Dear Mr. Kelly:

I'm writing about this investigation of Dr. King's murder. James Earl Ray is guilty you people know it, he knows it. He pleaded guilty to save his life, if he would have been tried by a jury at that time he would have gotten the death penalty & he knew it.

If it would clear things as much as I don't want to, I will come forward & tell my story. I would have to know who I am talking to. I still don't want to be smeared all over the news papers. But if I can be of any help I will cooperate.
