of Toronto, Ontario, Canada."

Other information was spoken about, as well, such as the supposed name of a Russian or Chinese spy in your country -- Norman Green, or Greene.

The information in regard to the late Dr. Martin Luther King, Jr., was given to your office prior to the apprehension of James Earl Ray, in Great Britain (please note dates).

I DID receive a raw deal, I would say. I did ask them to pay for my telephone calls. I did not hear from them in any way. Why? I have also written a few times.

ENCLOSURE

What is their purpose in ignoring me; who is this Leonard; why was he not brought to trial? (he is an accessory to a murder); it's been over two years now that he is known to your Bureau. What's the delay? Who is he??

- 2 -

June 2/70.

They (your Memphis office) take the credit (all the credit). They made it so that I lost out on the reward money offered. Wasn't fair was it?

If this is their attitude, I am to assume that it is also the attitude of your "Federal Bureau of Investigation."

It is with regret that I write you as I do.

^{HAD}
I have great respect for your agency. I may have been helpful at some other time to your agency, through means of -- "Extra Sensory Perception," but I strongly believe the attitude of your Memphis, Tennessee, office also reflects your agency's attitude (hope I am wrong).

Forgive me, Mr. Hoover, for my tone of letter here and there. If it takes a fool to criticise, then you have just met one (a big fool at that)!

As a Canadian citizen, tell me to mind my own business. I have it coming.

Thank you for your time and effort to this letter, Sir.

Yours truly,

Paul Nanylyshyn
