MISSY FOX, 4402 44th Street, Ashland, Kentucky, wrote a letter to the Chief of Police, Lafayette, Indiana, advising as follows:

On 4/20/68 she traveled by New York Central train from Chicago, Illinois to Cincinnati, Ohio. She has a very strong reason to believe that RAY was on the train. The man was suspicious looking and said nothing to his companion. The man believed to be RAY and the other man traveling with him got off the train in Lafayette, Indiana. They were met by a woman driving a light or creamy brown Rambler station wagon, about a 1963 or 1964 model.

Chief of Police has advised that the PD has not been able to identify the car or obtain any other leads as to the identity of the person getting off the train. A display of RAY's photograph at the NYC Station met with negative results.

Louisville interview MISSY FOX, Ashland, Ky., and display photos to her to determine how positive she is of subject's identification. If a positive identification is made, obtain further details she may have that may assist in locating subject and set out appropriate leads to identify and interview the conductor of the train.

SA LEONARD A. WISSMAN

MURKIN

The following investigation was conducted by
SA LEONARD A. WISSMAN on 4/25/68, at Elkhart, Indiana:

JOHN ANDREWS, newscaster, WTRC Radio Station, advised he had arrived at Joe and Eddie's Tavern, East Jackson Boulevard, shortly after midnight on 4/25/68, and noticed two individuals sitting next to the wall at the northwest end of the bar. He noted that when the conversation shifted to MARTIN LUTHER KING, these two individuals appeared to become nervous and whispered to one another and then left abruptly. Before this had happened, he had thought to himself that the one individual resembled photograph of RAY which he had seen previously and after they left in a gray car, heading east towards Bristol, Indiana, he mentioned to the owner of the tavern, known to him as EDDIE, of the feeling the one individual resembled RAY. It was his impression that EDDIE was acquainted with these individuals and did not seem to be concerned about the matter; however, he thought he should report the matter to the FBI.

EDWARD BOLLERO, part-owner, Joe and Eddie's Tavern, East Jackson Boulevard, advised he recalls the incident wherein JOHN ANDREWS had mentioned to him that an individual sitting at the northwest part of the bar resembled Dr. MARTIN LUTHER KING's assassin, JAMES RAY. BOLLERO advised that he told ANDREWS that this could not be because he was well acquainted with both of these individuals. BOLLERO stated one individual who ANDREWS claimed to resemble RAY, is GUY ENOS, night foreman, Taylor's Sales, and he has known this individual for eight years. He advised ENOS' companion was DICK OREM, night supervisor, Taylor's Sales, and he has personally known OREM for approximately eighteen years.

Mr. BOLLERO advised that it is his opinion that

Re Bureau airtel to Indianapolis, Birmingham, and Mobile, 4/30/68, copy to Memphis, regarding Mrs. RUTH HARNEY - COMPLAINANT.

The following investigation was conducted by SAs HERBERT T. BRADSHAW and WILLIAM R. LISTON:

On May 6, 1968, Mrs. RUTH HARNEY, 601 East Adams Street, Muncie, Indiana, advised as follows:

All the information which she has furnished by letter to FBI Headquarters, Washington, D.C., was obtained by her and her daughter, Mrs. BARBARA WALLEN, St. Johns Street, at Daleville Road, Daleville, Indiana, by use of a ouija board, a device which mystically spells out words when questions are asked of it. Also, she stated that at about the time of the Pueblo incident, she began hearing signals over her television set which sounded like Morse Code being transmitted, and she thought the Russians were doing this.

Mrs. HARNEY's letter to the Bureau was orally acknowledged and she was asked not to furnish additional letters to the Bureau based on information she obtains from her ouija board.

In view of the foregoing, no further investigation should be conducted concerning information furnished by Mrs. HARNEY.

"TEN MOST WANTED FUGITIVES" PROGRAM
NEWSPAPER MAT

44-563-84
44-563-75

Being forwarded under separate cover is a supply of newspaper mats and proofs for expeditious distribution to all cooperative daily and weekly newspapers in your territory. Additional publications such as shoppers' guides should not be overlooked in obtaining the greatest possible publicity regarding this fugitive.

In most cases, these mats and proofs may be distributed by mail but when circumstances warrant they may be personally delivered by Special Agents. A form letter over the signature of the Special Agent in Charge may be utilized in distributing this material by mail and this letter should point out that the FBI is requesting the aid of the Nation's press in bringing about the prompt apprehension of this badly sought fugitive.

Prompt distribution should be made and additional supplies, if needed, are available at the Bureau. The following number of mats and proofs are being forwarded to your office under separate cover: 400.

As an additional means of securing widespread publicity concerning Ray, offices covering the place of publication of magazines which have previously cooperated in publicizing FBI fugitives should request the assistance of such publications in carrying an article on captioned fugitive. The Bureau press release, copies of which are available in each office, along with a glossy photograph of this fugitive can be furnished. The earliest possible utilization of this material should be encouraged and special attention should be given to publications aimed at minority groups.

Re: JOSEPH ELMER AUSTIN

The following investigation was conducted by SA LEONARD A. WISSMAN on 5/9/68 at Goshen, Indiana:

There are no businesses located in 100 block of West Lincoln Avenue, Goshen, with the exception of the Salem Bank & Trust Company.

City Directory and Telephone Directory failed to reveal any company in existence as A. A. Ferris Co., 122 West Lincoln.

ROSAELINE LONG, Manager, Goshen Credit Bureau, advised she could locate no information concerning A. A. Ferris Co. Her records reflected an AA Farms Co., 111 East Lincoln Avenue, manager by Dr. J. C. ANDERSON. The above was a mission to take care of transients and alcoholics. ANDERSON in constant travel status and will return to Goshen in a few weeks.

In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.

Re Louisville airtel 4/24/68, concerning information furnished by ALVIN D. MASON.

On 4/23/68, Sgt. JOSEPH HOCHADEL, Jeffersonville, Indiana PD, advised SA SEAMANS J. JONES that Indiana License 10A 1120 is issued to JAMES W. PARISH, 1224 Mosswood Court, Jeffersonville, for a 1960 Oldsmobile 4-door sedan, VIN 608M7923. HOCHADEL stated he does not know PARISH and there is no arrest record for him in the PD files.

On 4/24/68, ALBERT DANNER, President of Danco, Inc., 1317 Skyline Drive, Jeffersonville, advised he is well acquainted with JAMES W. PARISH, 1224 Mosswood Court. He stated PARISH purchased his house two years ago from Danco and is employed as a chemical operator at Girdler Catalyst, Louisville, Kentucky. DANNER observed a photo of RAY and stated PARISH is definitely not identical with this photo.

On 4/26/68, JAMES W. PARISH, 1224 Mosswood Court, was interviewed by SA SEAMANS J. JONES. It was observed he is not identical with the photo of RAY. A 1960 black Oldsmobile 4-door bearing Indiana License 10A 1120 was observed parked in front of the PARISH home. Mr. PARISH stated he is the only person who drives this car except his wife and daughter. He has not loaned this car to any other man and it has not been driven by any other man. Mr. PARISH stated he was born and reared in Jeffersonville, Indiana.

It should be noted that PARISH resides in Northaven Subdivision constructed and sold by Danco, Inc. This subdivision is located on State Road 62 north of Jeffersonville, Indiana, and it would be normal procedure for PARISH to enter State Road 62 from the side road along which are numerous apartment buildings and proceed toward Jeffersonville to the stop light located at 10th and Main Streets at Youngstown Shopping Center. It was noted that PARISH does bear some slight resemblance to the photo of RAY about the nose. However, he is much smaller and his hair rather than being short cropped, is very thin and appears short cropped. He has been listed in the Jeffersonville city directory since 1960, as an employee at Girdler Catalyst.
